Dear Applicant:

**SUBJECT: ZONING INQUIRY NUMBER P23-00282 REQUESTING INFORMATION
REGARDING CANNABIS RETAIL FOR PROPERTY LOCATED AT 4555
EAST KINGS CANYON ROAD
(APN 461-284-30)**

Thank you for your inquiry regarding the allowance of new cannabis retail uses. The requested information about cannabis retail uses was analyzed using Article 27, Chapter 15 of the Fresno Municipal Code (FMC) of the City of Fresno. Please note, all research for this inquiry is based on existing land development of the subject property. If there are multiple buildings on the subject property, this research was based on the address provided in the request. This research does not take into effect of future development unless provided in your application request. With that, research of a proposed cannabis retail business on the subject property conveys the following:

1. All cannabis retail businesses must be located on property zoned DTN (*Downtown Neighborhood*), DTG (*Downtown General*), CMS (*Commercial Main Street*), CC (*Commercial Community*), CR (*Commercial Regional*), CG (*Commercial General*), CH (*Commercial Highway*), NMX (*Neighborhood Mixed-Use*), CMX (*Corridor/Center Mixed-Use*), RMX (*Regional Mixed-Use*), and must meet all of the requirements for development in these zones, including, but not limited to, parking, lighting, building materials, etc.

The subject property is zoned CMX, which is one of the allowable zone districts for cannabis retail businesses. Development standards of the CMX zone district are available in [Sections 15-1103](#), [15-1104](#), and [15-1105](#) of the FMC. **The subject location meets the zone district requirement, per [Section 15-2739.B.1.a](#) of the FMC, for a cannabis retail business.**

However, as noted below, the subject property does not meet the location restriction requirements per Section 9-3308 of the FMC for a cannabis retail business.

2. All building(s) in which a cannabis retail business is located shall be no closer than 800 feet from any property boundary containing the following: (1) A cannabis retail business; (2) A school providing instruction for any grades pre-school through 12 (whether public, private, or charter, including pre-school, transitional kindergarten, and K-12); (3) A day care center licensed by the state Department of Social Services that is in existence at the time a complete commercial cannabis business permit application is submitted; and, (4) A youth center that is in existence at the time a complete commercial cannabis business permit is submitted.

The subject property is not located within 800 feet of the property boundary of any of the above-mentioned uses. **The subject building meets the separation requirements, per [Section 15-2739.B.1.b](#) of the FMC, for a cannabis retail business.**

However, as noted below, the subject property does not meet the location restriction requirements per Section 9-3308 of the FMC for a cannabis retail business.

3. Prior to commencing operations, a cannabis retail business must obtain a Cannabis Conditional Use Permit from the Planning and Development Department per [Section 15-2739.N](#) of the FMC.
4. No more than 3 cannabis retail businesses may be located in any one Council District.

The subject property is in Council District 5. There are currently three commercial cannabis business permits in process for cannabis retail businesses in Council District 5. **Pursuant to FMC Section 9-3306(b) and City of Fresno Resolution No. 2021-163 (attached), this location requirement is not satisfied for a cannabis retail business.**

Please review the entirety of [Article 33, Chapter 9](#) (Cannabis Retail Business and Commercial Cannabis), and [Section 15-2739](#) (Adult Use and Medicinal Cannabis Retail Business and Commercial Cannabis Business) of the FMC to understand other requirements of cannabis retail businesses, including but not limited to, application requirements, signage, etc.
