In the event CCLT involves any asbestos environmental hazard (e.g., asbestos remediation), the CCLT's Pollution Liability insurance policy shall be endorsed to include coverage for asbestos environmental hazards. In the event the SLFRF Agreement involves any mold environmental hazard (e.g., mold remediation), the Pollution Liability insurance policy shall be endorsed to include coverage for mold environmental hazards and "microbial matter including mold" within the definition of "Pollution" under the policy.

CCLT shall be responsible for payment of any deductibles contained in any insurance policies required hereunder and CCLT shall also be responsible for payment of any self-insured retentions. Any deductibles or self-insured retentions must be declared to, and approved by, the CITY's Risk Manager or his/her designee. At the option of the CITY's Risk Manager or his/her designee, either (i) the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects to the CITY, its officers, officials, employees, agents, and volunteers; or (ii) CCLT shall provide a financial guarantee, satisfactory to the CITY's Risk Manager or his/her designee, guaranteeing payment of losses and related investigations, claim administration and defense expenses. At no time shall the CITY be responsible for the payment of any deductibles or self-insured retentions.

All policies of insurance required hereunder shall be endorsed to provide that the coverage shall not be cancelled, non-renewed, reduced in coverage or in limits except after 30 calendar day written notice has been given to the CITY. Upon issuance by the insurer, broker, or agent of a notice of cancellation, non-renewal, or reduction in coverage or in limits, CCLT shall furnish the CITY with a new certificate and applicable endorsements for such policy(ies). In the event any policy is due to expire during the work to be performed for the CITY, CCLT shall provide a new certificate, and applicable endorsements, evidencing renewal of such policy not less than 15 calendar days prior to the expiration date of the expiring policy.

The General Liability, Automobile and Pollution Liability insurance policies shall be written on an occurrence form. The General Liability, Automobile Liability and Pollution Liability insurance policies shall name the CITY, its officers, officials, agents, employees, and volunteers as an additional insured. All such policies of insurance shall be endorsed so the CCLT's insurance shall be primary and no contribution shall be required of the CITY. The coverage shall contain no special limitations on the scope of protection afforded to the CITY, its officers, officials, employees, agents, and volunteers. If CCLT maintains higher limits of liability than the minimums shown above, the CITY requires and shall be entitled to coverage for the higher limits of liability maintained by CCLT. The General and Pollution Liability insurance policy shall also name the CITY, its officers, officials, agents, employees, and volunteers as additional insureds for all ongoing and completed operations. Any failure to maintain the required insurance shall be sufficient cause for the CITY to terminate this Agreement. No action taken by CITY hereunder shall in any way relieve CCLT of its responsibilities under this Agreement. The phrase "fail to maintain any required insurance" shall include, without limitation, notification received by the CITY that an insurer has commenced proceedings, or has had proceedings commenced against it, indicating that the insurer is insolvent.

The fact that insurance is obtained by CCLT shall not be deemed to release or diminish the liability of CCLT, including, without limitation, liability under the indemnity provisions of this Agreement. The duty to indemnify the CITY shall apply to all claims and liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by CCLT. Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of CCLT, its principals, officers, agents, employees, persons under the supervision of CCLT, vendors, suppliers, invitees, consultants, sub-consultants, subcontractors, or anyone employed directly or indirectly by any of them.

In the event of a partial or total destruction by the perils insured against of any or all of the work and/or materials herein provided for at any time prior to the final completion of the Agreement and the final acceptance by the CITY of the work or materials to be performed or supplied thereunder, CCLT shall promptly reconstruct, repair, replace, or restore all work or

The above-described policies of insurance shall be endorsed to provide an unrestricted 30 day written notice in favor of the CITY, of policy cancellation, change or reduction of coverage. In the event any policy is due to expire during the term of this Agreement, a new certificate evidencing renewal of such policy shall be provided not less than 15 days prior to the expiration date of the expiring policy(ies). Upon issuance by the insurer, broker, or agent of a notice of cancellation, change or reduction in coverage, CCLT or its contractors, as the case may be, shall file with the CITY a certified copy of the new or renewal policy and certificates for such policy. CCLT shall furnish the CITY with the certificate(s) and applicable endorsements for ALL required insurance prior to the CITY's execution of this Agreement. CCLT shall furnish the CITY with copies of the actual policies upon the request of the CITY at any time during the life of the Agreement or any extension.

CCLT'S obligations as set forth in this section shall apply regardless of whether CITY or any of its officers, officials, employees, agents, or volunteers are passively negligent, but shall not apply to any loss, liability, fines, penalties, forfeitures, costs or damages caused by the active or sole negligence, or the willful misconduct, of CITY or any of its officers, officials, employees, agents or volunteers.

The defense and indemnity obligations set forth above shall be direct obligations and shall be separate from and shall not be limited in any manner by any insurance procured in accordance with the insurance requirements set forth in this Contract. In addition, such obligations remain in force regardless of whether CITY provided approval for, or did not review or object to, any insurance CCLT may have procured in a accordance with the insurance requirements set forth in this Contract. The defense and indemnity obligations shall arise at such time that any claim is made, or loss, injury or damage of any type has been incurred by CITY, and the entry of judgment, arbitration, or litigation of any claim shall not be a condition precedent to these obligations.

The defense and indemnity obligations set forth in this section shall survive termination or expiration of this Contract.

If CCLT should subcontract all or any portion of the work to be performed under this Contract, CCLT shall require each subcontractor to Indemnify, hold harmless and defend CITY and each of its officers, officials, employees, agents and volunteers in accordance with the terms as set forth above.

9.3 Property Insurance. The bond shall be maintained by CCLT in full force and effect until the Project is completed and until all claims for materials and labor are paid and as required by the applicable provisions of Chapter 7, Title 15, Part 4, Division 3 of the California Civil Code.

