

COOPERATIVE PURCHASE AGREEMENT

THIS AGREEMENT is made and entered into effective the [Ex. 1st, 2nd, etc.] day of [Select Month] [Year], by and between CITY OF FRESNO, a California municipal corporation (City), and TK Elevator Corporation, a Delaware Company (Vendor).

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing and of the covenants, conditions, and promises hereinafter contained to be kept and performed by the respective parties, it is mutually agreed as follows:

1. The Charter for the City allows for cooperative purchase agreements for work of public improvement. The City is allowed to use an existing government agency's agreement, as an exception to the competitive bidding requirements of Fresno City Charter Section 1208. The Parties agree that the Vendor has entered a contract with Sourcewell (Original Government Contract). The solicitation for the Original Government Contract is attached as **Exhibit A**.

2. Vendor's Obligation. Vendor shall provide those services and carry out that work described in the Original Government Contract, which is attached hereto as **Exhibit B** and is incorporated herein by reference, subject to all the terms and conditions contained or incorporated herein.

3. City's Obligation. City shall make to the Vendor those payments described in **Exhibits A and B**, subject to all the terms and condition contained or incorporated herein

4. Notwithstanding the requirements that the Original Government Contract is fully binding on the Parties, the parties have agreed to modify certain non-material provisions of the Original Government Contract as applied to this Agreement between the Vendor and the City, as follows:

a) City's Insurance and Indemnity provisions attached as **Exhibit D**.

b) Address change for the City: Notwithstanding the address contract information for the government entity as set out in **Exhibit B**, the Vendor agrees that notices and invoices will be sent to:

City of Fresno
Attention: Martin Wendels/Project Manager
DPU O&M Facility
1626 E St.
Fresno, CA 93706
Phone: (559) 621-5390
FAX: N/A

c) Notwithstanding anything in **Exhibits A and B** to the contrary, this Agreement shall be governed by, and construed and enforced in accordance with , the laws of the State of California, excluding however, any conflict of laws rule which would apply the law of another jurisdiction. Venue for purposes of the filing of any action

regarding the enforcement or interpretation of this Agreement and any rights and duties hereunder shall be Fresno County, California.

d) All other provisions in the Original Government Contract are fully binding on the parties and will represent the agreement between the City and the Vendor.

[SIGNATURES FOLLOW ON THE NEXT PAGE.]

IN WITNESS WHEREOF, the parties have executed this Agreement at Fresno, California, the day and year first above written.

RFP #080420
REQUEST FOR PROPOSALS
for
Elevators, Escalators, and Moving Walks with Related Equipment, Services, and
Supplies

Proposal Due Date: August 4, 2020, 4:30 p.m., Central Time

Sourcewell, a State of Minnesota local government agency and service cooperative, is requesting proposals for Elevators, Escalators, and Moving Walks with Related Equipment, Services, and Supplies to result in a contracting solution for use by its Participating Entities. Sourcewell Participating Entities include thousands of governmental, higher education, K-12 education, nonprofit, tribal government, and other public agencies located in the United States and Canada. A full copy of the Request for Proposals can be found on the Sourcewell Procurement Portal [<https://proportal.sourcewell-mn.gov>]. Only proposals submitted through the Sourcewell Procurement Portal will be considered. Proposals are due no later than August 4, 2020, at 4:30 p.m. Central Time, and late proposals will not be considered.

Solicitation Schedule

I. ABOUT SOURCEWELL PARTICIPATING ENTITIES

A. SOURCEWELL

Sourcewell is a State of Minnesota local government agency and service cooperative created under the laws of the State of Minnesota (Minnesota Statutes Section 123A.21) that facilitates a competitive public solicitation and contract award process for the benefit of its 50,000+ participating entities across the United States and Canada. Sourcewell's solicitation process complies with State of Minnesota law and policies, conforms to Canadian trade agreements, and results in cooperative contracting solutions from which Sourcewell's Participating Entities procure equipment, products, and services.

Cooperative contracting provides participating entities and vendors increased administrative efficiencies and the power of combined purchasing volume that result in overall cost savings. At times, Sourcewell also partners with other purchasing cooperatives to combine the purchasing volume of their membership into a single solicitation and contract expanding the reach of contracted vendors' potential pool of end users.

Sourcewell uses a website-based platform, the Sourcewell Procurement Portal, through which all proposals to this RFP must be submitted.

B. USE OF RESULTING CONTRACTS

In the United States, Sourcewell's contracts are available for use by:

- Federal and state government entities;
- Cities, towns, and counties/parishes;
- Education service cooperatives;
- K-12 and higher education entities;
- Tribal government entities;
- Some nonprofit entities; and
- Other public entities.

In Canada, Sourcewell's contracts are available for use by:

- Provincial and territorial government departments, ministries, agencies, boards, councils, committees, commissions, and similar agencies;
- Regional, local, district, and other forms of municipal government, municipal organizations, school boards, and publicly-funded academic, health, and social service entities referred to as MASH sector (this should be construed to include but not be limited to the Cities of Calgary, Edmonton, Toronto, Calgary, Ottawa, and Winnipeg), as well as any corporation or entity owned or controlled by one or more of the preceding entities;

- Crown corporations, government enterprises, and other entities that are owned or controlled by these entities through ownership interest;
- Members of the Rural Municipalities of Alberta (RMA) and their represented Associations, Saskatchewan Association of Rural Municipalities (SARM), Saskatchewan Urban Municipalities Association (SUMA), Association of Manitoba Municipalities (AMM), Local Authority Services (LAS), Municipalities Newfoundland and Labrador (MNL), Nova Scotia Federation of Municipalities (NSFM), and Federation of Prince Edward Island Municipalities (FPEIM).

For a listing of current United States and Canadian Participating Entities visit Sourcewell's website (note: there is a tab for each country's listing): <https://www.sourcewell-mn.gov/sourcewell-for-vendors/member-locator>.

Access to contracted equipment, products, or services by Participating Entities is typically through a purchase order issued directly to the applicable vendor. A Participating Entity may request additional terms or conditions related to a purchase. Use of Sourcewell contracts is voluntary and Participating Entities retain the right to obtain similar equipment, products, or services from other sources.

To meet Participating Entities' needs, public notice of this RFP has been broadly published, including notification in the United States to each state-level procurement department for possible re-posting.

Proof of publication will be available at the conclusion of the solicitation process.

II. EQUIPMENT, PRODUCTS, AND SERVICES

A. SOLUTIONS-BASED SOLICITATION

This RFP and contract award process is a solutions-based solicitation; meaning that Sourcewell is seeking equipment, products, or services that meet the general requirements of the scope of this RFP and that are commonly desired or are required by law or industry standards.

B. REQUESTED EQUIPMENT, PRODUCTS, OR SERVICES

It is expected that Proposers will offer a wide array of equipment, products, or services at lower prices and with better value than what they would ordinarily offer to a single government entity, a school district, or a regional cooperative.

1. Sourcewell is seeking proposals for Elevators, Escalators, and Moving Walks with Related Equipment, Services, and Supplies, including, but not to be limited to:
 - a. Elevators, escalators, and moving walkways;

- b. Dumbwaiters;
- c. Wheelchair, vertical and inclined platform lifts;
- d. Installation, modernization, preventative maintenance services, emergency and on-call response services, repair, inspection, and warranty services related to a. - c. above; and,
- e. Supplies, parts, and accessories related to a. - d. above.

A Proposer may elect to offer a materials-only solution, a turn-key solution, or an alternative solution. Generally, a turn-key solution is most desirable to Sourcewell and its Participating Entities, however, it is not mandatory or required.

2. The primary focus of this solicitation is on elevators, escalators, and moving walks. This solicitation should NOT be construed to include:

- a. Pool or physical therapy lifts.

3. This solicitation does not include those equipment, products, or services covered under categories included in contracts currently maintained by Sourcewell:

- a. Vehicle Lifts, with Garage and Fleet Maintenance Equipment (RFP #013020)
- b. Facility MRO (Maintenance, Repair & Operations), Industrial & Building Supplies with Related Equipment, Accessories (RFP #121218)

Proposers may include related equipment, accessories, and services to the extent that these solutions are complementary to the equipment, products, or service(s) being proposed.

Generally, the solutions for Participating Entities are turn-key solutions, providing a combination of equipment, products and services, delivery, and installation to a properly operating status. However, equipment or products only solutions may be appropriate for situations where Participating Entities possess the ability, either in-house or through local third-party contractors, to properly install and bring to operation the equipment or products being proposed.

Sourcewell prefers vendors that provide a sole source of responsibility for the products and services provided under a resulting contract. If Proposer requires the use of dealers, resellers, or subcontractors to provide the products or services, the Proposal should address how the products or services will be provided to Participating Entities and describe the network of dealers, resellers, and/or subcontractors that will be available to serve Participating Entities under a resulting contract.

Sourcewell desires the broadest possible selection of equipment, products, and services being proposed over the largest possible geographic area and to the largest possible cross-section of Sourcewell current and future Participating Entities.

C. REQUIREMENTS

It is expected that Proposers have knowledge of all applicable industry standards, laws, and regulations and possess an ability to market and distribute the equipment, products, or services to Participating Entities.

1. Safety Requirements. All items proposed must comply with current applicable safety or regulatory standards or codes.
2. Deviation from Industry Standard. Deviations from industry standards must be identified with an explanation of how the equipment, products, and services will provide equivalent function, coverage, performance, and/or related services.
3. New Equipment and Products. Proposed equipment and products must be for new, current model; however, Proposer may offer certain close-out equipment or products if it is specifically noted in the Pricing proposal.
4. Delivered and operational. Unless clearly noted in the Proposal, equipment and products must be delivered to the Participating Entity as operational.
5. Warranty. All equipment, products, supplies, and services must be covered by a warranty that is the industry standard or better.

D. ANTICIPATED CONTRACT TERM

Sourcewell anticipates that the term of any resulting contract(s) will be four (4) years. Up to two one-year extensions may be offered based on the best interests of Sourcewell and its Participating Entities.

E. ESTIMATED CONTRACT VALUE AND USAGE

Based on past volume of similar contracts, the estimated annual value of all transactions from contracts resulting from this RFP are anticipated to be USD \$30M; therefore, proposers are expected to propose volume pricing. Sourcewell anticipates considerable activity under the contract(s) awarded from this RFP; however, sales and sales volume from any resulting contract are not guaranteed.

F. MARKETING PLAN

Proposer's sales force will be the primary source of communication with Participating Entities. The Proposer's Marketing Plan should demonstrate Proposer's ability to deploy a sales force or dealer network to Participating Entities, as well as Proposer's sales and service capabilities. It is expected that Proposer will promote and market any contract award.

G. ADDITIONAL CONSIDERATIONS

1. Contracts will be awarded to Proposers able to best meet the need of Participating Entities. Proposers should submit their complete line of equipment, products, or services that are applicable to the scope of this RFP.
2. Proposers should include all relevant information in its proposal, since Sourcewell cannot consider information that is not included in the Proposal. Sourcewell reserves the right to verify Proposer's information and may request clarification from a Proposer, including samples of the proposed equipment or products.
3. Depending upon the responses received in a given category, Sourcewell may need to organize responses into subcategories in order to provide the broadest coverage of the requested equipment, products, or services to Participating Entities. Awards may be based on a subcategory.
4. A Proposer's documented negative past performance with Sourcewell or its Participating Entities occurring under a previously awarded Sourcewell contract may be considered in the evaluation of a proposal.

III. PRICING

A. REQUIREMENTS

All proposed pricing must be:

1. Either Line-Item Pricing or Percentage Discount from Catalog Pricing, or a combination of these:
 - a. **Line-item Pricing** is pricing based on each individual product or services. Each line must indicate the Vendor's published "List Price," as well as the "Contract Price."
 - b. **Percentage Discount from Catalog or Category** is based on a percentage discount from a catalog or list price, defined as a published Manufacturer's Suggested Retail Price (MSRP) for the products or services. Individualized percentage discounts can be applied to any number of defined product groupings. Proposers will be responsible for providing and maintaining current published MSRP with Sourcewell, and this pricing must be included in its proposal and provided throughout the term of any Contract resulting from this RFP.
2. The Proposer's ceiling price (Ceiling price means that the proposed pricing will be considered as the highest price for which equipment, products, or services may be billed to a Participating Entity). However, it is permissible for vendors to sell at a price that is lower than the contracted price;
3. Stated in U.S. and Canadian dollars (as applicable); and
4. Clearly understood, complete, and fully describe the total cost of acquisition (e.g., the cost of the proposed equipment, products, and services delivered and operational for its intended purpose in the Participating Entity's location).

Proposers should clearly identify any costs that are NOT included in the proposed product or service pricing. This may include items such as installation, set up, mandatory training, or initial inspection. Include identification of any parties that impose such costs and their relationship to the Proposer. Additionally, Proposers should clearly describe any unique distribution and/or delivery methods or options offered in the Proposal.

B. ADMINISTRATIVE FEES

Proposers are expected to pay to Sourcewell an administrative fee in exchange for Sourcewell facilitating the resulting contracts. The administrative fee is normally calculated as a percentage of the total sales to Participating Entities for all contracted equipment, products, or services made during a calendar quarter, and is typically one percent (1%) to two percent (2%). In some categories, a flat fee may be an acceptable alternative.

IV. CONTRACT

Proposers awarded a contract will be required to execute a contract with Sourcewell (see attached template). Only those modifications the Proposer indicates in its proposal will be available for discussion. Much of the language in the Contract reflects Minnesota legal requirements and cannot be altered. Numerous and/or onerous exceptions that contradict Minnesota law may result in the Proposal being disqualified from further review and evaluation.

To request a modification to the Contract terms, conditions, or specifications, a Proposer must complete and submit the Exceptions to Terms, Conditions, or Specifications table, with all requested modifications, through the Sourcewell Procurement Portal at the time of submitting the Proposer's Proposal. Exceptions must:

1. Clearly identify the affected article and section, and
2. Clearly note what language is requested to be modified.

Unclear requests will be automatically denied.

Only those exceptions that have been accepted by Sourcewell will be included in the contract document provided to the awarded vendor for signature.

If a Proposer receives a contract award resulting from this solicitation it will have up to 30 days to sign and return the contract. After that time, at Sourcewell's sole discretion, the contract award may be revoked.

V. RFP PROCESS

A. PRE-PROPOSAL CONFERENCE

Sourcewell will hold an optional, non-mandatory pre-proposal conference via webcast on the date and time noted on page one of this RFP and on the Sourcewell Procurement Portal. The

purpose of this conference is to allow potential Proposers to ask questions regarding this RFP and Sourcewell's competitive contracting process. Information about the webcast will be sent to all entities that have registered for this solicitation opportunity through their Sourcewell Procurement Portal Vendor Account. Pre-proposal conference attendance is optional.

B. QUESTIONS REGARDING THIS RFP AND ORAL COMMUNICATION

Questions regarding this RFP must be submitted through the Sourcewell Procurement Portal. The deadline for submission of questions is found in the Solicitation Schedule and on the Sourcewell Procurement Portal. Answers to questions will be issued through an addendum to this RFP. Repetitive questions will be summarized into a single answer and identifying information will be removed from the submitted questions.

All questions, whether specific to a Proposer or generally related to the RFP, must be submitted using this process. Do not contact individual Sourcewell staff to ask questions or request information as this may disqualify the Proposer from responding to this RFP. Sourcewell will not respond to questions submitted after the deadline.

C. ADDENDA

Sourcewell may modify this RFP at any time prior to the proposal due date by issuing an addendum. Addenda issued by Sourcewell become a part of the RFP and will be delivered to potential Proposers through the Sourcewell Procurement Portal. Sourcewell accepts no liability in connection with the delivery of any addenda.

Before a proposal will be accepted through the Sourcewell Procurement Portal, all addenda, if any, must be acknowledged by the Proposer by checking the box for each addendum. It is the responsibility of the Proposer to check for any addenda that may have been issued up to the solicitation due date and time.

If an addendum is issued after a Proposer submitted its proposal, the Sourcewell Procurement Portal will WITHDRAW the submission and change the Proposer's proposal status to INCOMPLETE. The Proposer can view this status change in the "MY BIDS" section of the Sourcewell Procurement Portal Vendor Account. The Proposer is solely responsible to check the "MY BIDS" section of the Sourcewell Procurement Portal Vendor Account periodically after submitting its Proposal (and up to the Proposal due date). If the Proposer's Proposal status has changed to INCOMPLETE, the Proposer is solely responsible to:

- i) make any required adjustments to its proposal;
- ii) acknowledge the addenda; and
- iii) ensure the re-submitted proposal is received through the Sourcewell Procurement Portal no later than the Proposal Due Date and time shown in the Solicitation Schedule above.

D. PROPOSAL SUBMISSION

Proposer's complete proposal must be submitted through the Sourcewell Procurement Portal no later than the date and time specified in the Solicitation Schedule. Any other form of proposal submission, whether electronic, paper, or otherwise, will not be considered by Sourcewell. **Late proposals will not be considered.** It is the Proposer's sole responsibility to ensure that the proposal is received on time.

It is recommended that Proposers allow sufficient time to upload the proposal and to resolve any issues that may arise. The time and date that a Proposal is received by Sourcewell is solely determined by the Sourcewell Procurement Portal web clock.

In the event of problems with the Sourcewell Procurement Portal, follow the instructions for technical support posted in the portal. It may take up to twenty-four (24) hours to respond to certain issues.

Upon successful submission of a proposal, the Portal will automatically generate a confirmation email to the Proposer. If the Proposer does not receive a confirmation email, contact Sourcewell's support provider at support@bidsandtenders.ca.

To ensure receipt of the latest information and updates via email regarding this solicitation, or if the Proposer has obtained this solicitation document from a third party, the onus is on the Proposer to create a Sourcewell Procurement Portal Vendor Account and register for this solicitation opportunity.

