Upon approval by the city, other than the modifications set forth herein, the parties agree that until this MOU terminates on June **23, 2019**. All economic benefits currently afforded to affected members shall remain intact without modification unless otherwise agreed to in writing by the parties.

1.2 DEFINITIONS

Unless the particular provision or the context otherwise requires, and, except to the extent that a particular word or phrase is otherwise specifically defined in this MOU, the definitions and provisions contained in Article 3 of Chapter 1, Sections 3-101, 3-201, 3-301, and 3-603 of the Fresno Municipal Code, (hereinafter FMC), shall govern the construction, meaning, and application of words and phrases used herein. The definition of each word or phrase shall constitute, to the extent applicable, the definition of each word or phrase or from which it is a derivative.

1.3 GOVERNING LAWS

The employer-employee relationship between the City and its employees and the City and the Association is governed by Chapter 10 of Division 4 of Title I of the Government Code (Section 3500 et seq., commonly known as the Meyers-Milias-Brown Act), applicable provisions of the Public Employment Relations Board (PERB), the Public Safety Officers Procedural Bill of Rights Act (POBOR), as may be amended from time to time, and Article 6 of Chapter 3 of the FMC. In the event of any conflict between said laws and this MOU, or in the event of conflicts in interpretation, said laws shall govern.

CHAPTER 2

2.1 GENERAL - EMPLOYEE RIGHTS

Except as otherwise provided in this MOU, the rights of employees include those set forth in FMC Section 3-604, and said section presently reads as follows:

"Employees shall have the right to form, join and participate in the activities of employee organizations of their own choosing for the purpose of representation on all matters of employer-employee relations including, but not limited to, wages, hours, and other terms and conditions of employment. Employees shall have the right to refuse to join or participate in the activities of employee organizations and shall have the right to represent themselves individually in their employment relations with the City. No employees shall be interfered with, intimidated, restrained, coerced, or discriminated against by the City or by an employee or an employee organization because of his exercise of any of these rights. No management employee or confidential employee shall act as a representative of any employee organization which represents employees other than management employees or confidential employees."

2.2 EMPLOYEE RESPONSIBILITIES

All employees in the Non-Supervisory Police Unit, hereinafter Unit, acknowledge that the City shall consider the positions and proposals of the Association as the meet and confer positions and proposals of all employees, individually and collectively, in said Unit.

Said agreement shall comply with all statutory and judicial requirements, and contain a provision that the member has been advised of the member's right to consult an attorney and/or local, state, or federal anti-discrimination agency regarding the member's discrimination claim and that the member's consent to the agreement is voluntary and knowing.

back” a portion of a member’s retirement benefit that was awarded to a non-member ex-spouse in a Domestic Relations Order (DRO) and a cash distribution was taken by the non-member ex-spouse. Any change to the FMC in this regard would proceed only if there is no adverse impact to either the City of Fresno Fire and Police Retirement System (Tiers 1 and 2) or the City of Fresno’s employer contribution rates (e.g., it will be cost-neutral to Tiers 1 and 2 and the City of Fresno, and will not jeopardize in any way the Systems’ tax-qualified status under the Internal Revenue Code).

- (e) The cost of the actuarial studies will be shared equally by the City and the Association.

7.2.03 DROP Participants and Retirees

- (1) Retirement/DROP - It is the intent of this Section 7.2.03 to hold members harmless from any negative impact from the following deferred salary increases. Therefore, the deferred salary increases listed in this subsection (1) below shall be included, if appropriate, in any retirement benefit or DROP calculations pursuant to the applicable FMC sections for members who separate from City service by service retirement or by disability retirement, or enter DROP.

Effective January 1, 2011, One percent (1%)

Effective July 1, 2011 Two percent (2%)

Effective January 1, 2012, One percent (1%)

- (2) With respect to Section 7.2.03 (1), members who retire or enter DROP and are credited with the January 1, 2011, July 1, 2011 and January 1, 2012 deferred salary increases in their retirement benefit or DROP calculation shall not be entitled to also add the July 1, 2014 and July 1, 2015, salary increases set forth in Section 7.2.01 to their retirement benefit or DROP calculation.

