Subject: Cities in Fresno County - displaying IN GOD WE TRUST.

IN GOD WE TRUST-AMERICA, INC.

Dear Fresno, Thank you for your interest in displaying **IN GOD WE TRUST** in your chamber.

Seven (7) cities in your county, below, in **RED**, have already "**Voted Yes**" and are now displaying our National Motto. Their contact info and "**Yes Vote**" dates are listed below.

After you have "**Voted Yes**" – perhaps you can encourage your county and the other cities in your county to follow your lead. It will be wonderful if your entire county can proudly and prominently display **IN GOD WE TRUST** in their chambers..

I welcome you to call, if I can help in any way.

Jacquie Sullivan, 661-332-3492

Thanks You.