Within the Procurement Portal, all proposals must be digitally acknowledged by an authorized representative of the Proposer attesting that the information contained in the proposal is true and accurate. By submitting a proposal, Proposer warrants that the information provided is true, correct, and reliable for purposes of evaluation for potential contract award. The submission of inaccurate, misleading, or false information is grounds for disqualification from a contract award and may subject the Proposer to remedies available by law.

E. GENERAL PROPOSAL REQUIREMENTS

Proposals must be:

- In substantial compliance with the requirements of this RFP or it will be considered nonresponsive and be rejected.
- Complete. A proposal will be rejected if it is conditional or incomplete.
- Submitted in English.
- Valid and irrevocable for 90 days following the Proposal Due Date.

Any and all costs incurred in responding to this RFP will be borne by the Proposer.

F. PROPOSAL WITHDRAWAL

Prior to the proposal deadline, a Proposer may withdraw its proposal.

G. OPENING

The Opening of Proposals will be conducted electronically through the Sourcewell Procurement Portal. A list of all Proposers will be made publicly available in the Sourcewell Procurement Portal after the Proposal Due Date, but no later than the Opening time listed in the Solicitation Schedule.

To view the list of Proposers, verify that the Sourcewell Procurement Portal opportunities list search is set to “All” or “Closed.” The solicitation status will automatically change to “Closed” after the Proposal Due Date and Time.

VI. EVALUATION AND AWARD

A. EVALUATION

It is the intent of Sourcewell to award one or more contracts to responsive and responsible Proposer(s) offering the best overall quality, selection of equipment, products, and services, and price that meet the commonly requested specifications of Sourcewell and its Participating Entities. The award(s) will be limited to the number of Proposers that Sourcewell determines is necessary to meet the needs of Participating Entities. Factors to be considered in determining the number of contracts to be awarded in any category may include the following:

- The number of and geographic location of:
 - Proposers necessary to offer a comprehensive selection of equipment, products, or services for Participating Entities’ use.
 - A Proposer’s sales and service network to assure availability of product supply and coverage to meet Participating Entities’ anticipated needs.
- Total evaluation scores.
- The attributes of Proposers, and their equipment, products, or services, to assist Participating Entities achieve environmental and social requirements, preferences, and goals. Information submitted as part of a proposal should be as specific as possible when responding to the RFP. Do not assume Sourcewell’s knowledge about a specific vendor or product.

B. AWARD(S)

Award(s) will be made to the Proposer(s) whose proposal conforms to all conditions and requirements of the RFP, and consistent with the award criteria defined in this RFP.

Sourcewell may request written clarification of a proposal at any time during the evaluation process.

Proposal evaluation will be based on the following scoring criteria and the Sourcewell Evaluator Scoring Guide (available in the Sourcewell Procurement Portal):

Conformance to RFP Requirements	50
Financial Viability and Marketplace Success	75
Ability to Sell and Deliver Service	100
Marketing Plan	50
Value Added Attributes	75
Warranty	50
Depth and Breadth of Offered Equipment, Products, or Services	200
Pricing	400
TOTAL POINTS	1000

C. PROTESTS OF AWARDS

Any protest made under this RFP by a Proposer must be in writing, addressed to Sourcewell's Executive Director, and delivered to the Sourcewell office located at 202 12th Street NE, P.O. Box 219, Staples, MN 56479. The protest must be received no later than 10 calendar days' following Sourcewell's notice of contract award(s) or non-award and must be time stamped by Sourcewell no later than 4:30 p.m., Central Time.

A protest must include the following items:

- The name, address, and telephone number of the protester;
- The original signature of the protester or its representative;
- Identification of the solicitation by RFP number;
- A precise statement of the relevant facts;
- Identification of the issues to be resolved;
- Identification of the legal or factual basis;
- Any additional supporting documentation; and
- Protest bond in the amount of \$20,000, except where prohibited by law or treaty.

Protests that do not address these elements will not be reviewed.

D. RIGHTS RESERVED

This RFP does not commit Sourcewell to award any contract and a proposal may be rejected if it is nonresponsive, conditional, incomplete, conflicting, or misleading. Proposals that contain false statements or do not support an attribute or condition stated by the Proposer may be rejected.

Sourcewell reserves the right to:

- Modify or cancel this RFP at any time;
- Reject any and all proposals received;
- Reject proposals that do not comply with the provisions of this RFP;
- Select, for contracts or for discussion, a proposal other than that with the lowest cost;

- Independently verify any information provided in a Proposal;
- Disqualify any Proposer that does not meet the requirements of this RFP, is debarred or suspended by the United States or Canada, State of Minnesota, Participating Entity's state or province; has an officer, or other key personnel, who have been charged with a serious crime; or is bankrupt, insolvent, or where bankruptcy or insolvency are a reasonable prospect;
- Waive or modify any informalities, irregularities, or inconsistencies in the proposals received;
- Clarify any part of a proposal and discuss any aspect of the proposal with any Proposer; and negotiate with more than one Proposer;
- Award a contract if only one responsive proposal is received if it is in the best interest of Participating Entities; and
- Award a contract to one or more Proposers if it is in the best interest of Participating Entities.

E. DISPOSITION OF PROPOSALS

All materials submitted in response to this RFP will become property of Sourcewell and will become public record in accordance with Minnesota Statutes Section 13.591, after negotiations are complete. Sourcewell considers that negotiations are complete upon execution of a resulting contract. It is the Proposer's responsibility to clearly identify any data submitted that it considers to be protected. Proposer must also include a justification for the classification citing the applicable Minnesota law.

Sourcewell will not consider the prices submitted by the Proposer to be confidential, proprietary, or trade secret materials. Financial information, including financial statements, provided by a Proposer is not considered trade secret under the statutory definition.

The Proposer understands that Sourcewell will reject proposals that are marked confidential or nonpublic, either substantially or in their entirety.

6/17/2020

Addendum No. 1

Solicitation Number: RFP 080420

Solicitation Name: Elevators, Escalators, and Moving Walks with Related Equipment, Services, and Supplies

Consider the following Question and Answer to be part of the above-titled solicitation documents. The remainder of the documents remain unchanged.

Question 1:

Where are the details for the products that we're providing services (i.e. how many elevators would we be servicing, where are their locations, etc.)?

Answer 1:

Sourcewell utilizes a competitive, solutions-based solicitation approach that is not based on detailed specifications or finite quantities for our cooperative contract awards. A respondent is allowed to propose the entire line of products and services falling within the scope of the RFP. Section II. B. of the RFP addresses the requested equipment, products, or services for this solicitation.

Sourcewell is seeking solutions to serve the largest possible cross-section of current and potential Participating Entities. Refer to RFP Article I., Section B – Participating Entities and Use of the Resulting Contracts.

End of Addendum

Acknowledgement of this Addendum to RFP 080420 posted to the Sourcewell Procurement Portal on 6/17/2020, is required at the time of proposal submittal.

Exhibit B- Original Government Contract

**Solicitation Number: RFP #080420****CONTRACT**

This Contract is between Sourcewell, 202 12th Street Northeast, P.O. Box 219, Staples, MN 56479 (Sourcewell) and thyssenkrupp Elevator, 3100 Interstate North Circle Suite 500, Atlanta, GA 30339 (Vendor).

Sourcewell is a State of Minnesota local government agency and service cooperative created under the laws of the State of Minnesota (Minnesota Statutes Section 123A.21) that offers cooperative procurement solutions to government entities. Participation is open to federal, state/province, and municipal governmental entities, higher education, K-12 education, nonprofit, tribal government, and other public entities located in the United States and Canada.

Vendor desires to contract with Sourcewell to provide equipment, products, or services to Sourcewell and the entities that access Sourcewell's cooperative purchasing contracts (Participating Entities).

1. TERM OF CONTRACT

- A. **EFFECTIVE DATE.** This Contract is effective upon the date of the final signature below.
- B. **EXPIRATION DATE AND EXTENSION.** This Contract expires August 28, 2024, unless it is cancelled sooner pursuant to Article 24. This Contract may be extended up to one additional one-year period upon request of Sourcewell and with written agreement by Vendor.
- C. **SURVIVAL OF TERMS.** Articles 11 through 16 survive the expiration or cancellation of this Contract.

2. EQUIPMENT, PRODUCTS, OR SERVICES

- A. **EQUIPMENT, PRODUCTS, OR SERVICES.** Vendor will provide the Equipment, Products, or Services as stated in its Proposal submitted under the Solicitation Number listed above. Vendor's Equipment, Products, or Services Proposal (Proposal) is attached and incorporated into this Contract.

All Equipment and Products provided under this Contract must be new/current model. Vendor may offer close-out or refurbished Equipment or Products if they are clearly indicated in

Vendor's product and pricing list. Unless agreed to by the Participating Entities in advance, Equipment or Products must be delivered as operational to the Participating Entity's site.

This Contract offers an indefinite quantity of sales, and while substantial volume is anticipated, sales and sales volume are not guaranteed.

B. **WARRANTY.** Vendor warrants that all Equipment, Products, and Services furnished are free from liens and encumbrances, and are free from defects in design, materials, and workmanship. In addition, Vendor warrants the Equipment, Products, and Services are suitable for and will perform in accordance with the ordinary use for which they are intended. Vendor's dealers and distributors must agree to assist the Participating Entity in reaching a resolution in any dispute over warranty terms with the manufacturer. Any manufacturer's warranty that is effective past the expiration of the Vendor's warranty will be passed on to the Participating Entity.

C. **DEALERS, DISTRIBUTORS, AND/OR RESELLERS.** Upon Contract execution, Vendor will make available to Sourcewell a means to validate or authenticate Vendor's authorized dealers, distributors, and/or resellers relative to the Equipment, Products, and Services related to this Contract. This list may be updated from time-to-time and is incorporated into this Contract by reference. It is the Vendor's responsibility to ensure Sourcewell receives the most current version of this list.

3. PRICING

All Equipment, Products, or Services under this Contract will be priced as stated in Vendor's Proposal.

When providing pricing quotes to Participating Entities, all pricing quoted must reflect a Participating Entity's total cost of acquisition. This means that the quoted cost is for delivered Equipment, Products, and Services that are operational for their intended purpose, and includes all costs to the Participating Entity's requested delivery location.

Regardless of the payment method chosen by the Participating Entity, the total cost associated with any purchase option of the Equipment, Products, or Services must always be disclosed in the pricing quote to the applicable Participating Entity at the time of purchase.

A. **SHIPPING AND SHIPPING COSTS.** All delivered Equipment and Products must be properly packaged. Damaged Equipment and Products may be rejected. If the damage is not readily apparent at the time of delivery, Vendor must permit the Equipment and Products to be returned within a reasonable time at no cost to Sourcewell or its Participating Entities. Participating Entities reserve the right to inspect the Equipment and Products at a reasonable time after delivery where circumstances or conditions prevent effective inspection of the Equipment and Products at the time of delivery.

Vendor must arrange for and pay for the return shipment on Equipment and Products that arrive in a defective or inoperable condition.

Sourcwell may declare the Vendor in breach of this Contract if the Vendor intentionally delivers substandard or inferior Equipment or Products. In the event of the delivery of nonconforming Equipment and Products, the Participating Entity will notify the Vendor as soon as possible and the Vendor will replace nonconforming Equipment and Products with conforming Equipment and Products that are acceptable to the Participating Entity.

B. SALES TAX. Each Participating Entity is responsible for supplying the Vendor with valid tax-exemption certification(s). When ordering, a Participating Entity must indicate if it is a tax-exempt entity.

C. HOT LIST PRICING. At any time during this Contract, Vendor may offer a specific selection of Equipment, Products, or Services at discounts greater than those listed in the Contract. When Vendor determines it will offer Hot List Pricing, it must be submitted electronically to Sourcwell in a line-item format. Equipment, Products, or Services may be added or removed from the Hot List at any time through a Sourcwell Price and Product Change Form as defined in Article 4 below.

Hot List program and pricing may also be used to discount and liquidate close-out and discontinued Equipment and Products as long as those close-out and discontinued items are clearly identified as such. Current ordering process and administrative fees apply. Hot List Pricing must be published and made available to all Participating Entities.

4. PRODUCT AND PRICING CHANGE REQUESTS

Vendor may request Equipment, Product, or Service changes, additions, or deletions at any time. All requests must be made in writing by submitting a signed Sourcwell Price and Product Change Request Form to the assigned Sourcwell Contract Administrator. This form is available from the assigned Sourcwell Contract Administrator. At a minimum, the request must:

- Identify the applicable Sourcwell contract number;
- Clearly specify the requested change;
- Provide sufficient detail to justify the requested change;
- Individually list all Equipment, Products, or Services affected by the requested change, along with the requested change (e.g., addition, deletion, price change); and
- Include a complete restatement of pricing documentation in Microsoft Excel with the effective date of the modified pricing, or product addition or deletion. The new pricing restatement must include all Equipment, Products, and Services offered, even for those items where pricing remains unchanged.

A fully executed Sourcewell Price and Product Request Form will become an amendment to this Contract and be incorporated by reference.

5. PARTICIPATION, CONTRACT ACCESS, AND PARTICIPATING ENTITY REQUIREMENTS

A. PARTICIPATION. Sourcewell's cooperative contracts are available and open to public and nonprofit entities across the United States and Canada; such as federal, state/province, municipal, K-12 and higher education, tribal government, and other public entities.

The benefits of this Contract should be available to all Participating Entities that can legally access the Equipment, Products, or Services under this Contract. A Participating Entity's authority to access this Contract is determined through its cooperative purchasing, interlocal, or joint powers laws. Any entity accessing benefits of this Contract will be considered a Service Member of Sourcewell during such time of access. Vendor understands that a Participating Entity's use of this Contract is at the Participating Entity's sole convenience and Participating Entities reserve the right to obtain like Equipment, Products, or Services from any other source.

Vendor is responsible for familiarizing its sales and service forces with Sourcewell contract use eligibility requirements and documentation and will encourage potential members to join Sourcewell. Sourcewell reserves the right to add and remove Participating Entities to its roster during the term of this Contract.

B. PUBLIC FACILITIES. Vendor's employees may be required to perform work at government-owned facilities, including schools. Vendor's employees and agents must conduct themselves in a professional manner while on the premises, and in accordance with Participating Entity policies and procedures, and all applicable laws.

6. PARTICIPATING ENTITY USE AND PURCHASING

A. ORDERS AND PAYMENT. To access the contracted Equipment, Products, or Services under this Contract, a Participating Entity must clearly indicate to Vendor that it intends to access this Contract; however, order flow and procedure will be developed jointly between Sourcewell and Vendor. Typically, a Participating Entity will issue an order directly to Vendor. If a Participating Entity issues a purchase order, it may use its own forms, but the purchase order should clearly note the applicable Sourcewell contract number. All Participating Entity orders under this Contract must be issued prior to expiration of this Contract; however, Vendor performance, Participating Entity payment, and any applicable warranty periods or other Vendor or Participating Entity obligations may extend beyond the term of this Contract.

Vendor's acceptable forms of payment are included in Attachment A. Participating Entities will be solely responsible for payment and Sourcewell will have no liability for any unpaid invoice of any Participating Entity.

B. **ADDITIONAL TERMS AND CONDITIONS/PARTICIPATING ADDENDUM.** Additional terms and conditions to a purchase order may be negotiated between a Participating Entity and Vendor, such as job or industry-specific requirements, legal requirements (e.g., affirmative action or immigration status requirements), or specific local policy requirements. Some Participating Entities may require the use of a Participating Addendum; the terms of which will be worked out directly between the Participating Entity and the Vendor. Any negotiated additional terms and conditions must never be less favorable to the Participating Entity than what is contained in this Contract.

C. **PERFORMANCE BOND.** If requested by a Participating Entity, Vendor will provide a performance bond that meets the requirements set forth in the Participating Entity's order.

D. **SPECIALIZED SERVICE REQUIREMENTS.** In the event that the Participating Entity requires service or specialized performance requirements (such as e-commerce specifications, specialized delivery requirements, or other specifications and requirements) not addressed in this Contract, the Participating Entity and the Vendor may enter into a separate, standalone agreement, apart from this Contract. Sourcwell, including its agents and employees, will not be made a party to a claim for breach of such agreement.

E. **TERMINATION OF ORDERS.** Participating Entities may terminate an order, in whole or in part, immediately upon notice to Vendor in the event of any of the following events:

1. The Participating Entity fails to receive funding or appropriation from its governing body at levels sufficient to pay for the goods to be purchased;
2. Federal, state, or provincial laws or regulations prohibit the purchase or change the Participating Entity's requirements; or
3. Vendor commits any material breach of this Contract or the additional terms agreed to between the Vendor and a Participating Entity.

F. **GOVERNING LAW AND VENUE.** The governing law and venue for any action related to a Participating Entity's order will be determined by the Participating Entity making the purchase.

7. CUSTOMER SERVICE

A. **PRIMARY ACCOUNT REPRESENTATIVE.** Vendor will assign an Account Representative to Sourcwell for this Contract and must provide prompt notice to Sourcwell if that person is changed. The Account Representative will be responsible for:

- Maintenance and management of this Contract;
- Timely response to all Sourcwell and Participating Entity inquiries; and
- Business reviews to Sourcwell and Participating Entities, if applicable.

B. BUSINESS REVIEWS. Vendor must perform a minimum of one business review with Sourcwell per contract year. The business review will cover sales to Participating Entities, pricing and contract terms, administrative fees, supply issues, customer issues, and any other necessary information.

8. REPORT ON CONTRACT SALES ACTIVITY AND ADMINISTRATIVE FEE PAYMENT

A. CONTRACT SALES ACTIVITY REPORT. Each calendar quarter, Vendor must provide a contract sales activity report (Report) to the Sourcwell Contract Administrator assigned to this Contract. A Report must be provided regardless of the number or amount of sales during that quarter (i.e., if there are no sales, Vendor must submit a report indicating no sales were made).

