CITY OF FRESNO
CITY CLERK'S OFFICE

Regular Council Meeting

June 8, 2023

FRESNO CITY COUNCIL

Supplement Packet

ITEM(S)

UNSCHEDULED COMMUNICATION

Contents of Supplement: Public Comment emails

Item(s)

Supplemental Information:

Any agenda related public documents received and distributed to a majority of the City Council after the Agenda Packet is printed are included in Supplemental Packets. Supplemental Packets are produced as needed. The Supplemental Packet is available for public inspection in the City Clerk's Office, 2600 Fresno Street, during normal business hours (main location pursuant to the Brown Act, G.C. 54957.5(2)). In addition, Supplemental Packets are available for public review at the City Council meeting in the City Council Chambers, 2600 Fresno Street. Supplemental Packets are also available on-line on the City Clerk's website.

Americans with Disabilities Act (ADA):

The meeting room is accessible to the physically disabled, and the services of a translator can be made available. Requests for additional accommodations for the disabled, sign language interpreters, assistive listening devices, or translators should be made one week prior to the meeting. Please call City Clerk's Office at 621-7650. Please keep the doorways, aisles and wheelchair seating areas open and accessible. If you need assistance with seating because of a disability, please see Security.

Subject: Stand with Fresnans and pass rent control!

External Email: Use caution with links and attachments

Dear Fresno City Council Members,

I'm writing to urge you and your Council colleagues to enact rent control to protect renters in our city. Renters make up more than half of all households here, and we desperately need your support.

I'm a resident of Fresno and live in your district. My personal experiences as a renter in this city, navigating the increasing cost of housing and everything else, have been a real struggle for me and my loved ones. 1 in 3 of all renters in Fresno spend more than half of their income on rent.

This is unacceptable. There is no end in sight, with inflation continuing to rise and our rents continuing to increase. Our community is experiencing a housing crisis. We need you, our elected leaders, to prioritize us working families over profits for large, out-of-town landlords and corporate housing developers.

Pass rent control and tenant protections this budget season. It's a huge opportunity to invest resources into everyday Fresnans and protect thousands of families from eviction and homelessness. Thank you.

Sincerely,
Jennifer Arellano

Subject: support for the ordinance to ban sitting, laying, or sleeping in the public right of way

External Email: Use caution with links and attachments

Hello,

As a home owner in the Tower District, I wanted to reach out and voice my support for the ordinance to ban sitting, laying, or sleeping in the public right of way. I live on Safford, right around the corner from several homeless encampments. They frequently camp on the sidewalks or the handicap ramp right at Safford and Olive and at the businesses at Palm and Olive. I have seen open drug use, found needles in my yard, and seen people using my yard /driveway as a restroom. I am currently pregnant and there are several homes with children on the block. This is not a safe nor healthy area to let children play. I have talked to many of my neighbors, all whom voiced concerns over the growing homeless population at Palm/Olive and Olive/Safford. Thank you Councilmember Arias for working on this ordinance.

Mayor Dyer and Fresno City Council,

I am a deacon at St. James Episcopal Cathedral in Fresno. We are one of the faith communities that is proudly affirming of LGBTQ+ people. Unfortunately, our world and even our beloved city is not always a safe or welcoming place for LGBTQ+ people. Discrimination for housing and jobs, and even situations where people's physical and mental safety is at risk are all more common than they should be here.

We need our City Council and our Mayor to pay attention to this daily struggle and work to make things more equitable. To this end, a liaison for LGBTQ+ people needs to be appointed and included in the budget. This was a commitment made by mayor Dyer during Pride month three years ago. The situation is even more urgent now than it was then.

Thank you for keeping your commitment to appointing a LGBTQ+ liaison.

Jessica

Dear Fresno City Council, Mayor Jerry Dyer, and City Manager Georgeanne White,

I am writing to ask you to adopt all the budget requests made by Communities for a New California Education Fund-- Fresno Parks Parks Advocates United committee.