- (5) In accordance with FMC Sections 3-411 and 3-424, should the CPI percentage for the more recent full calendar year decrease below the CPI percentage for the full calendar year immediately prior, that percentage decrease shall not be used to reduce retirement allowances or deposits to the members' DROP account. It shall instead be used to reduce any previously banked cost of living increases. Any decreases in excess of the members'/retirees' cost of living banks shall be accumulated in the bank and offset by future cost of living increases as occurring in succeeding years.

§ deleted

- (6) Tier 1 DROP participants and Tier 1 retirees were previously granted a total of four percent (4%) in cost of living increases based on the salary deferral language in the previous MOU only; deferrals included a one percent deferred pay increase in January 1, 2011, a two percent in July 1, 2011, and a one percent in January 1, 2012.

On July 1, 2014, active employees received a two percent (2%) salary increase which offset two percent (2%) of the four percent

(4%) deferred salary increases that were credited previously as cost of living increases. The remaining two percent (2%) deferred cost of living increase for Tier 1 DROP participants and retirees will be offset by the July 1, 2015 salary increase in Section 7.2.01(1) of this MOU.

The cost of living calculation for Fiscal Year 2017 (7/1/15 – 6/30/16) for Tier 1 DROP participants and Tier 1 retirees will include the December 31, 2016 salary increase in Section 7.2.01(3) in the calculation in accordance with the normal calculations of cost of living calculations.

Members who separate City employment and return within one (1) year of such separation will be entitled to reinstatement of unused Sick Leave balances at the time of separation from City employment, up to a total of forty-eight (48) hours.

7.12.02 Retirement Attendance Incentive at the Time of Election to Retire or Enter the Deferred Retirement Option Program (DROP) - A Tier 1 or Tier 2 employee who meets the criteria as outlined below, will receive only one of the following benefits based on whether or not the employee enters the DROP program before retiring from City employment.

- (1) Election into DROP Program - For a Tier 1 or Tier 2 employee who has reached the minimum retirement age and has elected to enter the DROP Program, the calculation of the member's monthly DROP amount shall include an amount equal to forty percent (40%) of the member's unused sick leave as if it were a one-time-payment at the hourly base rate of pay in effect for the member as of the DROP entry date. The member's pension contribution on this amount will be calculated as of the date of DROP entry by multiplying the lump sum described above in this subparagraph by the member's pension contribution rate, and that amount will be deducted from the member's DROP account. The City will also be required to make a corresponding pension contribution to the retirement system based on the additional pensionable compensation created by the Retirement Attendance Incentive.
 - (a) Tier 2 Members Participating in DROP - For those members who entered the DROP program prior to July 1, 2006, the DROP account balance and monthly deposit amounts shall be recalculated to include an amount equal to forty percent (40%) of the member's unused sick leave balance as of the member's DROP date times his/her base rate of pay in effect at the date of entry into DROP.
- (2) Election Not to Enter DROP - For a Tier 1 or Tier 2 member who has reached the minimum retirement age and who retires from the City for service or for disability without entering DROP, an amount equal to forty percent (40%) of the member's unused sick leave balance shall be included in the computation of the member's retirement allowance as if it were a one-time-payment at the hourly base rate of pay for the employee in effect at the date of retirement. The member and the City will make a corresponding pension contribution to the retirement system based on the additional pensionable compensation created by the Retirement Attendance Incentive. The member's retirement contribution will be calculated as of the date of retirement by multiplying the lump sum described above in this subparagraph by the employee's pension contribution rate and the employee agrees to have this amount withheld from the employee's first retirement benefit payment from the Retirement System as the employee's retirement contribution for this additional amount of pensionable compensation.

This provision shall not apply to members who retire prior to age 50 due to a disability or to former members that have separated from City service prior to reaching the minimum retirement age and have elected a Deferred Vested status in the City of Fresno Fire & Police Retirement System.

