CONDITIONAL USE PERMIT FINDINGS

FINDINGS PER FRESNO MUNICIPAL CODE SECTION 15-5306	
The Director or Planning Commission may only approve a Conditional Use Permit application if it finds that the application is consistent with the purposes of this article and with the following.	
<i>a. The proposed use is allowed within the applicable zoning district and complies with all other applicable provisions of this Code and all other chapters of the Municipal Code;</i>	
Finding a:	Conditional Use Permit Application No. C-17-044 will comply with all applicable codes, including landscaping, walls, etc., given that the special conditions of project approval will ensure that all conditions are met with the exception of those permitted to be modified as part of an Affordable Housing incentive or concession.
<i>b. The proposed use is consistent with the General Plan and any other applicable plan and design guideline the City has adopted;</i>	
Finding b:	The proposed development is consistent with the proposed Fresno General Plan and Edison Community Plan designation of Medium Density Residential.
<i>c. The proposed use will not be substantially adverse to the public health, safety, or general welfare of the community, nor be detrimental to surrounding properties or improvements;</i>	
Finding c:	The Development and Resource Management Department has determined that the proposed use will not be detrimental to the public welfare or be injurious to property or improvements in the area in which the property is located if developed in accordance with the various conditions/requirements established through the related conditional use permit application review process.
<i>d. The design, location, size, and operating characteristics of the proposed activity are compatible with the existing and reasonably foreseeable future land uses in the vicinity; and</i>	
Finding d:	The site is vastly surrounded by residential and public facility uses and is developed at an allowable density under the Fresno General Plan. The proposed development is of comparable scale, character to surrounding area residential neighborhoods.
<i>e. The site is physically suitable for the type, density, and intensity of use being proposed, including access, emergency access, utilities, and services required.</i>	
Finding d:	The site is vastly surrounded by residential uses and is developed at an allowable density under the Fresno General Plan; and the project must comply with applicable codes, including, landscaping, walls, etc., and conditions from other City Departments and outside agencies.
