City Council,

Please prioritize ARPA funding to fully fund and staff city & county wide youth sports, cultural, mental health, and work programs & eradicate homelessness by instituting a housing first policy that provides wraparound services for people in need.

That'll do a lot to address crime and blight in the area.

Thanks,

Alexandros R. Acedo

Attention: City Council:

I will not be able to attend Zoom meeting. due to previous commitment

You have a task today to address racial and economic inequality that still exists in America and also in Fresno.

My opinion monies should be spent in places in Fresno that need it the most which have been neglected for too long. I am talking about communities such as West Fresno, Southern part of Fresno and other parts where poverty still exists.

Invest in infrastructure and programs to support small businesses which are the backbone of the U.S. economy not large corporations.

Sincerely
Edward Castro Jr., Viet Nam Veteran
