RE: Support of AB 1335 (Atkins)

Dear Council President Baines:

It is my understanding that on June 18 the Fresno City Council will be considering a resolution to support the Building Homes and Jobs Act (AB 1335 by Assembly Speaker Atkins).

The Building Industry Association (BIA), along with the California Building Industry Association and other organizations, supports the passage of AB 1335. This bill is critical to the establishment of a permanent funding source for affordable housing. California must increase the supply of homes that are affordable to build a stronger economy.

The BIA requests that the Fresno City Council go on record in support of this bill.

If you have any question, please call me at 226-5900.

Sincerely,

Michael Prandini