The Report must contain the following fields:

- Customer Name (e.g., City of Staples Highway Department);
- Customer Physical Street Address;
- Customer City;
- Customer State/Province;
- Customer Zip Code;
- Customer Contact Name;
- Customer Contact Email Address;
- Customer Contact Telephone Number;
- Sourcwell Assigned Entity/Participating Entity Number;
- Item Purchased Description;
- Item Purchased Price;
- Sourcwell Administrative Fee Applied; and
- Date Purchase was invoiced/sale was recognized as revenue by Vendor.

B. ADMINISTRATIVE FEE. In consideration for the support and services provided by Sourcwell, the Vendor will pay an administrative fee to Sourcwell on all Equipment, Products, and Services provided to Participating Entities. The Administrative Fee must be included in, and not added to, the pricing. Vendor may not charge Participating Entities more than the contracted price to offset the Administrative Fee.

The Vendor will submit a check payable to Sourcwell for the percentage of administrative fee stated in the Proposal multiplied by the total sales of all Equipment, Products, and Services purchased by Participating Entities under this Contract during each calendar quarter. Payments should note the Sourcwell-assigned contract number in the memo and must be mailed to the address above "Attn: Accounts Receivable." Payments must be received no later than 45 calendar days after the end of each calendar quarter.

Vendor agrees to cooperate with Sourcewell in auditing transactions under this Contract to ensure that the administrative fee is paid on all items purchased under this Contract.

In the event the Vendor is delinquent in any undisputed administrative fees, Sourcewell reserves the right to cancel this Contract and reject any proposal submitted by the Vendor in any subsequent solicitation. In the event this Contract is cancelled by either party prior to the Contract's expiration date, the administrative fee payment will be due no more than 30 days from the cancellation date.

9. AUTHORIZED REPRESENTATIVE

Sourcewell's Authorized Representative is its Chief Procurement Officer.

Vendor's Authorized Representative is the person named in the Vendor's Proposal. If Vendor's Authorized Representative changes at any time during this Contract, Vendor must promptly notify Sourcewell in writing.

10. ASSIGNMENT, AMENDMENTS, WAIVER, AND CONTRACT COMPLETE

A. ASSIGNMENT. Neither the Vendor nor Sourcewell may assign or transfer any rights or obligations under this Contract without the prior consent of the parties and a fully executed assignment agreement. Such consent will not be unreasonably withheld.

B. AMENDMENTS. Any amendment to this Contract must be in writing and will not be effective until it has been fully executed by the parties.

C. WAIVER. If either party fails to enforce any provision of this Contract, that failure does not waive the provision or the right to enforce it.

D. CONTRACT COMPLETE. This Contract contains all negotiations and agreements between Sourcewell and Vendor. No other understanding regarding this Contract, whether written or oral, may be used to bind either party.

E. RELATIONSHIP OF THE PARTIES. The relationship of the parties is one of independent contractors, each free to exercise judgment and discretion with regard to the conduct of their respective businesses. This Contract does not create a partnership, joint venture, or any other relationship such as master-servant, or principal-agent.

11. LIABILITY

Vendor must indemnify, save, and hold Sourcewell and its Participating Entities, including their agents and employees, harmless from any claims or causes of action, including attorneys' fees, arising out of the performance of this Contract by the Vendor or its agents or employees; this

indemnification includes injury or death to person(s) or property alleged to have been caused by some defect in the Equipment, Products, or Services under this Contract to the extent the Equipment, Product, or Service has been used according to its specifications. No party shall be liable for consequential damages under this Contract.

12. AUDITS

Sourcwell reserves the right to review the books, records, documents, and accounting procedures and practices of the Vendor relevant to this Contract for a minimum of 6 years from the end of this Contract. This clause extends to Participating Entities as it relates to business conducted by that Participating Entity under this Contract.

13. GOVERNMENT DATA PRACTICES

Vendor and Sourcwell must comply with the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13, as it applies to all data provided by or provided to Sourcwell under this Contract and as it applies to all data created, collected, received, stored, used, maintained, or disseminated by the Vendor under this Contract.

If the Vendor receives a request to release the data referred to in this article, the Vendor must immediately notify Sourcwell and Sourcwell will assist with how the Vendor should respond to the request.

14. INDEMNIFICATION

As applicable, Vendor agrees to indemnify and hold harmless Sourcwell and its Participating Entities against any and all suits, claims, judgments, and costs instituted or recovered against Sourcwell or Participating Entities by any person on account of the use of any Equipment or Products by Sourcwell or its Participating Entities supplied by Vendor in violation of applicable patent or copyright laws.

15. INTELLECTUAL PROPERTY, PUBLICITY, MARKETING, AND ENDORSEMENT

A. INTELLECTUAL PROPERTY

1. *Grant of License.* During the term of this Contract:
 - a. Sourcwell grants to Vendor a royalty-free, worldwide, non-exclusive right and license to use the Trademark(s) provided to Vendor by Sourcwell in advertising and promotional materials for the purpose of marketing Sourcwell's relationship with Vendor.
 - b. Vendor grants to Sourcwell a royalty-free, worldwide, non-exclusive right and license to use Vendor's Trademarks in advertising and promotional materials for the purpose of marketing Vendor's relationship with Sourcwell.

2. *Limited Right of Sublicense.* The right and license granted herein includes a limited right of each party to grant sublicenses to its and their respective distributors, marketing representatives, and agents (collectively "Permitted Sublicensees") in advertising and promotional materials for the purpose of marketing the Parties' relationship to Participating Entities. Any sublicense granted will be subject to the terms and conditions of this Article. Each party will be responsible for any breach of this Article by any of their respective sublicensees.

3. *Use; Quality Control.*

- a. Sourcewell must not alter Vendor's Trademarks from the form provided by Vendor and must comply with Vendor's removal requests as to specific uses of its trademarks or logos.
- b. Vendor must not alter Sourcewell's Trademarks from the form provided by Sourcewell and must comply with Sourcewell's removal requests as to specific uses of its trademarks or logos.
- c. Each party agrees to use, and to cause its Permitted Sublicensees to use, the other party's Trademarks only in good faith and in a dignified manner consistent with such party's use of the Trademarks. Upon written notice to the breaching party, the breaching party has 30 days of the date of the written notice to cure the breach or the license will be terminated.

4. *Termination.* Upon the termination of this Contract for any reason, each party, including Permitted Sublicensees, will have 30 days to remove all Trademarks from signage, websites, and the like bearing the other party's name or logo (excepting Sourcewell's pre-printed catalog of vendors which may be used until the next printing). Vendor must return all marketing and promotional materials, including signage, provided by Sourcewell, or dispose of it according to Sourcewell's written directions.

B. **PUBLICITY.** Any publicity regarding the subject matter of this Contract must not be released without prior written approval from the Authorized Representatives. Publicity includes notices, informational pamphlets, press releases, research, reports, signs, and similar public notices prepared by or for the Vendor individually or jointly with others, or any subcontractors, with respect to the program, publications, or services provided resulting from this Contract.

C. **MARKETING.** Any direct advertising, marketing, or offers with Participating Entities must be approved by Sourcewell. Materials should be sent to the Sourcewell Contract Administrator assigned to this Contract.

D. **ENDORSEMENT.** The Vendor must not claim that Sourcewell endorses its Equipment, Products, or Services.

16. GOVERNING LAW, JURISDICTION, AND VENUE

Minnesota law governs this Contract. Venue for all legal proceedings out of this Contract, or its breach, must be in the appropriate state court in Todd County or federal court in Fergus Falls, Minnesota.

17. FORCE MAJEURE

Neither party to this Contract will be held responsible for delay or default caused by acts of God or other conditions that are beyond that party's reasonable control. A party defaulting under this provision must provide the other party prompt written notice of the default.

18. SEVERABILITY

If any provision of this Contract is found to be illegal, unenforceable, or void then both Sourcewell and Vendor will be relieved of all obligations arising under such provisions. If the remainder of this Contract is capable of performance, it will not be affected by such declaration or finding and must be fully performed.

19. PERFORMANCE, DEFAULT, AND REMEDIES

A. **PERFORMANCE.** During the term of this Contract, the parties will monitor performance and address unresolved contract issues as follows:

1. *Notification.* The parties must promptly notify each other in writing of any known dispute and work in good faith to resolve such dispute within a reasonable period of time. If necessary, Sourcewell and the Vendor will jointly develop a short briefing document that describes the issue(s), relevant impact, and positions of both parties.
2. *Escalation.* If parties are unable to resolve the issue in a timely manner, as specified above, either Sourcewell or Vendor may escalate the resolution of the issue to a higher level of management. The Vendor will have 30 calendar days to cure an outstanding issue.
3. *Performance while Dispute is Pending.* Notwithstanding the existence of a dispute, the Vendor must continue without delay to carry out all of its responsibilities under the Contract that are not affected by the dispute. If the Vendor fails to continue without delay to perform its responsibilities under the Contract, in the accomplishment of all undisputed work, any additional costs incurred by Sourcewell and/or its Participating Entities as a result of such failure to proceed will be borne by the Vendor.

B. **DEFAULT AND REMEDIES.** Either of the following constitutes cause to declare this Contract, or any Participating Entity order under this Contract, in default:

1. Nonperformance of contractual requirements, or
2. A material breach of any term or condition of this Contract.

Written notice of default and a reasonable opportunity to cure must be issued by the party claiming default. Time allowed for cure will not diminish or eliminate any liability for liquidated or other damages. If the default remains after the opportunity for cure, the non-defaulting party may:

- Exercise any remedy provided by law or equity, or
- Terminate the Contract or any portion thereof, including any orders issued against the Contract.

20. INSURANCE

A. REQUIREMENTS. At its own expense, Vendor must maintain insurance policy(ies) in effect at all times during the performance of this Contract with insurance company(ies) licensed or authorized to do business in the State of Minnesota having an "AM BEST" rating of A- or better, with coverage and limits of insurance not less than the following:

1. *Workers' Compensation and Employer's Liability.*

Workers' Compensation: As required by any applicable law or regulation.

Employer's Liability Insurance: must be provided in amounts not less than listed below:

Minimum limits:

\$500,000 each accident for bodily injury by accident

\$500,000 policy limit for bodily injury by disease

\$500,000 each employee for bodily injury by disease

2. *Commercial General Liability Insurance.* Vendor will maintain insurance covering its operations, with coverage on an occurrence basis, and must be subject to terms no less broad than the Insurance Services Office ("ISO") Commercial General Liability Form CG0001 (2001 or newer edition), or equivalent. At a minimum, coverage must include liability arising from premises, operations, bodily injury and property damage, independent contractors, products-completed operations including construction defect, contractual liability, blanket contractual liability, and personal injury and advertising injury. All required limits, terms and conditions of coverage must be maintained during the term of this Contract.

Minimum Limits:

\$1,000,000 each occurrence Bodily Injury and Property Damage

\$1,000,000 Personal and Advertising Injury

\$2,000,000 aggregate for Products-Completed operations

\$2,000,000 general aggregate

3. *Commercial Automobile Liability Insurance.* During the term of this Contract, Vendor will maintain insurance covering all owned, hired, and non-owned automobiles in limits of liability not less than indicated below. The coverage must be subject to terms

no less broad than ISO Business Auto Coverage Form CA 0001 (2010 edition or newer), or equivalent.

Minimum Limits:

\$1,000,000 each accident, combined single limit

4. *Umbrella Insurance.* During the term of this Contract, Vendor will maintain umbrella coverage over Workers' Compensation, Commercial General Liability, and Commercial Automobile.

Minimum Limits:

\$2,000,000

Failure of Vendor to maintain the required insurance will constitute a material breach entitling Sourcewell to immediately terminate this Contract for default.

B. CERTIFICATES OF INSURANCE. Prior to commencing under this Contract, Vendor must furnish to Sourcewell a certificate of insurance, as evidence of the insurance required under this Contract. Prior to expiration of the policy(ies), renewal certificates must be mailed to Sourcewell, 202 12th Street Northeast, P.O. Box 219, Staples, MN 56479 or sent to the Sourcewell Contract Administrator assigned to this Contract. The certificates must be signed by a person authorized by the insurer(s) to bind coverage on their behalf. All policies must include there will be no cancellation, suspension, non-renewal, or reduction of coverage without 30 days' prior written notice to the Vendor.

Failure to request certificates of insurance by Sourcewell, or failure of Vendor to provide certificates of insurance, in no way limits or relieves Vendor of its duties and responsibilities in this Contract.

C. ADDITIONAL INSURED ENDORSEMENT AND PRIMARY AND NON-CONTRIBUTORY INSURANCE CLAUSE. Vendor agrees to list Sourcewell and its Participating Entities, including their officers, agents, and employees, as an additional insured under the Vendor's commercial general liability insurance policy with respect to liability arising out of activities, "operations," or "work" performed by or on behalf of Vendor, and products and completed operations of Vendor. The policy provision(s) or endorsement(s) must further provide that coverage is primary and not excess over or contributory with any other valid, applicable, and collectible insurance or self-insurance in force for the additional insureds.

D. WAIVER OF SUBROGATION. Vendor waives and must require (by endorsement or otherwise) all its insurers to waive subrogation rights against Sourcewell and other additional insureds for losses paid under the insurance policies required by this Contract or other insurance applicable to the Vendor or its subcontractors. The waiver must apply to all deductibles and/or self-insured retentions applicable to the required or any other insurance maintained by the Vendor or its subcontractors. Where permitted by law, Vendor must require

similar written express waivers of subrogation and insurance clauses from each of its subcontractors.

E. UMBRELLA/EXCESS LIABILITY. The limits required by this Contract can be met by either providing a primary policy or in combination with umbrella/excess liability policy(ies).

21. COMPLIANCE

A. LAWS AND REGULATIONS. All Equipment, Products, or Services provided under this Contract must comply fully with applicable federal laws and regulations, and with the laws in the states and provinces in which the Equipment, Products, or Services are sold.

B. LICENSES. Vendor must maintain a valid and current status on all required federal, state/provincial, and local licenses, bonds, and permits required for the operation of the business that the Vendor conducts with Sourcewell and Participating Entities.

22. BANKRUPTCY, DEBARMENT, OR SUSPENSION CERTIFICATION

Vendor certifies and warrants that it is not in bankruptcy or that it has previously disclosed in writing certain information to Sourcewell related to bankruptcy actions. If at any time during this Contract Vendor declares bankruptcy, Vendor must immediately notify Sourcewell in writing.

Vendor certifies and warrants that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from programs operated by the State of Minnesota; the United States federal government or the Canadian government, as applicable; or any Participating Entity. Vendor certifies and warrants that neither it nor its principals have been convicted of a criminal offense related to the subject matter of this Contract. Vendor further warrants that it will provide immediate written notice to Sourcewell if this certification changes at any time.

23. PROVISIONS FOR NON-UNITED STATES FEDERAL ENTITY PROCUREMENTS UNDER UNITED STATES FEDERAL AWARDS OR OTHER AWARDS

Participating Entities that use United States federal grant or FEMA funds to purchase goods or services from this Contract may be subject to additional requirements including the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 C.F.R. § 200. Participating Entities may also require additional requirements based on specific funding specifications. Within this Article, all references to “federal” should be interpreted to mean the United States federal government. The following list only applies when a Participating Entity accesses Vendor’s Equipment, Products, or Services with United States federal funds.

A. **EQUAL EMPLOYMENT OPPORTUNITY.** Except as otherwise provided under 41 C.F.R. § 60, all contracts that meet the definition of “federally assisted construction contract” in 41 C.F.R. § 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. §60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 C.F.R. §, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 C.F.R. § 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.” The equal opportunity clause is incorporated herein by reference.

B. **DAVIS-BACON ACT, AS AMENDED (40 U.S.C. § 3141-3148).** When required by federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. § 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. § 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-federal entity must report all suspected or reported violations to the federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations (29 C.F.R. § 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-federal entity must report all suspected or reported violations to the federal awarding agency. Vendor must be in compliance with all applicable Davis-Bacon Act provisions.

C. **CONTRACT WORK HOURS AND SAFETY STANDARDS ACT (40 U.S.C. § 3701-3708).** Where applicable, all contracts awarded by the non-federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. § 5). Under 40 U.S.C. § 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements

do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence. This provision is hereby incorporated by reference into this Contract. Vendor certifies that during the term of an award for all contracts by Sourcewell resulting from this procurement process, Vendor must comply with applicable requirements as referenced above.

D. RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT. If the federal award meets the definition of “funding agreement” under 37 C.F.R. § 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 C.F.R. § 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency. Vendor certifies that during the term of an award for all contracts by Sourcewell resulting from this procurement process, Vendor must comply with applicable requirements as referenced above.

E. CLEAN AIR ACT (42 U.S.C. § 7401-7671Q.) AND THE FEDERAL WATER POLLUTION CONTROL ACT (33 U.S.C. § 1251-1387). Contracts and subgrants of amounts in excess of \$150,000 require the non-federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. § 7401- 7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. § 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Vendor certifies that during the term of this Contract will comply with applicable requirements as referenced above.

F. DEBARMENT AND SUSPENSION (EXECUTIVE ORDERS 12549 AND 12689). A contract award (see 2 C.F.R. § 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. §180 that implement Executive Orders 12549 (3 C.F.R. § 1986 Comp., p. 189) and 12689 (3 C.F.R. § 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. Vendor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency.

G. BYRD ANTI-LOBBYING AMENDMENT, AS AMENDED (31 U.S.C. § 1352). Vendors must file any required certifications. Vendors must not have used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Vendors must disclose any lobbying with non-federal funds that

takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to the non-federal award. Vendors must file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352).

