Supplemental Information:

Any agenda related public documents received and distributed to a majority of the City Council after the Agenda Packet is printed are included in Supplemental Packets. Supplemental Packets are produced as needed. The Supplemental Packet is available for public inspection in the City Clerk's Office, 2600 Fresno Street, during normal business hours (main location pursuant to the Brown Act, G.C. 54957.5(2)). In addition, Supplemental Packets are available for public review at the City Council meeting in the City Council Chambers, 2600 Fresno Street. Supplemental Packets are also available on-line on the City Clerk's website.

Americans with Disabilities Act (ADA):

The meeting room is accessible to the physically disabled, and the services of a translator can be made available. Requests for additional accommodations for the disabled, sign language interpreters, assistive listening devices, or translators should be made one week prior to the meeting. Please call City Clerk's Office at 621-7650. Please keep the doorways, aisles and wheelchair seating areas open and accessible. If you need assistance with seating because of a disability, please see Security.

New eComment for City Council on 2024-04-18 9:00 AM - Regular Meeting

Dan Waterhouse submitted a new eComment.

Meeting: City Council on 2024-04-18 9:00 AM - Regular Meeting

Item: 2.-U. ID 24-500 ***RESOLUTION - Declaring Outdoor Warming Fires to be a Health and Safety Hazard and a Public Nuisance and Direct the City Manager to Cause Them to be Extinguished (Subject to Mayor's Veto).

eComment: I am opposed. The warming centers were open three times this past winter so it's untrue they are an alternative to safely contained cooking and warming fires. Your fire chief disagrees with this proposal and he's the subject matter expert.

The "Outdoor Warming Fire Resolution" is an unnecessary action to make life harder for our city's unhoused population. It's disingenuous to claim that warming centers open just a few nights a year can substitute for the fires people need to cook and stay warm. The air pollution created by these fires is no greater than that from the barbecues and permitted fires the rest of us continue to enjoy. Please leave law enforcement out of this issue.

Item 2-U is a cruel and unnecessary act of overreach to assure certain members of our community are denied the right to live by trying to take away their access to warmth and cooked food. The "concerns" this resolution addresses are frivolous and the consequences of its passing will be real human lives lost and blood on people's hands.

This time should instead be used to open more warming centers and keep them open for longer. Until that happens, this resolution will do nothing but kill.
