

CITY OF FRESNO

COUNCIL RESIDENCY ACT

Adopted as Amended

October 12, 2017

The following policies are enacted to help insure that City Council candidates and current City Councilmembers reside in the district they will or do represent.

ARTICLE I DEFINITIONS

At Large Municipal Elections

In at-large elections, all voters can vote for all seats up for election. At-large elections allow a simple majority of the voters to elect all of the seats in a local election. This can result in disenfranchisement of the local electorate and elected bodies not in compliance with applicable law. Prior to 1981, City Council seats in Fresno were contested in at large elections.

City

"City" means the City of Fresno, a municipal corporation.

District Municipal Elections

A jurisdiction is divided into districts and one member is elected per district. Only the voters in a specific City Council district may vote for City Council candidates in that district.

Fresno City Charter Section 304

This Charter Section provides that no person shall be eligible to hold an elective office unless that person is, and has been for a period of at least 30 days immediately preceding the filing of nomination papers for such office or appointment of such office, a resident of the City, and has been at the time of assuming such office, an elector of the City.

Fresno City Charter Section 304.1

City of Fresno Charter Section 304.1 took effect on all municipal elections after 1981. It provides that no person shall be eligible to hold elective office as a Councilmember unless that person is, and has been for a period of at least thirty days immediately preceding the filing of nomination papers for such office or appointment to such office, a resident within the Council district corresponding in number to the office to which that person is elected or appointed.

Municipal Ordinance

A Municipal Ordinance is a law of local application. Local ordinances are adopted by the City Council and enforced by the City Manager and staff of local government.

Voting Rights Act of 1965

The National Voting Rights Act of 1965 outlawed discriminatory voting practices for the widespread disenfranchisement of minorities in the United States. The Act established extensive federal oversight of elections administration, providing that states and local governments with a history of discriminatory voting practices could not implement any change affecting voting without first obtaining the approval of the Department of Justice, a process known as preclearance.

ARTICLE II PURPOSE OF ACT

Prior to 1981, there was a concern that some citizens of Fresno did not have a Councilmember to properly represent their district. There was also a potential violation of the Voting Rights Act of 1965 and subsequent election laws governing citizen

representation. This issue was finally decided by the voters in a ballot issue.

On May 31, 1977, the voters of Fresno amended Charter Section 304 to require that persons running for City municipal elections must live in the City for a period of at least 30 days immediately preceding the filing of nomination papers for City offices and live in the City at the time of assuming office.

The voters of Fresno also added Charter Section 304.1 to require that persons running for City Council seats must reside in the district at the time the nomination papers are filed for such office or appointment. It further provided that each Councilmember shall, during the Councilmember's term, reside within such Council district. This was strictly a residency requirement and elections continued to be held at large. On June 3, 1980, the voters amended Charter Section 304.1 to provide that each Councilmember must reside in, and be elected from the district corresponding in number to his/her office. Thus, only the electors from the district could vote for the Councilmember within such district.

Objectives of Act:

1. To provide stricter and more detailed criteria for establishing a Council candidate's residency in the Council district. Developing structured, objective criteria will help ensure proof of district residency for Council candidates.
2. To provide stricter and more detailed criteria for establishing current Councilmembers' residency in the districts they represent during their term in office. Developing structured, objective criteria will help ensure proof of district residency during the entire term of a Councilmember.
3. To protect the interests of all Fresno citizens and insure proper representation by developing policies that will help ensure that the Councilmembers truly reside in the district they represent.
4. Adopt enabling legislation via a municipal resolution to establish necessary policies.

Accomplishing the above stated objectives will help ensure that both the letter and spirit of Charter Section 304.1 can be implemented as Fresno voters intended when they passed the ballot measure 30 years ago.

ARTICLE III ADVANTAGES OF DISTRICT REPRESENTATION

There are compelling reasons for establishing district representation. The Voter Rights Act of 1965 was the legislative vehicle for eliminating discriminatory voting qualifications, standards, practices, and procedures. The advantages of district elections include:

1. It encourages personal campaigns;
2. It encourages attention to neighborhood concerns;
3. It is easier for new candidates to win;
4. There is a lower cost of campaigning; and
5. It enhances descriptive representation and shared policy views and ideology.

Candidates not in compliance with the residency requirements of Charter Section 304.1 undermine the legal principles of representative local elections and raise questions regarding a local election's compliance with applicable law.

ARTICLE IV RESIDENCY REQUIREMENTS FOR COUNCIL CANDIDATES

In addition to providing the Fresno County Clerk proof of voter registration in the district residence claimed for running for a City Council seat, candidates must provide [all of] the following additional information to verify their 30 day residency requirement~~[, and all the information and requirements must be current and valid as of the date of submission through election and assuming office]~~:

1. Proof of home ownership as evidenced by: 1) a copy of a grant deed, a mortgage payment billing statement verifying the address; or any other document that can verify home ownership and residency of the property; and 2) evidence of a homeowner's property tax exemption filed with the Fresno County Assessor for proof that the home is the primary residence. If candidates do not have a tax exemption on file, they must submit an affidavit signed by the candidate verifying that the home is the candidate's primary residence; or

If the home ownership is in the name of a person other than the candidate, or in the name of a legal entity, such as a trust, partnership, or corporation, the candidate must submit an affidavit signed by the homeowner or authorized legal representative of the entity verifying that candidate is living in the home as his or her primary residence; or

2. If the residence is rented or leased by the candidate, the candidate will provide proof of residency by providing a signed copy of a [current and legally enforceable] lease or rental agreement. If the lease or rental agreement expiration date is ~~longer~~[less than] than 90 days [from the date of filing nomination papers], the candidate shall provide a letter from the property manager or property owner verifying that the candidate is continuing on a month-to-month basis; [the lease must demonstrate the candidate resided at the specified address at least 30 days prior to filing nomination papers] or

If a candidate is living at a residence without a lease or rental agreement and whose name otherwise does not appear in the proof of home ownership, candidate must have landlord or property owner sign an affidavit, under penalty of perjury, verifying candidate's residency in landlord's or property owner's property.

3. Proof of motor vehicle registration, if any motor vehicles are registered to the candidate for the residency claimed or proof of a valid California driver's license showing his or her address on the license is consistent with the address shown on the nomination papers. If the residence address on either the driver's license or auto registration is in the process to being changed, the candidate must provide a document from the California Department of Motor Vehicles (DMV14 form) verifying the change is in process. If a candidate does not own an automobile or does not have a California driver's license, the candidate must

submit any other State of California issued identification showing the address on the identification document is consistent with the address shown on the nomination papers.

In the event a PG&E and/or Fresno City Utility bill has not been generated, a letter from an authorized representative of the utility provider stating that an account has been opened in the candidate's name will suffice. If there is an agreement with a landlord or other legal entity, as verified by a rental contract or lease contract, that the landlord or other legal entity will pay the PG&E bill and/or the Fresno Utility bill, the candidate must submit an affidavit signed by the landlord or the other legal entity's authorized legal representative verifying that the landlord or other legal entity, is responsible for paying the PG&E bill and/or the Fresno City Utility bill.
5. The candidate must sign an affidavit, [in a form approved by the City Clerk and City Attorney] under penalty of perjury, verifying residency.

Failure to provide any of the above-required documents [on or before the closing date to file nomination papers] will disqualify a candidate from meeting the Charter Section 304.1 district residency requirement. Willfully submitting false, forged, altered documents or coercing or unduly influencing persons providing affidavit documents will also disqualify candidates and constitute a misdemeanor Charter violation in addition to any other legal remedy available to enforce a similar fraudulent act.
