2.3 Conditions Precedent to Closing Escrow. The following are conditions precedent to City's obligation to close the Escrow and convey the Property to the Developer and the Developer's obligation to purchase and accept conveyance of the Property from City. These conditions must be satisfied by the time stated or, if no time is stated, then by the Outside Date set for the Closing.

2.3.1 City and Agency Conditions. The Closing is subject to the fulfillment of each of the conditions precedent described below, which are solely for the benefit

of City and which shall be fulfilled consistent with the Exhibit D Performance Schedule, or waived prior to close of escrow:

A. City acquires title to APN 468-282-23T from Successor Agency, including approval of Property Management Plan by DOF, and approval of the Purchase and Sale Agreement between City and Successor Agency by the Successor Agency, Oversight Board, and DOF.

B. Developer has delivered to City, and City has approved the form and content of, certificates of insurance for all insurance that this Agreement requires Developer to obtain and maintain. However, Developer shall have no obligation to effectuate the policies of insurance required herein until the date of Closing.

C. Notice of Accepting Property Condition. Developer has given written notice to City that it has inspected the Property and accepts the Property in AS IS condition. If the Developer, after its inspection of the Property and review of any environmental reports, disapproves the Property's environmental or other condition, and City is either unwilling or unable to cure the condition to which the Developer objects, then the Developer or City may terminate this Agreement by written notice to the other party and without liability for breach or otherwise.

D. Developer has entered into, and provided City copies of agreements with any and all funding sources and the general contractor for the Project. All such funding source agreements shall contain a provision whereby the party(ies) to each such agreement, other than Developer, agree to make reasonable efforts to (i) notify City immediately of any event of default by Developer under such agreement; (ii) notify City immediately of termination or cancellation of such agreement; and (iii) provide City, upon City's request, an estoppel certificate certifying that such agreement is in full force and effect and Developer is not in default under such agreement.

E. Developer has submitted evidence that the combined monies from the funding sources are not less than the greater of the total development cost of \$14,008,902 or the amount which City determines is necessary to complete the Project, including evidence of a loan commitment for such funding sources acceptable to the City.

Developer intends to apply for the following sources of funds: (A) Affordable Housing and Sustainable Communities Funding ("AHSC") administered by the California Department of Housing and Community Development Round 1 Cycle with an application date of June 2016; (B) Measure C TOD funds programmed in Fiscal Years 15/16 and 16/17. If Developer does not receive an AHSC grant in the Round 1 Cycle, Developer may apply in Round 2 2017 with an application date in March of 2017. If Developer fails to obtain both a funding commitment from AHSC funding and Measure C TOD funds within the timeframe set forth above and in no event later than

December 31, 2017, then this Agreement will automatically terminate. If City determines that said funds are not sufficient to complete the Project, Owner may satisfy this condition as agreed to by Developer and City in writing.

F. Developer has obtained a performance and payment bond, acceptable to City, in the amount of 110% of the estimated Project costs as further described in Section 5.2.8, herein.

G. Developer is not in default of this Agreement and all representations and warranties of Developer contained herein are true and correct in all material respects.

2.3.2 Developer Conditions. The Closing is subject to the fulfillment or waiver by the Developer of each of the conditions precedent described below, which are solely for the benefit of the Developer and which shall be fulfilled consistent with the Exhibit D Performance Schedule, or waived prior to close of escrow.

A. Condition of Title. Developer has approved the condition of title to the Property pursuant to this paragraph A. City shall obtain a preliminary title report and transmit a copy to Developer not later than fifteen (15) days following the Effective Date. Developer shall notify City in writing within fifteen (15) days after receipt of a copy of the preliminary title report whether it approves the condition of title. Developer's failure to give such notice within fifteen (15) days will be deemed approval of the condition of title. If Developer notifies City that it disapproves any title exception, City may, but is not obligated to, remove that title exception within fifteen (15) days after receipt of Developer's written notice. If City cannot or does not elect to remove any disapproved title exception or give assurance of removal satisfactory to Developer within that period, Developer will have ten (10) business days after the expiration of such fifteen (15) day period to either give City written notice that Developer elects to purchase the Property subject to the disapproved title exceptions or to terminate this Agreement. Developer hereby objects to all title defects, liens, encumbrances, and mortgages evidencing a monetary obligation, other than non-defaulted real property taxes and assessments. The exceptions to title approved by Developer as provided herein shall be referred to as the "Condition of Title." The Developer shall have the right to approve or disapprove any further exceptions reported by the title company after the Developer has approved the Condition of Title for the Property (which are not created by the Developer). The City shall not voluntarily create any new exceptions to title following the date of this Agreement and prior to the Closing.

B. Inspection. Because City will convey fee title of the Property to Developer "AS IS," with all faults, for a period of 60 days after the Effective Date of this Agreement (the "Review Period"), Developer or its designated representatives may conduct tests, investigations and inspections of the Property in all matters relating to the Property, including, but not limited to, the physical condition or state of the

Property and improvements thereon, environmental conditions, , and all other matters relating to the Property or any improvements thereon or affecting Developer or the feasibility of the Property for the Project (“Due Diligence Investigation”). As part of the Due Diligence Investigation, City shall hire an engineer mutually acceptable to both parties to conduct a Phase I environmental assessment at City’s cost, and if necessary based on the Phase I, City shall cause a mutually acceptable engineer to conduct a Phase II environmental assessment at City’s cost. The results of these assessments will be provided to Developer. If, for any reason, Developer is dissatisfied, in Developer’s sole and absolute discretion, with the results of the Due Diligence Investigation, Developer shall provide written notice of disapproval of the Due Diligence Investigation to the City and Escrow Holder. Such written notice of disapproval shall be provided prior to the expiration of the Review Period, and will constitute Developer’s notice to terminate pursuant to Section 2.3.3, below. In consideration of Developer’s right to conduct the Due Diligence Investigation, including the opportunity to review, inspect and examine the Property in its sole and absolute discretion, Developer shall in all circumstances pay to the City \$100.00, which sum shall be applicable to the Purchase Price.

Developer has the right to enter the Property to conduct the Due Diligence Investigation on the following conditions: (a) the tests, investigations and inspections are conducted without cost or expense to City, (b) the tests, investigations and inspections do not unreasonably interfere with City’s possession or use of the Property, and (c) Developer will assume responsibility for any loss or liability and for any damage to the Property to the extent resulting from conducting the tests, investigations or inspections.

Within ten days from the Effective Date, City shall deliver to Developer any and all then-existing plans, engineering reports, surveys, maps, soil or seismic reports, grading plans, environmental reports and assessments, and other studies, reports, correspondence or materials concerning the Property or any improvements thereon (the “Materials”). The Materials may include, without limitation, the following: (i) copies of any environmental reports or environmental site assessments or any other report relating to toxic or hazardous materials or the environmental condition of the Property or improvements; (ii) engineering studies, maps and cost reports (sewer, water, hydrology, storm drain, flood control, FEMA, utilities, traffic and noise); (iii) soils, geology and seismic reports; (iv) covenants, conditions and restrictions, if any, regarding the Property; (v) archaeological studies and reports; (vi) to the extent not described above, grading, erosion control, water, sewer, storm drain, street improvement, landscape and utility improvement plans; (vii) any other documents or materials which City possesses or which are reasonably available to City and which Developer requests in writing

or City determines, in its reasonable judgment, are significant to the evaluation or use of the Property.

City makes no representation or warranty concerning, and will have no liability or responsibility for, the Materials or the information contained therein.

C. No Default. City shall not be in default of any provision of this Agreement and all representations and warranties of City contained herein are true and correct in all material aspects.

D. No Litigation. There shall be no litigation pending with respect to this Agreement, any land use, zoning, development or building permits or entitlements for the development contemplated by this Agreement or encumbering title to the Property, the outcome of which could materially interfere with the development of the Property as set forth herein.

E. Title Policy. Issuance of the Title Policy (defined below) to Developer insuring Developer (or its Permitted Assignee) that fee simple title to the Property is vested in Developer subject only to the approved Conditions of Title.

2.3.3 Termination for Failure of Condition. In the event there is a failure of one or more conditions described in Section 2.3.1 or 2.3.2 that are not waived, the party for whose benefit the condition is established may terminate this Agreement by written notice to the other party prior to the Closing, in which event this Agreement shall terminate and no party shall have any further rights or liability to the other under this Agreement.

2.4 Escrow and Title Costs. The Developer and City shall each pay 50% of escrow fees, recording fees, and documentary stamp taxes, if any, to convey the Property to Developer. City shall pay the portion of the premium for an ALTA standard owner's policy of title insurance with coverage not exceeding the Purchase Price, insuring the title to the Property as described herein (the "Title Policy"). The Developer shall pay the portion of the premium for an ALTA extended owner's policy of title insurance or any special endorsements required by Developer. Any other costs associated with the Escrow shall be paid by City or the Developer according to the custom and practice in Fresno County, as declared by the Escrow Holder.

