This Program Eligibility and Funding Agreement ("**Agreement**") is made and entered into on _____, **2014**, by and between the City of Fresno ("**Grantee**") and the Fresno County Transportation Authority ("**Authority**").

RECITALS

WHEREAS, passage of the Measure C Extension created within the Environmental Enhancement Funding Allocation Program a subprogram entitled "Transit Oriented Infrastructure for In-fill" ("TOD"), the purpose of which was to provide funding to support planning and incentives generally intended to support increased demand for transit facilities; and

WHEREAS, in accordance with the Measure C Extension Expenditure Plan ("Expenditure Plan") and most notably Appendix F thereto, the details regarding the funding and implementation of the TOD subprogram are set forth in the "Fresno County Measure C Transit Oriented Development Program Policies and Guidelines" (the "TOD Guidelines," attached as Appendix 1 hereto); and

WHEREAS, as recommended in the Expenditure Plan and as described in the Measure C Extension Strategic Implementation Plan, Appendix J, the TOD Guidelines specify three (3) categories of projects/programs for which the TOD is available to provide competitively-based funding, which are generally characterized in the TOD Guidelines under the following respective headings: (1) Capital Improvement Program; (2) Planning Program; and (3) Housing In-Fill Incentive Program; and

WHEREAS, Grantee submitted for approval, under the Capital Improvement Program category of the TOD, a "Project Application" requesting reservation from eligible Measure C Extension funds of **\$121,342** in funding, which amount shall be available solely for implementation and completion of the construction phase of the

proposed "Met Block Development Off-Site Improvements Van Ness/St Stanislaus Project"; and

WHEREAS, Authority is authorized to approve funding for payment to Grantee in accordance with this Agreement, the TOD Guidelines and the Expenditure Plan, for funding of the construction phase of Grantee's proposed Met Block Development Off-Site Improvements Van Ness/St Stanislaus Project; and

WHEREAS, on April 23, 2014, based in part on the consistency of Grantee's proposed Project funding request (as described in its "Project Application Met Block Development Off-Site Improvements Van Ness/St Stanislaus Project" dated February 19, 2014) with the purposes of the Capital Improvement Program as described in the TOD Guidelines, the Authority's Board approved the reservation of \$121,342 in TOD funding to be made available for implementation and completion of the construction phase of Grantee's proposed Met Block Development Off-Site Improvements Van Ness/St Stanislaus Project; and

WHEREAS, the Authority's Board further directed Authority staff to draft this Agreement, for the purpose of establishing program implementation requirements and the terms and conditions governing the rights and obligations of the respective parties hereunder; and

WHEREAS, Authority and Grantee now desire to enter into this Agreement, which serves to establish requirements for Grantee's use of the funding provided hereunder, as well as delineating the respective rights and obligations of the parties regarding use of Measure C funds as authorized for use by Grantee for the purposes specified hereunder, including but not limited to conditions and limitations on Grantee's right to receipt of payment hereunder.

NOW, THEREFORE, in consideration of the mutual promises and undertakings herein made and the mutual benefits to be derived therefrom, the parties hereto represent, covenant and agree as follows:

AGREEMENT

ARTICLE I

For purposes of this Agreement, the Project scope, schedule and funding program is as defined and described in Grantee's Transit Oriented for In-Fill Development Capital Project Application "Met Block Development Off-Site Improvements Van Ness/Stanslaus Project" and as further described below in Exhibits A through C. Grantee must demonstrate in the funding program that the Project or Project phase is fully funded.

of property tax funds is expressly prohibited by California Public Utilities Code Section 142257.

1.3.2 Grantee has segregated property tax revenues from its other general fund revenues used to support the Project so that verification of non-substitution can be proved through audit or that the non-substitution of funds shall apply to the Grantee's entire general fund.

1.3.3 Grantee shall account for Project funds received pursuant to Public Utilities Code Section 142257. Grantee shall maintain current records in accordance with generally accepted accounting principles, and shall separately record expenditures for each type of eligible purpose. Grantee shall make such records available to the Authority for inspection or audit at any time.

1.5 **Measure "C" Funds Defined.** For purposes of this Agreement, Measure "C" funds are deemed to be available under the TOD, subject to the limitations and conditions specified in this Agreement and the TOD Guidelines. Provided, however, that unless another amount receives formal advance approval by means of a subsequent written amendment to this Agreement, the total cumulative amount of Measure "C" funds allocated under the TOD for the construction phase of Grantee's proposed Met Block Development Off-Site Improvements Van Ness/Stanslaus Project shall not exceed the sum of \$121,342.