- 1) \$600,000 to expand the Youth Fee Waiver/Voucher Program to also include youth-serving organizations.
- 2) \$75,000 to conduct an annual Representative Sample Survey
- 3) \$5,000,000 for a city-wide Participatory Budgeting engagement process
- 4) Formalize a partnership with the US Soccer Foundation and their Safe Places to Play initiative to create and resurface multi-sport possible facilities.
- 5) \$450,000 in building an inclusive multi-use court that can accommodate Futsal (5v5 soccer), Basketball, and Volleyball at Quigley, Lions, and Lafayette Parks.
- 6) Make all new playgrounds accessible and accommodated for all children regardless of abilities or disabilities.
- 7) \$6,000 for new goal posts and nets at the hockey rink at Cary Park. Including goals for Futsal
- 8) PRAC's Recommendation to set \$1 million aside for organizations
- 9) Expand Mayor Dyer's request for \$1,746,500 exclusively for pickleball courts at Roeding Park to also include futsal, basketball, and volleyball Courts.

These proposals directly support my neighborhood, my family, and myself and would fix some of the issues in our neighborhood parks.

These proposals reflect and address the needs of constituents and fulfilling them successfully invests in our families, our future, and our city.

Invest in the future of Fresno, and adopt all the budget asks made by Communities for a New California-- Fresno Parks Advocates United committee.

Thank you.

Sincerely,

Tina Your

Subject: Public comment, item 1-U

External Email: Use caution with links and attachments

Hello, I am writing in regards to the proposed "SIT, LIE, SLEEP" ORDINANCE", ITEM 1-U.

Fresno can do so much to help the disabled and homeless community of Fresno but this will only criminalize and harm them. Without adequate resources, rent control, and safe shelters, the number of people experiencing homeless will continue to grow. People experiencing homelessness deserve compassion, support, and respect. Additionally, there are currently no safe spaces for the LGBT and especially transgender community to seek refuge when experiencing homelessness. No shelter in Fresno is explicitly welcoming and affirming of transgender people and this ordinance would make being a homeless trans person with nowhere to go a crime. It is for this and many other reasons that we also need an LGBT liaison for the city of Fresno to advocate for equity and liberation for all LGBT people in Fresno.

I believe you have an ordinance that is broad and that will further criminalize the poor and unhoused, that includes many veterans. That is unacceptable, these men and women have served our country. There must and is a better way to control this situation without being brutal and unkind. Please show some compassion to those less fortunate and to those who answered our nation's call .

Subject: public comment, 1-U

External Email: Use caution with links and attachments

City Council,

I am a community member in district 1 and I strongly oppose the addition of Article 21 and 22 to Chapter 10 of the Fresno County Municipal Code. I don't believe this ordinance should be able to prohibit where people can "sit, lie, sleep, or store belongings".

We want safety in our city, but this is not the answer. The ordinance is broad/vague and when looked at carefully, there is a lot of room for open interpretation that can be harmful. These are human beings we are talking about and restricting our movement and ability to exist in certain spaces is a violation of our rights. Please do not let this pass.

This is not about enabling people to stay on the streets when there are not enough beds and housing for them in the first place. What we really need is harm reduction services, not criminalization. This includes safe camps and lots, harm reduction camps, Safe Use Sites, Resources for medical emergencies, and storage units for the unhoused.

Please vote no to the ordinance for the safety and shared humanity of the people in our city.

Best,
Jessie Kanter

From: Raquel Busani <
Sent: Thursday, June 8, 2023 9:53 AM
To: Clerk
Subject: Public comment, budget hearings

External Email: Use caution with links and attachments

Good Morning-

My name is Raquel M. Busani. I am a local attorney, and presently serve on the Board of Directors for Fresno Metropolitan Flood Control District as a City of Fresno appointee and am also Director of Programming for the Fresno Reel Pride LGBTQ+ Film Festival.

I write today to (1) support the creation of an LGBTQIA community liaison position in the mayors office; and (2) to oppose the sit, lie, sleep ordinance-- two issues that are not only dear to my heart, but that I believe will determine the future of Fresno.

