Date You Wish to Speak Before the City Council	March 30, 2023
Topic/Subject	I would like to speak briefly in conjunction with Ann Adams on the Community/feral cats recent status change; the lack of service veterinarians to spay/neuter Fresno's Community/feral Cats. Without veterinary support to spay/neuter for TNR, our already overstretched Community/feral cats will quickly gain population. Yes, we need to spay/neuter Fresno citizens pets, but in order to slow and eventually stop feral population growth, we can't ignore them. We all need to work together to stay on track.