- (3) Retirement Attendance/Health Incentive - At service retirement or at a disability retirement of a Tier 1 or Tier 2 member who is otherwise eligible for service retirement, and will be credited for unused sick leave in accordance with the provisions of Section 7.12.03 below.
- (4) Hourly base rate shall be the equivalent of the monthly salary for the employee as provided in Exhibit I, multiplied by twelve (12) months then divided by 2,080 hours.

7.12.03 Health Reimbursement Arrangement (HRA)

The City currently maintains a Health Reimbursement Arrangement (HRA) that qualifies as a "health reimbursement arrangement" as described in Internal Revenue Service (IRS) Notice 2002-45 and other guidance published by the IRS regarding HRAs. The City agrees to maintain the HRA such that it will continue to qualify as a "health reimbursement arrangement" for the term of the MOU.

At separation from permanent employment with the City of Fresno by service retirement or at disability retirement if the member is otherwise eligible for service retirement, the value of the member's accumulated sick leave shall be credited to an account for the employee under the HRA such "value" shall be determined as follows:

- The number of accumulated sick leave hours at the time of retirement multiplied by 50% of the member's then current hourly base rate of pay.
- For employees hired before September 11, 2014, and any employee who does not enter DROP, all accumulated sick leave hours multiplied by 50% of the employee's then current hourly base rate of pay at the time of retirement, except that an employee who retires within sixty (60) calendar days of receipt by the City of Fresno Fire & Police Retirement System of an application for disability retirement if otherwise eligible for a service retirement by, or on behalf of the employee, or an application for service retirement (not having submitted an application for disability retirement) shall have all accumulated

sick leave hours upon retirement multiplied by eighty (80%) of the employee's then hourly rate of pay.

- For employees in DROP hired on or after September 11, 2014, accumulated sick leave hours multiplied by 50% of the employee's then current hourly base rate of pay at the time of retirement, except that the accumulated sick leave hours shall not exceed the number of sick leave hours which the employee had at the time of entry into DROP.
- Employees in DROP hired on or after September 11, 2014, who retire within sixty (60) calendar days of receipt by the City of Fresno Fire & Police Retirement System of an application for disability retirement if otherwise eligible for a service retirement by, or on behalf of the employee, or an application for service retirement (not having submitted an application for disability retirement), shall have all accumulated sick leave hours upon retirement multiplied by eighty (80%) of the employee's then hourly rate of pay, except that the accumulated sick leave hours shall not exceed the number of sick leave hours which the employee had at the time of entry into DROP.
- The total number of all accumulated holiday leave hours at the time of separation for retirement purposes shall be paid at the member's then current hourly base rate of pay.
- The hourly base rate of pay shall be the equivalent of the monthly salary for a member as reflected in Exhibit I, multiplied by twelve (12) months then divided by 2,080 hours.

At the City's option, HRA accounts may be book accounts only. A book account means that no actual trust account shall be established for any member. Each HRA book account shall be credited on a monthly basis with a rate of earnings equal to the yield on the City's Investment Portfolio (provided that such yield is positive).

The HRA accounts shall be used solely to pay premiums for medical insurance (including COBRA premiums) covering the participant, the participant's spouse (or surviving spouse in the event of the death of the participant), and the participant's dependents. Once a participant's account under the HRA has been reduced to \$0, no further benefits shall be payable by the HRA. If the participant, the participant's spouse, and the participant's dependents die before the participant's account under the HRA has been reduced to \$0, no death benefit shall be payable to any person by the HRA.

While this provision is in effect members shall not be allowed to cash out any accumulated or accrued sick leave at retirement.

Upon each anniversary date of the MOU, the Association may amend the HRA provisions of this MOU to include a provision requiring all members of the Association to convert an agreed upon amount of accrued vacation leave to the HRA.

7.12.04 Family Sick Leave:

Effective October 1, 2014, members shall be allowed up to * * * **forty-eight (48)** hours of accrued sick leave per fiscal year for Family Sick Leave. Family Sick Leave shall be used only for those purposes defined in the California Labor Code Section 233. Use of Family Sick Leave shall be authorized and recorded by a department head or designee.