2.5 Prorations. The Escrow Holder will prorate all ad valorem taxes and assessments, if any, as of the Closing, between City and the Developer. If the then-current taxes and assessments are not ascertainable, the Escrow Agent will apportion the taxes and assessments based on the most recent statement of taxes and assessments. Escrow Holder will adjust the proration, if necessary, within 30 days after the actual taxes and assessments are available. Developer will be solely responsible for ad valorem taxes or assessments on the Property, or any taxes on this Agreement or any rights hereunder, which may be levied, assessed or imposed for any period after the Closing.

2.6 Form of Deed. City will convey the Property to the Developer by a Grant Deed, substantially in the form attached hereto as Exhibit F. The conveyance and Developer's title will be subject to all conditions, covenants, restrictions and requirements set forth in this Agreement, and the Grant Deed.

2.7 Nonmerger. Prior to the issuance of a Certificate of Completion, the provisions of this Agreement will not merge with the Grant Deed. The Grant Deed will not affect, impair or limit the provisions, covenants, conditions or agreements of this Agreement.

2.8 Possession. City will deliver exclusive possession of the Property to Developer at or immediately following the Closing.

2.9 Sale "AS IS" – No Warranties. City will convey the Property "AS IS" with all faults, including, without limitation, the conditions disclosed in any toxics reports delivered to Developer, any conditions disclosed in the files of the regulators such as, but not limited to, the Fresno County Health Department, and the Regional Water Quality Control Board, and any environmental or other physical conditions on or under the Property, buried debris or structures, and soil compaction, presence of Hazardous Materials or the condition of the soil, its geology, the presence of known or unknown seismic faults, and the suitability of the Property for the development purposes intended hereunder.

2.10 Close of Escrow. The Escrow will close within 30 days after the parties satisfy all the conditions precedent to Closing as set forth in this Agreement, but not later than the "Outside Date," unless the parties mutually agree to extend the time for Closing.

2.11 Authority of Escrow Holder. The parties authorize the Escrow Holder to, and the Escrow Holder will do the following:

A. Title Policy Premium. Pay and charge City and Developer, respectively, for the title insurance premiums described in Section 2.4 of this Agreement.

B. Pay Fees. Pay and charge the Developer and City equal 50% share of the escrow fees and closing costs, excluding any costs to correct title exceptions or cure property conditions. City and Developer must agree in separate writing or instructions to the Escrow Holder to the allocation of costs to cure title exceptions or property conditions.

C. Record Grant Deed and Disburse Funds. Disburse funds from the Purchase Price, and record and deliver the Grant Deed to the appropriate party when the conditions precedent to Closing are satisfied or waived.

H. Termination Without Close. If the Escrow is not in condition to close by the Outside Date, then any party that is not in default of this Agreement may demand the return of money or property and terminate this Agreement and the Escrow. If either party makes a written demand for return of documents or properties, this Agreement will not terminate until five days after Escrow Holder has delivered copies of the demand to the other party at the respective addresses shown in this Agreement. If the other party objects within the five-day period, the parties authorize the Escrow Holder to hold all papers and documents until instructed by a court of competent jurisdiction or by mutual written instructions of the parties. Termination of this Agreement will be without prejudice to whatever legal rights either party may have against the other arising from this Agreement. If no party demands that the Escrow terminate, the Escrow Holder will proceed to Closing as soon as possible.

The City Manager or his designee is authorized to execute any supplemental escrow instructions for City that are not a material change hereto. The City Manager or his designee may make minor modifications, not constituting a material change, to this Agreement, Exhibits and the documents referenced herein, to effect the opening and Close of the Escrow.

Within 15 business days after receiving the design development drawings, the City, through its City Manager, will review the drawings, and acting in a commercially reasonable manner, will approve or disapprove. If the City disapproves the drawings, it will specify the reason for disapproval and ask Developer to provide any additional information the City may need to approve the drawings. If the City fails to either approve or disapprove the design and development drawings within the 15-day period, the City shall be deemed to have approved the design and development drawings. The parties intend this process shall be in addition to, but shall occur concurrently with, the approval process by the Development and Resource Management Department of the City.

Therefore, the Developer will begin construction by the date provided in the Performance Schedule, and will diligently complete the Project according to the Performance Schedule, or by any other date as the parties may agree in a written extension signed by the parties and subject to any extension of time provided for in Sections .2 and 4.4.

An extension of time for any such cause shall only be for the period of the enforced delay, which period shall commence to run from the time of the commencement of the cause. If, however, notice by the party claiming such extension is sent to the other party more than thirty (30) days after the commencement of the cause, the period shall commence to run only thirty (30) days prior to the giving of such notice. Times of performance under this Agreement may also be extended in writing by City and the Developer. City Manager, on behalf of City, may grant extension(s) which cumulatively do not exceed one hundred eighty (180) days, any additional extension shall require City Council approval.

If it is determined by the Parties that the Project is not feasible as presented, the Parties agree to negotiate in good faith to amend this Agreement. If the Parties cannot agree to terms of an amended agreement within 60 days, this Agreement shall terminate immediately.

4.5 Certificate of Completion. After Developer has satisfactorily completed a Phase of the Project according to this Agreement and after the completion of the final Phase of the Project, Developer may ask City to record a Certificate of Completion indicating that a Phase or that all Phases are complete, substantially in the form attached as Exhibit E. For purposes of this section, Developer's submission of a "Safe to Occupy" Certificate or Certificate of Occupancy for the Improvements within the subject Phase of the Project shall be conclusive evidence that Developer has satisfactorily completed those Improvements. Subject to the satisfaction of the conditions to its issuance (see next subsection) and within ten days of such request, City shall provide an instrument certifying Developer's completion of the Project, or any Phase thereof, by preparing and recording the Certificate of Completion. This release, when recorded, will evidence City's conclusive determination that Developer has satisfied the construction covenants in this Agreement as to the subject Phase of the Project. The release will not be evidence that Developer has complied with or satisfied any obligation to any person holding a deed of trust or Security Financing Interest. The release shall not terminate Developer's indemnification or other obligations, which by their nature are intended to survive Project completion. After the release is recorded in the Official Records of Fresno County, any party then owning or after that purchasing, leasing or otherwise acquiring any interest in the applicable portion of the Property shall not (because of such ownership, purchase, lease or acquisition) incur any obligation or liability under this Agreement regarding the construction requirements or Project development of the completed Project.

4.6 Conditions to Issuing the Certificate of Completion. The following are all conditions precedent to City issuing the Certificate of Completion for the Project, or any Phase thereof, and each submission will be in a form and substance satisfactory to City:

A. Evidence that all mechanics' liens or material men's liens and claims recorded against the Property, or any Phase thereof, and the Project Improvements that are the subject of the Certificate of Completion have been unconditionally and finally released or, if not released, sufficiently bonded against as required by law.

4.7 Liens and Stop Notices. If a claim of lien or bonded stop notice is recorded against the Property or any Project improvements, the Developer, within 91 days after that, or within five days after City's demand, whichever last occurs, will do the following:

- A. Pay or discharge the same; or
- B. Effect the release of it by recording and delivering to City a surety's release bond in sufficient form and amount, or otherwise; or
- C. Give City other assurance that City, in its sole discretion, deems satisfactory to protect City from the effect of the lien, claim or bonded stop notice.

4.8 Annual Proof of Insurance. Annually, beginning with commencement of construction of the Project, and continuing until the issuance of a Certificate of Completion for the Project, Developer shall submit proof of insurance as required by this Agreement.

4.9 Taxes and Assessments. The Developer will pay before delinquency all ad valorem real estate taxes and assessments on the Property, subject to the Developer's right to contest any taxes or assessments in good faith. The Developer will remove any levy or attachment on the Property or any part of it, or assure the satisfaction of the levy or attachment within a reasonable time. Except as to property in public use and subject to the following sentence, Developer and those tenants/others holding or using the Property under Developer by lease or otherwise, shall not apply for or take advantage of or otherwise enable any exemption from property/possessory taxes. The Developer shall not allow a use, transfer or sale of the Property/portion thereof, whether prior to or following completion of the improvements hereunder, to an entity that is exempt from property/possessory tax and/or which would allow a removal from the tax roll, absent prior notice to and written consent of City.

4.10 Compliance with Laws. In performing its obligations hereunder, Developer shall comply with all applicable laws, regulations, and rules of the governmental agencies having jurisdiction, including, without limitation, applicable federal and state labor standards and environmental laws and regulations. Developer, not City, is responsible for determining applicability of and compliance with all local, state and federal laws including, without limitation, the California Labor Code, Public Contract Code, Public Resources Code, Health & Safety Code, Government Code, the City Charter, and Fresno Municipal Code. City makes no representations regarding the applicability of any such laws to this Agreement, the Project, or the parties' respective rights or obligations hereunder including, without limitation, payment of prevailing wages, competitive bidding, subcontractor listing, or other matters. City shall not be liable or responsible, in law or equity, to any person for Developer's failure to comply with any such laws, whether City knew or should have known of the need for Developer to comply, or whether City failed to notify Developer of the need to comply.