H. RECORD RETENTION REQUIREMENTS. To the extent applicable, Vendor must comply with the record retention requirements detailed in 2 C.F.R. § 200.333. The Vendor further certifies that it will retain all records as required by 2 C.F.R. § 200.333 for a period of 3 years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

I. ENERGY POLICY AND CONSERVATION ACT COMPLIANCE. To the extent applicable, Vendor must comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act.

J. BUY AMERICAN PROVISIONS COMPLIANCE. To the extent applicable, Vendor must comply with all applicable provisions of the Buy American Act. Purchases made in accordance with the Buy American Act must follow the applicable procurement rules calling for free and open competition.

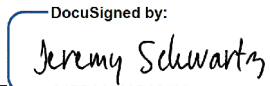

K. ACCESS TO RECORDS (2 C.F.R. § 200.336). Vendor agrees that duly authorized representatives of a federal agency must have access to any books, documents, papers and records of Vendor that are directly pertinent to Vendor's discharge of its obligations under this Contract for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to Vendor's personnel for the purpose of interview and discussion relating to such documents.

L. PROCUREMENT OF RECOVERED MATERIALS (2 C.F.R. § 200.322). A non-federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 C.F.R. § 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

24. CANCELLATION

Sourcewell or Vendor may cancel this Contract at any time, with or without cause, upon 60 days' written notice to the other party. However, Sourcewell may cancel this Contract immediately upon discovery of a material defect in any certification made in Vendor's Proposal. Cancellation of this Contract does not relieve either party of financial, product, or service obligations incurred or accrued prior to cancellation.

Date: 8/26/2020 | 7:07 PM CEST

RFP 080420 - Elevators, Escalators, and Moving Walks with Related Equipment, Services, and Supplies

Vendor Details

Company Name: thyssenkrupp Elevator
Address: 3100 Interstate North Circle
Suite 500
Atlanta, GA 30339
Contact: Jamie Blackman
Email: jamie.blackman@thyssenkrupp.com
Phone: 770-799-0478
HST#: 62121126-7

Submission Details

Created On: Monday July 06, 2020 07:33:19
Submitted On: Friday July 31, 2020 01:48:41
Submitted By: Jamie Blackman
Email: jamie.blackman@thyssenkrupp.com
Transaction #: 32231029-e36b-494f-a111-141e907ae5cd
Submitter's IP Address: 96.77.92.138

Specifications

Table 1: Proposer Identity & Authorized Representatives

General Instructions (applies to all Tables) Sourcewell prefers a brief but thorough response to each question. Please do not merely attach additional documents to your response without also providing a substantive response. Do not leave answers blank; mark "NA" if the question does not apply to you (preferably with an explanation).

Line Item	Question	Response *	
1	Proposer Legal Name (and applicable d/b/a, if any):	thyssenkrupp Elevator	*
2	Proposer Address:	3100 Interstate North Circle Suite 500 Atlanta, GA 30339	*

4	Proposer's Authorized Representative (name, title, address, email address & phone) (The representative must have authority to sign the "Proposer's Assurance of Compliance" on behalf of the Proposer and, in the event of award, will be expected to execute the resulting contract):	Regards, Mark Hintz Vice President, Contracts Department 70 799 0448, mark.hintz@thyssenkrupp.com thyssenkrupp Elevator Corporation, 3100 Interstate N Cir SE, Suite 500, Atlanta, GA 30339	*
5	Proposer's primary contact for this proposal (name, title, address, email address & phone):	Jeff Jaudes, CEI National Account Manager Government contracts 972-365-6128	*
6	Proposer's other contacts for this proposal, if any (name, title, address, email address & phone):	Jamie Blackman National Accounts Coordinator, National Accounts 770-799-0478	

Table 2: Company Information and Financial Strength

Line Item	Question	Response *	
-----------	----------	------------	--

7	Provide a brief history of your company, including your company's core values, business philosophy, and industry longevity related to the requested equipment, products or services.	<p>ThyssenKrupp Elevator is a US \$3.8 billion dollar company that manufactures, installs and services a wide variety of passenger and freight needs. Headquartered in Atlanta, Georgia, ThyssenKrupp Elevator Corporation provides a full range of elevators, lifts and escalators for all types of passenger and freight applications. Complete elevator systems, including all major components, are manufactured at our plants in Tennessee, Mississippi, Toronto and New York City. ThyssenKrupp Elevator is represented by over 135 branches and 546 local representatives in the United States and Canada and employs over 10,000 manufacturing, installation, service, repair, sales and management professionals. Most impressive is the fact that we individually service nearly 240,000 elevators, escalators and lifts in North America, over 50,000 of which were manufactured and installed by other companies.</p> <p>ThyssenKrupp Elevator's ultimate parent is ThyssenKrupp AG, a large German corporation headquartered in Düsseldorf. ThyssenKrupp AG's predecessor, Thyssen AG entered the North American vertical transportation market in the 1980's, and was growing its business, when it acquired Dover Elevator Company in July 1999. Dover was well established in the U.S. market, and the merger of these two companies created the largest vertical transportation company in North America. Thyssen and Dover Elevator joined forces as ThyssenKrupp Elevator with one purpose: to exceed member expectations with a powerful combination of products, services and technology</p>	*
8	What are your company's expectations in the event of an award?	Our expectation as an existing provider is to continue to grow both Sourcewell and our portfolios in providing unsurpassed services to our customers	*
9	Demonstrate your financial strength and stability with meaningful data. This could include such items as financial statements, SEC filings, credit and bond ratings, letters of credit, and detailed reference letters. Upload supporting documents (as applicable) in the document upload section of your response.	<p>thyssenkrupp Elevator is a US \$3.8 billion dollar company that manufactures, installs and services a wide variety of passenger and freight needs. Headquartered in Atlanta, Georgia, thyssenkrupp Elevator Corporation provides a full range of elevators, Escalators, and Moving Walks with Related Equipment, Services, and Supplies. Complete elevator systems, including all major components, are manufactured at our plants in Tennessee, Mississippi, Toronto and New York City. thyssenkrupp Elevator is represented by over 135 branches and 564 local representatives in the United States and Canada and employs over 10,000 manufacturing, installation, service, repair, sales and management professionals. Most impressive is the fact that we individually service nearly 240,000 elevators, escalators and lifts in North America, over 50,000 of which were manufactured and installed by other companies</p> <p>**Please see the Attachment thyssenkrupp 2018-2019 Financial Report**</p> <p>***Please see the Attached DNB Rating Report***</p>	*
10	What is your US market share for the solutions that you are proposing?	US Market Share : 38%	*
11	What is your Canadian market share for the solutions that you are proposing?	• Canadian Market : 40%	*
12	Has your business ever petitioned for bankruptcy protection? If so, explain in detail.	Lawsuits do occur and exist; however, TKEC has adequate risk management, legal and insurance safeguards in place to protect itself and its customers when required. ThyssenKrupp Elevator has not been involved in bankruptcy or reorganization. Notwithstanding, ThyssenKrupp Elevator Corporation is a \$3.8 billion company.	*

13	How is your organization best described: is it a manufacturer, a distributor/dealer/reseller, or a service provider? Answer whichever question (either a) or b) just below) best applies to your organization. a) If your company is best described as a distributor/dealer/reseller (or similar entity), provide your written authorization to act as a distributor/dealer/reseller for the manufacturer of the products proposed in this RFP. If applicable, is your dealer network independent or company owned? b) If your company is best described as a manufacturer or service provider, describe your relationship with your sales and service force and with your dealer network in delivering the products and services proposed in this RFP. Are these individuals your employees, or the employees of a third party?	B- thyssenkrupp does not have a dealer network; all products and services are performed and manufactured by thyssenkrupp. Our network of employees across the US is states are individual employees and Union employees. Sales and distribution are performed by location	*
14	If applicable, provide a detailed explanation outlining the licenses and certifications that are both required to be held, and actually held, by your organization (including third parties and subcontractors that you use) in pursuit of the business contemplated by this RFP.	All of our elevator service technicians are licensed to perform services on all vertical transportation. Both by the IUEC and local authorities having jurisdiction. ***Please see Attachment for State Contractors Licenses ***	*
15	Provide all "Suspension or Debarment" information that has applied to your organization during the past ten years.	In the past 10 years thyssenkrupp has not had any suspensions or debarments.	*

Table 3: Industry Recognition & Marketplace Success

Line Item	Question	Response *	
16	Describe any relevant industry awards or recognition that your company has received in the past five years	2015 ThyssenKrupp Recognized by MIT Technology Review as One of the 50 Smartest Companies - ThyssenKrupp Elevator Wins 2015 Tennessee Governor's Environmental Stewardship Award - ThyssenKrupp Elevator's Enviromax® Earns Top Awards from Environmental Leader - ThyssenKrupp Elevator's U.S. Factory Earns LEED ® Gold Certification Middleton - 2016 thyssenkrupp' s installation of 53 elevators and 88 escalators in Rome's metro Line C in Italy has won of the "Project of the Year 2016" Award, in the Escalators category presented by international magazine Elevator World. ***All awards listed above are attached in our proposed documents***	*
17	What percentage of your sales are to the governmental sector in the past three years	We currently maintain a Federal Service Supply contract for the next 20 years and have for the last 20 years. Approximately 23% of our maintenance is with federal, state, local and city government.	*
18	What percentage of your sales are to the education sector in the past three years	Education: 15%	*
19	List any state, provincial, or cooperative purchasing contracts that you hold. What is the annual sales volume for each of these contracts over the past three years?	thyssenkrupp Elevator does business with multiple cooperative purchasing companies such as, Omnia, Vizient, Premier, Equalis and Healthtrust. There are over 40,000 units attached to these cooperative organizations both government and commercial that thyssenkrupp maintains. The release of any other customers' information without their approval is against thyssenkrupp policy.	*
20	List any GSA contracts or Standing Offers and Supply Arrangements (SOSA) that you hold. What is the annual sales volume for each of these contracts over the past three years?	GSA - FSS 9M+ GSA - PBS 9M+	*

Table 4: References/Testimonials

Line Item 21. Supply reference information from three customers who are eligible to be Sourcewell participating entities.

Entity Name *	Contact Name *	Phone Number *	
The release of any other customers' information without their approval is against thyssenkrupp policy.	The release of any other customers' information without their approval is against thyssenkrupp policy.	The release of any other customers' information without their approval is against thyssenkrupp policy.	*
The release of any other customers' information without their approval is against thyssenkrupp policy.	The release of any other customers' information without their approval is against thyssenkrupp policy.	The release of any other customers' information without their approval is against thyssenkrupp policy.	*
The release of any other customers' information without their approval is against thyssenkrupp policy.	The release of any other customers' information without their approval is against thyssenkrupp policy.	The release of any other customers' information without their approval is against thyssenkrupp policy.	*

Table 5: Top Five Government or Education Customers

Line Item 22. Provide a list of your top five government, education, or non-profit customers (entity name is optional), including entity type, the state or province the entity is located in, scope of the project(s), size of transaction(s), and dollar volumes from the past three years.

Entity Name	Entity Type *	State / Province *	Scope of Work *	Size of Transactions *	Dollar Volume Past Three Years *	
Various States	Government	Georgia - GA	Vertical Transportation	100+ locations	Approximately 669K – Annual	*
Various States	Government	Georgia - GA	Vertical Transportation	148 Locations	Approximately 3.2M – Annual	*
University	Education	Florida - FL	Vertical Transportation	138 Units	Approximately 1M – Annual	*
University	Education	North Carolina - NC	Vertical Transportation	357 Units	Approximately 1.3M Annually	*
University	Education	Colorado - CO	Vertical Transportation	167 Units	Approximately \$313K Annually	*

Table 6: Ability to Sell and Deliver Service

Describe your company’s capability to meet the needs of Sourcewell participating entities across the US and Canada, as applicable. Your response should address in detail at least the following areas: locations of your network of sales and service providers, the number of workers (full-time equivalents) involved in each sector, whether these workers are your direct employees (or employees of a third party), and any overlap between the sales and service functions.

Line Item	Question	Response *
-----------	----------	------------

23	Sales force.	<p>thyssenkrupp Elevator's North American Division is separated into three regions, consisting over 6,000 employees working directly at our branch and regional offices. These locations are as listed below. See Attachments Question #17 Sales Force Map & Branch location Map for the listing of over 135 offices across the US. Our local customer service is supported by our call center, TK Communications which is operational 24/7 if the local branch is not available.</p> <p>Total number and location of sales persons employed by Supplier.</p> <ul style="list-style-type: none"> • Pacific Northwest - 52 • California - 59 • Southwest - 47 • Midwest - 73 • Central US - 52 • South - 50 • Southeast - 53 • Florida - 56 • Mid-Atlantic - 48 • Northeast - 53 • TOTAL - 546 Sales employees 	*
24	Dealer network or other distribution methods.	Services are scheduled and provided at a local branch level. Distribution of products will be managed at the local level, we have branches/locations in North America..	*
25	Service force.	<p>Service Force:</p> <ul style="list-style-type: none"> • Thyssenkrupp has 3200+ service technicians in the US and Canada. All service technicians are IUEC members and employees of thyssenkrupp Elevator 	*
26	Describe in detail the process and procedure of your customer service program, if applicable. Include your response-time capabilities and commitments, as well as any incentives that help your providers meet your stated service goals or promises.	<p>We provide Regular and Routine Maintenance 7/24/365. All maintenance programs are code compliant and if needed adjusted to meet our member needs. You can always count on our:</p> <ul style="list-style-type: none"> • 2,600 highly-trained service technicians, experts in thyssenkrupp and third-party (OEM) equipment • 24/7 emergency service availability from technicians who are always nearby • 24/7 thyssenkrupp call center, standing by to quickly take your call • Customer Portal, an online tool for managing your elevator account and placing service requests • Global network of engineers and experts, International Technical Services • Advanced diagnostic tools for communicating with thyssenkrupp and third-party equipment • Predictive maintenance solution, MAX, which dramatically improves elevator uptime using Internet of Things (IoT) technology • Dedicated account managers, your point of contact for account-related issue • Capital planning services to help you budget for future expenses <p>For an emergency such as an entrapment our goal is to get respond in 30 minutes or less, however due to locations outside of our control including but not limited to traffic, environment, location and access. hour during normal business hours, if not sooner. For an entrapment after normal business hours, we would strive for onsite response in less than 2 hours. For non-emergencies service requests during normal business hours, we should meet same day response. For non-emergency service requests after normal business hours, we will strive to provide response by the following business day.</p> <p>** Please see the Attachment: Service Brochure**</p>	*

27	Identify your ability and willingness to provide your products and services to Sourcewell participating entities in the United States.	<p>Thyssenkrupp elevator has the size and resources to fully support the members and their vertical transportation needs, when and where we are needed. This includes around the clock call center, dedicated account manager and sophisticated online tools as well as around the clock engineering support.</p> <p>Our goal is to exceed the members expectations by partnering with Sourcewell to achieve continues growth.</p> <p>thyssenkrupp Elevator utilizes GPS within our Technician's mobile devices so that we can route the closest technician to service calls in effort to reduce downtime. We continually look for ways to better serve and communicate with our customers. As we find more ways to improve our service through mobile technology ThyssenKrupp Elevator is always communicating these new enhancements to our customers.</p>	*
28	Identify your ability and willingness to provide your products and services to Sourcewell participating entities in Canada.	<p>thyssenkrupp Elevator utilizes GPS within our Technician's mobile devices so that we can route the closest technician to service calls in effort to reduce downtime. We continually look for ways to better serve and communicate with our customers. As we find more ways to improve our service through mobile technology ThyssenKrupp Elevator is always communicating these new enhancements to our customers.</p> <p>Thyssenkrupp elevator has the size and resources to fully support the members and their vertical transportation needs, when and where we are needed. This includes around the clock call center, dedicated account manager and sophisticated online tools as well as around the clock engineering support.</p> <p>Our goal is to exceed the members expectations by partnering with Sourcewell to achieve continues growth</p>	*
29	Identify any geographic areas of the United States or Canada that you will NOT be fully serving through the proposed contract.	thyssenkrupp is able to service all areas of the US and Canada	*
30	Identify any Sourcewell participating entity sectors (i.e., government, education, not-for-profit) that you will NOT be fully serving through the proposed contract. Explain in detail. For example, does your company have only a regional presence, or do other cooperative purchasing contracts limit your ability to promote another contract?	Our services will be available to all participating entities	*
31	Define any specific contract requirements or restrictions that would apply to our participating entities in Hawaii and Alaska and in US Territories.	There are no defined specific contract requirements or restrictions that would apply.	*

Table 7: Marketing Plan

Line Item	Question	Response *
32	Describe your marketing strategy for promoting this contract opportunity. Upload representative samples of your marketing materials (if applicable) in the document upload section of your response.	<p>Upon Award we will schedule online training with all offices and supply them with the new materials to be able to discuss with entity's the Sourcewell program.</p> <ul style="list-style-type: none"> We will post on our social media site a link to the Sourcewell website. Continued participation in trade shows within our industry posting placards stating that we are a supplier for Sourcewell. Additionally, we will host a conference call with our District VPs to inform them of any changes that might have been made to our existing contract with Sourcewell. <p>***Please see uploaded Sourcewell Introduction Letter and Quick Reference Guide.*** If awarded these can be modified if requested</p>
33	Describe your use of technology and digital data (e.g., social media, metadata usage) to enhance marketing effectiveness.	<ul style="list-style-type: none"> On our internal website we will post a link to all required documents and forms to sell these services to the membership On our social media site we will post a link to the Sourcewell Website When participating in trade shows within our industry posting placards stating that we are a supplier for Sourcewell Additionally, local meetings with BOMA and facilities management companies.
34	In your view, what is Sourcewell's role in promoting contracts arising out of this RFP? How will you integrate a Sourcewell-awarded contract into your sales process?	<p>Please refer Question Number 32. thyssenkrupp, if awarded will send out an information package on any and all new information for Sourcewell to all of our branches. They will receive a copy of the contract and any training material needed. They will also receive the negotiated billing rates and labor rates. An aggressive training schedule will be established between National Accounts and the Regions to educate them on the Sourcewell processes and documentation.</p> <p>Our expectation of Sourcewell's role is promoting thyssenkrupp and our services through your website and trade shows, also training sessions to the existing portfolio as well as the new membership. As we have experienced in the past as an Sourcewell supplier, we would also expect the continued open line of communication between thyssenkrupp and our customers.</p>
35	Are your products or services available through an e-procurement ordering process? If so, describe your e-procurement system and how governmental and educational customers have used it.	No, there are many moving parts that require direct communication between the customer and thyssenkrupp before services can be provided. Elevators are not a shelf type product, all services and products come directly from thyssenkrupp and services are performed by thyssenkrupp employees.

