FRESNO ARTS COUNCIL INFORMATION

WHO WE ARE:

The [Fresno Arts Council](#) (FAC) is the state-local partner to the [California Arts Council](#), designated by Resolution of the County Board of Supervisors to serve as the County's arts agency. It is designated as the City of Fresno's arts agency by Memorandum of Understanding. As the local arts agency, the FAC provides financial support, services, and other programs to a variety of cultural arts organizations, individual artists, and diverse communities throughout Fresno County.

Our mission is to *enrich people's lives through the arts*, and our purpose is to foster an arts community that recognizes and honors the contributions of its citizens to the arts. We are managed by a volunteer board of directors, and our agency solicits financial support from foundations, membership dues, and government and corporate funders, as well as private donors.

The Fresno Arts Council (FAC) will award grants generated by the Measure P sales tax to nonprofit community-based organizations for the purpose of increasing access to the Arts in the City of Fresno.

CULTURAL ARTS GRANT OVERVIEW

MEASURE P

In 2018, City of Fresno residents voted to approve [Measure P](#), also known as the [FRESNO CLEAN AND SAFE NEIGHBORHOOD PARKS TRANSACTIONS AND USE TAX](#), a three-eighths (.0375) percent sales tax ordinance, dedicated to improving parks, arts, and recreation facilities, services, and access in the City of Fresno. Funds collected by the sales tax can be used for purposes including, but not limited to, clean and safe parks; new parks and recreation facilities; youth and senior recreation and after-school facilities and job training; improved walking and biking trails; the San Joaquin River Parkway; beautification of streets; and expanded access to arts and culture. Measure P is a renewable thirty-year initiative implemented by the City of Fresno with oversight by the [Parks, Recreation, and Arts Commission \(PRAC\)](#), a nine member committee established by the ordinance, with Mayoral appointments.

Twelve Percent (12%) of funds collected by the sales tax are designated for improving access to arts and culture via competitive grants for cultural arts nonprofit organizations within City limits. This process is discussed in category 4 of the ordinance.

CATEGORY 4, MEASURE P ORDINANCE

Fresno Municipal Code Section 7-1506(b) (4) **Expanded Access to Arts and Culture.**

(A) Twelve percent (12%) percent of the funds made available from Section 7-1504 shall be made available on an annual basis to invest in competitive grants for nonprofit organizations that support and expand access to arts and cultural programming.

(B) Grants funded pursuant to this paragraph shall be implemented by the Commission in partnership with the Fresno Arts Council, or its successor local arts agency, using multiple solicitations that allow for a diverse set of programs, with different program sizes and reach, including core operating and project-support grants, to be funded. The Commission shall ensure that grant applications are reviewed in a transparent, competitive process.

(C) Prior to the implementation of subparagraph (B), the Commission shall work in partnership with the Fresno Arts Council, and local arts and cultural stakeholders, to develop a Cultural Arts Plan for the City of Fresno that would identify needs in the arts and cultural community; prioritize outcomes and investments; and develop a vision and goals for the future of Fresno arts and cultural programs that are reflective of the cultural, demographic, and geographic diversity of Fresno. This process shall include a robust community engagement process, including multiple public meetings. The Cultural Arts Plan shall be updated every five years by the Commission.

(D) Funding for operating support distributed pursuant to this paragraph shall support organizational stability for arts and cultural organizations that reflect the cultural, geographic and demographic diversity of the City of Fresno; and reflect the proportion of each grantee's overall operations that serves residents within, or visitors to, the City of Fresno sphere of influence.

(E) Grants funded pursuant to subparagraph (B) shall prioritize organizations and programs that support and expand diverse public or youth engagement and equity.

CULTURAL ARTS PLAN

Fresno's Cultural Arts Plan [link] was developed through a year-long process involving robust community participation. A partnership between a consultant group, [Network for Culture and Arts Policy \(NCAP\)](#), the City of Fresno PARCS Department, Fresno Arts Council, and the Parks, Recreation and Arts Commission (PRAC), with multiple opportunities for public surveys, meetings, and draft comments, individual interviews with community arts stakeholders, and research into Fresno's cultural arts assets and needs, ultimately led to the approval and adoption of Fresno's Cultural Arts Plan, which must be reassessed and updated every five years, according to requirements set forth in the ordinance. The Cultural Arts Plan was adopted by the Fresno City Council on August 10, 2023.

Fresno's Cultural Arts Plan identifies the following goals, with associated strategies, in addition to defining funding priorities.