7.12.05 Vacation Leave:

- (1) Effective **July 1, 2017**, members shall accrue vacation leave hours for each completed calendar month of employment as reflected in the table below. (Pursuant to Section 6.3.01, each Officer's applicable accrual rate will be reduced monthly by .583333 hours for Association time bank purposes.) Members with less than 15 years of continuous employment are allowed to accrue * * * **300** hours of vacation leave, and members with 15 years or more of continuous employment are allowed to accrue * * * **400** hours of vacation leave.

- (2) No member's vacation accumulation shall cease due to refusal by the City to grant vacation leave prior to the member reaching the

vacation accrual cap applicable to the member's position and length of service. In the event a member requests in writing vacation leave one month prior to the month in which the cap would be reached, and such request is refused, the Chief of Police or designee shall extend the member's accrual cap for ninety (90) days, during which time the member shall be scheduled for vacation leave sufficient to reduce the member's balance below the accrual cap. Request for extensions under this section may be denied if the member failed to sign up for and take his/her maximum accrued annual vacation leave during dates which were available for that purpose.

- (3) Holiday leave banks are capped at 96 hours. Members who are at the 96 hour cap will receive an automatic pay down of any hours exceeding the cap.
- (4) On July 1, 2011, all holiday leave balances in excess of 96 hours were placed as a one-time deposit in a "Special Holiday Leave Bank", which hours may be used as follows:

Special Holiday Leave Bank

- (a) Approved leave;
- (b) Absent With Substitute (AWS) agreements transferred only to the substituting employee's regular holiday bank;
- (c) Voluntary cash-out of forty-three (43) hours each FY beginning in FY14; and,
- (d) Voluntary cash-out of one-hundred (100) hours immediately prior to separation and prior to the employee filing retirement paperwork.

Employees may not place any additional hours in the Special Holiday Leave Bank.

At separation from City service, all remaining hours in the Special Holiday Leave Bank shall be credited to an HRA account for the employee if eligible for service retirement as set forth in Section 7.12.03, or cashed out at separation if not eligible to participate in the HRA.

Cash-outs of Special Holiday Leave Bank hours are pensionable for Tier 2 members.

- (5) Effective July 1, 2012 through June 30, 2015, members may voluntarily request the department to pay down the member's Holiday Time up to a maximum of ninety-six (96) hours per fiscal year.

- (6) Effective July 1, 2015, members may voluntarily request the department to pay down the member's Holiday Time up to a maximum of ninety-six (96) hours per month.

Based on the additional pensionable compensation, the member and the City will make corresponding pension contributions to the retirement system. The employee agrees to have this pension contribution amount withheld from the employee's DROP account, if entering DROP, or from the employee's final paycheck (not having entered DROP.)

7.12.07 Family Events:

In the event a member requests paid time off (vacation, CTO, or holiday time) not less than two weeks in advance to attend a major family or social event (wedding, birthday, etc.) and permission is granted to attend such event, the permission for time off shall not be cancelled, except in event of emergency. An emergency is defined as circumstances beyond the control of the City and not having been known 48 hours in advance of the circumstance creating the emergency.

7.12.08 Guaranteed Leave:

- (1) Two times during each matrix semester period, personnel assigned to the patrol matrix may submit a request for guaranteed leave, which request will be honored, subject to the following conditions and procedures:

No more than eight (8) guaranteed leave requests will be honored for any single date. This limit applies city-wide, and for all shifts combined.

Guaranteed leave requests may not be submitted for Christmas Eve, Christmas Day, New Year's Eve, New Year's Day, Thanksgiving Day, and the day after Thanksgiving, and July 4th.

Requests must be submitted no less than fifteen (15) calendar days before the date requested to be off, but no more than sixty (60) calendar days before the date requested to be off.

Requests are to be submitted to the Duty Office, to be date and time stamped by Duty Office personnel when received. Requests will be honored on a first-come, first-served basis, to the above stated maximum of five.

Guaranteed leaves may be taken using vacation time only.

Guaranteed leaves may only be for one (1) work shift per request.

Once submitted, guaranteed leave slots may not be transferred from one member to another.

