Briefly explain why are you interested in serving on this board or commission?

I have served on this commission since the beginning of Measure P and will like to continue serving. I have been an advocate for parks since 2013 and have run several successful campaigns that have brought awareness and investment to our park system like Parks4All and Invest in Southwest. I also completed an inventory on parks that were shared with former Councilmembers Baines and Soria, and it was included in the Parks Master Plan update.

Question applies to multiple boards

The Political Reform Act of 1974 prohibits public officials from using their official positions to influence governmental decisions in which they have a financial interest. The Board Members in the designed positions must disclose their financial interests as specified in the agency's conflict of interest code.

I agree that I have read the above and agree to file a Statement of Economic Interest Form should I be appointed to a Board, Commission, or similar body according to the adopted resolution.
