COMMITTEE NOTES

FEOC is the current provider of Social Service Transportation services for Fresno County's designated rural and urban areas. Their past performance with FAX and FCRTA in addition to this proposal demonstrates FEOC's capacity and capability to deliver Social Services Transportation to the region. It is with high confidence that FEOC's programs will be and operated in a way consistent with sound financial, legal, and business practices as required by the Fresno Council of Governments (FCOG) Consolidated Transportation Service Agency (CTSA) action plan. It is with high confidence that FEOC's programs will provide a community benefit.

SUMMARY RECOMMENDATION

After independent evaluation of the proposals and group deliberation, the committee determined that the proposal from FEOC satisfies the evaluation criteria of the RFP and recommends award to FEOC for Social Services Transportation services for both rural and urban CTSA designated areas.
