Term of Agreement

- Fully executed on September 29, 2021
- Became effective 120 days later (January 27, 2022)
- Initial 5-year term
- Review of Local Hiring Program effectiveness at 2-year mark
- Requires annual reports to the Council

Public Works Department

Annual Workshop – Community Workforce Agreement

Goals of Agreement

- Employment and training opportunities
- Pathways into high-quality, sustainable construction careers
- Create a pool of skilled construction labor
- Combat unemployment and underemployment
- Promote efficiency through skilled labor
- Diversity, workforce equity, open opportunity
- Recruitment, training and employment of local area residents
- Local pre-apprenticeship and apprenticeship programs
- Timely and successful completion of City projects

Public Works Department

Annual Workshop – Community Workforce Agreement

Key Provisions

- Applies to awarded construction contracts with Engineer's Estimates of \$1,000,000 and greater (with some exclusions)
- Applies to work performed by craft workers, not products
- Requires approval by the funding agency
- Pre-job conferences and Joint Administrative Committee
- Recognizes the Unions as sole bargaining representative
- Union referrals of employees to Contractors, with some ability for non-signatory Contractors to utilize Core Workers
- Payments by employers to Union vacation, pension, health benefit funds
- Apprentices
- Local Hiring Program

Public Works Department

Annual Workshop – Community Workforce Agreement

Local Hiring Program

- Unions agreed to exert their utmost efforts to achieve the goals
- Contractors to demonstrate satisfaction of percentage goals, or demonstrate a good faith effort
- Minimum 50% of journey-level project work hours by City of Fresno residents
- Minimum 55% of apprentice-level project work hours by City of Fresno residents
- Minimum 30% of apprentice-level project work hours performed by New Local Apprentices

Public Works Department