LGBTQIA Community Liaison: Support

First, I write in support of the LGBTQIA community liaison in the mayor's office. This should not however simply be a symbolic position. While symbols and ceremony are appreciated and even necessary, they stop being calls to action when, as it seems to be the case here, action never happens. Three years ago when the City of Fresno for the first time raised the Pride flag, Mayor Dyer vowed to accompany this gesture with the appointment of an LGBTQIA community liaison officer, but has yet to come through. Of course, these things take time, but they also take effort—and that effort has not been put in since the Mayor's initial announcement. It is no surprise that it has taken the election and swearing in of the City's first openly queer City Counsel member to restart this conversation. All the more reason why this position is so important. Ms. Perea, while openly queer, was not voted in as a representative of the LGBTQIA community, and therefore, while I have no doubt that she will champion its causes, her duty is to her constituents—most of which are not members of the LGBTQIA community, and some of which may altogether be antagonistic to the community.

It is unfortunately, because of the antagonism that still exists against the LGBTQIA community, why an LGBTQIA liaison is necessary. However, as stated, the position must be more than symbolic, and the person appointed would be expected by the community to:

- Advocate for policies and practices that make every department (police, transportation, planning, parks, etc.) in the City of Fresno a safer place for LGBTQ+ individuals.
- Form and/or oversee an LGBTQ+ community advisory group that represents the diversity of the LGBTQ+ community and its multiple identities and districts
- Represent the needs and desires of the Fresno LGBTQ+ community directly with the Mayor and each city-wide department
- Be a point of contact for LGBTQ+ community members who might not feel safe to reach out directly to city officials.

This ordinance is not only badly thought out, but it is cruel and a continued sign of the City's disregard for those at the bottom. Please vote to oppose this senseless and dangerous ordinance.

Conclusion

Thank you in advance for your consideration of these comments in deciding this upcoming year's budget and consideration of the above issues.

Subject: Concerning Ordinance Regarding Homeless on Sidewalks

External Email: Use caution with links and attachments

This approach to ban homeless from occupying sidewalks and other public areas does nothing to relieve homelessness or to solve the problem of safe access to buildings. Instead, it simply heaps more criminalization on a group of the public which has been failed by every single public service.

These types of restrictions, rather than solutions to problems, simply increase, not only the trauma to the victims, but the workload of the enforcers. It defies the logic of community policing, and it treats people in most cases who do not have the mental and physical health to manage their own Location. You are simply pushing people into the landscaping and the bushes around the city. City has received millions and millions of dollars to provide real solutions for the problems. We face with homelessness in Fresno. We know that homelessness has been increasing due to low wages, expensive and very small, housing inventory . If the City of Fresno would take seriously an approach to solving those problems by providing a raise in minimum wage to \$18 an hour and two single payer healthcare, we would solve this problem quickly. Rather than spend those funds on bitwise and garlic festivals. We should be spending the money on addressing the needs of the unhoused Community.

If the City of Fresno really wants to improve the business culture attracting clean businesses, rather than the constant influx of polluting businesses, we need to address these concerns, and we need to drip dramatically demonstrate that we are not San Francisco or Oakland or San Jose. We care and we can solve these in ways that they are not.

I urge you to vote against this measure today.

Emily Brandt
At-Large Member, Measure C Citizen Oversight Committee, District 1

Subject: Fresno Bee: confirming vote on consent calendar of 1-U

External Email: Use caution with links and attachments

Good morning,

Just wanted to confirm that item 1-U passed today on the consent calendar?

1-U ***Bill B-16 - (Intro'd 5/25/2023)(For Adoption) Adding Article 21 and Article 22 to Chapter 10 of the Fresno Municipal Code, Prohibiting Impeding on Sidewalks Within 500 Feet from Sensitive Areas Including Schools, Childcare Facilities, Public Parks, Public Libraries, Warming and Cooling Centers, and City-Permitted Shelters for the Unhoused (Subject to Mayor's Veto) 1.-U. ID 23-919 Sponsors: Councilmember Bredefeld and Councilmember Arias

I understand the vote was 6-1, with Councilmember Annalisa Perea as the sole no vote. Is that correct? I didn't hear anyone pull the item for consent calendar, but just wanted to double check.

