Briefly explain why are you interested in serving on this board or commission?

I am interested in serving on the board of commission for Bpac because I am a long time advocate of cycling. I feel this opportunity will help me grow personally and professionally. I am excited to be a positive influence for Fresno to be a safer place for Pedestrian and Bicyclists.

Educational background, Schools Attended, Degrees and Certifications

Graduated from Sheldon High Attend Consumnes River College

Briefly explain your qualifications or areas of demonstrated expertise for this board or commission.

Being a local bicycle mechanic the public looks to me for the latest on cycling in California. For example, new laws, bicycle events, and safety while riding, etc. In November of 2021 I started a Do-It-Yourself bicycle clinic in Fresno called Bike Station. Volunteers teach the public how to tune-up their bicycle using our tools and bike stands. In January 2023 I become a board member of Fresno County Bicycle Coalition (FCBC).

Do you or an immediate family member have any professional or financial relationship that may present a potential conflict of interest for this board, commission or similar body?

The Board Members in the designed positions must disclose their financial interests as specified in the agency's conflict of interest code.

I agree that I have read the above and agree to file a Statement of Economic Interest Form should I be appointed to a Board, Commission, or similar body according to the adopted resolution.