4.11 Entitlements. Certain planning, land use, zoning, conditional use permits, demolition permits, and public actions required in connection with the Project are

discretionary government actions. Nothing in this Agreement obligates City or any other governmental entity to grant final approval of any matter described herein. Such actions are legislative, quasi-judicial, or otherwise discretionary in nature. City shall not be liable, in law or equity, to Developer or any of its executors, administrators, transferees, successors-in-interest, or assigns for any failure of any governmental entity to grant approval on any matter subject to discretionary approval. City agrees to use best efforts to cooperate with Developer to timely review and consider all complete applications for necessary entitlements; provided, however, City shall retain its full governmental discretion to consider any such applications on their merits and in accordance with applicable law.

4.12 Exclusive Good Faith Negotiations. The Parties, during the Negotiation Period defined in Section 4.12.2 below, and only for so long as Developer timely meets its obligations under this DDA, shall negotiate exclusively and in good faith regarding the proposed development of Phases 2-4 of the Fulton Street Project as further described in Exhibit H and incorporated herein by reference (“Phase 2-4 Sites”) and the terms of the DDA for those Phases. Good faith negotiations shall include, without limitation, attending scheduled meetings, directing staff and consultants to cooperate with the other Party to the extent reasonably practicable and necessary to negotiations, providing information reasonably available to the Party and necessary to negotiations, and promptly reviewing and returning any comments on correspondence, reports, agreements or other documents received from the other Party.

4.12.1 The negotiations under this Section will be based on a project concept including components described in Exhibit H and incorporated by reference herein.

4.12.2 The Parties will negotiate until December 31, 2016 for Phase 2 Site and December 31, 2017 for Phases 3 and 4 Sites (the “Negotiation Period”), unless negotiations are terminated sooner as provided herein. When the Negotiation Period expires, this exclusive right to negotiate shall automatically terminate unless, before expiration of the Negotiation Period, Developer prepares and delivers a status report to the City Manager demonstrating to the City Manager’s satisfaction that Developer is then in material compliance with this DDA, and that Developer has made and is then making good faith efforts to timely complete all its obligations hereunder, and explaining why Developer has been unable to complete its obligations hereunder, despite such good faith efforts; and the City Manager administratively approves, in writing, an extension of the Negotiation Period for up to one hundred eighty (180) days.

Alternatively, Developer may prepare and deliver a status report to the Council of the City (the “Council”) demonstrating to the City’s satisfaction that Developer is then in material compliance with this DDA, and that Developer has made and is then making good faith efforts to timely complete all its obligations hereunder, and explaining why Developer has been unable to complete its obligations hereunder, despite such good faith efforts; and the City Council approves the extension of the Negotiation Period and Developer and the City execute an amendment to this DDA to implement extending the Negotiation Period.

If, on expiration of the Negotiation Period, including any extensions, the Council has not made the requisite findings and approved a DDA for Phases 2-4 that the Parties timely execute, then this Section 4.12 shall automatically terminate unless the Council has

approved, and Developer and the City have entered, a written extension of the term of this DDA. On termination of the rights set forth in this Section 4.12, the City may thereafter deal with the Phase 2-4 Sites and negotiate with others concerning the Phase 2-4 Sites as the City in its sole and absolute discretion may determine.

Notwithstanding the foregoing, any Party may terminate the rights under this Section 4.12 for cause in the event the other Party is in default of this DDA or this Section 4.12 for failure to negotiate in good faith. Any substantive breach of this DDA shall constitute a failure to negotiate in good faith. No Party shall terminate the rights under this Section 4.12 unless the Party seeking to terminate has first provided written notice of its intent to terminate the rights under this Section to the other Party, specifying the cause, and the non-performing party(ies) fail(s) to cure the default or other cause within ten (10) days after receipt of such notice. In the event the rights under this Section 4.12 are terminated, in accordance with this paragraph, no Party shall have any further rights, obligations, or liability to the other Party relating to the Phase 2-4 Sites.

4.13 City does not own the site planned for Phase 5 at 860 Fulton (APN 468-255-07). City will use best efforts to assist developer in acquiring said property or facilitating a partnership with the current owner.

## 5. INDEMNITY; INSURANCE.

5.1 Indemnity. To the furthest extent allowed by law, Developer shall indemnify, hold harmless and defend, with qualified counsel of Developer's choice, the City, and each of its officers, officials, employees and agents from any loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability including, without limitation, personal injury, death at any time and property damage) incurred by the City, Developer or any other person, and from any claims, demands and actions in law or equity (including reasonable attorneys' fees, litigation and legal expenses incurred by the City or held to be the liability of the City, including plaintiff's or petitioner's attorney's fees if awarded, in connection with City's defense of its actions in any proceeding), arising or alleged to have arisen directly or indirectly out of performance or in any way connected with: (i) the making of this Agreement; (ii) the performance of this Agreement; (iii) the performance or installation of the work or Improvements by the Developer and Developer's employees, officers, agents, contractors or subcontractors; (iv) Developer's failure to complete the Project; (v) the design, installation, operation and removal or maintenance of the work and Improvements; or (vi) City's granting, issuing or approving use of this Agreement and (vii) any financing of the Project including, but not limited to, AHSC, Measure C TOD bonds, and any form of public or private financing under which City has any direct or indirect liability.

Developer's obligations under the preceding sentence shall apply regardless of whether City or any of its officers, officials, employees or agents are negligent, but shall not apply to any loss, liability, fines, penalties, forfeitures, costs or damages caused solely by the gross negligence, or caused by the willful misconduct, of City or any of its officers, officials, employees, agents or authorized volunteers.

The work hereunder constitutes a "public work" as defined in Chapter 1, Park 7, Division 2 of the California Labor Code, and Developer shall cause the work to be performed as a "public work" in accordance with such Chapter of the California Labor Code. The Council

of the City of Fresno has adopted Resolution No. 82-297 ascertaining the general prevailing rate of per diem wages and per diem wages for holidays and overtime in the Fresno area for each craft, classification, or type of worker needed in the execution of agreements for the City. Information specific to the work to be done under this Agreement can be obtained by contacting the Contract Compliance Officer at the City of Fresno office of Construction Management, (559) 621-5600.

**This indemnity shall also cover, without limitation the following: (i) any act, error or omission of Developer as to the City or any of their officers, employees, contractors, subcontractors, invitees, agents or representatives in connection with this Agreement, the Project, or the Property; (ii) any use of the Property, the Project by Developer or any of its officers, employees, contractors, subcontractors, invitees, agents or representatives, successors or assigns; (iii) the design, construction, operation or maintenance of the Project; or (iv) failure of Developer or any of its officers, employees, contractors, subcontractors, invitees, agents or representatives to comply with any Federal, State or local law, code, ordinance or regulation applicable to this Agreement or the Project, including, but not limited to, claims based upon failure to comply fully with prevailing wage laws as may be determined by any court or agency of the State of California or United States Government; with respect to any and all claims related to prevailing wage, Developer, as provided herein and otherwise in this Agreement, assumes all responsibility for payment of prevailing wage and complying with prevailing wage laws, if required, and specifically waives any and all rights against the City, as well as City agents, employees, agencies, and consultants, pursuant to California Labor Code section 1726(c) and analogous federal law, if any, and agrees to defend and fully indemnify the City, as well as City agents, employees, agencies, and consultants, for any claims based upon failure to pay prevailing wage, including, without limitation, claims for damages, fines, penalties, litigation expenses, costs, attorneys' fees, and interest. Developer and/or City have the right to contest or challenge any finding that prevailing wage applies.**

This section shall survive termination or expiration of this Agreement and the potential recordation of the Grant Deeds.

5.1.1 Action Arising Out of Approval of This Agreement. The Developer shall indemnify, defend and hold the City and each of their respective officers, officials, employees, agents, boards and volunteers harmless from any judicial action filed against the City by any third party arising out of the City's approval of this Agreement or any permit, entitlement or other action required to implement this Agreement, including without limitation approvals under the Law, CEQA or the City's Municipal Code. The City will promptly notify the Developer of the action. Within fifteen (15) days after receipt of the notice, the Developer shall take all steps necessary and appropriate to assume defense of the action. The City will cooperate with the Developer in the defense of the action (at no cost to the City). Neither the Developer nor the City will compromise the defense of such action or permit a default judgment to be taken against the City without the prior written approval of the other party(ies).

5.1.2 Survival of Indemnification Provisions. Except as otherwise specifically stated herein, the indemnification provisions in this subsection and every

other indemnification in this Agreement will survive any termination of this Agreement, will survive any Closing, will survive the expiration of any covenant herein and will not merge with any other document evidencing an interest in real property.

5.2 Insurance. Until City issues the Certificate of Completion and records it in the Official Records of Fresno County, Developer or any of its Contractors or Subcontractors shall pay for and maintain, or cause to be paid and maintained, in effect all insurance policies required hereunder with insurance companies either (i) admitted by the California Insurance Commissioner to do business in the State of California and rated not less than "A-VII" in Best's Insurance Rating Guide; or (ii) authorized by the City's Risk Manager. In lieu of Developer paying for or maintaining, Developer may have any of its contractors or subcontractors pay for and maintain any of the policies of insurance identified herein below. The following policies of insurance are required, and Developer will deliver proof of these policies before starting construction:

5.2.1 Commercial General Liability Insurance. Commercial general liability Insurance, which shall be at least as broad as the most current version of Insurance Services Office (ISO) Commercial General Liability Coverage Form CG 00 01 and shall include insurance for bodily injury, property damage, and personal and advertising injury with coverage for premises and operations (including the use of owned and non-owned equipment), products and completed operations, contractual liability (including indemnity obligations under this Agreement), with limits of liability of not less than \$3,000,000 per occurrence for bodily injury and property damage, \$1,000,000 per occurrence for personal and advertising injury and \$3,000,000 aggregate for products and completed operations, and \$6,000,000 general aggregate.

