Item(s)

Supplemental Information:

Any agenda related public documents received and distributed to a majority of the City Council after the Agenda Packet is printed are included in Supplemental Packets. Supplemental Packets are produced as needed. The Supplemental Packet is available for public inspection in the City Clerk's Office, 2600 Fresno Street, during normal business hours (main location pursuant to the Brown Act, G.C. 54957.5(2)). In addition, Supplemental Packets are available for public review at the City Council meeting in the City Council Chambers, 2600 Fresno Street. Supplemental Packets are also available on-line on the City Clerk's website.

Americans with Disabilities Act (ADA):

The meeting room is accessible to the physically disabled, and the services of a translator can be made available. Requests for additional accommodations for the disabled, sign language interpreters, assistive listening devices, or translators should be made one week prior to the meeting. Please call City Clerk's Office at 621-7650. Please keep the doorways, aisles and wheelchair seating areas open and accessible. If you need assistance with seating because of a disability, please see Security.

STRATEGICMECHANICAL

Mechanical Electrical Plumbing

February 9, 2022

Nelson Esparza
Fresno City Council President
City of Fresno
2600 Fresno Street
Fresno, CA 93721

Dear Fresno City Council President Esparza and members,

We at Strategic Mechanical, Inc., a locally owned Mechanical and Electrical contractor have been working hard with Alliance Building Solutions, Inc. on the proposal for the City of Fresno Phase II energy project over the last several months. Our firm will be providing direct labor from the local Fresno area for the Mechanical and Electrical scope of this work, and we are very excited to see this project get approved.

We hope that you will support this project and the future of the City of Fresno and look forward to our partnership with both Alliance Building Solutions and the City.

Sincerely,
Strategic Mechanical Inc.
Ken McNeal, PE

Re: Phase II Energy Project with Alliance Building Solutions

Dear Fresno City Council President Esparza and members,

As a local subcontractor with an extensive history of supporting the City of Fresno's building maintenance department and working on construction project for many of the City's buildings and facilities, we are excited for the anticipated approval of the Phase II energy project with Alliance Building Solutions, Inc.

Although our office recently relocated to Clovis, many of our employees are residents of Fresno. We will be providing the labor for the Energy Management and Temperature Controls on this very important project and all labor will be from our local office.

We encourage your support of this project and we looking forward to being a strategic partner to the City moving forward.

Sincerely,

Paul E. Bedard
President
Bedard Controls, Inc.