- (2) The Duty Office will be responsible for tracking members' usage of guaranteed leave requests. Once a member submits a guaranteed leave request, the member may cancel the time off, but the request will still count as one of their allowable requests during the semester period, unless the member cancels thirty (30) calendar days prior to the requested date(s).
- (3) The department will establish a \$100,000 fund for each remaining fiscal year of this MOU, for payment of overtime costs associated with the granting of guaranteed leave. The \$100,000 shall be split into two equal portions for July 1st through December 31st, and for January 1st through June 30th, for each fiscal year. Should overtime costs to backfill guaranteed leave not consume the \$50,000 in any semester of a fiscal year, the excess will be carried over and added to the fund for the following semester, and consideration will be given to increasing the number of allowable requests during following semesters. Any such increases must be with mutual agreement of the department and Association.
- (4) Should overtime costs to backfill guaranteed leave consume the \$50,000 during a semester, or the \$50,000 and any carry-overs during any subsequent semester, guaranteed leave requests will not be accepted for the remainder of the affected semester.

7.12.09 Vacation Leave Bidding:

Simultaneously with the bidding for shift assignments in the Patrol Division, during the month of December for each fiscal year during the term of this MOU and at least fifteen (15) days prior to January 1 of each year, all covered members may bid to schedule vacation, according to date of hire as a Police Officer, or in the case of Sergeant, the date of promotion. A member may bid to schedule vacation in an amount equal to the maximum vacation leave time accrued by that member for the fiscal year. At the time of the bidding process, a member has the option to bid for a one time use of the maximum vacation leave time accrued or may choose to schedule two (2) separate vacation periods. If a member chooses to schedule two (2) separate vacation periods, he/she may participate in a second bidding process to occur following the completion of the initial bidding. **If, after a member participates in the second bidding process, they retain additional accrued vacation leave balances, they may participate in a third bidding process immediately after the second.** This second and third bidding process shall also be governed by seniority as stated above and be limited to the remaining vacation leave time accrued for that fiscal year. Said vacations shall be scheduled to be taken between February 1 immediately following the bidding process and the next January 31st and may be scheduled to coincide with the member's regular days off.

Should the member later decide to schedule vacation in an amount in excess of that accrued during that fiscal year, the decision to allow such additional vacation time shall be at the discretion of the department.

7.12.10 Requests for Leave of Absences:

Requests for leave of absence should be submitted at least 24 hours in advance to increase the likelihood of being approved.

All shifts will include a paid thirty (30) minute meal break. * * * Members **are encouraged to notify their supervisor** * * * if they are unable to take a meal break. **Supervisors should make an effort to ensure members have a meal break.** * * * Meal breaks

may not be taken within the first and last hour of a shift without supervisor approval.

- (2) Based on the needs of or significant benefit to the department, the Chief of Police may apply a "5/8", "**4/10**", or "**3/12**" schedule to specified units outside of patrol matrix duties, either:

With the concurrence of the affected personnel, or

With thirty (30) days notice to affected personnel, on the condition that said affected personnel who wish to remain on a 4/10 schedule will be allowed to return to a patrol shift consistent with their seniority. In addition, affected members may be considered, at management's discretion, for transfer to another special unit with a 4/10 schedule.

- (3) Members who are assigned to **attend** training may be assigned on a 5/8 basis, to accommodate the training schedule. The department will make every effort not to schedule any member to training which will conclude immediately prior to the member's four or five-day work period.

§ deleted

7.13.02 Patrol Work Schedule/Matrix:

- (1) A 4/10 work week will be in effect for personnel assigned to day and swing shifts on patrol matrix duties. The base work schedule for members assigned to the midnight shift on patrol matrix duties will consist of a work week of five (5) ten-hour days followed by a week of three (3) ten hour days or vice-versa, with a total of six (6) days off during the two work weeks. This schedule may be cancelled by the City following sixty (60) days written notice to the Association, at which time members would revert to the 4/10 work week. The decision to discontinue this work schedule and revert back to the 4/10 work week is not appealable or grievable.
- (2) Subject to meet and confer, the implementation of the base work schedule for members assigned to day and swing shifts on patrol matrix duties may be changed to the same work schedule of the midnight shift as set forth in Subsection (1) above. Once implemented, the schedule may be cancelled by the City as also set forth in Subsection (1), above.