5.2.2 Commercial Automobile Liability Insurance. Commercial automobile liability insurance, which shall be at least as broad as the most current version of Insurance Services Office (ISO) Business Auto Coverage Form CA 00 01 (Section 1, subsection A.1 entitled "Any Auto"), with combined single limits of liability of not less than \$3,000,000 per accident for bodily injury and property damage.

5.2.3 Workers' Compensation Insurance. Workers' compensation insurance, as required under the California Labor Code.

5.2.4 Employer's Liability. Employer's liability coverage with minimum limits of liability of not less than \$1,000,000 each accident, \$1,000,000 disease policy limit and \$1,000,000 disease each employee.

5.2.5 Fire and Extended Coverage Insurance. Fire and extended coverage insurance for at least the full replacement cost of the Developer Improvements on the Property, excluding foundations, footings and excavations and tenant improvements, fixtures and personal property.

5.2.6 Builders Risk Insurance. Builders risk insurance sufficient to cover one hundred (100) percent of the replacement value of all improvements made on the Property including, without limitation, terms of labor and materials in place or to be used as part of the permanent construction (including, without limitation, surplus miscellaneous materials and supplies incidental to the work, and scaffolding,

staging, towers, forms and equipment not owned or rented by Developer, the cost of which is not included in the cost of work).

Developer shall be responsible for payment of any deductibles contained in any insurance policies required hereunder and Developer shall also be responsible for payment of any self-insured retentions.

The above-described policies of insurance shall be endorsed to provide an unrestricted thirty-(30) calendar day written notice in favor of the City, of policy cancellation, change or reduction of coverage, except the Workers' Compensation policy that shall provide a ten (10)-calendar day written notice of such cancellation, change or reduction of coverage. If any policy is due to expire during the term of this Agreement, Developer shall provide a new certificate evidencing policy renewal not less than fifteen (15) calendar days before the expiration date of the policy. When an insurer, broker, or agent issues a notice of cancellation, change or reduction in coverage, Developer shall immediately obtain and file a certified copy of a new or renewal policy and certificates for such policy with the City.

The General Liability and Automobile Liability insurance policies shall be written on an occurrence form and shall name the City and the officers, officials, agents and employees as an additional insured. Each policy shall be endorsed so that Developer's insurance is primary and no contribution is required of the City. Any Workers' Compensation insurance policy shall contain a waiver of subrogation as to City, its officers, officials, agents, employees and volunteers. Developer shall furnish the City with copies of the actual policies upon the request of its designee, or the City's Risk Manager.

The fact that insurance is obtained by Developer or its subcontractors shall not be deemed to release or diminish the liability of Developer or its subcontractors including without limitation, liability under the indemnity provisions of this Agreement. The duty to indemnify the City, and their officers, officials, agents, employees and volunteers, shall apply to all claims and liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by Developer or its subcontractors. Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of Developer, its principals, officers, agents, employees, persons under the supervision of Developer, vendors, suppliers, invitees, subcontractors, consultants or anyone employed directly or indirectly by any of them.

If Developer fails to maintain the required insurance in full force and effect, Developer shall immediately discontinue all work under this Agreement, and take all necessary actions to secure the work site to insure that public health and safety is protected, until the City receive notice that the required insurance has been restored to full effect and that the premiums for the insurance have been paid for a period satisfactory to City. Developer's failure to maintain any required insurance shall be sufficient cause for the City to terminate this Agreement after notice and the right to cure as provided in Section 9.4.

If Developer subcontracts all or any portion of the work under this Agreement, Developer shall require each subcontractor to provide insurance

protection in favor of Developer and the City, and their officers, officials, employees, agents and volunteers according to the terms of each of the preceding paragraphs, except that the subcontractors' certificates and endorsements shall be on file with Developer, and City before the subcontractor begins any work.

5.2.7 Insurance for Project Design Work. Developer shall maintain for its Project design work, or if Developer subcontracts any of the Project design work Developer shall require each design subcontractor to maintain professional liability insurance (errors and omissions) with a limit of not less than one million dollars (\$1,000,000) per occurrence.

If claims made forms are used for any Professional Liability Coverage, either (i) the policy shall be endorsed to provide not less than a five (5) year discovery period, or (ii) the coverage shall be maintained for a minimum of five (5) years after the Release of Construction Covenants/Certificate of Completion is recorded. The requirements of this section relating to such coverage shall survive termination or expiration of this Agreement.

5.2.8 Performance and Payment Bonds. As a condition of approval of this Agreement, Developer will obtain and deliver labor and material bonds, payment, and performance bonds, issued by an insurance company meeting the criteria for Developer's other insurance under this Agreement in a form satisfactory to City. The bonds will each contain a penal sum at least equal to one hundred ten percent (110%) of Developer's estimated construction costs of any particular Phase of the Project then under construction and shall remain in full force until all construction costs are paid, plus Developer has obtained the issuance of a "Safe to Occupy" Certificate or Certificate of Occupancy, or the recording of a Certificate of Completion for that Phase, whichever is earlier. The bonds will name City as a co-obligee. The bonds shall expressly provide for purposes of the bonds, Developer is solely responsible for completion of the Project and payment of all costs, and is solely responsible to the surety in the event the Project is not completed and the obligations of the surety are not limited in any way as a result of the liability of City as a co-applicant or co-borrower under any financing including AHSC, Measure C TOD bonds, and any other public or private financing. Instead of requiring performance and payment bonds, City may consider and accept other evidence of Developer's ability to complete the Project.

## 6. SECURITY FINANCING INTERESTS AND RIGHTS OF HOLDERS.

6.1 Prohibition Against Transfer of Property, the Buildings or Structures Thereon and Assignment of Agreement. After conveyance of title and prior to the issuance by City of a Certificate of Completion for the Project, the Developer shall not, except as expressly permitted by this Agreement, sell, transfer, convey, or assign the whole or any part of the Property or the buildings or improvements thereon without the prior written approval of City.

This prohibition shall not be deemed to prevent the granting of easements or permits to facilitate the development of the Property or to prohibit or restrict the leasing of any part or parts of a building or structure.

6.1.1 Permitted Transfers. Notwithstanding the foregoing, the following events ("**Permitted Transfers**") shall not be deemed a transfer for the purposes of requiring City's consent:

- A. Creation of Security Financing Interests;
- B. A sale, conveyance, or transfer of the Property at foreclosure (or a deed in lieu of foreclosure) resulting from a Security Financing Interest;
- C. The conveyance or dedication of parts of the Property to the City or the grant of easements or permits solely to facilitate the development of the Property before the Certificate of Completion is recorded;
- D. Sale or rental of Project units/space in accordance with this Agreement;
- E. Sale or assignment to an entity controlled by or in common control with Developer;
- F. Assignments resulting from the death or mental or physical incapacity of an individual;
- G. Sale of any membership interest, units, shares, or other interests in Developer for purposes of acquiring additional capital for purposes of developing the Project; and
- H. Assignments in trust for the benefit of a partner's spouse, children, grandchildren or other family members.

6.2 Approval or Consent of City. When a request for transfer or assignment is submitted to City for consideration, approval will be conditioned on the following:

- A. Financial Strength and Business Experience. The proposed transferee will demonstrate to City's reasonable satisfaction that the proposed transferee has sufficient financial strength and the business experience in planning, financing, development, ownership, and operation of similar projects to complete the Project, or portion thereof, competently.
- B. Assumption Agreement. Any transferee, by recordable instrument acceptable to City, shall expressly assume all the unfulfilled or ongoing obligations of the Developer under this Agreement, and agree to be subject to all the conditions and restrictions to which the Developer is subject with respect to the Property or applicable portion thereof.
- C. Transfer Documents. The Developer or its successors shall submit all documents, proposed to effect any transfer or assignment, to City for review and approval.
- D. Other Information. Developer or its successors shall deliver all information to City that City may reasonably request to enable it to evaluate the proposed transfer or assignment. City shall approve, conditionally approve, or disapprove a request for assignment within 15 days after receiving the request and all supporting documentation.

E. Developer's Release. City's approval of any transfer, assignment, or sale will not relieve the Developer or any successor from any unfulfilled or ongoing obligations of Developer under this Agreement with respect to any portion of the Property not transferred. The provisions of this subsection are intended to discourage land speculation, and these provisions shall be liberally interpreted to accomplish that end.

