For what Board or Commission are you applying?	Capital Projects Oversight Committee
Briefly explain why you are interested in serving on this Board(s) or Commission(s)	I have extensive experience working on and overseeing capital projects here in the Central Valley. I believe I would bring a unique perspective to the Commission stemming from my time directly working on such projects, overseeing RFIs, performing administrative responsibilities, and managing change orders. I directly oversaw construction projects exceeding \$80 million. I am confident my skills and knowledge gained from working on these projects would provide me with invaluable insight to further the Commission's goals.
Do you or an immediate family member have any professional or financial relationship that may present a potential conflict of interest for this board, commission or similar body?	No