Thank you,
Melissa

Subject: No on Sit Lie Sleep

External Email: Use caution with links and attachments

Appose 1-U, Article 21-22 “sit, lie, sleep ordinance”

- Fresno has consistently experienced the 4th largest rent hike in top 100 largest cities since July of last year. this ordinance criminalize our residents who are becoming increasingly more vulnerable to our Valley-wide housing crisis. Not to mention the unintended attack against our Black and Brown community who has been consistently degraded using stop and frisk like policies similar to this.

- instead of instituting a policy that will target those who are houseless and will put our Black and Brown communities at risk, please look to alternatives that will cap rent and address this housing crisis

I would also like to support a motion to allocate funding to support an lgbtq+ liaison that will be selected through a community process, as well as funding to support the lgbtq+ community, its community-based organizations, and businesses.

Yours truly,

Dear Fresno City Council Members,

I'm writing to urge you and your Council colleagues to enact rent control to protect renters in our city. Renters make up more than half of all households here, and we desperately need your support.

I'm a resident of Fresno and live in your district. My personal experiences as a renter in this city, navigating the increasing cost of housing and everything else, have been a real struggle for me and my loved ones. 1 in 3 of all renters in Fresno spend more than half of their income on rent.

This is unacceptable. There is no end in sight, with inflation continuing to rise and our rents continuing to increase. Our community is experiencing a housing crisis. We need you, our elected leaders, to prioritize us working families over profits for large, out-of-town landlords and corporate housing developers.

Pass rent control and tenant protections this budget season. It's a huge opportunity to invest resources into everyday Fresnans and protect thousands of families from eviction and homelessness. Thank you.

Dear Fresno City Council, Mayor Jerry Dyer, and City Manager Georgeanne White,

I am writing to ask you to adopt all the budget requests made by Communities for a New California Education Fund-- Fresno Parks Parks Advocates United committee.

- 1) \$600,000 to expand the Youth Fee Waiver/Voucher Program to also include youth-serving organizations.
- 2) \$75,000 to conduct an annual Representative Sample Survey
- 3) \$5,000,000 for a city-wide Participatory Budgeting engagement process
- 4) Formalize a partnership with the US Soccer Foundation and their Safe Places to Play initiative to create and resurface multi-sport possible facilities.
- 5) \$450,000 in building an inclusive multi-use court that can accommodate Futsal (5v5 soccer), Basketball, and Volleyball at Quigley, Lions, and Lafayette Parks.
- 6) Make all new playgrounds accessible and accommodated for all children regardless of abilities or disabilities.
- 7) \$6,000 for new goal posts and nets at the hockey rink at Cary Park. Including goals for Futsal
- 8) PRAC's Recommendation to set \$1 million aside for organizations
- 9) Expand Mayor Dyer's request for \$1,746,500 exclusively for pickleball courts at Roeding Park to also include futsal, basketball, and volleyball Courts.

These proposals directly support my neighborhood, my family, and myself and would fix some of the issues in our neighborhood parks.

These proposals reflect and address the needs of constituents and fulfilling them successfully invests in our families, our future, and our city.

Invest in the future of Fresno, and adopt all the budget asks made by Communities for a New California-- Fresno Parks Advocates United committee.

Dear Fresno City Council, Mayor Jerry Dyer, and City Manager Georganne White,

I am writing to ask you to adopt all the budget requests made by Communities for a New California Education Fund-- Fresno Parks Parks Advocates United committee.