### 6.3 Security Financing; Rights of Holders

6.3.1 No Encumbrances Except Mortgages, Deeds of Trust, Sales and Lease-Back or Other Financing for Development. Notwithstanding Section 6.1 of this Agreement, mortgages, deeds of trust, sales and leases-back or any other form of conveyance required for any reasonable method of financing are permitted before issuance of a Certificate of Completion but only for the purpose of securing loans of funds to be used for financing the acquisition of the Property, the construction of improvements on the Property and any other expenditures necessary and appropriate to develop the Property under this Agreement. The Developer shall promptly notify City of any mortgage, deed of trust, sale and lease-back or other financing conveyance, encumbrance or lien that has been created or attached thereto prior to completion of the construction of the improvements on the Property whether by voluntary act of the Developer or otherwise. The words "mortgage" and "deed of trust," as used herein, include all other appropriate modes of financing real estate acquisition, construction and land development.

6.3.2 Holder Not Obligated To Construct Improvements. The holder of any mortgage, deed of trust or other security interest authorized by this Agreement shall in no way be obligated by the provisions of this Agreement to construct or complete the improvements or to guarantee such construction or completion, nor shall any covenant or any other provision in the grant deed for the Property be construed so to obligate such holder. Nothing in this Agreement shall be deemed to construe, permit or authorize any such holder to devote the Property to any uses or to construct any improvements thereon other than those uses or improvements provided for or authorized by this Agreement.

6.3.3 Notice of Default to Mortgage, Deed of Trust, or Other Security Interest Holders; Right to Cure. Whenever City shall deliver any notice or demand to the Developer with respect to any breach or default by the Developer in completion of construction of the improvements, City shall at the same time deliver a copy of such notice or demand to each holder of record of any mortgage, deed of trust, or other security interest authorized by this Agreement who has previously made a written request to City therefor default of the Developer under this Section 6.3.3. Nothing contained in this Agreement shall be deemed to permit or authorize such holder to undertake or continue the construction or completion of the improvements (beyond the extent necessary to conserve or protect the improvements or construction already made) without first having expressly assumed the Developer's obligations to City by written agreement reasonably satisfactory to City. The holder in that event must agree to complete, in the manner provided in this Agreement, the improvements to which the lien or title of such holder relates and submit evidence reasonably satisfactory to City that it has the qualifications and

financial responsibility necessary to perform such obligations. Any such holder properly completing such improvements shall be entitled, upon written request made to City, to a Certificate of Completion from City.

6.3.4 Failure of Holder to Complete Improvements. In any case where, six (6) months after default by the Developer in completion of construction of improvements under this Agreement, the holder of any mortgage, deed of trust, or other security interest creating a lien or encumbrance upon the Property has not exercised the option to construct, or if it has exercised the option and has not proceeded diligently with construction, City may purchase the mortgage, deed of trust, or other security interest by payment to the holder of the amount of the unpaid debt, plus any accrued and unpaid interest, any prepayment fees or charges and related lender costs. If the ownership of the Property has vested in the holder, City, if it so desires, shall be entitled to a conveyance of the Property from the holder to City upon payment to the holder of an amount equal to the sum of the following:

- A. The unpaid mortgage, deed of trust, or other security interest debt at the time title became vested in the holder (less all appropriate credits, including those resulting from collection and application of rentals and other income received during foreclosure proceedings);
- B. All expenses with respect to foreclosure;
- C. The net expenses, if any (exclusive of general overhead), incurred by the holder as a direct result of the subsequent management of the Property;
- D. The costs of any authorized improvements made by such holder; and
- E. An amount equivalent to the interest that would have accrued on the aggregate of such amounts had all such amounts become part of the mortgage or deed of trust debt and such debt had continued in existence to the date of payment by City.

6.3.5 Right of City to Cure Mortgage, Deed of Trust or Other Security Interest Default. In the event of a default or breach by the Developer on a mortgage, deed of trust or other security interest with respect to the Property prior to the completion of the Project, and the holder has not exercised its option to complete the Project, City may cure the default prior to completion of any foreclosure. In any such event, City shall be entitled to reimbursement from Developer of all costs and expenses incurred by City in curing the default. City shall also be entitled to a lien upon the Property to the extent of such costs and disbursements. Any such lien shall be subject to mortgages, deeds of trust or other security interests executed for the sole purpose of obtaining funds to purchase and develop the Property as authorized herein.

## 7. USE AND MAINTENANCE OF THE SITE.

7.1 Developer covenants and agrees for itself, its successors and assigns, which covenants shall run with the land and bind every successor or assign in interest of Developer, that during development of the Site pursuant to this Agreement and thereafter,

neither the Site nor the improvements, nor any portion thereof, shall be improved, used or occupied in violation of any applicable governmental restrictions or the restrictions of this Agreement. Furthermore, Developer and its successors and assigns shall not initiate, maintain, commit, or permit the maintenance or commission on the Site or in the improvements, or any portion thereof, of any nuisance, public or private, as now or hereafter defined by any statutory or decisional law applicable to the Site or the improvements, or any portion thereof.

7.2 Notwithstanding anything to the contrary or that appears to be to the contrary in this Agreement, Developer hereby covenants, on behalf of itself, and its successors and assigns, which covenants shall run with the land and bind every successor and assign in interest of Developer, that, Developer and such successors and assigns shall use the Site solely for the purpose of constructing, maintaining and operating a mixed use project with residential rental component meeting the requirements and restrictions of this Agreement and the Regulatory Agreement, including, without limitations, restriction of the rental and occupancy of the Restricted Units only to Qualified Tenants for rent not in excess of an Affordable Rent for the period specified herein.

### 7.3 Affordable Housing.

7.3.1 Construction of Affordable Housing. The Developer covenants and agrees to construct a total of fifty (50) units, in conformity with the Scope of Development. Ten (10) of the Restricted Units shall be restricted to rental at an Affordable Rent to Very Low or Lower Income Households, or Moderate to Lower Income Households if permitted by the requirements of the grant issued by Affordable Housing and Sustainable Communities Program, shown as 50% of AMI in Exhibit G, but in no case higher than 80% of AMI. All Restricted Units shall be subject to and shall be leased in compliance with the Tenant Selection Criteria attached hereto.

7.3.2 Restricted Unit Requirements. All Restricted Units constructed pursuant to this Agreement shall be occupied at all times by the household of the Qualified Tenant who has rented that Restricted Unit. Developer covenants to cooperate with City in taking all steps necessary to implement this requirement with respect to all Qualified Tenants. In addition, all Qualified Tenants shall meet and shall be prioritized in accordance with the Tenant Selection Criteria. The restrictions upon rental and use of each Restricted Unit shall continue for a period of fifty-five (55) years from the recordation of the Certificate of Completion.

7.3.3 Annual Tenancy Report. Developer shall provide City annually, by January 31, with a report on Project occupancy for each Restricted Unit, including information concerning the number of months during which each Restricted Unit was occupied, and the income category of each tenant household occupying a Restricted Unit. The annual report and Developer's records related to each tenancy shall be subject to inspection and audit upon City's written request.

7.3.4 Obligation to Refrain from Discrimination. There shall be no discrimination against, or segregation of, any persons, or group of persons, on account of race, color, creed, religion, sex, marital status, national origin or ancestry in the rental, sale, lease, sublease, transfer, use, occupancy or enjoyment of the Site, or any portion thereof, nor shall Developer, or any person claiming under or

through Developer, establish or permit any such practice, or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees of the Site or any portion thereof (except as permitted by this Agreement). The nondiscrimination and nonsegregation covenants herein shall remain in effect in perpetuity.

7.3.5 Form of Nondiscrimination and Nonsegregation Clauses. Subject to the tenancy/occupancy restrictions on the Restricted Units not prohibited by federal law as embodied in this Agreement, which may modify the following nondiscrimination clauses, the following shall apply: Developer shall refrain from restricting the rental, sale, or lease of any portion of the Site on the basis of race, color, creed, religion, sex, marital status, ancestry or national origin of any person. All such deeds, leases, or contracts shall contain or be subject to substantially the following nondiscrimination or nonsegregation clauses:

7.3.5.1 Deeds. In deeds the following language shall appear: “The grantee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of any person or group of persons on account of race, color, creed, religion, sex, marital status, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or employment of the land herein conveyed, nor shall the grantee, or any persons claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the land herein conveyed. The foregoing covenants shall run with the land.”

7.3.5.2 Leases. In leases the following language shall appear: “The lessee herein covenants by and for himself or herself, his or her heirs, executors, administrators and assigns, and all persons claiming under or through him or her, and this lease is made and accepted upon and subject to the following conditions: That there shall be no discrimination against or segregation of any person or group of persons on account of race, color, creed, religion, sex, marital status, national origin or ancestry in the leasing, subleasing, transferring, use, occupancy, tenure or enjoyment of the premises herein leased nor shall the lessee, or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, sublessees, subtenants or vendees in the premises herein leased.”

7.3.5.3 Contracts. Any contracts with Developer or Developer’s heirs, executors, administrators or assigns propose to enter into for the sale, transfer or leasing of the Site shall contain a nondiscrimination and nonsegregation clause substantially as set forth in this Section. Such clause shall bind the contracting party and subcontracting party or transferee under the instrument.