1.6 **Maintenance of Project Records.** Grantee shall maintain complete and accurate records for the project for which funding is made available hereunder. All such records shall be maintained on a generally-accepted accounting basis and be clearly identified and readily accessible. Grantee shall provide free access to the Authority at all times to such books and records. Grantee shall maintain all work data, documents, and proceedings relating to this Agreement for a period of five (5) years from the date of final audit from the Authority.

1.7 Invoices. Grantee shall submit invoices to the Authority no more frequently than monthly for activities conducted over the prior unbilled month. These documents shall include the following specified information:

1.7.1 Monitoring Expenditures and Progress Payments. Grantee will monitor expenditures and progress payments against the "not to exceed" limits specified in Section 1.1.3 of this Agreement.

1.7.2 Project Progress. If Project costs have not been invoiced for a six-month period, Grantee agrees to submit a written explanation of the absence of the Project's progress to the Authority, along with a target billing date and a target billing amount.

1.7.3 Direct and Indirect Costs. Grantee may include in the Project invoice, direct and indirect costs of the Project. Indirect costs (as defined by OMB Circular A-87) will be considered an eligible expense.

1.7.4 Copies of Invoices. Grantee shall provide the Authority with one (1) copy of appropriate source documentation to substantiate Project expenses or costs.

1.7.5 Eligible Project Cost Request Deadline. Invoices for eligible Project costs incurred by Grantee shall be submitted to the Authority on the approved form. The Authority's Executive Director will review invoices for accuracy and sufficiency in terms of compliance with the foregoing requirements. Unsatisfactory or inadequate invoices will be returned to Grantee for correction and resubmission. Upon receipt of a proper invoice, eligible Measure "C" and TOD funds (as applicable) shall be provided to the Grantee within 45 days.

1.7.6 Use of Funds Grantee shall use Measure "C" and TOD funds (as applicable) consistent with the Measure C Expenditure Plan, Strategic Implementation Plan, and Section 1.1.1 of this Agreement.

1.8 Award of Project. Grantee shall administer the Project, including but not limited to its advertisement and award of all contracts, in accordance with applicable

legal requirements as provided above in Section 1.4 and in full conformity with the standards applied by Grantee in the administration of its own construction projects.

ARTICLE II

Covenants of Authority

Authority agrees to provide to the Grantee Measure "C" Extension funds available under the TOD, up to the maximum amount of \$121,342 approved for the construction phase of Grantee's proposed Met Block Development Off-Site Improvements Van Ness/Stanslaus Project, in accordance with the terms and conditions set forth herein, and in compliance with the Expenditure Plan, the TOD Guidelines, all Measure "C" Policies and Procedures, and all adopted Policies and Procedures as applicable, as well as any subsequent amendments, updates, or other applicable plans.

2.1 Eligible Project Cost Payments. The Authority shall make payments to Grantee for actual incurred eligible project costs as specified in Section 1.1.3 of this Agreement and consistent with the Measure C Extension Strategic Implementation Plan. To receive payments for eligible project work completed, Grantee shall comply with the following procedures:

2.1.1 Ineligible Costs. The Authority reserves the right to recover payment from Grantee if an invoice includes ineligible Project costs.

2.1.1.1 It is further understood and acknowledged that if an alternative source or method of financing becomes available to Grantee to provide funding for this project in whole or in part, then the project shall be deemed ineligible for funding hereunder to such extent; and in such event the Authority shall be entitled to a refund of the funds allocated under this Agreement in an amount equal to the funds obtained by the Grantee from such alternative source or method of financing, up to and including a full refund of all monies allocated hereunder if the Authority determines that all project costs have become "Ineligible Costs" under the provisions of this Section 2.1.

2.1.2 Payment Amount. The amount of payments to Grantee for eligible project costs shall be made pursuant to the Measure C Extension Strategic Implementation Plan and this Agreement.

2.1.3 Suspension of Payment. Payments for eligible Project costs shall be suspended without interest when a dispute arises as to whether or not a cost item(s) is eligible for payment.

2.1.3.1 Dispute Resolution. All disputes shall be settled in accordance with the laws of the State of California. Once a dispute has occurred, the Authority and Grantee shall attempt to resolve the dispute informally in a mutually agreeable manner.

2.2 Right to Conduct Audit. The Authority shall have the right to conduct an audit of all Grantee's records pertaining to the Project at any time following completion of the eligible Project work.