- 1) \$600,000 to expand the Youth Fee Waiver/Voucher Program to also include youth-serving organizations.
- 2) \$75,000 to conduct an annual Representative Sample Survey
- 3) \$5,000,000 for a city-wide Participatory Budgeting engagement process
- 4) Formalize a partnership with the US Soccer Foundation and their Safe Places to Play initiative to create and resurface multi-sport possible facilities.
- 5) \$450,000 in building an inclusive multi-use court that can accommodate Futsal (5v5 soccer), Basketball, and Volleyball at Quigley, Lions, and Lafayette Parks.
- 6) Make all new playgrounds accessible and accommodated for all children regardless of abilities or disabilities.
- 7) \$6,000 for new goal posts and nets at the hockey rink at Cary Park. Including goals for Futsal
- 8) PRAC's Recommendation to set \$1 million aside for organizations
- 9) Expand Mayor Dyer's request for \$1,746,500 exclusively for pickleball courts at Roeding Park to also include futsal, basketball, and volleyball Courts.

These proposals directly support my neighborhood, my family, and myself and would fix some of the issues in our neighborhood parks.

These proposals reflect and address the needs of constituents and fulfilling them successfully invests in our families, our future, and our city.

Invest in the future of Fresno, and adopt all the budget asks made by Communities for a New California-- Fresno Parks Advocates United committee.

Hello Councilmember Perea and members of Fresno City Council,

Please see the attached letter regarding today's public comments advocating for funding for a potential LGBTQ Liaison and formation of a LGBTQ commission or taskforce.

Together with my colleagues who have signed on to the letter attached, we are in support of this potential funding to help amplify the voice of the LGBTQ+ community. However, we feel that more needs to be done in identifying the liaison, including a continued community engagement effort to outline its roles and responsibilities.

We hope that you reflect on the proposals in the letter to ensure that this is a true community-led process.

In community,

Augie Blancas

June 8, 2023

Fresno City Council
Attn: Councilmember Annalisa Perea
2600 Fresno Street, Room 2097
Fresno, CA 93721

Dear Council Vice President Annalisa Perea and Members of the Fresno City Council,

First, we would like to extend our gratitude to bring together the LGBTQ+ Local Leaders Roundtable on June 6, 2023. Having an open dialogue with members from across the community is needed now more than ever as the LGBTQ+ community is continuously attacked, silenced and are being historically and systematically erased from our nation's history, as well as denied basic and fundamental rights that are afforded to others.

As such, a cohort of leaders in attendance expressed concern regarding the appointment of an LGBTQ+ Community Liaison within the City of Fresno's Mayor's Office of Community Affairs. The methodology in which other organizers who were present, including the petition of approximately 400 signatures - albeit a great start - is not reflective of the community as a whole. In addition, there is a lack of transparency and community input to define the prospective appointees role, scope of work, and representation on behalf of the City and community. There is also concern the new liaison would be selected and appointed in an unfair or biased process. Lastly, in regards to the established "task force," we feel there is a lack of clarity with respect to the scope of work and composition of the task force, which more input is needed to establish.

In the spirit of solidarity and community representation, we should continue to work together to fully define the recommended proposals to include the following:

1. Holding community meetings to garner feedback on the role and responsibilities of the LGBTQ+ Task Force or Commission and LGBTQ+ Liaison within the City of Fresno;
2. Upon securing funding in the upcoming 2023-24 budget, establish an 11 member LGBTQ+ Task Force or Commission to help advise the Fresno City Council on the needs and concerns of the LGBTQ+ community of all races, religions, ethnic and cultural backgrounds, among others. Members would be comprised of appointees from all seven (7) Council districts along with two (2) members identified and appointed from Fresno youth-serving organizations, one (1) member identified and appointed from a local community-based organization, and one (1) at-large member appointed by the Mayor's office. Should a Councilmember be unable to identify an appointment, or choose not to participate, that appointment would be an additional at-large member appointed by the District 1 councilmember or Mayor's office. Members should be over the age of 18 at time of the appointment, and each member will be confirmed by a majority vote of the Council.

Dear Fresno City Council Members,

I'm writing to urge you and your Council colleagues to enact rent control to protect renters in our city. Renters make up more than half of all households here, and we desperately need your support.