7.3.6 Maintenance of Improvements. Developer covenants and agrees for itself, its successors and assigns, and every successor in interest to the Site or any

part thereof, that, after City's issuance of its Certificate of Completion the Developer shall be responsible for the maintenance of all improvements that may exist on the Site from time to time, including without limitation buildings, parking lots, lighting, signs, and walls, in good condition and repair, and shall keep the Site free from any accumulation of debris or waste materials. The Developer shall also maintain all landscaping required pursuant to Developer's approved landscaping plan in a healthy condition, including replacement of any dead or deceased plants. The foregoing maintenance obligations shall run with the land in accordance with and for the term of the Regulatory Agreement. Developer's further obligations to maintain the Site, and City's remedies in the event of Developer's default in performing such obligations, are set forth in the Regulatory Agreement. Developer hereby waives any notice, public hearing, and other requirements of the public nuisance laws and ordinances of the City that would otherwise apply, except as specified in the Regulatory Agreement. Upon the sale of any portion of the Site, Developer (but not Developer's successor) shall be released from the requirements imposed by this Section, and the financial liability therefor, as to the portion of the Site conveyed.

7.3.7 Effect of Covenants. City is deemed the beneficiary of the terms and provisions of this Agreement and of the restrictions and covenants running with the land appearing in the Regulatory Agreement, for and in its own right for the purposes of protecting the interests of the community in whose favor and for whose benefit the covenants running with the land have been provided. The covenants in favor of City shall run without regard to whether City has been remains or is an owner of any land or interest in the Site, and shall be effective as both covenants and equitable servitudes against the Site. City shall have the right, if any of the covenants set forth in this Agreement which are provided for its benefit are breached, to exercise all rights and remedies available and to maintain any actions or suits at law or in equity or other and proper proceedings to enforce the curing of such breaches to which it may be entitled. No other person or entity shall have any right to enforce the terms of this Agreement under a theory of third-party beneficiary or otherwise. The covenants running with the land and their duration are set forth in the Regulatory Agreement.

## 8. REPRESENTATIONS AND WARRANTIES.

### 8.1 Developer Representations and Warranties.

A. Representations and Warranties of Developer. Developer represents and warrants that:

1. Developer is a California limited liability company duly formed and existing under the laws of the State of California, and authorized to do business in the State of California, County of Fresno, and City of Fresno.
2. Developer has all requisite power and authority to carry out its business as now and hereafter conducted and to enter and perform its obligations under this Agreement.
3. The person or persons signing this Agreement for Developer have been duly authorized to execute and deliver this Agreement and to legally bind Developer to its terms and conditions.

4. Developer's execution and performance of this Agreement does not violate any provision of any other agreement to which Developer is a party.
5. Except as may be specifically set forth in this Agreement, no approvals or consents not heretofore obtained by Developer are necessary to Developer's execution of this Agreement.
6. Developer has or will have sufficient funds available to fund the Project and to pay all costs assumed by Developer hereunder.
7. This Agreement is valid, binding, and enforceable against Developer in accordance with its terms, except as such enforceability may be limited by principals of public policy and subject to the laws of general application relating to bankruptcy, insolvency and the relief of debtors, and rules of law governing specific performance, injunctive relief or other equitable remedies.
8. Developer has made no contract or arrangement of any kind the performance of which by the other party thereto would give rise to a lien on the Property.

B. Representations and Warranties of City. City represents and warrants that:

1. City owns the properties at 829 Fulton Street and 835 Fulton Street and intends to purchase the parking lot at Inyo and Fulton Streets, APN 468-282-23T. City is not under contractual obligation to sell the properties other than this Agreement.

8.2 Survival of Representations and Warranties. The parties are relying upon the above representations and warranties in entering this Agreement. The foregoing representations are and shall be continuing in nature and shall remain in full force and effect until all obligations under this Agreement are met or this Agreement is terminated in a manner provided herein.

## 9. DEFAULT, REMEDIES AND TERMINATION.

9.1 Default. Failure or delay by either party to perform any term of this Agreement shall be a default under this Agreement if not cured within the time set forth herein. Any failure or delay by a party in asserting any right or remedy will not constitute a waiver, and will not deprive the party of its right to institute and maintain any action or proceeding necessary to protect or enforce any right or remedy.

9.2 Legal Actions. A party may institute a legal action to cure, correct or remedy any default, to recover damages for any default, or to obtain any other remedy consistent with the purposes of this Agreement. Such legal action shall be brought in the Fresno County Courts, or the Fresno Division of the Federal District Court for the Eastern District of California.

9.3 Rights and Remedies are Cumulative. Except as may be expressly stated otherwise in this Agreement, the rights and remedies of the parties are cumulative. The exercise by either party of one or more of its rights or remedies shall not preclude the exercise by it, at the same or a different time, of any other rights or remedies for the same

default or any other default. In addition to the specific rights and remedies herein, the parties may resort to any other rights or remedies available at law or in equity, including, without limitation, specific performance.

9.4 Notice and Cure Periods. If either party fails to perform under any provision of this Agreement including documents incorporated herein, the non-defaulting party shall serve written notice of the default on the defaulting party, describing the default, and the actions necessary to cure the default. A defaulting party will have 30 days from the date of the notice to cure the breach or failure unless a different time period is provided in this Agreement in which case the latter shall apply. If the default is not susceptible to cure within the 30 days, the defaulting party shall begin to cure the default within the 30 days and after that diligently prosecute the cure to completion. Failure of the defaulting party to cure within these times shall entitle the non-defaulting party to enforce any right or remedy provided in this Agreement, at law, or in equity. This provision is not intended to modify or extend any other notice or cure period specifically provided for in this Agreement. Failure or delay in giving such notice shall not constitute a waiver of any default, nor shall it change the time of default.

9.5 Right of Re-entry (Power of Termination) and Reverter. City may reenter and take possession of the Property, or part of it, and all improvements on it, terminate the estate conveyed to Developer by the Grant Deed and revert the estate in City if, after the Closing, but before recording a Certificate of Completion, any of the following occurs:

- A. Developer does not begin and complete construction of the Project within the time specified in the Performance Schedule or this Agreement unless otherwise extended by the terms herein; or
- B. Developer abandons or substantially suspends construction of the Project for 30 days after City gives written notice of the abandonment or suspension; or
- C. Developer assigns or transfers, or suffers an involuntary transfer of, any rights or obligations under this Agreement, or in the Property, in violation of the assignment provision of this Agreement.

9.6 Effect on Security Holders. City's right to reenter, repossess, terminate and revert shall be secured by the provisions of the Grant Deed and Deed of Trust attached hereto as Exhibit F. Such right to reenter, repossess, terminate and revert shall be subject to, limited by, and shall not defeat, render invalid, or limit: (i) any Security Financing Interest permitted by this Agreement; or (ii) any provision of this Agreement protecting the holder's Security Financing Interest.

9.7 Resale of the Property. When title to the Property reverts in City in the event of a default by Developer, City may, but is not required to, use its best efforts to resell the Property to a qualified and responsible party (as determined by City), who will assume the obligation of completing the Project or constructing the improvements other than the Project, satisfactory to City. Upon any resale of the Property, or part of it, the proceeds shall be applied as follows:

- A. First, to reimburse City for (a) all costs and expenses incurred (including, without limitation, salaries of personnel) in connection with the recapture, management, and resale of the Property, or part of it, less any income City derived from the property in connection with the management;

(b) all taxes, assessments, and water and sewer charges respecting the Property (or, if any of the Property is exempt from taxation or assessment or such charges during City's ownership, then such taxes, assessments or charges as would have been payable if the Property were not so exempt); (c) any payments necessary to discharge or prevent any subsequent encumbrances or liens due to obligations, defaults, or acts of Developer, its successors or transferees from attaching or being made; (d) any expenditures made or obligations incurred to complete the Project or other improvements on the Property; and any amounts otherwise owing to City from Developer or by its successor or transferee; and

B. Second, to reimburse Developer, its successor or transferee, up to the amount equal to the sum of (a) the purchase price paid to City for the Property; and (b) the out-of-pocket costs incurred to develop and improve the Property, less (c) any gains or income to Developer from the Property, the Project or other improvements on it. Notwithstanding the foregoing, the amount calculated pursuant to this Section shall not exceed the price that Developer paid City for the Property, and the fair market value of the improvements on it when the default or failure occurred, which led to City's exercise of the right of reverter.

C. Any balance remaining after such reimbursements shall be retained by City.

9.8 No Speculation in Land. Unless otherwise provided herein, the rights established in this Section 9 shall be interpreted considering City's intent to convey the Property to Developer for development of the Project, and not for speculation in undeveloped land or any other purpose.

The provisions of Sections 9.5-9.7 and 9.9 shall automatically terminate on the recordation of a Certificate of Completion for the Project (or applicable phase).

## 10. GENERAL PROVISIONS.

10.4 Counterparts. This Agreement may be executed in counterparts, and together each executed counterpart shall constitute one Agreement.

10.5 Waiver. A party's waiver of the other's breach of any provision of this Agreement shall not constitute a continuing waiver or a waiver of any subsequent breach of the same or a different provision of this Agreement. No provision of this Agreement may be waived except in a writing signed by all the parties. Waiver of any one provision shall not be deemed to be a waiver of any other provision herein.