- (3) Scheduling will consist of both fixed days on and off as well as rotation of days on and off. No member shall be scheduled to work for more than forty (40) hours in any work week.
- (4) A minimum of 20% of the available positions will be assigned to fixed days on and off, and all other positions will have rotating days on and off. Members with rotating days off will be scheduled for four days on and four days off for three weeks, followed by five days on and three days off, for four weeks, etc.
- (5) Patrol Matrix sign-ups are in the month of December. Every 12 months, all work assignment positions in the patrol matrix shall be declared open for the purpose of bidding by Sergeants, Specialists, and Officers according to date of hire as a Police Officer, or in the case of Sergeant, the date of promotion, for the district preference, shift assignment, and days off and on. For the purpose of bidding, Sergeants will precede Officers/Specialists.
- (6) Personnel assigned to patrol who are on injury, **long-term absence**, or other absence status seven days prior to bidding will not be **counted as part of the personnel assigned to the patrol matrix and will not be** allowed to participate in matrix sign ups.
- (7) At the time of bidding, the number of shifts available for Officer/Corporal/Specialist/Sergeant bid shall be equal to the number of member positions allocated to the patrol matrix. Personnel assigned to patrol who are on injury, **long-term absence**, or other absence status shall not sign up for a patrol shift, **and for purposes of staffing, shall not be considered as currently assigned to the patrol matrix.** Upon return of a member to patrol duty status, the member * * * **may** make a selection from the original matrix commensurate with the member's **seniority** for shift/district * * * **subject to the needs of the department.** * * *
- (8) Nothing in the preceding sub-sections precludes moving probationary employees.
- (9) Assignments as a result of the bidding process will begin on the first day of the first pay period following January 1st of each year. During the 12-month assignment cycle, if a hardship exists, a special request for a change in district and/or shift can be submitted. A member may submit one request during a twelve month assignment cycle. The request will be considered based on

the needs of the department. A response will be issued to the member within thirty (30) calendar days. Barring a training need, approved requests may be honored once a vacant position that addresses the hardship becomes available.

- (10) Probationary Police Officers, Sergeants or Recruits may not be permitted to bid for positions but may instead be assigned to a district, shift and detail. With a * * * **14 calendar day** notice, these Officers may also be subject to district and shift reassignment.
- (11) Police management reserves the right to designate specific detail numbers for probationary Officers and Recruits. * * * **Police** management may also designate certain detail numbers as “not available for sign-up” based upon the anticipated deployment of any Officers or Recruits in the Training Program at the time of the matrix bidding.
- (12) Police management reserves the right to designate specific detail numbers for probationary Officers and Recruits to prevent the concentration of probationary personnel on any given shift in a given district. Any such allocation will apply only to swing, lap, and/or midnight shifts, and will be accomplished in such a manner as to ensure balance of probationary employees between policing districts and shifts. Subject to the aforementioned considerations, police management may also designate certain detail numbers as “not available for sign-up” based upon the anticipated deployment of any Officers or Recruits in the Patrol Training Program at the time of the matrix bidding.

7.13.04 Duty Office:

- (1) Officers assigned to the Duty Office may be scheduled to work a modified “3/12” schedule consisting of three (3) twelve (12) hour work shifts one week, followed by three (3) twelve (12) hour work shifts and one (1) eight (8) hour work shift the next, or vice versa.
- (2) Officers working in the Duty Office not scheduled on a “3/12” basis will be scheduled on a “4/10” basis.

- (3) Work schedules will contain specific hours and day off patterns established and/or modified by agreement of Police Department Management, acting on behalf of the City, and the Association, acting on behalf of the affected members.
- (4) Hours worked in excess of the scheduled eight (8), ten (10) or twelve (12) hour work shift, or in excess of the scheduled thirty-six (36), forty (40) or forty-four (44) work week, will be compensated as overtime.
- (5) Either the City or the Association may discontinue this section with thirty (30) days written notice to the other party. The decision to discontinue this agreement is not grievable or appealable. Discontinuation of this section will result in the reinstatement of all schedule and overtime provisions existing in the current MOU.

