BACKGROUND OF PROJECT (To be completed by Evaluating Department/Division. Explain need for project/equipment):

The City of Fresno Police Department is requesting approval to purchase 91 Dodge Durango marked patrol vehicles as replacements and additions. The new units will mobilize law enforcement officers and transport all needed equipment safely and securely. The Patrol units are on a ten year or 100,000 mile replacement schedule which has been established by the Fleet Management Division as the optimum replacement time. Of the 91 units, 58 units have been identified for replacement as they are over this limit by age or mileage. The remaining 25 vehicles will be additions utilized as take-home vehicles for sworn officers. The Department of Transportation recommends this purchase based on the replacement schedule and the needs of the Police Department.