10.6 Attorneys' Fees. If a party initiates or defends litigation or any legal proceeding regarding the enforcement of this Agreement, the prevailing party in such

litigation or proceeding, in addition to any other relief that may be granted, shall be entitled to reasonable attorneys' fees. Attorneys' fees shall include attorneys' fees on any appeal. A party entitled to attorneys' fees shall be entitled to all other reasonable costs for investigating the action, retaining expert witnesses, taking depositions and discovery, and all other necessary costs incurred with respect to the action. All such fees shall be deemed to have accrued on commencement of the action and shall be enforceable whether or not such action is prosecuted to judgment.

10.7 Governing Law. This Agreement shall be interpreted and enforced, and the rights and duties of the parties under this Agreement (both procedural and substantive) shall be determined according to California law.

10.8 Further Assurances. Each party will take any further acts and will sign and deliver any further instruments required to carry out the intent and purposes of this Agreement.

10.11 Partial Invalidity. If any part of this Agreement is held to be invalid, void or unenforceable in any legal, equitable or arbitration proceeding, the remainder of the Agreement shall continue in effect, unless not giving effect to the invalid or unenforceable part would prevent effecting the purposes of the Project and this Agreement.

10.12 Ambiguity. This Agreement is the result of the combined efforts of the parties. Should any provision of this Agreement be found ambiguous, the ambiguity shall not be resolved by construing this Agreement in favor of or against any party, but by construing the terms according to their generally accepted meaning, considering the objective of the Agreement.

### SCOPE OF DEVELOPMENT

---

The **South Fulton Street Project** pertains to 4.52 acres of property located on both sides of Fulton Street between Kern and Inyo Streets, a portion of a property located on the northwesterly corner of Inyo and Home Run Alley, and a portion of property located on the north side of Inyo between Federal Alley and Van Ness Avenues. A five-phase mixed use project is proposed on these sites as noted below:

Phase 1 will cover .79 acres of property located on the northwest corner of Fulton and Inyo Streets, and proposes up to a five-story mixed use building that will include 50 multiple family residential units and up to 15,000 square feet of ground floor retail and will involve the demolition of two existing vacant buildings totaling 6,500 square feet. Outdoor/sidewalk dining may be a part of this phase.

Phase 2 proposes the use of portions of the existing parking structure for retail and office use. This is the southern half of the Gottschalks building, is City owned, and consists of 55,000 square feet. There are several different concepts being reviewed that could include office, retail, restaurant and a state of the art Public Market. Any work performed on any of the building's character defining features that form the basis for this building's potential historic significance shall follow the Secretary of the Interior's Standards for the Treatment of Historic Properties with Guidelines for Preserving, Restoring and Reconstructing Historic Buildings or the Secretary of the Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings (1995), Weeks and Grimmer, to be determined at time of building permits for façade improvements. Proposed adaptive reuse of this building includes 35,000 square feet of retail uses and 20,000 square feet of office uses. Outdoor/sidewalk dining may be a part of this phase.

Phase 3 covers 1.53 acres located on the northeast corner of Inyo and H Streets and will entail a five-story building with 10,000 sf of ground floor retail and 144 multiple family units or a 100-room hotel. This is currently utilized by the Fresno Grizzlies for player and employee parking. A collaboration between the developer and the Grizzlies must first occur. Outdoor/sidewalk dining may be a part of this phase.

Phase 4 will cover .24 acres and is located on the southwest corner of Fulton and Kern Streets, 887 Fulton Mall. This phase is proposed to entail the adaptive reuse of the existing Berkeley's building 33,750 square feet for retail use. A new 9,000 square foot roof deck is also proposed. Any work performed on the Berkeley building's character defining features that form the basis for this building's potential historic significance shall follow the Secretary of the Interior's Standards for the Treatment of Historic Properties with Guidelines for Preserving, Restoring and Reconstructing Historic Buildings or the Secretary of the Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings (1995), Weeks and Grimmer. Outdoor/sidewalk dining may be a part of this phase.

Phase 5 covers .69 acres located at the southeast corner of Fulton and Kern Streets. This is the northern half of the former Gottschalks building and is approximately 100,000 square

feet. It may require interior renovations to the existing building on site. This site is not controlled by Noyan/Frazier. Discussions have been started with the owner of the site to possibly enjoin with Phase 5. Any work performed on any of the building's character defining features that form the basis for this building's potential historic significance shall follow the Secretary of the Interior's Standards for the Treatment of Historic Properties with Guidelines for Preserving, Restoring and Reconstructing Historic Buildings or the Secretary of the Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings (1995), Weeks and Grimmer. Proposed adaptive reuse of this building includes 70,000 square feet of retail use and 30,000 square feet of office use. The ground floor of this building is currently being leased for retail use. Outdoor/sidewalk dining may be a part of this phase.

The project is contingent upon the opening of Fulton Street to vehicular traffic. Phasing is subject to change. The subject site is zoned C-4 (*Central Trading District*) and is consistent with the Central Business District planned land use designation of the Fresno General Plan and the Central Area Community Plan. A conditional use permit has been submitted for Phase 1, special permits will be required for Phases 2-5, and a lot line adjustment, lot merger, cross access covenant and/or encroachment agreement may be required.

### GRANT DEED

For valuable consideration, the receipt of which is hereby acknowledged,

CITY OF FRESNO, a municipal corporation ("Grantor"), hereby grants to NOYAN FRAZIER CAPITAL, LLC, a California limited liability company ("Grantee"), the real property ("Property") legally described in Exhibit "A" attached hereto and incorporated herein by this reference.

Consistent with the Disposition and Development Agreement including covenants, conditions and restrictions, ("DDA") dated [\_\_\_\_, 20\_\_] entered by Grantor and Grantee, all incorporated herein by this reference, the Grantee herein covenants by and for itself and its successors, transferees, vendees, administrators, and assigns, and all persons claiming under or through it that:

1. There shall be no discrimination against or segregation of, any person or group of persons on account of any bases listed in subdivision (a) or (d) of Section 12995 of the Government Code, as those bases are defined in Section 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955 and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Property, nor shall Developer or any person claiming under or through him or her, establish or permit any practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the Property.

2. The Grantor may reenter pursuant to a reserved power of termination and take possession of the Property, or part of it, and all improvements on it, terminate the estate conveyed to Grantee by this Grant Deed, and revert the estate in the Grantor if, before recording a Certificate of Completion, as defined in the DDA, any of the following occurs:

a. Grantee does not begin and complete construction on the Property, or part of it, within the times specified and as provide in the DDA; or

b. Grantee abandons or substantially suspends construction on the Property, or part of it, for 30 days after the Grantor gives written notice of the abandonment or suspension; or

c. Grantee assigns or transfers, or suffers an involuntary transfer or any rights or obligations under the DDA, or in the Property, or part of it, in violation of the DDA including assignment provisions therein.

Such right to reenter, repossess, terminate and revest shall be subject to, limited by, and shall not defeat, render invalid or limit: (i) any mortgage, deed of trust or other Security Financing Interest permitted by the DDA; or (ii) any provision of the DDA protecting the holder's Security Financing Interest.

When title to the Property revests in Grantor, Grantor may, but is not required to, use its best efforts to resell the Property to a qualified and responsible party (as determined by the Grantor). The transferee will assume the obligation of completing the development of the Property, satisfactory to the Grantor. Upon any resale of the Property, or part of it, the proceeds shall be applied as follows:

i. First, to reimburse the Grantor for (a) all commercially reasonable costs and expenses incurred (including, without limitation, salaries of personnel) in connection with the recapture/reverter, management and resale of the Property, or part of it, less any income Grantor derived from the Property in connection with the management; (b) all taxes, assessments, and water and sewer charges respecting the Property (or, if exempt due to Grantor's ownership, then such taxes, assessments or charges as would have been payable if the Property were not so exempt); (c) any payments necessary to discharge or prevent any subsequent encumbrances or liens due to obligations, defaults or acts of Grantee, its successors or transferees from attaching or being made; (d) any expenditures made or obligations incurred to complete development of the Property; and any amounts otherwise owing to Grantor from Grantee or by its successor or transferee; and

ii. Second, to reimburse Grantee, its successors or transferee, up to the amount equal to the sum of (a) the purchase price paid to Grantor for the Property; and (b) the out-of-pocket costs incurred to develop and improve the Property, less (c) any gains or income to Grantee from the Property or the improvements on it. Notwithstanding the foregoing, the amount calculated pursuant to this paragraph shall not exceed the price that the Grantee paid the Grantor for the Property plus the fair market value of the improvements on it when the default or failure to cure, which led to the Grantors exercise of the right of reverter.

iii. Any balance remaining after such reimbursement shall be retained by Grantor.

The rights established in this section 2 shall be interpreted considering Grantor's intent to convey the Property to Grantee for development of the Property, and not for speculation in undeveloped land or any other purpose. The rights established in this section 2 shall automatically terminate as to a particular Phase of the Project (as defined in the DDA) upon recording of a Certificate of Completion as to such phase or as to the entire Project when all Certificates of Completion for all phases have been recorded, and, upon request by Grantee, Grantor will promptly execute and record reasonable instruments evidencing the termination of the rights described in section 2.