Table 8: Value-Added Attributes

Line Item	Question	Response *
36	Describe any product, equipment, maintenance, or operator training programs that you offer to Sourcewell participating entities. Include details, such as whether training is standard or optional, who provides training, and any costs that apply.	Do to the elevator safety code requirement and reliability associated with elevators and escalators our training for the general public is limited to the in car or group panel operational switches. There is no charge for training on the proper usage of these switches for operational control.

37	Describe any technological advances that your proposed products or services offer.	New Installation: In 2015 thyssenkrupp partnered with Microsoft Azure enterprise to introduce the MAX, an elevator extension to bring the technology into the Internet of Things. Instead of delivering a brand-new elevator, thyssenkrupp's MAX is a box that costs "less than an iPad" and attaches to existing elevators. The MAX keeps tabs on the elevator's vitals so it can send maintenance calls when it senses parts wearing out and, once enough data is collected, make data models that set up maintenance calls before parts break. By using MAX, large buildings and skyscrapers can set their elevators to anticipate rush-hour surges in the lobby or on upper level floors that have higher demand. In addition, MAX, powered by Microsoft's Azure cloud technology, can help drive a wide range of other efficiencies, like keycard connectivity that can automatically whisk riders directly to their floor. MAX uses the cloud to monitor each individual component of the elevator, so each lift can get planned proactive maintenance before it breaks down, rather than unexpected work afterwards.	*
38	Describe any "green" initiatives that relate to your company or to your products or services, and include a list of the certifying agency for each.	Sustainability is embedded in the strategies, policies and business practices of ThyssenKrupp Elevator Americas. We strive to create a culture that fosters greener solutions for every aspect of our business, from daily operations to the materials we use in our products. By implementing the right actions today, we are making a better world for tomorrow. <ul style="list-style-type: none"> • Green Rating Systems and LEED - Our commitment to green building is companywide. We are a corporate-level member of the US Green Building Council and a Visionary Sponsor of the Living Building Challenge • Material Transparency - We are at the forefront of the building industry – pioneering a new vision of manufacturing product transparency. • Products and Services - From elevator fluids to lighting, our products and services are designed with the environment in mind. • Corporate Citizenship - Looking out for our people and our communities is just as important to us as building premium products. 	*
39	Identify any third-party issued eco-labels, ratings or certifications that your company has received for the equipment or products included in your Proposal related to energy efficiency or conservation, life-cycle design (cradle-to-cradle), or other green/sustainability factors.	***Please see the attached LEED Certificate BioBlend Enviromaz***	*
40	Describe any Women or Minority Business Entity (WMBE), Small Business Entity (SBE), or veteran owned business certifications that your company or hub partners have obtained. Upload documentation of certification (as applicable) in the document upload section of your response.	thyssenkrupp is committed to developing MBE/WBE/DVBE enterprises in the marketplace. thyssenkrupp currently spends over \$8,000,000.00 annually with MBE/WBE/DVBE enterprises. In order to ensure the quality of our preventative maintenance programs and services provided to TKE's Customers we do not plan to subcontract ANY part of our preventative maintenance or repair work. However, thyssenkrupp does purchase materials and parts from MBE/WBE/DVBE enterprise suppliers. Below is a list of some of the larger MBE/WBE/DVBE firms that we currently do business with and our annualized spend for each vendor. ***Please see Attachment MBE/WBE/DVBE/SBE Participation Program***	*

41	<p>What unique attributes does your company, your products, or your services offer to Sourcewell participating entities? What makes your proposed solutions unique in your industry as it applies to Sourcewell participating entities?</p>	<p>Here at thyssenkrupp Elevator we say, “we engineer confidence.” We take this statement seriously. Over 10,000 manufacturing, installation, service, repair, sales and management professionals work each day to build, install, maintain, and modernize elevators, escalators, and moving walks safely.</p> <p>From a safety standpoint, you want to hire someone you can trust — a company that specializes in servicing all kinds of elevators, not just the ones they manufacture. Our ITS Americas (International Technical Services) facility offers our mechanics the latest in diagnostic tools, troubleshooting support, PC board repair, and technical training. This support is backed by our field engineers, available 24 hours a day, who are among the most skilled experts in the industry.</p> <p>As the largest producer of elevators in the Americas with over 135 locations, you can be confident that we have the size and resources to support you, whenever and wherever you need us. Our technicians are on the road day and night, never far away from your equipment.</p> <p>When something does go wrong, you want to know someone is there to help. That’s why thyssenkrupp Elevator Communications answers elevator telephones 24 hours a day, 365 days a year. Our highly trained staff currently handles over one million calls a year, is capable of translating up to 135 different languages, and strives to keep response time below ten seconds.</p> <p>Our local team is ready to assist you in making sound decisions about your needs and systems</p>
----	---	--

Table 9: Warranty

Describe in detail your manufacturer warranty program, including conditions and requirements to qualify, claims procedure, and overall structure. You may upload representative samples of your warranty materials (if applicable) in the document upload section of your response in addition to responding to the questions below.

Line Item	Question	Response *	
42	Do your warranties cover all products, parts, and labor?	Yes, if installed by thyssenkrupp and if we currently maintain the equipment.	*
43	Do your warranties impose usage restrictions or other limitations that adversely affect coverage?	thyssenkrupp shall neither be required nor obligated to service, make renewals or repairs upon the equipment by reason of negligence, obsolescence, misuse of the equipment, loss of power, blown fuses, tripped stop switches, theft, vandalism, explosion, fire, power failure, water damage, storm, lightning, nuisance calls or by any other reason or any other cause beyond Service Provider's control, except ordinary wear and tear from the commencement date of this agreement or equipment not under thyssenkrupp service	*
44	Do your warranties cover the expense of technicians' travel time and mileage to perform warranty repairs?	Yes, it does cover the expense of technicians' travel time and mileage to perform warranty repairs	*
45	Are there any geographic regions of the United States (and Canada, if applicable) for which you cannot provide a certified technician to perform warranty repairs? How will Sourcewell participating entities in these regions be provided service for warranty repair?	No, thyssenkrupp can provide a certified technician in all regions.	*
46	Will you cover warranty service for items made by other manufacturers that are part of your proposal, or are these warranties issues typically passed on to the original equipment manufacturer?	thyssenkrupp Elevator will cover warranty service or proposed installed and maintained or under service by thyssenkrupp.	*
47	What are your proposed exchange and return programs and policies?	No, thyssenkrupp does not exchange or return parts or equipment	*
48	Describe any service contract options for the items included in your proposal.	<ul style="list-style-type: none"> thyssenkrupp elevator is flexible in contract negotiation to meet the need of the member. Below are the four major contract variations, all contract levels meet code compliance Bronze Gold Platinum Platinum Premier <p>***Please see attachment with Service Level Explanations***</p>	*

Table 10: Payment Terms and Financing Options

Line Item	Question	Response *
49	What are your payment terms (e.g., net 10, net 30)?	<ul style="list-style-type: none"> • Service: Typically, we will bill monthly or quarterly in advance. Payment is expected NET 30. • Repair: 50% upon award, 50% upon completion of the work. • Construction: Progressively in line with percentage of completion. 10% retainage. • However, with advanced notice we can accommodate most any billing and collection terms • Our local branch will send invoices to the location/member • National Accounts also has a consolidated billing option as well as a Web-Billing department. No fees are associated with any of these options.
50	Do you provide leasing or financing options, especially those options that schools and governmental entities may need to use in order to make certain acquisitions?	No, we do not provide leasing or financing options, especially those options that schools and governmental entities may need to use in order to make certain acquisitions
51	Briefly describe your proposed order process. Include enough detail to support your ability to report quarterly sales to Sourcewell as described in the Contract template. For example, indicate whether your dealer network is included in your response and whether each dealer (or some other entity) will process the Sourcewell participating entities' purchase orders.	<p>All orders are processed through our local branch. Orders are not taken through a public ordering system. Orders are placed internally and tracked by our system. All payment invoicing and collections tracking are performed by an Oracle system locally and nationally, and at this time we are unaware of any limitations.</p> <p>We are currently reporting quarterly to Sourcewell and have no issue to date</p> <p>All requests are made to the National Account POCs, that way they can be tracked accordingly and distributed to the correct branch for activation and response.</p>
52	Do you accept the P-card procurement and payment process? If so, is there any additional cost to Sourcewell participating entities for using this process?	<p>Our local branch will send invoices to the location/member</p> <ul style="list-style-type: none"> • National Accounts also has a consolidated billing option as well as a Web-Billing department. No fees are associated with any of these options. • Credit Card Payments as well.

Table 11: Pricing and Delivery

Provide detailed pricing information in the questions that follow below. Keep in mind that reasonable price and product adjustments can be made during the term of an awarded Contract as described in the RFP, the template Contract, and the Sourcwell Price and Product Change Request Form.

Line Item	Question	Response *	
53	Describe your pricing model (e.g., line-item discounts or product-category discounts). Provide detailed pricing data (including standard or list pricing and the Sourcwell discounted price) on all of the items that you want Sourcwell to consider as part of your RFP response. If applicable, provide a SKU for each item in your proposal. Upload your pricing materials (if applicable) in the document upload section of your response.	The Pricing attachment is a Not to Exceed Pricing Schedule ***See Pricing Schedule*** <ul style="list-style-type: none"> Sourcwell Billing Rates 2020 RFP #1080420 Sourcwell Not to Exceed Pricing 2020 RFP #1080420 	*
54	Quantify the pricing discount represented by the pricing proposal in this response. For example, if the pricing in your response represents a percentage discount from MSRP or list, state the percentage or percentage range.	20% lower than posted National pricing	*
55	Describe any quantity or volume discounts or rebate programs that you offer.	Based on individual volume by member, additional discounts can be negotiated by the local branch	*
56	Propose a method of facilitating "sourced" products or related services, which may be referred to as "open market" items or "nonstandard options". For example, you may supply such items "at cost" or "at cost plus a percentage," or you may supply a quote for each such request.	Based on individual volume by member, additional discounts can be negotiated by the local branch. Materials purchased for out of scope work sold to the customer will have a markup capped at not to exceed 30%	*
57	Identify any element of the total cost of acquisition that is NOT included in the pricing submitted with your response. This includes all additional charges associated with a purchase that are not directly identified as freight or shipping charges. For example, list costs for items like pre-delivery inspection, installation, set up, mandatory training, or initial inspection. Identify any parties that impose such costs and their relationship to the Proposer.	No additional cost for standard contract services	*
58	If freight, delivery, or shipping is an additional cost to the Sourcwell participating entity, describe in detail the complete freight, shipping, and delivery program.	For items not covered by the agreement additional shipping charges to expedite may be accessed	*
59	Specifically describe freight, shipping, and delivery terms or programs available for Alaska, Hawaii, Canada, or any offshore delivery.	No change for these locations	*
60	Describe any unique distribution and/or delivery methods or options offered in your proposal.	Does not apply	*

Table 12: Pricing Offered

Line Item	The Pricing Offered in this Proposal is: *	Comments
61	d. other than what the Proposer typically offers (please describe).	Is a not to exceed matrix based on union labor rates by location across North America and at a 20% reduction of our nationally posted rates. *** See Attached NTE Billable rates Pricing document****

Table 13: Audit and Administrative Fee

Line Item	Question	Response *
62	Specifically describe any self-audit process or program that you plan to employ to verify compliance with your proposed Contract with Sourcewell. This process includes ensuring that Sourcewell participating entities obtain the proper pricing, that the Vendor reports all sales under the Contract each quarter, and that the Vendor remits the proper administrative fee to Sourcewell.	A singular point of contact in the National Accounts Department has been established to coordinate with the local branches to ensure that pricing meets the requirements of the master agreement. Should the member request an additional audit, the request would be made through that point of contact to verify in document compliance from the local branch. All contract before submission are review by National Accounts and our Vice Presidents of contract along with our account receivable department to ensure pricing is contract compliant and that the proper reporting will be made to Sourcewell.
63	Identify a proposed administrative fee that you will pay to Sourcewell for facilitating, managing, and promoting the Sourcewell Contract in the event that you are awarded a Contract. This fee is typically calculated as a percentage of Vendor's sales under the Contract or as a per-unit fee; it is not a line-item addition to the Member's cost of goods. (See the RFP and template Contract for additional details.)	A 4% administrative fee will be paid on new installation, modernizations, quoted repair and regular and routine maintenance services.

Table 14A: Depth and Breadth of Offered Equipment Products and Services

Line Item	Question	Response *
64	Provide a detailed description of the equipment, products, and services that you are offering in your proposal.	<p>SoundNet, our on-site 24/7 dispatch center, monitors elevator telephones, dispatches service calls and answers phone calls for of offices across the U.S. and Canada. SoundNet serves ThyssenKrupp Elevator and its affiliates 365 days a year.</p> <p>Manufacturing: thyssenkrupp Elevator manufacture Hydraulic, traction, dumbwaiters and escalator vertical transportation.</p> <p>New Installation: tractions, hydraulic, mrl escaltoprs moving wsalks ect/..</p> <p>Modernizations: thyssenkrupp Elevator is fully capable to modernize all types of vertical transportation.</p> <p>Parts and Supplies: Our local offices have immediate access to normal wear & tear components and 24/7 turnaround on many non-stock items. Additionally, (ITS) International Technical Services in Dallas, TX provides direct board and drive repair /exchange capabilities. Having this "internal component" is both unique in our industry and critical to maintaining a high level of equipment availability.</p> <p>Service: thyssenkrupp Elevator provides local and national service for all vertical transportation systems</p> <p>Consulting: Site Audits for contract compliance and Capital Planning.</p>
65	Within this RFP category there may be subcategories of solutions. List subcategory titles that best describe your products and services.	<ul style="list-style-type: none"> • Modernization • New Installation • Site Reviews • Capital Planners • Telephone Monitoring • Repair • Vertical Transportation Maintenance

Table 14B: Depth and Breadth of Offered Equipment Products and Services

Indicate below if the listed types or classes of equipment, products, and services are offered within your proposal. Provide additional comments in the text box provided, as necessary.

Line Item	Category or Type	Offered *	Comments	
66	Elevators	<input checked="" type="radio"/> Yes <input type="radio"/> No	All models and manufacturers	*
67	Escalators	<input checked="" type="radio"/> Yes <input type="radio"/> No	All models and manufacturers	*
68	Moving Walkways	<input checked="" type="radio"/> Yes <input type="radio"/> No	All models and manufacturers	*
69	Dumbwaiters	<input checked="" type="radio"/> Yes <input type="radio"/> No	All models and manufacturers	*
70	Wheelchair, vertical and inclined platform lifts	<input checked="" type="radio"/> Yes <input type="radio"/> No	All models and manufacturers	*
71	Installation, modernization, preventative maintenance services, emergency and on-call response services, repair, inspection, and warranty services. Explain, in detail, in the Comments section.	<input checked="" type="radio"/> Yes <input type="radio"/> No	All models and manufacturers	*
72	Supplies, parts, and accessories related to items 66-70 above.	<input checked="" type="radio"/> Yes <input type="radio"/> No	If currently being maintained by thyssenkrupp	*

Table 15: Industry Specific Questions

Line Item	Question	Response *	
73	If you are awarded a contract, provide a few examples of internal metrics that will be tracked to measure whether you are having success with the contract.	Proposed vs Award Growth by Number of units Growth by number of customers Client satisfaction surveys	*
74	Describe how your company offerings conform to industry model safety and performance codes and standards. Provide, if applicable, ISO and industry-specific quality management system certifications.	<p>*** Please see Attached Osha Reports and</p> <p>As your service provider, we build safety into everything we do. By meeting or exceeding national and local elevator codes for our equipment, we maintain a safe environment for your passengers as well as our technicians.</p> <p>Through our expertise and training, we identify and eliminate potential hazards.</p> <p>We also stay current with the latest:</p> <ul style="list-style-type: none"> • Service standards and processes • Equipment inspections and certifications • Construction and installation standards <p>By partnering with thyssenkrupp, you can count on us to provide safe and reliable vertical transportation to the riding public.</p>	*
75	Describe the process of design, engineering, installation, and inspection at a project level.	Please refer to the Attached PDF Elevator Product Guide. It includes descriptions on thyssenkrupp engineering project levels.	*

76	Describe, in detail, your approach to providing both maintenance and repair for your units in service.	thyssenkrupp approach to providing both maintains and repair to system under service is both proactive and predictive maintenance. Years of identifying failure rates for individual components gives us the ability to adjust reoccurring maintenance of those component or to replace the components before failure. Unfortunately in some cases a repair will need to be made where a unit is not operating, Because of our information data base we are well stocked with those components / parts locally and nationally to have the unit operational as soon as possible	*
77	Describe the manufacturing process or material specifications-related attributes that differentiate your offering from your competitors.	***Please See Attached Document – Quality Supplier and Simplifying our Strategy***	*
78	Describe the applications for your product in the government, education, and non-profit verticals.	Our Product applications do not differentiate Verticals	*
79	Discuss the breadth of your parts inventory and the ability that your service and/or maintenance team will have the necessary replacement parts readily available.	ITS offers the latest in diagnostic tools, troubleshooting support, PC board repair and technical training computer boards can be on site in less than 24 hours. In addition to servicing thyssenkrupp elevators, our ITS-trained technicians are knowledgeable on a variety of manufacturers' units, including Otis, Schindler, KONE, Westinghouse, Montgomery, Haughton, U.S. Elevator and many others. In fact, over one third of the elevators serviced by thyssenkrupp are manufactured by our competitors. Each branch has, in addition to technicians, mechanics and helpers, an adjuster that can troubleshoot all issues that are complex or of great detail is on site at each of the over 135 branches across the United States. The average tenure of our mechanics is 12.5 years. The majority of our mechanics have been in the field between 15 and 20 years. Most replacement parts are stored at the branch or in our technicians' trucks. If the repair is a larger part thyssenkrupp usually has a turnaround time of 72 hours to get the replacement part depending on the issue.	*
80	Describe your product line in terms of sustainability and recycling.	Sustainability is embedded in the strategies, policies and business practices of ThyssenKrupp Elevator Americas. We strive to create a culture that fosters greener solutions for every aspect of our business, from daily operations to the materials we use in our products. By implementing the right actions today, we are making a better world for tomorrow.	*

Exceptions to Terms, Conditions, or Specifications Form

Only those Proposer Exceptions to Terms, Conditions, or Specifications that have been accepted by Sourcewell have been incorporated into the contract text.

