Exhibit B

The State of California Budget Act of 2016, Chapter 23, Statutes of 2016, allocates \$20 million to cities to increase positive outcomes between municipal law enforcement and high-risk populations. The State Controller's Office is authorized to disburse these funds according to a schedule provided by the Department of Finance. As stipulated in Provision 1 of Item 5227-102-0001 of the Budget Act of 2016, the fiscal year 2016-17 awards were determined based on a combination of factors, including the size of police departments in each county and mental health and homeless population data. Consistent with historical practice for this grant, your city is the fiscal agent for local disbursement. Disbursement of these funds shall be the collective decision of the city police departments within your county.

Provisions 2 and 3 listed below are specific to year 5 funding and are mandated by the State of California. Each agency must comply with provisions 2 and 3 in order to receive reimbursements of grant funding from the City of Fresno, acting as the fiscal agent for this grant.

Provision 2 states, "Local law enforcement agencies may use the funds to supplement, not supplant, the following:

- (a) Homeless outreach teams.
- (b) Crisis Intervention Training for officers.
- (c) Gang Resistance Education and Training (GREAT).
- (d) Resources for drug endangered children.
- (e) Outreach to high-risk youth.
- (f) Youth diversion programs.
- (g) Gang and violence prevention programs."

Provision 3 requires agencies that receive funding to report the following, as applicable:

- (a) The number of new teams established, or planned to be established.
- (b) The type of training and the number of peace officers trained, or planned to be trained.
- (c) The type of equipment or resources that were purchased, or planned to be purchased
