June 24, 2015

Mr. Scott Motsenbocker, Senior Budget Analyst
City of Fresno
2600 Fresno Street
Fresno, CA 93721-3601

Dear Mr. Motsenbocker:

The Fresno County Transportation Authority, at its June 24, 2015 board meeting, adopted the attached Measure C Extension Local Transportation Purposes Pass-Through Projects and Program Funds apportionment for the fiscal year 2015-16 (Resolution 2015-01). As a result local agency pass-through revenues from the Measure C Extension are available to claim for fiscal year 2015-16 using the numbers attached. These funds will be distributed monthly on a proportional basis as funds are received and based upon adopted percentages for each participating jurisdiction.

To begin distribution of the collected funds as soon as possible, it is required that each agency furnish the Transportation Authority with an executed FY2015-16 Certifications and Claim form for each sub program allocation along with an appropriate resolution from that city. One resolution that specifically addresses each of the sub-program claim forms and the appropriate percentages allocated will be sufficient. In addition, each agency must also include language in their Claim Resolution of their intent to complete the reporting requirements no later than November 15th when they submit their claim forms.

As you are aware the Extension requires the participating agencies receiving Measure C Extension funds to **report** their prior fiscal years Measure C Extension expenditures no later than November 15th, as indicated on page 80 of the Measure C Extension Strategic Implementation Plan, Other Implementation Plan Provisions. *If the reports are not filed with the Authority by November 15, 2015, the current fiscal years allocation will be stopped until such time as a completed report is filed for each program and sub-program.*

Local Transportation Pass-Through
June 24, 2015
Page Two

Feel free to contact our office for a sample resolution. As with the prior year, each agency will receive a separate check for each sub-program where a completed claim form is filed and approved by the Authority Board. This should assist each agency with tracking and monitoring the various sub program requirements on spending these funds. The monitoring of these funds will be done by the annual audit process.

The Certification and Claim Forms for each of the sub-programs your agency is entitled to claim are attached. **We have partially completed the Certification and Claim forms on your behalf according to your previous years forms. (I am also emailing you your electronic Certification and Claim form to staff to facilitate any changes you may have.) Please return your completed and signed Certifications and Claim form for each sub-program along with your resolution that references each sub-program, the appropriate percentages of each sub-program and your intent to meet the reporting requirements no later than November 15, 2015, to the FCTA at 2220 Tulare, Suite 411, Fresno, CA 93721 for processing.** One resolution that references all of the information listed above will be sufficient.

You will be provided with the Reporting Requirement Form no later than August 31, 2015 with a reminder of your November 15th due date. As always feel free to contact our office at 600-FCTA at any time, or if you have questions or need assistance completing the forms you can reach Denise DiBenedetto at denise.dibenedetto@measurec.com.

Sincerely,

Ron Peterson
Executive Director