Documents

Ensure your submission document(s) conforms to the following:

1. Documents in PDF format are preferred. Documents in Word, Excel, or compatible formats may also be provided.
 2. Documents should NOT have a security password, as Sourcewell may not be able to open the file. It is your sole responsibility to ensure that the uploaded document(s) are not either defective, corrupted or blank and that the documents can be opened and viewed by Sourcewell.
 3. Sourcewell may reject any response where any document(s) cannot be opened and viewed by Sourcewell.
 4. If you need to upload more than one (1) document for a single item, you should combine the documents into one zipped file. If the zipped file contains more than one (1) document, ensure each document is named, in relation to the submission format item responding to. For example, if responding to the Marketing Plan category save the document as "Marketing Plan."

Proposer's Affidavit

PROPOSER AFFIDAVIT AND ASSURANCE OF COMPLIANCE

I certify that I am the authorized representative of the Proposer submitting the foregoing Proposal with the legal authority to bind the Proposer to this Affidavit and Assurance of Compliance:

1. The Proposer is submitting this Proposal under its full and complete legal name, and the Proposer legally exists in good standing in the jurisdiction of its residence.
2. The Proposer warrants that the information provided in this Proposal is true, correct, and reliable for purposes of evaluation for contract award.
3. The Proposer, including any person assisting with the creation of this Proposal, has arrived at this Proposal independently and the Proposal has been created without colluding with any other person, company, or parties that have or will submit a proposal under this solicitation; and the Proposal has in all respects been created fairly without any fraud or dishonesty. The Proposer has not directly or indirectly entered into any agreement or arrangement with any person or business in an effort to influence any part of this solicitation or operations of a resulting contract; and the Proposer has not taken any action in restraint of free trade or competitiveness in connection with this solicitation. Additionally, if Proposer has worked with a consultant on the Proposal, the consultant (an individual or a company) has not assisted any other entity that has submitted or will submit a proposal for this solicitation.
4. To the best of its knowledge and belief, and except as otherwise disclosed in the Proposal, there are no relevant facts or circumstances which could give rise to an organizational conflict of interest. An organizational conflict of interest exists when a vendor has an unfair competitive advantage or the vendor's objectivity in performing the contract is, or might be, impaired.
5. The contents of the Proposal have not been communicated by the Proposer or its employees or agents to any person not an employee or legally authorized agent of the Proposer and will not be communicated to any such persons prior to Due Date of this solicitation.
6. If awarded a contract, the Proposer will provide to Sourcewell Participating Entities the equipment, products, and services in accordance with the terms, conditions, and scope of a resulting contract.
7. The Proposer possesses, or will possess before delivering any equipment, products, or services, all applicable licenses or certifications necessary to deliver such equipment, products, or services under any resulting contract.
8. The Proposer agrees to deliver equipment, products, and services through valid contracts, purchase orders, or means that are acceptable to Sourcewell Members. Unless otherwise agreed to, the Proposer must provide only new and first-quality products and related services to Sourcewell Members under an awarded Contract.
9. The Proposer will comply with all applicable provisions of federal, state, and local laws, regulations, rules, and orders.
10. The Proposer understands that Sourcewell will reject RFP proposals that are marked "confidential" (or "nonpublic," etc.), either substantially or in their entirety. Under Minnesota Statutes Section 13.591, subdivision 4, all proposals are considered nonpublic data until the evaluation is complete and a Contract is awarded. At that point, proposals become public data. Minnesota Statutes Section 13.37 permits only certain narrowly defined data to be considered a "trade secret," and thus nonpublic data under Minnesota's Data Practices Act.
11. Proposer its employees, agents, and subcontractors are not:
 - a. Included on the "Specially Designated Nationals and Blocked Persons" list maintained by the Office of Foreign

Assets Control of the United States Department of the Treasury found at:

<https://www.treasury.gov/ofac/downloads/sdnlist.pdf>;

b. Included on the government-wide exclusions lists in the United States System for Award Management found at:

<https://www.sam.gov/portal/3>; or

c. Presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from programs operated by the State of Minnesota; the United States federal government or the Canadian government, as applicable; or any Participating Entity. Vendor certifies and warrants that neither it nor its principals have been convicted of a criminal offense related to the subject matter of this solicitation.

☒ By checking this box I acknowledge that I am bound by the terms of the Proposer's Affidavit, have the legal authority to submit this Proposal on behalf of the Proposer, and that this electronic acknowledgment has the same legal effect, validity, and enforceability as if I had hand signed the Proposal. This signature will not be denied such legal effect, validity, or enforceability solely because an electronic signature or electronic record was used in its formation. - Jeff Jaudes, National Account Manager, thyssenkrupp Elevator

The Proposer declares that there is an actual or potential Conflict of Interest relating to the preparation of its submission, and/or the Proposer foresees an actual or potential Conflict of Interest in performing the contractual obligations contemplated in the bid.

☐ Yes ☒ No

The Bidder acknowledges and agrees that the addendum/addenda below form part of the Bid Document.

Exhibit C- City's Project Details

Modernization Proposal

DPU O&M Facility – Passenger Elevator

January 31, 2022

Purchaser: CITY OF FRESNO
Address: 2600 Fresno St
Fresno, CA 93721-3620

Location: DPU O&M Facility
Address: 1626 E St
Fresno, CA 93706-2006

TK Elevator Corporation (hereinafter "TK Elevator") is dedicated to delivering (hereinafter "Purchaser") the safest, highest quality vertical transportation solutions. I am pleased to present this customized Proposal (the "Proposal") in the amount of **\$157,890.00** inclusive of all applicable sales and use taxes to modernize the 47 years old elevator equipment described in the pages that follow at the above-referenced location.

Our modernization package is engineered specifically for your elevator system and will include the elevator mechanical and electrical components being replaced, refurbished or retained.

Benefits of Modernization include:

- Increased durability and reliability
- Improved fire and life safety features
- Decreased waiting times
- Reduced energy consumption
- Reduced operational cost
- Reduced troubleshooting time

This Proposal shall remain in effect for the next forty-five (45) days unless it is revoked earlier by TK Elevator in writing. The price above is subject to escalation - even after Purchaser's acceptance of this Proposal – under certain circumstances including the possibility that TK Elevator may be subjected to increased charges by its suppliers for any of the applicable materials and/or components due to the imposition of new or increased taxes, tariffs, or other charges imposed by applicable governmental authorities or the possibility that the work described in this Proposal is not completed by December 31, 2022.

In the event you have any questions regarding the content of this Proposal, please do not hesitate to contact me. We appreciate your consideration.

Sincerely,

Steve Boisvert
Mod Sales Rep, steve.boisvert@tkelevator.com, +1 (916) 813-9668, Fax (866) 572-2888

Modernization Proposal

SCOPE OF WORK

Grouping Name: Passenger

Equipment Type: Hydraulic

Speed: 125 fpm

3 Stops (3 Front /0 Rear)

Capacity: 2000 lbs.

Units Included

Building	Nickname	OEM Serial #	TKE Serial #	Legal ID
Passenger				58808

Description of Work

Controller

- Tenant Security 3-1 (Card Reader with override switch)
- TAC 32 Controller (Includes Options listed below)
- eMax Monitoring Device Provisions
- Battery Lowering in Controller
- Seismic Features
- Solid State Starters (6 or 12 leads) 460 / 575 VAC

Power Unit

- EP-95 Power Unit (Submersible)
- Seismic Requirements for EP units
- Viscosity Control (Required over 150 FPM)
- Biodegradable oil (Citgo NZ)
- 2" Shutoff Valve Kit
- Overspeed Valve Kits for 2" (less than 150 GPM)
- Oil Line Piping Refurbish

Jack

- Pipe Stands
- Packing

Car

- 21" Toe guard
- Fan: Two Speed
- Car Top Exit Switch
- Cab Wiring Material (200MK1)

Hoistway

- HN Boxes (per each 2 cars, grouped)

Modernization Proposal

- Steel Tape with Mounting hardware, Selector and magnets (terminal limits included)
- TAC 32 Field Friendly Wiring Package Includes single traveling cable, hoistway wiring, interlock wiring, interlock connectors, and serial wiring.
- Additional Hoistway Wiring for TAC 32 with Remote Machine Room

Pit

- Pit Stop Switch
- 2" Shutoff Valve Kit

Cab

- Car Door (SSSS, #4 S/S (441))
- Interior Model FabACab Nassau

Door Equipment

- LD-16 Plus Door Operator with Complete carside equipment (FRONT)
 - includes Adapter kit (Tracks & Hangars), Clutch (w/ Car Door Lock latch & contact), & Car Top Inspection station (w/ alarm signal)
- Micro Light (Front)
- Closer
- Hanger Rollers
- Interlocks
- Pick Up Rollers
- Gibs

Car Fixtures

- Main Car Station Includes Options Below
 - Applied Panel
- Debranded Car Station (No Logo)
- Vandal Resistant Floor Buttons
- Standard Braille Plates for Car Features
- Standard Key Switch Package
 - Fan
 - Light
 - Independent
 - Stop
 - Inspection/Hoistway Enable)
- Emergency Light mounted in COP
- 2004 and later Fire Service Phase II Features (includes instructions signage)
- Handicap Signal (Passing signal)
- Position Indicator (2" CE Segmented)
- ADA Phone System integral with COP (Rath)
- Speaker Pattern for Intercom System/ADA Phone
- No Smoking (Engraved)

Modernization Proposal

- Locked Service Cabinet
- Certificate Window
- Default Engravings
- GFI Outlet
- #4 Stainless Steel Finish (441)
- Emergency Light Test Button (constant pressure)
- Car Riding Lantern (Standard) #4 S/S (441)

Hall Fixtures

- Fire Service Phase I Key Switch
- Fire Service Phase I Engraved Instructions
- Hoistway Jamb Braille (Pair of Standard) (# of Floors)
- Car Identification Plate for Main Egress Floor (Section 2.29)
- Hoistway Access Switch (Standalone)
- Hall Stations (Surface Mounted) with
 - Appendix O (Polycarbonate insert flame with engraved verbiage)
 - Fusion (#4 S/S (304))

Modernization Proposal

1. Key Tasks and Approximate Lead Times

Key Tasks to be performed to be performed by Purchaser prior to equipment fabrication:

- a. Execution of this Proposal
- b. Payment for pre-production and engineering
- c. Approval of layout (if applicable)
- d. Execution of TK Elevator's Material Release Form

Approximate Durations/Lead Times

Contract execution (can run concurrently with layout drawing package preparation and approval)	Varies
Survey and Order of Materials (additional time required for cab, signal, entrance preparation and approval, if applicable)	4 - 6 Weeks
Fabrication time (from receipt of all approvals, fully executed contract, Material Release Form and initial progress payment)	5 Weeks
Modernization of elevator system (Per Unit): (Upon completion of all required preparatory work by others)	6 - 8 Weeks

The durations or lead times listed above are strictly approximations that can vary due to factors both within and outside of TK Elevator's control, are subject to change without notice to Purchaser and shall not be binding on TK Elevator.

2. Payment Terms

50% of the price set forth in this Proposal as modified by options selected from the section entitled "Value Engineering Opportunities & Alternates" (if applicable) will be due and payable as an initial progress payment within 30 days from TK Elevator's receipt of a fully executed copy of this Proposal. This initial progress payment will be applied to project management, permits, engineering and shop drawings, submittals, drilling mobilization (if required) and raw material procurement. Material will be ordered once this payment is received and the parties have both executed this Proposal and the Material Release Form.

25% of the price set forth in this Proposal as modified by options selected from the section entitled "Value Engineering Opportunities & Alternates" (if applicable) shall be due and payable when the material described above has been furnished. Material is considered furnished when it has been received at the jobsite or TK Elevator staging facility. Supporting documentation of materials stored shall be limited to stored materials certificates of insurance and bills of lading. Receipt of this payment is required prior to mobilization of labor.

25% of the price set forth in this Proposal shall be made as progress payments throughout the life of the project. In the event TK Elevator fails to receive payment within thirty (30) days of the date of a corresponding invoice, TK Elevator reserves the right to demobilize until such a time that the payments have been brought up to date, and TK Elevator has the available manpower.

It is agreed that there will be no withholding of retainage from any billing and by the customer from any payment.

Modernization Proposal

The payment terms breakdown above shall be considered the Schedule of Values for the project as written. Billing shall be submitted on or before the 25th day of the month according to the payment schedule above and accompanied by a form of G702-703 pay application/schedule of values and a conditional waiver, the format of which is hereby acknowledged and accepted.

The use of online Portals for the submission of billing shall follow the terms of the Proposal and Customer agrees to permit billing in accordance with the executed contract terms. Portal access and usage is to be provided free of additional charge to TK Elevator and any additional cost for such use is to be reimbursed to TK Elevator via a reimbursable change order immediately upon acceptance.

Purchaser agrees that TK Elevator shall have no obligation to complete any steps necessary to provide Purchaser with full use and operation of the installed equipment until such time as TK Elevator has been paid 100% both of the price reflected in this Proposal and for any other work performed by TK Elevator or its subcontractors in furtherance of this Proposal. Purchaser agrees to waive any and all claims to the turnover and/or use of that equipment until such time as those amounts are paid in full.

Proposal price:		\$157,890.00
Initial progress payment:	(50%)	\$78,945.00
Material furnished:	(25%)	\$39,472.50
Total of remaining progress payments:	(25%)	\$39,472.50

3. Warranty

TK Elevator warrants any equipment it installs as described in this Proposal against defects in material and workmanship for a period of one (1) year from the date of Purchaser's execution of TK Elevator's "Final Acceptance Form" on the express conditions that all payments made under this Proposal and any mutually agreed-to change orders have been made in full and that such equipment is currently being serviced by TK Elevator. In the event that TK Elevator's work is delayed for a period greater than six (6) months, the warranty shall be reduced by the amount of the delay. This warranty is in lieu of any other warranty or liability for defects. TK Elevator makes no warranty of merchantability and no warranties which extend beyond the description in this Proposal, nor are there any other warranties, expressed or implied, by operation of law or otherwise. Like any piece of fine machinery, the equipment described in this Proposal should be periodically inspected, lubricated, and adjusted by competent personnel. This warranty is not intended to supplant normal maintenance service and shall not be construed to mean that TK Elevator will provide free service for periodic examination, lubrication, or adjustment, nor will TK Elevator correct, without a charge, breakage, maladjustments, or other trouble arising from normal wear and tear or abuse, misuse, improper or inadequate maintenance, or any other causes other than defective material or workmanship. In order to make a warranty claim, Purchaser must give TK Elevator prompt written notice at the address listed on the cover page of this Proposal and provided all payments due under the terms of this Proposal and any mutually agreed to written change orders have been made in full, TK Elevator shall, at its own expense, correct any proven defect by repair or replacement. TK Elevator will not, under any circumstances, reimburse Purchaser for cost of work done by others, nor shall TK Elevator be responsible for the performance of any equipment that has been the subject of service, repair,

Modernization Proposal

replacement, revisions or alterations by others. If there is more than one (1) unit which is the subject of work described in this Proposal, this section shall apply separately to each unit as accepted.

4. Preventative Maintenance Program

This Proposal does not include any maintenance, service, repair or replacement of the equipment or any other work not expressly described herein. TK Elevator will submit a separate proposal to Purchaser covering the maintenance and repair of this equipment to be supplied to Purchaser at an additional cost.

