WHEREAS, the Tower Theatre, located on the northwest corner of North Wishon and East Olive Avenues in Fresno, was constructed in 1939; and

WHEREAS, in 1991, the dramatic theater rehabilitation was honored with a California Preservation Foundation Award for Outstanding Achievement in Restoration, and an Award of Honor from the San Joaquin Chapter, American Institute of Architects, and the Theatre is listed on the National Register of Historic Places, one of the most historically significant buildings in Fresno and the Central Valley; and

Resolution No. \_\_\_\_\_

WHEREAS, in addition to the historical significance of the exterior and interior of the building, the wide variety of public uses of the Theatre over its long history are extremely significant, and the City should ensure those uses are honored and continued as a valuable public resource; and

WHEREAS, pursuant to Government Code section 37361(a), the City may acquire property for the preservation or development of a historical landmark and for community recreational uses; and

WHEREAS, the Tower Theatre is a historical landmark included in the National Register of Historic Places since 1992 and an important community and cultural arts center; and

WHEREAS, the City Council finds that based on the staff report and exhibits thereto that a prior purchase and sale agreement between Tower Theatre and Adventure Church (“Adventure”) expired on March 31, 2021, without Adventure depositing the full purchase price for the property into escrow; and

WHEREAS, the same legal parcel that includes Tower Theatre also includes Sequoia Brewery and Me-N-Eds restaurants in separate buildings, plus other restaurant spaces, as well as 108 parking spaces (collectively, the “Tower Theatre Property”); and

WHEREAS, the City Council finds that the fair market value of the entire Tower Theatre Property in the current real estate market is at least \$6.5 million; and

WHEREAS, the acquisition of the Tower Theatre Property is exempt from the requirements of CEQA pursuant to CEQA Guidelines Section 15301 under a Class 1 Categorical Exemption, because no physical changes to the property or the buildings are proposed, and the change in ownership will involve the continued operation of the theatre

consistent with its ongoing existing uses with no expansion of those uses, as well as the continued maintenance of its historic features; and

WHEREAS, the City can purchase the Tower Theatre Property and ensure the historical character and features are preserved and maintained, and ensure the public has continued access to building and parking as they have had for many years; and

WHEREAS, the Tower Theatre will serve as the anchor use for the Tower commercial area, with a variety of uses including as a community and cultural arts center for Fresno residents, attracting patrons who will also dine in restaurants in the area and support the economic success of many other businesses in the Tower area, which will also serve to reduce blight and crime in the area; and

WHEREAS, parking in the vicinity of the Tower Theatre is very limited, and dedicating the Tower Theatre Property parking for public use is necessary for the continued economic viability and success of the area; and

WHEREAS, the City has identified funding to purchase, preserve, maintain, and operate the Tower Theatre Property as a cultural arts center, community center, and multi-use resource for the benefit of the public; and

WHEREAS, there is a substantial risk that if the Tower Theatre is sold to another buyer that the public will not have full access to use Tower Theatre and enjoy its historic and cultural significance based on the information provided in the staff report and exhibits thereto; and

WHEREAS, the City Council hereby finds based on the staff report and exhibits thereto that all payments being made by the City herein to purchase the Tower Theatre Property are reasonable and supported by ample consideration and for a public purpose

of historical preservation and public use and enjoyment of the property and for public parking rights; and

WHEREAS, the City Council finds based on the staff report and exhibits thereto that Sequoia Brewery has a right of first refusal under their existing lease and that Sequoia is offering to waive their rights to a trial in that case next year or at a later date for the City's purchase of the Tower Theatre Property, and agreeing not to dispute the City's public parking rights, which is ample consideration for certain credits and payment of legal fees as provided in the purchase and sale agreement and staff report in this matter; and

WHEREAS, the City Council hereby finds based on the staff report and exhibits thereto that all purchase and sale terms, credits, costs and legal fees concerning Sequoia Brewery herein are reasonable and supported by ample consideration and for a public purpose of historical preservation and public use and enjoyment of the Tower Theatre Property and in exchange for parking rights; and

WHEREAS, the City Council desires to formalize its rationale and support for purchasing the Tower Theatre Property, and set forth the policies that will govern its use.

The City Council hereby approves the two purchase and sale agreements provided concurrently herewith, approves all terms and conditions of the same and authorizes the purchase of the Tower Theatre Property for \$6.5 million as well as credits for repairs and payment and credits of legal fees to Sequoia Brewery in exchange for their agreement to this purchase by the City of Tower Theatre now and given their right of first refusal in their lease, which shall result in Sequoia Brewery buying their portion of the

property for \$1.2 million, minus credits and legal fees, and with financing of the same provided by the City for a net purchase of \$950,000. The City shall also consider sale of the other separate restaurant building to offset a portion of the purchase cost.

Uses may consist of theatrical performances, film showings, meetings, cultural arts programming, ceremonies, including religious uses, without regard to the content of the expression or perspective of those using the Tower Theatre.
