

ADDENDUM NO.1  
to the CITY OF FRESNO  
NOTICE OF INTENT TO ADOPT A  
MITIGATED NEGATIVE DECLARATION  
EA No. P21—02498 for  
Development Permit Application No. P21-02498  
November 23, 2021

Addendum No. 1 provides for minor deletion, corrections and clarification to the NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION for EA No. P21-02498 for Development Permit Application No. P21-02498, to allow for the development of a proposed 10MW solar plant located at 2685 South Cornelia Avenue, Fresno, CA.

The deletions, corrections, clarification, and additions shall apply in the same manner as if they were originally part of the Environmental Analysis for EA No. P21-02498. Text modifications are shown in underline/~~strikeout~~.

There is no information or new analysis of the project's potential impacts. Therefore, the project would not result in any new impacts not already analyzed in the circulated EA, pursuant to CEQA Guidelines Section 15164(b).

1. Section II: Agriculture and Forestry Resources, Impact II (a),

Revised Section a):	The Project site is comprised of a total of ±76-acre portion of a ±158-acre parcel. <del>Of the total acreage, 5 acres will be temporarily used for equipment storage during construction and will be returned to an agricultural use after construction. The remaining 71 acres will be converted to a non-agricultural use. Of the remaining project acreage that will be converted, 68.75</del> <u>73.75</u> acres are designated as Prime Farmland and 2.25 acres are designated as Farmland of Statewide Importance according to the California Important Farmland Finder (Conservation, 2016).