5. Work Not Included

There are certain items that are not included in this Proposal, many of which must be completed by Purchaser prior to and as a condition precedent to TK Elevator's performance of its work as described in this Proposal. In order to ensure a successful completion of this project, it shall be solely Purchaser's responsibility to coordinate its own completion of those items with TK Elevator. The following is a list of those items that are not included in this Proposal:

A. Hoistways and Equipment Rooms

1. Purchaser shall provide the following:

- a. A dry legal hoistway, properly framed and enclosed, and including a pit of proper depth and overhead. This is to include steel safety beam, inspection or access platforms, access doors, sump pump, lights, waterproofing and venting as required; dewatering of pit(s) and required permanent screening/
- b. A legal machine/control room, adequate for the elevator equipment, including floors, trap doors, gratings, access platforms, ladders, railings, foundations, lighting, ventilation sized per the TK Elevator shop drawings. Purchaser must maintain machine/control room temperature between 55 and 90 degrees Fahrenheit, with relative humidity less than 95% non-condensing at all times.
- c. Adequate bracing of entrance frames to prevent distortion during wall construction.
- d. All grouting, fire caulking, cutting, x-ray and removal of walls and floors, patching, coring, setting of sleeves/knockouts, penetrations and painting (except as specified) and removal of obstructions required for elevator work; along with all proper trenching and backfilling for any underground piping and/or conduit.
- e. All labor and materials necessary to support the full width of the hoistway at each landing for anchoring or welding TK Elevator sill supports, steel angles, sill recesses;
- f. The furnishing, installing and maintaining of the required fire rating of elevator hoistway walls, including the penetration of firewall by elevator fixture boxes;
- g. Ensuring that the elevator hoistways and pits are dewatered, cleaned and properly waterproofed;

B. Electrical and Life Safety:

1. Purchaser shall provide a dedicated, analog telephone or data line to the elevator telephone or communication device; one additional data line per group of elevators for diagnostic capability wired to designated controller;
2. Purchaser shall provide the following:
 - a. suitable connections from the power main to each controller and signal equipment feeders as required, including necessary circuit breakers and fused mainline disconnect switches per N.E.C. prior to installation. Suitable power supply capable of operating the new elevator equipment under all conditions;
 - b. piping and wiring to controller for mainline power, car lighting, and any other building systems that interface with the elevator controls per N.E.C. Articles 620-22 and 620-51;

Modernization Proposal

- c. any required hoistway / wellway, machine room, pit lighting and/or 110v service outlets;
- d. conduit and wiring for remote panels to the elevator machine room(s) and between panels. Remote panels required by local jurisdictions are not included in this proposal;
- e. a bonded ground wire, properly sized, from the elevator controller(s) to the primary building ground; and all remote wiring to the outside alarm bell as requested by all applicable code provisions;
- f. installed sprinklers, smoke/heat detectors on each floor, machine room and hoistways / wellways, shunt trip devices (not self-resetting) and access panels as may be required as well as normally open dry contacts for smoke/heat sensors, which shall be terminated by Purchaser at a properly marked terminal in the elevator controller;
- g. a means to automatically disconnect the main line and the emergency power supply to the elevator prior to the application of water in the elevator machine room that shall not be self-resetting;
- h. emergency power supply including automatic time delay transfer switch and auxiliary contacts with wiring to the designated elevator controller and along with electrical cross connections between elevator machine rooms for emergency power purposes;
- i. the following emergency power provisions are not included: interface in controller, pre-testing and testing, emergency power keyswitches;
- j. emergency power operation is included as part of the design of the elevator control system and based on each car in the group only, to properly sequence, one at a time to the programmed landing, and park. The design requires that the generator, transfer switch, and related circuitry are sufficient to run this function or any other function for any building other system that is associated with this project. In the event that the generator, transfer switch, and related circuitry are not sufficient, TK Elevator will provide Purchaser with a written change order for Purchaser's execution.
- k. a dry set of contacts which close 20 seconds prior to the transfer from normal power to emergency power or from emergency power to normal power whether in test mode or normal operating conditions in the event that an emergency power supply will be provided for the elevator;
- l. confirmation that the emergency standby power generator and/or building can accept the power generated to and from the elevator during both Hi-Speed and Deceleration. In cases where the generator and/or building load is not electrically sized to handle the power return from the regen drive, additional separate chopper and resistor units are available for purchase but not included in this proposal. The additional chopper and resistor units allow regenerated power to be dissipated in the resistor bank and not sent back into the building grid.

C. Miscellaneous:

1. Purchaser shall provide all work relating to the finished cab flooring including, but not limited to, the provision of materials and its installation to comply with all applicable codes;
2. Hydraulic jack replacement:
 - a. the excavation of the elevator cylinder well hole in the event drilling is necessary through soil that is not free from rock, sand, water, building construction members and obstructions. Should obstructions be encountered, TK Elevator will proceed only after written authorization has been received from the Purchaser. The contract price shall be increased by the amount of additional labor at TK Elevator's standard labor rates as per the local office along with any additional expenses and materials required;
 - b. adequate ingress and egress, including ramping, for rail-mounted or truck-mounted drill rig;
 - c. Purchaser is responsible for pumping truck contractor to remove and dispose of spoils from the site. In the event that unforeseen and unfavorable below ground conditions are encountered, including but not limited to concrete around the cylinder, construction debris, adverse water and/or soil conditions, erosion, cavitations, oil contamination, or circumstances necessitating increased hole depth, etc., which require the employment of

Modernization Proposal

specialized contractors, TK Elevator shall immediately advise the Purchaser and costs will be extra to the contract;

d. in ground protection systems other than TK Elevator's standard HDPE or PVC protection system with bottomless corrugated steel casing;

e. any required trenching and backfilling for underground piping or casings, and conduit as well as any compaction, grouting, and waterproofing of block-out;

f. engineering, provision and installation of methane barriers or coordination/access;

g. access to 2" pressurized water supply within 100'-0" of the jack hole location;

h. a safe, accessible storage area for placement of D.O.T. 55 gallon containers for the purpose of spoils containment; obtaining of local environmental or disposal permits

i. any spoils or water testing;

6. Working Hours, Logistics and Mobilization

a. All work described in this Proposal shall be performed during TK Elevator's regular working days – defined as Monday thru Friday and excluding IUEC recognized holidays – and regular working hours – defined as those hours regularly worked by TK Elevator modernization mechanics at the TK Elevator branch office that will provide labor associated with the performance of the work described in this Proposal - unless otherwise specified and agreed to in writing by both TK Elevator and Purchaser (hereinafter TK Elevator's regular working days and regular working hours shall be collectively defined as “normal working hours”). TK Elevator shall be provided with uninterrupted access to the elevator hoistway and machine room areas to perform work during normal working hours.

b. Purchaser shall provide on-site parking to all TK Elevator personnel at no additional cost to TK Elevator.

c. Purchaser shall provide traffic control, lane closures, permits and flagmen to allow suitable access/unload of tractor trailer(s).

d. Purchaser agrees to provide unobstructed tractor-trailer access and roll-able access from the unloading area to the elevator or escalator hoistways or wellways (as applicable).

e. Purchaser will be required to sign off on the Material Release Form, which will indicate the requested delivery date of equipment to the site. If Purchaser is not ready to accept delivery of the equipment within ten (10) business days of the agreed upon date, Purchaser will immediately make payments due for equipment and designate an area adjacent to the elevator shaft where Purchaser will accept delivery. If Purchaser fails to provide this location or a mutually agreeable alternative, TK Elevator is authorized to warehouse the equipment at the TK Elevator warehouse or designated distribution facility at Purchaser's risk and expense. Purchaser shall reimburse TK Elevator for all costs due to extra handling and warehousing. Storage beyond ten (10) business days will be assessed at a rate of \$100.00 per calendar day for each unit listed in this Proposal, which covers storage and insurance of the elevator equipment and is payable prior to delivery.

f. Purchaser agrees to provide a dry and secure area adjacent to the hoistway(s) at the ground level for storage of the elevator equipment and tools within ten (10) business days from receipt at the local TK Elevator warehouse. Any warranties provided by TK Elevator for vertical transportation equipment will become null and void if equipment is stored in any manner other than a dry, enclosed building structure. Any relocation of the equipment as directed by Purchaser after initial delivery will be at Purchaser's expense.

g. TK Elevator includes one mobilization to the jobsite. A mobilization fee of \$2,500.00 per crew per occurrence will be charged for pulling off the job or for any delays caused by others once material has been delivered and TK Elevator's work has commenced.

h. Access for this project shall be free and clear of any obstructions. A forklift for unloading and staging material shall also be provided by Purchaser at no additional cost.

Modernization Proposal

- i. Purchaser shall provide an on-site dumpster. TK Elevator will be responsible for cleanup of elevator/ escalator packaging material; however, composite cleanup participation is not included in this Proposal.
- j. The hiring of a disposal company which MUST be discussed prior to any material being ordered or work being scheduled. TK Elevator will provide environmental services ONLY if this is specifically included under the "Scope of Work" section above. TK Elevator assumes no responsibility and/or liability in any way whatsoever for spoils or other contamination that may be present as a result of the cylinder breach and/or other conditions present on the work site.
- k. One or more of the units described in this Proposal will be out of service and unavailable to move passengers and/or property during entire duration of the performance of the work described in this Proposal until re-certified by the applicable authority(ies) having jurisdiction and in good standing with payment schedules.

7. Temporary Use, Inspection and Turnover

- a. Unless required by specification, TK Elevator will not provide for "temporary use" of the elevator(s) described in this Proposal prior to completion and acceptance of the complete installation. Temporary use shall be agreed to via a change order to this Proposal which shall require Purchaser's execution of TK Elevator's standard Temporary Use Agreement. Cost for temporary use of an elevator shall be \$200.00 per calendar day per hydraulic elevator and \$250.00 per calendar day for each traction elevator for rental use only, excluding personnel to operate. All labor and parts, including callbacks required during the temporary use period will be billed at TK Elevator's standard local billing rates. In the event that an elevator must be provided for temporary use, TK Elevator will require 30 days to perform final adjustments and re-inspection after the elevator has been returned to TK Elevator with all protection, intercoms and temporary signage removed. This duration does not include any provisions for finish work or for repairs of same, which shall be addressed on a project-by-project basis. Cost for preparation of controls for temporary use, refurbishment due to normal wear and tear, readjustment and re-inspection is \$3,500.00 per elevator up to 10 floors. For projects above 10 stops, an additional cost of \$1,500.00 / 10 floors shall apply. These costs are based on work performed during normal working hours. Temporary use excludes vandalism or misuse. Any required signage, communication devices, elevator operators, and protection are not included while temporary use is being provided. All overtime premiums for repairs during the temporary use period will be billed at TK Elevator's local service billing rates.
- b. The Proposal price set forth above includes one (1) inspection per unit by the applicable authority having jurisdiction if required by the government of the locality where the equipment is located. In the event the equipment fails that inspection due to no fault of TK Elevator, TK Elevator will charge Purchaser for both the cost of each re-inspection which shall be \$1,500.00 and a remobilization fee which shall be \$2,500.00 via change order prior to scheduling a re-inspection.
- c. Upon notice from TK Elevator that the installation and/or modernization of the equipment is complete, Purchaser will arrange to have present at the jobsite a person authorized to make the final inspection and to execute TK Elevator's "Final Acceptance Form." The date and time that such person will be present at the site shall be mutually agreed upon but shall not be more than ten (10) business days after the date of TK Elevator's notice of completion to Purchaser unless both TK Elevator and Purchaser agree to an extension of that ten (10) day period in writing. Such final inspection and execution of TK Elevator's "Final Acceptance Form" shall not be unreasonably delayed or withheld.
- d. Should the Purchaser or the local authority having jurisdiction require TK Elevator's presence at the inspection of equipment installed by others in conjunction with the work described in this Proposal, Purchaser agrees to compensate TK Elevator for its time at TK Elevator's current billing rate as posted at its local office.
- e. At the conclusion of its work, TK Elevator will remove all equipment and unused or removed materials from the project site and leave its work area in a condition that, in TK Elevator's sole opinion, is neat and clean.

Modernization Proposal

- f. Purchaser agrees to accept a live demonstration of equipment's owner-controlled features in lieu of any maintenance training required in the bid specifications.
- g. Purchaser agrees to accept TK Elevator's standard owner's manual in lieu of any maintenance, or any other, manual(s) required in the bid specifications.

8. MAX

MAX is a cloud based Internet of Things (IoT) platform that we, at our election, may connect to your elevators and escalators by means of installation of a remote-monitoring device or modem (each a "device"). MAX will analyze the unique signal output of your equipment 24/7 and when existing or potential outages are identified, MAX will automatically communicate with our dispatch centers. When appropriate, the dispatch center will alert our technicians during normal working hours. These MAX alerts provide the technician with precise diagnostics detail, which greatly enhances our ability to fix your equipment right the first time, MAXimizing the equipment uptime.

- a. Purchaser authorizes TK Elevator and its employees to access purchaser's premises to install, maintain and/or repair the devices and, upon termination of the service agreement, to remove the same from the premises if we elect to remove.
- b. TK Elevator is and shall remain the sole owner of the devices and the data communicated to us by the devices. The devices shall not become fixtures and are intended to reside where they are installed. TK Elevator may remove the devices and cease all data collection and analysis at any time.
- c. If the service agreement between TK Elevator and Purchaser is terminated for any reason, TK Elevator will automatically deactivate the data collection, terminate the device software and all raw data previously received from the device will be removed and/or expunged or destroyed.
- d. Purchaser consents to the installation of the devices in your elevators and to the collection, maintenance, use, expungement and destruction of the daily elevator data as set forth in this agreement.
- e. The devices installed by TK Elevator contain trade secrets belonging to us and are installed for the use and benefit of our personnel only.
- f. Purchaser agrees not to permit purchaser personnel or any third parties to use, access, tamper with, relocate, copy, disclose, alter, destroy, disassemble or reverse engineer the device while it is located on purchaser's premises.
- g. The installation of this equipment shall not confer any rights or operate as an assignment or license to you of any patents, copyrights or trade secrets with respect to the equipment and/or any software contained or imbedded therein or utilized in connection with the collection, monitoring and/or analysis of data.

9. Additional Terms and Conditions

- a. In no event shall TK Elevator be responsible for liquidated, consequential, indirect, incidental, exemplary, and special damages associated with the work described in this Proposal.
- b. This Proposal is made without regard to compliance with any special purchasing, manufacturing or construction/installation requirements including, but not limited to, any socio-economic programs, such as small business programs, minority or woman owned business enterprise programs, or local preferences, any restrictive sourcing programs, such as Buy American Act, or any other similar local, state or federal procurement regulations or laws that would affect the cost of performance. Should any such requirements be applicable to the work described in this Proposal, TK Elevator reserves the right to modify this Proposal or rescind it altogether.
- c. TK Elevator is an equal opportunity employer.

Modernization Proposal

- d. TK Elevator's performance of the work described in this Proposal is contingent upon Purchaser furnishing TK Elevator with any and all necessary permission or priority required under the terms and conditions of government regulations affecting the acceptance of this Proposal or the manufacture, delivery or installation of the equipment. All applicable sales and use taxes, permit fees and licenses imposed upon TK Elevator as of the date of the Proposal are included in the price of the Proposal. Purchaser is responsible for any additional applicable sales and use taxes, permit fees and licenses imposed upon TK Elevator after the date of the Proposal or as a result of any law enacted after the date of the Proposal.
- e. All taxes, tariffs, duties, permit and/or license fees imposed upon TK Elevator as of the date of the execution of this Proposal are included in the price of the Proposal. Purchaser is responsible, in addition to the Proposal price, to pay TK Elevator for any additional (or any increase in) applicable taxes, tariffs, duties, permit and/or license fees imposed upon TK Elevator after the date of acceptance of this Proposal by any governmental authority or by any of TK Elevator's suppliers of the materials and/or components required in connection with this Proposal.
- f. Purchaser agrees to provide TK Elevator's personnel with a safe place in which to work and TK Elevator reserves the right to discontinue work at the jobsite whenever, in TK Elevator's sole opinion, this provision is being violated.
- g. The pricing set forth in this Proposal assumes that the elevator pits will not be classified as a confined space. TK Elevator will follow its standard safety policy and procedures. Any job specific safety requirements over and above TK Elevator's standard practices and policies may require additional costs.
- h. TK Elevator will furnish and install all equipment in accordance with the terms, conditions, scope and equipment nomenclature as noted herein. Requested changes or modifications to such provisions will require a written change order issued on the Purchaser's letterhead and accepted by TK Elevator in writing prior to the execution of such work. This change order shall detail the current contract price, the amount of the change, and new contract value.
- i. This Proposal does not include a schedule for the work described and any such schedule shall be mutually agreed upon by an authorized representative of both TK Elevator and Purchaser in writing before becoming effective.
- j. In the event asbestos material is knowingly or unknowingly removed or disturbed in any manner at the jobsite, Purchaser shall monitor TK Elevator's work place and prior to and during TK Elevator's manning of the job, Purchaser shall certify that asbestos in the environment does not exceed .01 fibers per cc as tested by NIOSH 7400. In the event TK Elevator's employees or those of TK Elevator's subcontractors are exposed to an asbestos hazard, PCP's, lead or other hazardous substances, Purchaser agrees, to the fullest extent permitted by law, to indemnify, defend, and hold TK Elevator harmless from all damages, claims, suits, expenses, and payments resulting from such exposure. Identification, notification, removal and disposal of asbestos containing material, PCP's lead or other hazardous substances are the responsibility of the Purchaser.
- k. TK Elevator retains title to and a security interest in all equipment it supplies – which TK Elevator and Purchaser agree can be removed without material injury to the real property – until all payments including deferred payments and any extensions thereof, are made. In the event of any default by Purchaser on any payment, or any other provision of this Proposal, TK Elevator may take immediate possession of the equipment and enter upon the premises where it is located – without legal process – and remove such equipment or portions thereof, irrespective of the matter of its attachment to the real estate or the sale, mortgage or lease of the real estate. Pursuant to the Uniform Commercial Code, and at TK Elevator's request, Purchaser agrees to execute any financial or continuation statements which may be necessary for TK Elevator to file in public offices in order to perfect TK Elevator's security interest in such equipment.
- l. TK Elevator reserves the right to assign payments owed to TK Elevator under this Proposal.