I'm a resident of Fresno and live in your district. My personal experiences as a renter in this city, navigating the increasing cost of housing and everything else, have been a real struggle for me and my loved ones. 1 in 3 of all renters in Fresno spend more than half of their income on rent.

This is unacceptable. There is no end in sight, with inflation continuing to rise and our rents continuing to increase. Our community is experiencing a housing crisis. We need you, our elected leaders, to prioritize us working families over profits for large, out-of-town landlords and corporate housing developers.

Pass rent control and tenant protections this budget season. It's a huge opportunity to invest resources into everyday Fresnans and protect thousands of families from eviction and homelessness. Thank you.

Sincerely,
Emilio Garcia

I am The Right Reverend David Rice, the Bishop of The Episcopal Diocese of San Joaquin. I write in opposition to the ordinance amendment, which would limit where people, presumably, our houseless sisters and brothers, can find respite. I find this amendment inhumane not to mention counter to the very basis of "faithful responsibility for all" on which the community I lead and serve, is built.

I hope you will give every consideration to my concern, and the concern of Episcopalians throughout my Diocese, in particular, in the area in Fresno.

Peace
Bishop David Rice

New eComment for City Council on 2023-06-08 9:00 AM - Regular Meeting

Virginia Barnes submitted a new eComment.

Meeting: City Council on 2023-06-08 9:00 AM - Regular Meeting

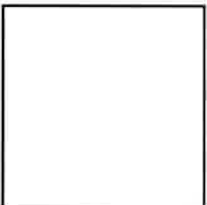

Item: 1.-U. ID 23-919 ***Bill B-16 - (Intro'd 5/25/2023)(For Adoption) Adding Article 21 and Article 22 to Chapter 10 of the Fresno Municipal Code, Prohibiting Impeding on Sidewalks Within 500 Feet from Sensitive Areas Including Schools, Childcare Facilities, Public Parks, Public Libraries, Warming and Cooling Centers, and City-Permitted Shelters for the Unhoused (Subject to Mayor's Veto)

eComment: I am a resident of District 3 and voicing my opposition to the addition of Articles 21 & 22 to the Fresno Municipal Code. This ordinance solves no problems and in fact, criminalizes being unhoused. Our shelters and systems of support are not adequate to serve the needs that will skyrocket if public space is prohibited for the unhoused to occupy. I ask that the council put maximum effort into homelessness and public safety PREVENTION. We need access to real housing solutions, not shelters. Our parks, libraries, warming and cooling centers, and other public service areas are equipped to connect unhoused folks with social services if only our city and county would prioritize the financial support that would allow them to do so.

June 6, 2023

Fresno City Council
Council President, Tyler Maxwell
City Council Members
PARCS Department

Accepted by
Council President

Subject: Proposed FY 23/24 Permanent Pickleball Court Projects

I am writing this statement to the Fresno City Council to implore the Council to continue progress toward permanent pickleball court projects initially included in the FY 23 Budget.

I represent Fresno Area Pickleball (FAP) a private nonprofit organization with over 1,500 MeetUp site pickleball players in the Fresno Area with play at 3 parks seven days per week.

The PARCS own public outreach survey of the Fresno citizens dated February 7, 2022 showed the high demand for pickleball courts in Fresno. Per Question 4: What recreation amenities/facilities are most needed in our parks". Pickleball courts rated 3rd out of 12 listed.

I have been participating in the Measure "P" Parks, Recreation, and Arts Commission since its inception. We are very excited that three sites, Rotary East Park, Vinland Park and Woodward Park were included in the FY23 Budget.

At the PRAC meeting last night, on June 23, 2023, one of the Commissioners put forth a motion that all park site courts shall be multi-use facilities. The Commissioner specifically identified the Vinland Park, Rotary East Park and Roeding Park project courts should be "multi-use with as many as five sets of different game lines! The Commissioner convinced enough Commissioners to support this policy and include it as an addition to the PRAC recommendation to the Fresno City Council and that it be applied to the existing projects!