C. The "Material and Labor Bond" shall be at least equal to 100% of the CCLT's estimated construction costs as reflected in the CCLT's pro forma budget, to satisfy claims of material supplies and of mechanics and laborers employed for this Project. with the land and will be binding on all parties having or acquiring any right, title or interest in the Property or any part thereof, will inure to the benefit of the CITY, and will be enforceable by it. Any purchaser under a contract of sale covering any right, title or interest in any part of the Property, by accepting a deed or a contract of sale or agreement of purchase, accepts the document subject to, and agrees to be bound by, any and all restrictions, covenant, and limitations set forth in this Declaration commencing on the date the DECLARANT is notified by the CITY that the Affordable Housing Unit Household information has been obtained and verified, has begun as provided in the Agreement, constituting the commencement of the 55-year Affordability Period.

1. Declarations. The DECLARANT hereby declares that the Property is and shall be subject to the covenants and restrictions hereinafter set forth, all of which are declared to be in furtherance of the Project and the Agreement and are established and agreed upon for the purpose of enhancing and protecting the value of the Property and in consideration of the CITY entering into the Agreement with the DECLARANT.

2. Restrictions. The following covenants and restrictions on the use and enjoyment of the Property shall be in addition to any other covenants and restrictions affecting the Property, and all such covenants and restrictions are for the benefit and protection of the CITY and shall run with the Property and be binding on any future owners of the Property and inure to the benefit of and be enforceable by CITY. These covenants and restrictions are as follows:

a. The DECLARANT for itself and its successor(s) on title covenants and agrees that from the date of the recordation of the Certificate of Completion, until the expiration of the Affordability Period, it shall cause two single-family Affordable Housing Units to be used as affordable housing to Low-Income Households with an income of less than 80%, or less, of area median income. Unless otherwise provided in the Agreement, all Affordable Housing Units shall include, without limitation, compliance with the following requirements:

i. Nondiscrimination. There shall be no discrimination against nor segregation of any persons or group of persons on account of race, color, creed, religion, sex, marital status, national origin, ancestry, or handicap in the sale, transfer, use, occupancy, tenure, or enjoyment of any of the Property, nor shall the DECLARANT establish or permit any practice of discrimination or segregation with reference to the selection, location, number, use or occupancy of owners or vendees of the Project and/or Property.

ii. Principal Residence. The Affordable Housing Units shall be leased only to eligible natural persons, who shall occupy the Affordable Housing Unit as the occupants' principal place of residence.

iii. Household Income Requirements. The two Affordable Housing Units constructed on the Property may be conveyed only to a natural person(s) whose annual Household income at the time of lease is less than 80% of the most recent annual area median income.

Item (a) above is hereinafter referred to as the Covenant and Restriction.

3. Enforcement of Restrictions. Without waiver or limitation, the CITY shall be entitled to injunctive or other equitable relief against any violation or attempted violation of any Covenant and Restriction.

4. Acceptance and Ratification. All present and future owners of the Property and other persons claiming by, through, or under them shall be subject to and shall comply with the Covenant and Restriction. The acceptance of a deed of conveyance to the Property shall constitute an agreement that the Covenant and Restriction, as may be amended or supplemented from time to time, are accepted and ratified by future owners, tenant or occupant, and such Covenant and Restriction shall be a covenant running with the land and shall bind any person having at any time any interest or estate in the Property, all as though such Covenant and Restriction was recited and stipulated at length in each and every deed, conveyance, mortgage or lease thereof.

Notwithstanding the foregoing, upon foreclosure by a lender or other transfer in lieu of foreclosure, or assignment of an FHA-insured mortgage to HUD, the Affordability Period shall be terminated unless the foreclosure or other transfer in lieu of foreclosure or assignment recognizes any contractual or legal rights of public agencies, nonprofit sponsors, or others to take actions that would avoid the termination of low-income affordability. However, the requirements with respect to Affordable Housing shall be revived according to their original terms, if during the original Affordability Period, the owner of record before the foreclosure or other transfer, or any entity that includes the former owner of those with whom the former owner has or had formally, family or business ties, obtains an ownership interest in the Project or the Property, the Affordability Period shall be revived according to its original terms.

5. Benefit. This Declaration shall run with and bind the Property for a term commencing on the Project information is entered into IDIS as complete until the expiration of the 55-year Affordability Period. The failure or delay at any time of CITY and/or any other person entitled to enforce this Declaration shall in no event be deemed a waiver of the same, or of the right to enforce the same at any time or from time to time thereafter, or an estoppel against the enforcement thereof.

6. Costs and Attorney's Fees. In any proceeding arising because of failure of the DECLARANT or any future owner of the Property to comply with the Covenant and Restriction required by this Declaration, as may be amended from time to time, the CITY shall be entitled to recover its respective costs and reasonable attorney's fees incurred in connection with such default or failure.

7. Waiver. Neither the DECLARANT nor any future owner of the Property may exempt itself from liability for failure to comply with the Covenant and Restriction required in this Declaration; provided however, that upon the transfer of the Property, the transferring owner may be released from liability hereunder, upon the CITY's written consent of such transfer, which consent shall not be unreasonably withheld, conditioned, or delayed.

8. Severability. The invalidity of the Covenant and Restriction or any other covenant, restriction, condition, limitation, or other provision of this Declaration shall not impair or affect in any manner the validity, enforceability, or effect of the rest of this Declaration and each shall be enforceable to the greatest extent permitted by law.

9. Pronouns. Any reference to the masculine, feminine, or neuter gender herein shall, unless the context clearly requires the contrary, be deemed to refer to and include all genders. Words in the singular shall include and refer to the plural, and vice versa, as appropriate.
