WHEREAS, the City has determined the need for certain Art related services to complete the work defined in the Transportation Art Agreement, and FAC has agreed to provide the same in accordance with the terms and conditions contained herein; and

WHEREAS, for the consideration hereinafter set forth, and other good and valuable consideration, the receipt and sufficiency of which the parties by their signatures below affirm, the parties do mutually agree as follows; and

WHEREAS, this Agreement will be administered for the City by its Public Works Director (Director) or designee.

TERMS

The foregoing recitals are incorporated herein for all purposes as if fully set forth.

1. **SERVICES AND PERFORMANCE SCHEDULE.** FAC shall perform the services set forth in Exhibit A, Scope of Services, Performance Schedule, and Compensation (the "Services"), in accordance with the performance schedule established therein. FAC shall include in the Call to Artists that the selected artist shall execute a waiver of moral rights to the public art on a form acceptable to the City.

2. **INDEPENDENT CONTRACTOR.** FAC is an independent contractor and is not in a joint venture, partnership, principal-agent, or employer-employee relationship with the City. As such, FAC shall be solely responsible for the means, methods, techniques,

sequences, and procedures utilized in the performance of the Services, and shall have sole direction and control over its employees, agents, servants, and lower-tier subcontractors. FAC, consistent with its status as an independent contractor, shall not hold itself out as, or claim to be, an officer, agent, representative, or employee of the City, or allow its personnel to do so.

3. **TERM.** This Agreement shall be effective from the date first set forth above and shall continue in full force and effect through the earlier of complete rendition of the services hereunder or June 14, 2024, subject to any earlier termination in accordance with this Agreement. The Services of FAC as described in Exhibit A are to commence upon the City's issuance of a written "Notice to Proceed."

4. **COMPENSATION.** FAC shall perform the Services for the fixed price/lump sum amount of _____.

5. **INVOICES.** FAC shall submit its invoice to the City promptly upon completion of all Services and obligations under the Contract.

For services satisfactorily rendered in accordance with the terms of this Agreement, and upon receipt and approval of the invoices by the City, the City agrees to compensate FAC with a lump sum payment of _____ for a Call to Artists, which includes, but is not limited to administration and processing. The remaining funds for completed artwork on highway support columns should not exceed an amount of _____ upon completion of services as described herein. The total value of the agreement shall not exceed _____.

6. **PAYMENT.** Contingent upon FAC's submittal of a proper invoice and supporting documentation, City shall pay those undisputed amounts due and owing within the normal course of City business.

7. **INSURANCE.**

- (a) Throughout the life of this Agreement, FAC shall pay for and maintain in full force and effect all insurance as required in Exhibit B with an insurance company(ies) either (i) admitted by the California Insurance Commissioner to do business in the State of California and rated no less than "A-VII" in the Best's Insurance Rating Guide, or (ii) as may be authorized in writing by CITY'S Risk Manager or his/her designee at any time and in his/her sole discretion. The required policies of insurance as stated herein shall maintain limits of liability of not less than those amounts stated therein. However, the insurance limits available to CITY, State of California, and their officers, officials, employees, agents and volunteers as additional insureds, shall be the greater of the minimum limits specified therein or the full limit of any insurance proceeds to the named insured.
- (b) If at any time during the life of the Agreement or any extension, FAC or any of its subcontractors fail to maintain any required insurance in full force and effect, all services and work under this Agreement shall be discontinued immediately, and all payments due or that become due to FAC shall be withheld until notice is received by CITY that the required insurance has been restored to full force and effect and that the premiums therefore have been paid for a period satisfactory to CITY. Any failure to maintain the required insurance shall be sufficient cause for CITY to terminate this Agreement. No action taken by CITY pursuant to this section shall in any way relieve FAC of its responsibilities under this Agreement. The phrase "fail to maintain any required insurance" shall include, without limitation, notification received by CITY

that an insurer has commenced proceedings, or has had proceedings commenced against it, indicating that the insurer is insolvent.

(c) The fact that insurance is obtained by FAC shall not be deemed to release or diminish the liability of FAC, including, without limitation, liability under the indemnity provisions of this Agreement. The duty to indemnify CITY shall apply to all claims and liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by FAC. Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of FAC, vendors, suppliers, invitees, contractors, sub-contractors, subcontractors, or anyone employed directly or indirectly by any of them.

8. INDEMNIFICATION. To the furthest extent allowed by law, FAC shall indemnify, hold harmless and defend CITY, State of California, and each of their officers, officials, employees, agents and volunteers from any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by CITY, State of CA, FAC or any other person, and from any and all claims, demands and actions in law or equity (including reasonable attorney's fees, litigation expenses and cost to enforce this agreement), arising or alleged to have arisen directly or indirectly out of performance of this Agreement. FAC'S obligations under the preceding sentence shall apply regardless of whether CITY, State of California, or any of their officers, officials, employees, agents and volunteers are negligent, but shall not apply to any loss, liability, fines, penalties, forfeitures, costs or damages caused solely by the gross negligence, or caused by the willful misconduct, of CITY, State of California, or any of their officers, officials, employees, agents and volunteers.

If FAC should subcontract all or any portion of the work to be performed under this Agreement, FAC shall require each subcontractor to indemnify, hold harmless and defend CITY, State of California, and each of their officers, officials, employees, agents and volunteers in accordance with the terms of the preceding paragraph.

This section shall survive termination or expiration of this Agreement.