2.2.1 Notice of Audit. The Authority must provide at least 30 days' advance notice to Grantee if an audit is to be conducted.

ARTICLE III

Mutual Covenants

The Authority is released from any liability to Grantee regarding the Authority's administration and issuance of the Measure "C" proceeds except for any breach of Authority's fiduciary duty as set forth in the Expenditure Plan and Measure C Extension Strategic Implementation Plan.

3.1 Effective Date and Term. This Agreement shall become effective as of the date of its full execution by the parties and shall remain in full force and effect, for a period of twelve (12) months following the date of Grantee's completion of eligible Project work, unless sooner terminated as provided in Section 3.2 or in Section 3.4 or unless the Agreement's term is extended by formal approval of a subsequent amendment hereto in accordance with Section 3.8.

3.2 Discharge. This Agreement shall be subject to discharge as follows:

3.2.1 Termination by Mutual Consent. This Agreement may be terminated at any time by mutual consent of Grantee and Authority. If this Agreement is mutually terminated by the parties, Grantee will no longer receive Measure "C" funds under the TOD for its proposed Met Block Development Off-Site Improvements Van Ness/Stanslaus Project (or any phase thereof), unless a new agreement

between Grantee and Authority relating to such Project is formed; and in the event of such mutual termination, those funds remaining from the originally reserved funding allocation of \$121,342 for the construction phase of this Project shall be returned by the Authority to the general TOD funding pool.

3.2.2 Discharge Upon Completion of Grantee's Program. Except as to any rights or obligations which survive discharge as specified in Section 3.14, upon completion of Grantee's completion of eligible project work, this Agreement shall be discharged, and the parties shall have no further obligation to each other.

3.2.3 Termination by Authority. The Authority reserves the right to terminate the Agreement at any time by giving written notice to Grantee of such termination and specifying the effective date thereof. If this Agreement is terminated by the Authority as provided herein, Grantee will be paid by the Authority for eligible Project costs incurred prior to termination of the Agreement, consistent with the requirements of the Program referenced herein and in the TOD Guidelines. In that event, all finished or unfinished documents and other materials shall, at the option of the Authority, become its property subject to the terms and conditions of Section 1.6.

3.3 Indemnity. It is mutually understood and agreed, relative to the reciprocal indemnification of Authority and Grantee:

3.3.1 Grantee shall fully defend, indemnify and hold harmless Authority, and any officer or employee of Authority, against any and all damages, liabilities, claims and expenses, arising out of Grantee's errors, omissions, negligent acts or willful misconduct during the term of this Agreement. It is also fully understood and agreed that, pursuant to Government Code Section 895.4, Grantee shall fully defend, indemnify and hold the Authority harmless from any liability imposed for injury as defined by Government Code Section 810.8 occurring by reason of anything done or omitted to be done by Grantee under this Agreement or in connection with any work, authority, or jurisdiction delegated to Grantee under this Agreement.

3.3.2 Authority shall fully defend, indemnify and hold harmless Grantee, and any officer or employee of Grantee, against any and all damages, liabilities, claims and expenses, arising out of Authority's errors, omissions, negligent acts or willful misconduct during the term of this

Agreement. 3.4 Limitation. All obligations of the Authority under the terms of this Agreement are expressly subject to the Authority's continued authorization to collect and expend the sales tax proceeds provided by Measure "C" Extension funds. If for any reason the Authority's right to collect or expend such sales tax proceeds is terminated or suspended in whole or part, the Authority shall promptly notify the Grantee, and the parties shall consult on a course of action. If, after twenty-five (25) working days, a course of action is not agreed upon by the parties, this Agreement shall be deemed terminated by mutual or joint consent; provided, that any future obligation to fund from the date of the notice shall be expressly limited by and subject to: (i) the lawful ability of the Authority to expend sales tax proceeds for the purposes of the Agreement; and (ii) the availability, taking into consideration all the obligations of the Authority under all outstanding contracts, agreements to other obligations of the Authority, of funds for such purposes.

Project Purpose

The purpose of this project is to provide off-site improvements to accommodate higher-density, infill development in the project vicinity.

Transportation Benefit

The project is expected to improve air quality, reduce traffic congestion, improve circulation and aesthetics in the project vicinity.

Implications of Not Doing the Project

Existing conditions would remain in place including poor driving surface, poor circulation and poor aesthetics hindering adjacent infill site development.
