Character, experience, reputation, judgment	Well-known concession provider that focuses on minor- league baseball	Well known concessionaire providing services to a variety of venues throughout the country	Well known concessionaire providing services to a variety of venues throughout the country	Well known concessionaire providing services to a variety of venues throughout the country	Locally well known concession provider.
Financial Resources/ Financial Responsibility	Strong finances, in partnership with restaurateur based in the U.K.	Adequate finances to address proposed commitment.	Strong finances, part of an entertainment conglomerate	Strong finances, part of an entertainment conglomerate	Good finances, but would stretch their financial capability to assume this contract
Operational Plan	Very strong, well- conceived operational plan that focuses on Fresno.	A good operational plan that seems a bit light on management.	Very good plan that reflects the fact they've been the incumbent for several years.	Good plan. However, they make mention of using local vendors but don't list them in their concession offerings.	Would require Pardini's to almost double in size if they were awarded the contract.
