Five (5) bid proposals were received and opened in the public bid opening on May 21, 2024, with bids ranging from \$7,358,665.00 to \$9,031,599.50. If the bids are rejected or expire, the project will be rebid resulting in a delay of approximately 3 months.

Local preference was not implemented for this project due to it being funded by State SB1 Gas Tax and ARPA which precludes local preference. The overall cost of the project is \$8,453,238.37, and of the total project cost, \$7,358,665.00 will be used for the construction contract award. This project is funded through a combination of SB1 Gas Tax, Measure C, and American Rescue Plan Act (ARPA) funding, which are included in the FY2024 budget adopted by Council. The ARPA funding must be spent or encumbered by December 31, 2024, and the award of this contract will ensure that the funding deadlines are met. This project will have no impact on the General Fund.
