WHEREAS, on August 24, 2017, an election was held within the amended boundaries of Final Tract Map No. 5717 of CFD No. 9 and, as required by City Law, the ballot measure was passed and approved by more than two-thirds of the votes cast; and

WHEREAS, all necessary procedures required by law have been taken for the amended boundaries of Final Tract Map No. 5717 of CFD No. 9 to change the type of Services, the rate and method of apportionment of the special tax and the Maximum Special Tax to be levied, without limitation, the procedures set forth herein.

THEREFORE, THE CITY OF FRESNO DOES ORDAIN AS FOLLOWS:

1. Pursuant to City Law, and in accordance with the Revised Rate and Method of Apportionment of Special Tax as shown in Exhibit B to the Authorization Resolution, a special tax is hereby authorized and levied on all taxable parcels within the amended boundaries of Final Tract Map No. 5717 for the 2017-2018 fiscal year and for each future fiscal year at the same or at a rate lower than the maximum rate of tax provided in Exhibit B to the Authorization Resolution. By a resolution of this Council, the tax rate may be adjusted annually, subject to such maximum rate of tax. The special taxes levied in any fiscal year on any parcel within the amended boundaries of Final Tract Map No. 5717 shall not exceed the maximum special tax specified in Exhibit B to the Authorization Resolution.

2. The Public Works Director or his designee is authorized and directed, with the aid of the appropriate officers and agents of the City, to determine each year, the Special Tax Requirement (as that term is defined in Exhibit B of the Authorization Resolution), to prepare the annual special tax roll in the amount of Special Tax Requirement in accordance with said Exhibit B and, without further action of this Council, to provide all necessary and appropriate information to the County of Fresno ("County") Auditor in the form, and within the time, necessary to effect the correct and timely billing and collection of the special tax on the secured property tax roll of the County. The Special Tax shall be levied and collected in the same manner, shall be subject to the same penalties and the same lien priority, and the same procedure and

sale for delinquency, as for ad valorem taxes. Notwithstanding the foregoing, as set forth in the Authorization Resolution and City Law, this Council reserves the right to use any method of collecting the special tax, which the Council, from time to time, may determine to be in the best interests of the City including, without limitation, direct billing by the City to the property owners and supplemental billing. The Public Works Director or his designee is further authorized and directed to furnish the notices of special tax required by Section 53340.2 of the California Government Code.

3. The appropriate officers and agents of the City are further authorized and directed to adjust the special tax roll before the final posting of the special taxes to the County tax roll each fiscal year, as necessary to achieve a correct match of the special tax levy with the county assessor's parcel numbers finally used by the County in sending out property tax bills.

4. If a court of competent jurisdiction finds any part of this Ordinance to be invalid or the special tax to be inapplicable to or unreasonable for any particular parcel, the balance of this Ordinance and the application of the special tax to the remaining parcels, shall not be affected and shall remain in full force and effect.

5. This Ordinance shall take effect and be in force immediately upon the date of final passage, as a tax measure, pursuant to City Charter, Article VI, Section 610.
