Valley Dumpster Service LLC is a new start up business owned and operated locally by Mike and Margaret Funk, a husband-and-wife team who formerly started, owned, operated and recently sold U.S. Tint/Shadow Enterprises, a licensed contractor who ran a retail location in Fresno and worked with Multiple Federal Government Agencies, The State of California, County of Fresno, City of Fresno, City of Clovis and additional cities located throughout the San Joaquin Valley for specialty flat glass window film and automotive products required for job specific projects. During this time period, Mike and Margaret Funk Privately volunteered to help family work an orchard collecting, transporting and disposing mostly vines, trees and shrubs but sometimes Waste/Junk to Approved Recycle/Waste Disposal Facilities in Fresno up until their passing and property sale in 2014.

Valley Dumpster Service will be offering Residential and Commercial One-Time Collection and Transportation Service of Solid Waste/Junk Materials in various sizes of Roll-Off Containers to Various Approved Disposal Facilities Sites in and throughout the Fresno Area and will uphold the City's Municipal Code, Article 2 Section 6 to minimize any potential environmental adverse effects.

Valley Dumpster Service will maintain a website containing written rules and instructional videos with descriptions of "Accepted" and "Unaccepted" Disposable Waste Items and require a signed contract to ensure clients have read and understand this agreement prior to scheduling a container for rental service.

Additionally, at drop-off, a pamphlet with listed "Terms and Conditions" will be handed out as a final reminder of this agreement. Containers will be clearly marked with the Company Name, Reflective Red and White Safety Tape Markers, "Fill Line" Level Markers and a Large 12 x 9 "**No Dumping**" Sign and **List of Unaccepted Items Visibly Posted** on the front and back of each container as well. Prior to Transportation, Valley Dumpster Service will Survey and Access the container to ensure a Safe Transportation and Disposal will be properly delivered to an Approved Disposal Facility.
