1. APPROVE Environmental Assessment No. P23-03086 dated November 9, 2023, a determination that the proposed project is exempt from the California Environmental Quality Act (CEQA) Guidelines through Section 15301/Class 1 Categorical Exemption.

2. Vang made an announcement that those who need translation services will be given extra time to speak.

Holt made a presentation about the cannabis application process, existing Cannabis Conditional Use Permit approvals in Council District 5, proximity to schools, appeal process, and opposition's issues with the project and corresponding Staff responses. He then talked about the subject location, Land Use, proposed business details (including security, operation, and plans), Fresno Municipal Code Findings, and Staff recommendations.

Commissioners asked Staff about relocating as a result of proximity to a new school and the potential risk as a result of the neighboring Fairgrounds.

David Densley (Cannabis team) elaborated on the definition of Youth Center according to the Code.

Jessica Reuven, Rita Tsalyuk, & Kirill Merkulov were present on behalf of the applicant team. Reuven made a presentation on the company background, protocols, location, proposed improvements, neighborhood compatibility/nuisance, and community benefits offered.

Commissioners asked several questions to clarify security protocols and any special plans for when events are being held at the Fairgrounds. Trejo noted there were limited studies on traffic/accidents that could be comparable and that the results were inconclusive at this time. Tsalyuk also explained consumption will not be allowed on site or in public, elaborating on protocols.
