August 25, 2022

As outlined in the attached August 3, 2022, letter to Assembly Member Arambula, I have raised meaningful concerns about the City of Fresno's role as local administrator for public health-related funds for Planned Parenthood Mar Monte. Specifically, as defined in the 2022 Assembly Budget Request, funding was requested for Planned Parenthood for health center needs so "health services can be maintained while they expand abortion access in the Post-Roe World."

My Administration was not aware of, or involved in, the process until after the fact. Had my office been involved, we would have been in a position to suggest a more appropriate local health-related administrator of the passthrough funds, or request that funding go directly to Planned Parenthood. The attached Assembly Bill demonstrates other instances where non-profits receive funding directly, and an instance where the county is administrator for Planned Parenthood Mar Monte.

The City of Fresno has no local jurisdiction on health-related programs, which is why I respectfully requested removal of the City of Fresno as administrator. My understanding is the Assembly Member's office could simply request that state budget staff edit the trailer bill language and identify another local administrator. Unfortunately, this has not been done.

Instead, the matter of abortion brought hours of impassioned public comment and divisive public debate, causing further division in our community. Our leadership had, and still has, the opportunity to provide a simple alternative by identifying a health-related administrator, not the City of Fresno.

I am exercising my veto in the hope that the Council will reconsider accepting funding on behalf of Planned Parenthood, and instead work to see that a health-related agency, or Planned Parenthood Mar Monte, be identified as the local administrator of state funds.

Sincerely,

Jerry P. Dyer
Mayor

Honorable Assembly Member Dr. Joaquin Arambula

Dear Assembly Member Arambula:

On July 27, 2022, I learned from District Director Maria Lemus that your office had been successful in obtaining state funding for three nongovernmental agencies and has recommended the City of Fresno be the local administrator of these funds. These applications were submitted directly to the state by the following entities: 1) Fresno Arts and Facilities to Expand Cultural Art Facilities such as Arte Americas; 2) Pathways to Employment Expansion for Neighborhood Industries; and, 3) Expansion of Abortion Access in the Post-Roe World for Planned Parenthood Mar Monte.

The City of Fresno has been actively involved in the workforce development and cultural arts sectors, and has specifically funded both Neighborhood Industries and Arte Americas – organizations that are doing amazing work in helping the City further its mission related to cultural arts, parks, workforce development and homelessness.

On the other hand, the City of Fresno has no local jurisdiction on health-related programs or funding. As such, I respectfully request that the City of Fresno be removed as administrator for the Planned Parenthood Mar Monte state budget allocation.

Please know that I appreciate your District Director working with my staff to determine alternative local administrators for the Planned Parenthood state allocation. Had my administration known of this request during the state budget process, we would have made alternative suggestions prior to approval. While I understand that your office worked through the City of Fresno council member who represent the districts in which these organizations operate, my administration has not been involved in this process absent a May 25, 2022, support letter for Neighborhood Industries.

SUBRECIPIENT AGREEMENT

THIS SUBRECIPIENT AGREEMENT (Agreement) is made as of this ___ day of August, 2022, between Planned Parenthood Mar Monte, a California nonprofit corporation, (Grantee) and the City of Fresno, a California municipal corporation (City or Grantor).

RECITALS

A. Pursuant to Assembly Bill 178 (AB 178) Section 19.56(h)(20), the State of California, Department of Health and Human Services, awarded funding in the amount of \$1,000,000 (Grant Funds) to the City, which funds were earmarked for Grantee for the purpose of Reproductive Health for the Central Valley and for health center renovations.

B. The City will serve as a pass-through agency for the Grant Funds and disperse the funds directly to Grantee.

C. The City wishes to grant, and Grantee wishes to accept the Grant Funds.

NOW, THEREFORE, the City and Grantee agree as follows:

1. GRANT. City agrees to grant to Grantee, and Grantee agrees to receive from the City the proceeds of the Grant Funds. Grantee covenants and agrees to use Grant Funds in accordance with the following scope, as provided to the State Department of Finance on behalf of Grantee by the Office of Assemblymember Joaquin Arambula:

INTENDED USE OF FUNDS: Planned Parenthood Mar Monte health center needs a complete re-design for improved efficiency so access to reproductive and general health services can be maintained.

2. DISBURSEMENTS. The City shall fully disburse the Grant Funds to Grantee within 30 days after receipt of said funds from the State.

3. INDEMNIFICATION. To the furthest extent allowed by law, Grantee shall indemnify, hold harmless and defend CITY and each of its officers, officials, employees, agents and volunteers from any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by City, Grantee or any other person, and from any and all claims, demands and actions in law or equity (including reasonable attorney's fees, litigation expenses and cost to enforce this agreement), arising or alleged to have arisen directly or indirectly out of performance of this Agreement. Grantee's obligations under the preceding sentence shall apply regardless of whether City or any of its officers, officials, employees, agents or volunteers are negligent, but shall not apply to any loss, liability, fines, penalties, forfeitures, costs or damages caused solely by the gross negligence, or caused by the willful misconduct, of City or any of its officers, officials, employees, agents or volunteers.

If Grantee should subcontract all or any portion of the work to be performed under this Agreement, Grantee shall require each subcontractor to indemnify, hold harmless and defend City and each of its officers, officials, employees, agents and

volunteers in accordance with the terms of the preceding paragraph.

This section shall survive termination or expiration of this Agreement.

4. GRANTEE'S COMPLIANCE WITH STATE LAW. Grantee covenants and agrees to follow all state-imposed restrictions relating to the Grant Funds, including those set forth in AB 178 and any associated guidance, law, and/or rule.

5. GRANTEE COOPERATION WITH CITY. Grantee covenants to cooperate with City and respond promptly to all requests by City necessary to maintain compliance with AB 178.

6. GOVERNING LAW AND VENUE. This Agreement shall be interpreted under and governed by the laws of the State of California. A party must bring any legal action in the Superior Court of Fresno, in an appropriate municipal court in Fresno County, or in the United States District Court serving Fresno County.

7. NO WAIVER. Any waiver by either the City or Grantee of any obligation in this Agreement must be in writing. No waiver shall be implied from any failure of the City or Grantee to take, or any delay or failure by City to take action on any default by Grantee or to pursue any remedy allowed under this Agreement or applicable law. Any extension of time granted to Grantee to perform any obligation under this Agreement shall not operate as a waiver or release from any of its obligations under this Agreement. Consent by City or Grantee to any act or omission by the other party shall not be construed to be consent to any other act or omission or to waive the requirement for City or Grantee's written consent to future waivers.

8. NOTICES. All notices, requests and demands given to or made upon the respective parties shall be deemed to have been given or made when upon deposit with any overnight delivery service, or three days after deposit with certified mail, return receipt requested, and addressed as follows:

9. BINDING UPON SUCCESSORS. All provisions of this Agreement shall be binding upon and inure to the benefit of the heirs, administrators, executors, successors-in-interest, transferees, and assigns of each of the parties; provided, however, that this section does not waive the prohibition on assignment of this Agreement by Grantee without City's consent. The term "Grantee" as used in this Agreement shall include all assigns, successors-in-interest, and transferees of Grantee.

10. RELATIONSHIP OF PARTIES. The relationship of Grantee and City under this Agreement is and shall remain solely that of a grantor and grantee under a
