Each bidder has agreed to allow the City sixty-four (64) days from date bids are opened to accept or reject their bid proposal. Purchasing requests that you complete the following sections and return this bid evaluation to the Purchasing Division at the latest by Monday, April 21, 2017, 5:00 P.M.

The Engineer's Estimate for this expenditure is \$380,085. The contract price is 20% above the Engineer's Estimate. If the overage is greater than 10% or only one bid was received, give explanation:

Pricing of general construction items have increased over the last year or so, and the construction industry is becoming overwhelmed with bid opportunities on the market therefore enabling the contractors to submit higher bids.

BACKGROUND OF PROJECT (To be completed by Evaluating Department/Division. Explain need for project/equipment):

The City of Fresno Parks, After School, Recreation and Community Services (PARCS) Department wishes to build a splash pad within the existing Mosqueda Park. Mosqueda Park is a well-attended park; the proposed splash pad will be a welcome addition to provide the surrounding neighborhood children relief from the summer heat while providing family fun in a safe location.