I was participating through Zoom and raised my hand to comment about why this was not practicable for pickleball courts. Unfortunately motion occurred at the very end of the meeting and I was not recognized after this unfortunate and unrealistic motion was approved.

While in some instances multi-use can be done. In fact FAP did not oppose tennis, pickleball and volleyball striping for the current resurfacing project at Vinland Park that is scheduled to begin on June 12th. Pickleball with permanent courts, fences and gates do not lend themselves to multi-use structure. Fresno Area Pickleball has been seeking permanent pickleball courts so Fresno players and families in can play the game anytime they want rather than only when FAP is on site and providing the court net systems and supplies.

The environmental and design phase work for these pickleball court projects have already been funded, advertised, contractor selected, and is waiting your approval later this week. If the characteristics of the projects change the process will need to be started all over again.

Fresno Area Pickleball requests that the Fresno City Council continue the current permanent pickleball projects as envisioned by FAP and City PARCS.

Thank you.

Alan McCuen, Member Fresno Area Pickleball Inc.

Other General Pickleball Facts

1. Per the USAPA, Pickleball is the fastest growing sport in the United States and has been for the past ten years. Estimate is over 39 million players in USA.
2. Fresno Area Pickleball Inc. bylaws specify seeking installation of permanent pickleball courts in Fresno as one of its primary objectives.
3. There are no permanent pickleball courts in any of the 100+ parks in Fresno.
4. Currently, there are permanent pickleball courts already installed in Fowler, Selma, Visalia, Hanford, and Bakersfield. I think none of them have multi-use striping lines on them.
5. Permanent pickleball courts will provide an advanced service to Fresno citizens. Citizens can play anytime the parks are open rather than having to be constrained by playing only when FAP has its manual temporary net systems set up for open play.
6. Pickleball is a healthy activity for everyone. It can be played by families, children, seniors.
7. Fresno Area Pickleball provides beginner classes for anyone who wishes to learn the rules and strategy.
8. Four court pickleball sites typically draw 25 -35 players while the 8 court site has 50+ players.

CITY OF FRESNO
CITY CLERK'S OFFICE

2023 JUN - 7 A 9 16

RECEIVED

Accepted by
Council President
during Unscheduled
Communication

To Whom it may concern

I ADDRESS the city Council today
because of the living conditions
at the Californian 851 Van Ness Ave.
For over a year now the manager
Juan Manjaras shot the garbage shoots
down to the entire complex
Forcing All Residents to take out
their garbage by hand
he threatened people with lease termination
if they report
I have made several calls to
code enforcement and feel that
they're not doing anything about
resolving this matter
But now our Shower has quit working
as of 6/2/23 and their refusing
to fix the problem
For almost a week now
our Shower has been non usable
I find this unacceptable
we pay 30% of our income on rent
and yet according to the lease pg 3 paragraph 2
states
The right to have repairs performed in a timely manner
upon request
my wife ask the only maintenance man that
is left on staff because everyone else has quit
and he stated that he doesn't know when
he can fix it meanwhile there's no way
for us to bathe

2023 JUN -8 A 10:12
CITY OF BERKELEY
CITY CLERK'S OFFICE

RECEIVED

1) half the staff from what I hear
has quit their positions leaving only
one maintenance man to work all 8 floors
of the bldg alone

2)
the unprofessionalism, threatening and intimidation
is also something that we as residents
do not deserve

3
The shoots for the garbage need to be
reopened asap as it poses a health concern
by dragging garbage including biohazard garbage
and materials thru the halls, elevators and
out the front lobby

I'm hoping that he will be fired
and replaced with a mgmt that
cares about their residents
and we need to have our shower fixed
asap for our own health reasons

thank you

I have a open case with a case number
E23-05923 I made with city code enforcement
yesterday 6/7/23 and I'm hoping
they'll do and take action soon

TYLER MAXWELL

Unscheduled Communication

Stop infringing on Human Rights

Started by [Fresno Homeless Union](#)

Fresno City Council members are going to unlawfully enforce a citywide web of local laws that impose criminal penalties on people experiencing unsheltered homelessness when they sleep, sit, lie down, and rest in public. This ordinance would directly violate the Fourth, Eighth, and Fourteenth Amendments of the United States Constitution and California civil rights laws.

