Briefly explain why are you interested in serving on this board or commission?

I am born and raised in Fresno and attended Fresno State. I pride myself on educating myself as much as I can with what is going on in our District, let alone the City. I listen to City Council every Thursday they meet (while working) to continue to try to be aware of what is being voted on and brought to the table to better our City for the constituents we serve. I volunteer when possible for community clean-ups in our District, alongside cleanups with RiverTree. I would like to take it a step further and assist in being a voice for my District on this board

Educational background, Schools Attended, Degrees and Certifications

California State University, Fresno. Degree in Business Administration.

Briefly explain your qualifications or areas of demonstrated expertise for this board or commission.

Working as a Training Officer for the PARCS department at the City, I have the opportunity to visit all corners of the City during audit visits. I see where improvements can be made and what is working for different districts. In all my training execution, I always consider the "how is this bettering our community and the residents there when they interact with our employees."

Do you or an immediate family member have any professional or financial relationship that may present a potential conflict of interest for this board, commission or similar body? Yes No