Modernization Proposal

m. TK Elevator shall not be liable for any loss, damage or delay caused by acts of government, labor troubles, strikes, lockouts, fire, explosion, theft, floods, riot, civil commotion, war, malicious mischief, acts of God or any cause beyond its control.

n. The rights of TK Elevator under this Proposal shall be cumulative and the failure on the part of the TK Elevator to exercise any rights hereunder shall not operate to forfeit or waive any of said rights. Any extension, indulgence or change by TK Elevator in the method, mode or manner or payment or any of its other rights shall not be construed as a waiver of any of its rights under this Proposal.

o. In the event TK Elevator engages a third party to enforce the terms of this Proposal, and/or to collect payment due hereunder, either with or without suit, Purchaser agrees to pay all costs thereof together with reasonable attorney's fees. Purchaser does hereby waive trial by jury and does hereby consent to the venue of any proceeding or lawsuit under this Proposal to be in the county where the work covered by this Proposal is located.

p. TK Elevator can furnish Certificate of Workers' Compensation, Bodily Injury and Property Damage Liability Insurance coverage to Purchaser upon written request.

q. Should loss of or damage to TK Elevator's material, tools or work occur at the project site, Purchaser shall compensate TK Elevator for such loss, unless such loss or damage results from TK Elevator's own acts or omissions.

r. Purchaser, in consideration of TK Elevator performing the services set forth in this Proposal, to the fullest extent permitted by law expressly agrees to indemnify, defend, save harmless, discharge, release and forever acquit TK Elevator Corporation, TK Elevator Manufacturing, Inc., their respective employees, officers, agents, insurers, affiliates, and subsidiaries (hereinafter singularly a "TK Elevator party" and collectively the "TK Elevator parties") from and against any and all claims, demands, suits, and proceedings for loss, property damage (including damage to the equipment which is the subject matter of this Proposal), personal injury or death that are alleged to either have arisen out of or be connected with the sale, marketing, presence, use, misuse, maintenance, installation, removal, modernization, manufacture, design, operation or condition of the equipment that is the subject matter of this Proposal or the labor and materials furnished in connection with this Proposal. Purchaser's duty to indemnify a TK Elevator party does not apply to the extent that the loss, property damage (including damage to the equipment which is the subject matter of this Proposal), personal injury or death is determined to be caused by or resulting from the negligence of that TK Elevator party. Purchaser recognizes that its obligation to defend the TK Elevator parties under this clause, which is separate and apart from its duty to indemnify the TK Elevator parties, includes payment of all attorneys' fees, court costs, judgments, settlements, interest and any other expenses of litigation arising out of such claims, demands, suits or proceedings.

s. Purchaser further expressly agrees to name Tk Elevator Corporation and TK Elevator Manufacturing, Inc. along with their respective officers, agents, affiliates and subsidiaries as additional insureds in Purchaser's liability and any excess (umbrella) liability insurance policy(ies). Such insurance must insure TK Elevator Corporation and TK Elevator Manufacturing, Inc. for those claims and/or losses referenced in the above paragraph and those claims and/or or losses arising from the negligence of TK Elevator Corporation and TK Elevator Manufacturing, Inc. Such insurance must specify that its coverage is primary and non-contributory. Purchaser hereby waives its right of subrogation.

t. TK Elevator's participation in any controlled insurance program is expressly conditioned upon review and approval of all controlled insurance program information and documentation prior to enrollment. Any insurance credits if applicable, will be provided at that time.

u. Unless so mutually agreed upon in a separate signed agreement, TK Elevator shall not be required to interact or correspond with any third party with whom Subcontractor is not in privity of contract concerning matters pertinent to this Agreement.

Modernization Proposal

10. Project Clarifications

- a. The machine room (Elevator Room) is in the basement and is not fully enclosed. A fence is installed around the elevator equipment. A visit with an OSHA inspector is required to identify modifications needed to pass inspection after the modernization project. Changes to the machine room are not included in this proposal and will be addressed via change order.
- b. For elevator modernization projects, each elevator cab will be weighed prior to the start of the modernization process of each individual unit. If the existing cabs are over 5% of the allowable weight and contracted capacity as noted on the original crosshead data tag and/or the elevators are out of balance, any additional scope of work to make code compliant will be determined on an elevator by elevator case basis and a change order for this work will be proposed accordingly. In addition, TK Elevator will not be responsible for any building structural items due to elevator exceeding the 5% allowable weight nor the under-sizing of the equipment proposed using the crosshead data tag information. Should additional or higher-rated equipment be required due to a discrepancy in the actual vs. car top crosshead data tag, additional cost may apply and will be provided via change order.
- c. The hydraulic jack and rails shall be retained. If any work is required on retained equipment, a change order will be provided detailing additional required scope and pricing.
- d. Related Work by Other Trades:
 - 1. Any required work by others/related work is not included in the TK Elevator base proposal/bid unless otherwise clarified. In addition, any list provided by TK Elevator for such work will be made part of the project agreement documents. The following is a partial list of the major items which are typically required as part of the related work/work by others:
 - a. Fire-life-safety equipment including smoke detector heads, sprinkler head removal, shunt trip requirements or any other trades that have equipment tied into the elevator system will be responsible for any wiring, conduit and the controls outside of the elevator equipment rooms.
 - b. Auxiliary and mainline lockable, 3-phase and fused disconnects, including all wiring, true earth grounding, piping or conduit to the machine rooms including pipe and wire runs from disconnects to the controllers, phone lines to each controller, a 110V ac dedicated line to each controller with a lockable on/off toggle switch are by others.
 - c. Dewatering and sealing of pits is not included with TK Elevator's bid/proposal.
 - d. Conduit runs to any fire, lobby, or other building panel shall be provided by others. If an existing conduit run(s) is to be reused, unobstructed access shall be provided to pull box(es).
 - e. Any cutting, coring and patching required is by others and not included in our bid.
 - f. If beveled edges in the elevator hoistway are present work to modify to existing code standards will be done by others.
 - g. The Purchaser must provide a legal machine room, adequate for the elevator equipment, including floors, trap doors, gratings, foundations, lighting and a machine room temperature maintained between 50 and 90 degrees Fahrenheit, with a relative humidity less than 95% non-condensing (mechanical AC/ventilation is strongly recommended);
 - h. Telephone service to the property is required by Code (must be a dedicated line for each elevator and monitored 24 hours a day, seven (7) days a week - instrument in cab by TK Elevator

Modernization Proposal

Acceptance

Purchaser's acceptance of this Proposal and its approval by an authorized manager of TK Elevator will constitute exclusively and entirely the agreement between the parties for the goods and services herein described and full payment of the sum of One Hundred Fifty Seven Thousand Eight Hundred Ninety Dollars (\$157,890.00) inclusive of all applicable sales and use taxes.

All other prior representations or regarding this work, whether written or verbal, will be deemed to be merged herein and no other changes in or additions to this Proposal will be recognized unless made in writing and properly executed by both parties as a change order. Should Purchaser's acceptance be in the form of a purchase order or other similar document, the provisions of this Proposal will exclusively govern the relationship of the parties with respect to this transaction. No agent or employee shall have the authority to waive or modify any of the terms of this Proposal without the prior written approval of an authorized TK Elevator manager.

Exhibit D - City's Insurance and Indemnity

Insurance and Indemnity

Indemnification. To the furthest extent allowed by law, Contractor shall indemnify, hold harmless and defend City and each of its officers, officials, employees, agents and volunteers from any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in Contract, tort or strict liability, including, but not limited to personal injury, death at any time and property damage) incurred by City, Contractor or any other person, and from any and all claims, demands and actions in law or equity (including attorney's fees and litigation expenses), arising or alleged to have arisen directly or indirectly out of performance of this Contract. Contractor's obligations under the preceding sentence shall apply regardless of whether the City or any of its officers, officials, employees, agents or volunteers are passively negligent, but shall not apply to any loss, liability, fines, penalties, forfeitures, costs or damages caused by the negligence, or by the willful misconduct, of the City or any of its officers, officials, employees, agents or volunteers. Neither party shall be liable for loss of income or loss of revenue.

If Contractor should subcontract all or any portion of the work to be performed under this Contract, Contractor shall require each subcontractor to indemnify, hold harmless and defend City and each of its officers, officials, employees, agents and volunteers in accordance with the terms of the preceding paragraph.

This section shall survive termination or expiration of this Contract.

Insurance.

(a) Throughout the life of this Agreement, CONTRACTOR shall pay for and maintain in full force and effect all insurance as required in Exhibit D with an insurance company(ies) either (i) admitted by the California Insurance Commissioner to do business in the State of California and rated no less than "A-VII" in the Best's Insurance Rating Guide, or (ii) as may be authorized in writing by City's Risk Manager or designee at any time and in his/her sole discretion. The required policies of insurance as stated in Exhibit D shall maintain limits of liability of not less than those amounts stated therein. However, the insurance limits available to City, its officers, officials, employees, agents, and volunteers as additional insureds, shall be the greater of the minimum limits specified therein or the full limit of any insurance proceeds to the named insured.

(b) If at any time during the life of the Agreement or any extension, CONTRACTOR or any of its subcontractors\sub-consultant fail to maintain any required insurance in full force and effect, all services and work under this Agreement shall be discontinued immediately, and all payments due or that become due to CONTRACTOR shall be withheld until notice is received by City that the required insurance has been restored to full force and effect and that the premiums therefore have been paid for a period satisfactory to City. Any failure to maintain the required insurance shall be sufficient cause for City to terminate this Agreement. No action taken by City pursuant to this section shall in any way relieve CONTRACTOR of its responsibilities under this Agreement. The phrase "fail to maintain any required insurance" shall include, without limitation, notification received by City that an insurer has commenced proceedings, or

has had proceedings commenced against it, indicating that the insurer is insolvent.

The fact that insurance is obtained by CONTRACTOR shall not be deemed to release or diminish the liability of CONTRACTOR, including, without limitation, liability under the indemnity provisions of this Agreement. The duty to indemnify City shall apply to all claims and liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by CONTRACTOR. Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of CONTRACTOR, its principals, officers, agents, employees, persons under the supervision of CONTRACTOR, vendors, suppliers, invitees, consultants, sub-consultants, subcontractors, or anyone employed directly or indirectly by any of them.

(c) If CONTRACTOR should subcontract all or any portion of the services to be performed under this Agreement, CONTRACTOR shall require each subcontractor/sub-CONTRACTOR to provide insurance protection, as an additional insured, to the City and each of its officers, officials, employees, agents, and volunteers in accordance with the terms of this section, except that any required certificates and applicable endorsements shall be on file with CONTRACTOR and City prior to the commencement of any services by the subcontractor. CONTRACTOR and any subcontractor/sub-consultant shall establish additional insured status for City, its officers, officials, employees, agents, and volunteers by using Insurance Service Office (ISO) Form CG 20 10 11 85 or both CG 20 10 10 01 and CG 20 37 10 01 or by an executed manuscript company endorsement providing additional insured status as broad as that contained in ISO Form CG 20 10 11 85.

MINIMUM SCOPE OF INSURANCE

Coverage shall be at least as broad as:

1. The most current version of Insurance Services Office (ISO) Commercial General Liability Coverage Form CG 00 01, providing liability coverage arising out of your business operations. The Commercial General Liability policy shall be written on an occurrence form and shall provide coverage for "bodily injury," "property damage" and "personal and advertising injury" with coverage for premises and operations (including the use of owned and non-owned equipment), products and completed operations, and contractual liability (including, without limitation, indemnity obligations under the Agreement) with limits of liability not less than those set forth under "Minimum Limits of Insurance."
2. The most current version of ISO *Commercial Auto Coverage Form CA 00 01, providing liability coverage arising out of the ownership, maintenance or use of automobiles in the course of your business operations. The Automobile Policy shall be written on an occurrence form and shall provide coverage for all owned, hired, and non-owned automobiles or other licensed vehicles (Code 1- Any Auto). If personal automobile coverage is used, the CITY, its officers, officials, employees, agents and volunteers are to be listed as additional insureds.
3. Workers' Compensation insurance as required by the State of California and Employer's Liability Insurance.

MINIMUM LIMITS OF INSURANCE

CONTRACTOR, or any party the CONTRACTOR subcontracts with, shall maintain limits of liability of not less than those set forth below. However, insurance limits available to CITY, its officers, officials, employees, agents and volunteers as additional insureds, shall be the greater of the minimum limits specified herein or the full limit of any insurance proceeds available to the named insured:

1. COMMERCIAL GENERAL LIABILITY:

- (i) \$1,000,000 per occurrence for bodily injury and property damage;
- (ii) \$1,000,000 per occurrence for personal and advertising injury;
- (iii) \$2,000,000 aggregate for products and completed operations; and,
- (iv) \$10,000,000 general aggregate.

2. COMMERCIAL AUTOMOBILE LIABILITY:

\$1,000,000 per accident for bodily injury and property damage.

3. WORKERS' COMPENSATION INSURANCE as required by the State of California with statutory limits.

4. EMPLOYER'S LIABILITY:

- (i) \$1,000,000 each accident for bodily injury;
- (ii) \$1,000,000 disease each employee; and,
- (iii) \$1,000,000 disease policy limit.

UMBRELLA OR EXCESS INSURANCE

In the event CONTRACTOR purchases an Umbrella or Excess insurance policy(ies) to meet the "Minimum Limits of Insurance," this insurance policy(ies) shall "follow form" and afford no less coverage than the primary insurance policy(ies). In addition, such Umbrella or Excess insurance policy(ies) shall also apply on a primary and non-contributory basis for the benefit of the CITY, its officers, officials, employees, agents and volunteers.

DEDUCTIBLES AND SELF-INSURED RETENTIONS

CONTRACTOR shall be responsible for payment of any deductibles contained in any insurance policy(ies) required herein and CONTRACTOR shall also be responsible for payment of any self-insured retentions.

OTHER INSURANCE PROVISIONS/ENDORSEMENTS

The Commercial General and Automobile Liability insurance policies are to contain, or be endorsed to contain, the following provisions:

1. CITY, its officers, officials, employees, agents and volunteers are to be covered as additional insureds. CONTRACTOR shall establish additional insured status for the City and for all ongoing and completed operations by use of ISO Form CG 20 10 11 85 or both CG 20 10 10 01 and CG 20 37 10 01 or by an executed manuscript insurance company endorsement providing additional insured status as broad as that contained in ISO Form CG 20 10 11 85. The additional insured coverage, utilizing CONTRACTOR'S endorsement, shall only apply to the extent any damages covered by the policy are determined to be caused by CONTRACTOR'S acts, actions, omissions or neglects consistent with the Indemnification provision contained in Exhibit D.
2. The coverage shall contain no special limitations on the scope of protection afforded to CITY, its officers, officials, employees, agents and volunteers. Any available insurance proceeds in excess of the specified minimum limits and coverage shall be available to the Additional Insured.
3. For any claims relating to this Agreement, CONTRACTOR'S insurance coverage shall be primary insurance with respect to the CITY, its officers, officials, employees, agents and volunteers. Any insurance or self-insurance maintained by the CITY, its officers, officials, employees, agents and volunteers shall be excess of CONTRACTOR'S insurance and shall not contribute with it. CONTRACTOR shall establish primary and non-contributory status for both ongoing and completed operations coverage by using ISO Form CG 20 01 04 13 or by an executed manuscript insurance company endorsement that provides primary and non-contributory status as broad as that contained in ISO Form CG 20 01 04 13.

The Workers' Compensation, Commercial General and Automobile Liability insurance policy are to contain, or be endorsed to contain, the following provision: CONTRACTOR and its insurer shall waive any right of subrogation against CITY, its officers, officials, employees, agents and volunteers.

All policies of insurance required herein shall be endorsed to provide that the coverage shall not be cancelled, non-renewed, reduced in coverage or in limits except after thirty (30) calendar days written notice by certified mail, return receipt requested, has been given to CITY. CONTRACTOR is also responsible for providing written notice to the CITY under the same terms and conditions. Upon issuance by the insurer, broker, or agent of a notice of cancellation, non-renewal, or reduction in coverage or in limits, CONTRACTOR shall furnish CITY with a new certificate and applicable endorsements for such policy(ies). In the event any policy is due to expire during the work to be performed for CITY, CONTRACTOR shall provide a new certificate, and applicable endorsements, evidencing renewal of such policy not less than fifteen (15) calendar days prior to the expiration date of the expiring policy.

Should any of these policies provide that the defense costs are paid within the Limits of Liability, thereby reducing the available limits by defense costs, then the requirement for the Limits of Liability of these policies will be twice the above stated limits.

The fact that insurance is obtained by CONTRACTOR shall not be deemed to release or diminish the liability of CONTRACTOR, including, without limitation, liability under the indemnity provisions of this Agreement. The policy limits do not act as a limitation upon the amount of indemnification to be provided by CONTRACTOR. Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of CONTRACTOR, its principals, officers, agents, employees, persons under the supervision of CONTRACTOR, vendors, suppliers, invitees, consultants, subcontractors, or anyone employed directly or indirectly by any of them.

SUBCONTRACTORS - If CONTRACTOR subcontracts any or all of the services to be performed under this Agreement, CONTRACTOR shall require, at the discretion of the CITY Risk Manager or designee, subcontractor(s) to enter into a separate Side Agreement with the City to provide required indemnification and insurance protection. Any required Side Agreement(s) and associated insurance documents for the subcontractor must be reviewed and preapproved by CITY Risk Manager or designee. If no Side Agreement is required, CONTRACTOR will be solely responsible for ensuring that its subcontractors maintain insurance coverage at levels no less than those required by applicable law and is customary in the relevant industry.

VERIFICATION OF COVERAGE

CONTRACTOR shall furnish CITY with all certificate(s) and **applicable endorsements** effecting coverage required hereunder. All certificates and **applicable endorsements** are to be received and approved by the CITY'S Risk Manager or his/her designee prior to CITY'S execution of the Agreement and before work commences. All non-ISO endorsements amending policy coverage shall be executed by a licensed and authorized agent or broker. In the event of a loss or claim, CONTRACTOR shall immediately furnish City with a complete copy of any insurance policy required under this Agreement, including all endorsements, with said copy certified by the underwriter to be a true and correct copy of the original policy. This requirement shall survive expiration or termination of this Agreement.
