**Re: General Plan Land Use Amendment  
Application No. A-15-007, Item 19  
Rezone Application No. R-15-16**

Dear Ms. Clark:

I represent Robertson Properties Group, the owner of approximately 20 acres of land in the vicinity of the southwest corner of Clovis Avenue and Olive Avenue (APN 456-030-15). This parcel is currently part of item No. 19 of General Plan Land Use Amendment Application No. A-15-007, to modify the general plan land use designation for this site from CMX to IL, and to rezone the property from C-6 to light industrial.

This letter is to confirm the request, on behalf of my client, to withdraw this parcel from that pending application. The specific site is shown in hash mark on the enclosed map.

We agree with the Staff that the current CMX land use designation is not well suited for this site. However, we believe it would be best to address a "fix" to that circumstance in the context of a complete site development proposal that takes into account a specific intended Development Permit for the site. My client intends to file that application in the near term.

We therefore request that the current CMX land use designation be retained and that any amendment to that land use be deferred until my client's further development proposal is submitted. We understand that by retaining the CMX land use, the City would zone the parcel CMS Corridor/Center Mixed-Use to aid in the adoption of the intended Citywide zoning map.

We appreciate your courtesies and cooperation in this matter.

Sincerely,

McCORMICK, BARSTOW, SHEPPARD,