The Fourth Amendment, protects people from unreasonable searches and seizures by the government which this ordinance would do. It would violate the Eighth Amendment: "Excessive bail shall not be required, nor excessive fines imposed, nor cruel and unusual punishments inflicted." and the Fourteenth Amendment prohibits the states from depriving any person of "life, liberty, or property" without fair treatment under the law.

Further, there are court cases which mark precedent against an ordinance like this. *Martin Vs Boise* states, no city shall be allowed to criminalize any individual IF a shelter bed is NOT available. If Fresno city passes this on June 8th 2023, we will be allowing them to criminalize thousands of people experiencing homelessness today on the streets of Fresno CA. Not to mention any violation of rights can be taken to court and monetary damages can be asked for. This money will only come out of the pockets of our tax payers and not out the pockets of the people who created this "Death Notice Ordinance"

Kincaid vs City of Fresno states that the city employees are not allowed to toss out personal property and must store property at city storage on H street.

If this passes, we will be banning thousands of people 500 feet from schools, daycares, libraries, homeless navigation centers, warming centers and cooling centers. In Fresno we have hundreds of these centers all over, so if you were to map out all the places no one can be within 500 feet, you will find that the only places the unhoused are not banned from will be residential & commercial properties only.

Fresno City does not have enough shelter beds for our unhoused individuals, unhoused families, substance abuse & Mental Health Services available for people wanting shelter who are experiencing homelessness in the City of Fresno. This is not the solution we need.

Subject: Stand with Fresnoans and pass rent control!

External Email: Use caution with links and attachments

Dear Fresno City Council Members,

I'm writing to urge you and your Council colleagues to enact rent control to protect renters in our city. Renters make up more than half of all households here, and we desperately need your support.

I'm a resident of Fresno and live in your district. My personal experiences as a renter in this city, navigating the increasing cost of housing and everything else, have been a real struggle for me and my loved ones. 1 in 3 of all renters in Fresno spend more than half of their income on rent.

This is unacceptable. There is no end in sight, with inflation continuing to rise and our rents continuing to increase. Our community is experiencing a housing crisis. We need you, our elected leaders, to prioritize us working families over profits for large, out-of-town landlords and corporate housing developers.

Pass rent control and tenant protections this budget season. It's a huge opportunity to invest resources into everyday Fresnoans and protect thousands of families from eviction and homelessness. Thank you.

Sincerely,
Vanessa Creutz

Tina Your

Dear Fresno City Council Members,

I'm writing to urge you and your Council colleagues to enact rent control to protect renters in our city. Renters make up more than half of all households here, and we desperately need your support.

I'm a Generation Z transgender person that lives in your district. I attend Fresno City College. My personal experiences of looking for an apartment to live in Fresno have boiled down to this simple fact: I can't afford an apartment in Fresno that is remotely in my budget. Even if my Mom contributed to my rent, it would still be impossible to find an affordable apartment close to campus. 1 in 3 of all renters in Fresno spend more than half of their income on rent. This shows that Fresno City Hall has neglected working class renters for too long because no rent control policies have been passed to change this. Stop corrupt slum lords like John and David Hovannisian of JD homes that exploit us. They have a monopoly on 1,500 units that they own or manage across Fresno County. Clearly the current laws in place benefit them and not working class Fresnans. I will be door knocking for the city council member candidate who will vote for rent control in Fresno if you do not vote for it. Either vote yes on rent control legislation or get voted out. It's that simple.

Pass rent control and tenant protections this budget season. It's a huge opportunity to invest resources into everyday Fresnans and protect thousands of families from eviction and homelessness. Thank you.

Sincerely,
Mavern Hardy