3. a. Grantee will take all commercially reasonable precautions to prevent the release into the environment of any Hazardous Materials (as defined in the DDA) in, on or under the Property. Grantee will comply with all governmental requirements with respect to Hazardous Materials.

b. Until a Certificate of Completion is recorded as to the Property/portion thereof, Grantee will notify Grantor and give Grantor a copy or copies of all environmental permits, disclosures, applications, entitlements or inquiries relating to the Property including, without limitation, notices of violation, notices to comply, citations, inquiries, clean-up or abatement orders, cease and desist orders, reports filed pursuant to self-reporting requirements, and reports filed or applications made pursuant to any governmental requirement relating to Hazardous Materials and underground tanks. Immediately after each incident, Grantee will report any unusual or potentially important incidents respecting the environmental condition of the Property to Grantor.

c. If a release of any Hazardous Materials into the environment occurs after the date of recordation of this Grant Deed, Grantee will, as soon as possible after the release, furnish Grantor with a copy of any reports relating thereto and copies of all correspondence with governmental agencies relating to the release. Upon request, Grantee will furnish Grantor with a copy of any other environmental entitlements or inquiries relating to or affecting the Property, including, without limitation, all permit applications, permits and reports, including reports and other matters, which may be characterized as confidential.

4. Grantor is the beneficiary of the covenants running with the land for itself and for protecting the interest of the community and other parties, public or private, in whose favor and for whose benefit the covenants are provided, without regard to whether Grantor has been, remains, or is in ownership of any land on the Property/portion thereof. Grantor may exercise all rights and remedies, and maintain any actions or suits at law or in equity or other proceedings to enforce the covenants for itself or any other beneficiaries. The provisions of the DDA which by their terms or nature are intended to survive completion of the Project are fully enforceable under and shall not merge with this Deed, but shall terminate on the recordation of a Certificate of Completion for the Project.

5. If a conflict exists or arises between the provisions of this Deed and the DDA, the DDA shall control.

The obligations of the Grantee hereunder are covenants or conditions running with the land enforceable by Grantor through a reserved right to re-entry and reverter.

IN WITNESS WHEREOF, the Grantor has caused this instrument to be executed on its behalf by its respective officers thereunto duly authorized, this \_\_\_\_\_ day of \_\_\_\_\_, 201\_.

From the date of recordation of this Agreement until the expiration of the Affordability Period, the ten (10) Affordable Units funded under the DDA are to be used as Low Income Affordable Rental Housing and affordable replacement dwellings as provided for in the DDA and this Agreement. Owner agrees to file a recordable document setting forth the Project Completion Date and the Affordability Period as and when determined by the City. Unless otherwise provided in the Agreement, the term “Affordable Rental Housing” shall include without limitation compliance with the following requirements:

Nondiscrimination. There shall be no discrimination against nor segregation of any person or group of persons on account of race, color, creed, religion, sex, marital status, national origin, ancestry, or handicap in the sale, transfer, use, occupancy, tenure, or enjoyment of any of the Property, nor shall Owner or any person claiming under the Owner, establish or permit any practice of discrimination or segregation with reference to the selection, location, number, use or occupancy of owners or vendees of the Property.

The income requirements referenced in this paragraph shall be

referred to collectively as the “Low-Income Requirements.”

Injunctive Relief and Recapture. Should any of the ten (10) Affordable Units constituting Low Income Affordable Rental Housing upon the Property not continue, at the time of initial occupancy, to satisfy the Low-Income Requirements, then, during the Affordability Period, such Unit(s) shall be made available for subsequent lease only to Households that qualify as a required Extremely Low, Very Low-, Lower, or Moderate-Income Household, as defined in California Health & Safety Code Sections 50106, 50105, and 50079.5 for use as the Household's principal residence.

2. Enforcement of Restrictions. Without waiver or limitation, the City shall be entitled to injunctive or other equitable relief against any violation or attempted violation of this Agreement, including the Restrictions, and shall, in addition, be entitled to damages for any injuries or losses resulting from any violations thereof.

3. Income Computation and Certification Reporting Requirements. Prior to each Household's occupancy of an Affordable Unit, Owner shall comply with all of the following requirements:

a. Income Computation. Immediately prior to a Household's occupancy of an Affordable Unit, Owner shall obtain and maintain on file an Income Computation and Certification form, attached hereto as Exhibit “2,” from each such Household dated immediately prior to the date of initial occupancy in the Project by such Household. In addition, the Owner will provide such further information as may be required in the future by the City. Owner shall use its best efforts to verify that the income provided by an applicant is accurate by taking the following steps as a part of the verification process: (i) obtain three (3) pay stubs for the most recent pay periods; (ii) obtain a written verification of income and employment from applicant's current employer; (iii) obtain an income verification form from the Social Security Administration and/or California Department of Social Services if the applicant receives assistance from either agency; (iv) if an applicant is unemployed or did not file a tax return for the previous calendar year, obtain other verification of such applicant's income as is satisfactory to the City; and (v) obtain such other information as may be requested by the City. A copy of each such completed Income Computation and Certification form shall be filed with the City prior to the occupancy of an Affordable Unit by a Household whenever

possible, but in no event more than thirty (30) days after initial occupancy by said Household.

b. **Income Recertification.** Immediately prior to the first anniversary date of the occupancy of an Affordable Unit by a Household and on each anniversary date thereafter, Owner shall recertify the income of such Household by obtaining a completed Income Computation and Certification form based upon the current income of each occupant of the Affordable Unit.

In the event the recertification demonstrates that such Household's income exceeds the income at which such Household would qualify to rent the Affordable Unit, such Household will no longer qualify for Affordable Rent. Owner shall provide the City with a copy of each such completed recertification with the next submission of Certificate of Continuing Program Compliance, as specified herein.

c. **Certificate of Continuing Program Compliance.** Upon the issuance of the Certificate of Completion and annually by October 31 of each year, or at any time upon the written request of City, Owner shall advise the City of the occupancy of the Project by delivering a Certificate of Continuing Program Compliance, attached hereto as Exhibit "3," certifying: (i) the number of Affordable Units of the Project which were occupied or deemed occupied pursuant to this Agreement by a Household during such period; and (ii) to the knowledge of Owner either: (a) no unremedied default has occurred under this Agreement; or (b) a default has occurred, in which event the Certificate of Continuing Program Compliance shall describe the nature of the default and set forth the measures being taken by the Owner to remedy such default.

d. **Maintenance of Records.** Owner shall maintain complete and accurate records pertaining to the Affordable Units, and shall permit any duly authorized representative of the City to inspect the books and records of Owner pertaining to the Project including, but not limited to, those records pertaining to the occupancy of the Affordable Units.

e. **Reliance on Tenant Representations.** Each lease between Owner and a Household shall contain a provision to the effect that Owner has relied on the income certification and supporting information supplied by the Household in determining qualification for occupancy of the Affordable Unit, and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease.

4. Acceptance and Ratification. All present and future owners of the Property and other persons claiming by, through, or under them shall be subject to and shall comply with the above Restrictions. The acceptance of a deed of conveyance to the Property shall constitute an agreement that the Restrictions, as such may be amended or supplemented from time to time, is accepted and ratified by such future owners, tenant or occupant, and such Restrictions shall be a covenant running with the land and shall bind any person having at any time any interest or estate in the Property, all as though such Restrictions were recited and stipulated at length in each and every deed, conveyance, mortgage or lease thereof.

5 Benefit. This Agreement and the Restrictions herein shall run with and bind the Property for a term commencing on the date this Agreement is recorded in the Office of the Recorder of the County of Fresno, State of California, and expiring upon the expiration of the Affordability Period. The failure or delay at any time of City and/or any other person entitled to enforce these Restrictions shall in no event be deemed a waiver of the same, or of the right to enforce the same at any time or from time to time thereafter, or an estoppel against the enforcement thereof.

6. Costs and Attorney's Fees. In any proceeding arising because of failure of Owner or any future owner of the Property to comply with the Restrictions required by this Agreement, as may be amended from time to time, City shall be entitled to recover its respective costs and reasonable attorney's fees incurred in connection with such default or failure.

7. Waiver. Neither Owner nor any future owner of the Property may exempt itself from liability for failure to comply with the Restrictions required in this Agreement.

8. Severability. The invalidity of the Restrictions or any other covenant, restriction, condition, limitation, or other provision of this Agreement shall not impair or affect in any manner the validity, enforceability, or effect of the rest of this Agreement and each shall be enforceable to the greatest extent permitted by law.

9. Pronouns. Any reference in this Agreement and the Restrictions herein to the masculine, feminine, or neuter gender herein shall, unless the context clearly requires the contrary, be deemed to refer to and include all genders. Words in the singular shall include and refer to the plural, and vice versa, as appropriate.

10. Interpretation. The captions and titles of the various articles, sections, subsections, paragraphs, and subparagraphs of this Agreement are inserted herein for ease and convenience of reference only and shall not be used as an aid in interpreting or construing this Agreement or any provision hereof.

11. Capitalized Terms. All capitalized terms used in this Agreement, unless otherwise defined herein, shall have the meanings assigned to such terms in the DDA.

12. Amendments. This Agreement shall be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the County of Fresno.
