RE: Ms. Mary Esther Correa

To whom it may concern,

I have known Ms. Correa for 14 years. On both a personal and professional level. I can tell you that there is no one of higher quality and reputation living in our state than Ms. Correa.

Personally, she helps out each week at the church; we collect and count the money together. She is instrumental in various church ministries to include being the driving force behind "Our Lady of Guadalupe" mass and celebration.

Professionally, as a realtor, I have worked with her and I have found her to be fair to a fault. She is known for having too soft a heart and giving renters a "break" which often comes back to bite her in the form of unpaid rent. I have helped her in some of these cases myself, she has a soft spot for helping others and a good heart. Unfortunately, in this day and age, many folks try to exploit Ms. Correa's kindness for their own financial gain.

In closing, I am proud to call her a personal friend. She has been to my home, I know her very well and know she is an upstanding and outstanding citizens always looking to help other people, particularly the less fortunate.

Sincerely,

Bob McDermott  
State Representative
