Solutions**

Social Vocational Services, Inc.

Social Vocational Services (SVS) is a California non-profit organization incorporated in 1978. It believes in market-based solutions that benefit both its clients with developmental disabilities and businesses alike.

With over thirty years of experience, SVS has mastered the art of matching your employment needs with a highly motivated and dependable workforce.

SVS provides highly cost effective *Personnel Leasing Agreements*, and a dedicated, loyal workforce with minimal absences. Workers' Compensation Insurance is covered by SVS as part of the leasing agreement.

Supervision of SVS workers is provided by a Job Coach. They transport, supervise, train and assist workers on the job, at no cost to employers. As a side benefit to your company, working with SVS adds diversity and appreciable "goodwill" to your place of business.

A Sensible Business Choice

SVS job crews consist of three or more workers and one or more Job Coaches who provide training and fulltime supervision. Job Coaches work alongside crews to ensure job completion and satisfaction.

SVS takes care of all payroll responsibilities, Workers' Compensation Insurance, and oversees quality control.

Customized Work Hours

SVS Crews can work days and hours customized to fit the needs of businesses. Our clients can work 2-hour shifts once or twice a week to as much as 8-hour shifts five days a week.