7.13.05 Non-Minimum Staffing - Flexing of Hours:

To accommodate the personal needs of members and to create the best working environment, given the context of a police department whose primary goal is service to the community, members assigned to non-minimum staffing units may request and be assigned flexible hours of work. The member's Supervisor may adjust hours of work under the following conditions:

- (1) The operational needs of non-minimum staff unit shall be the primary concern for a Supervisor when determining a request for flexing of hours.
- (2) A Supervisor may grant a member's request to flex hours up to one (1) hour before or after the standard shift hours beginning at 0700 and ending at 1730.
- (3) The occasional granting of a flex schedule pursuant to this subsection will be only for specific qualified purposes as determined by a Supervisor. Examples of a specific qualified request by a member may include attending his or her child's baseball game, a doctor's appointment, meeting someone who is arriving at the airport, or some other qualified event.
- (4) Granting a long-term flex schedule shall require concurrence of the Bureau Commander. Examples of the need for a long-term flex schedule may include home nurse care for a spouse and the need to relieve the care giver, circumstances involving a "special needs" child, continuing education, or some other qualified event.

- (5) A Supervisor may require the members to decide amongst themselves who is to be granted a flex schedule. The decision by the members shall be by mutual agreement. If the members are unable or unwilling to make such decision, the Supervisor shall have the discretion to make whatever decision he or she deems appropriate.
- (6) With the concurrence of the Bureau Commander and in lieu of granting a flex schedule, a Supervisor may offer to a member the option of a fixed 5/8 schedule with the hours of 0730 to 1600, for a minimum of thirty (30) days.
- (7) In order to meet departmental operational and service needs, a Supervisor may terminate, at any time, a member's flexed schedule upon thirty (30) days written notice to the affected member. The decision to discontinue a flex hour schedule is not appealable or grievable.

7.13.06 **Staffing Software * * ***

The department and FPOA agree to create preferred staffing in lieu of minimum staffing. Preferred staffing is defined as a staffing level for patrol matrix shifts and policing districts determined by the Chief of Police or his/her designee that meets the needs of the department, the safety needs of the community, and follows the terms and conditions set below. Preferred staffing will be reviewed annually, with the department and FPOA meeting no less than thirty (30) days prior to the annual patrol matrix signups. Both the department and the FPOA must agree to continue preferred staffing or the MOU will revert back to the prior minimum staffing language.

The department may utilize * * * **staffing software** in the deployment of patrol personnel (policing districts). Deployment is inclusive of the number and scheduling of shifts, the number and configuration of policing districts, members assigned to each shift, and the day off configuration and/or rotation of days off. Data used to develop * * * **staffing** recommendations at the beginning of each matrix period, and the resulting district and shift preferred staffing levels will be based on the number of personnel assigned to the patrol matrix who are not expected to be on injury or other absence status longer than thirty (30) days into the matrix period.

Staffing * * * recommendations can be implemented up to a maximum of two (2) times in a fiscal year provided that all affected members

receive the change that will occur at sign-ups. No shift shall start before 0600. Although * * * **staffing software** may recommend Summer/Winter base shift hours, management reserves the right at any time to adjust those hours with five (5) calendar days advance notice based on operational/service needs.

The department reserves the right to determine initial preferred staffing levels in patrol, by shift and district, at the beginning of the matrix period.

During the course of the matrix period, the department may review and adjust preferred staffing levels.

The Association will designate a representative who will participate in the process of determining annual * * * **staffing** recommendations.

7.13.07 Absent with Substitute (AWS):

- (1) AWS with Trade - In accordance with Section 7 (p)(3) of the Fair Labor Standards Act (FLSA) as discussed in 29 CFR 553.31, the City agrees that members may substitute for one another when staffing levels do not permit a member to take time off. The substitution must be during scheduled work hours, and in the performance of work in the same capacity. The hours worked are excluded by the City in the calculation of the hours for which the substitute member would otherwise be entitled to overtime compensation under the FLSA and under Section 7.3. When one member substitutes for another, the member being substituted for will be credited as if he or she had worked his or her normal schedule for that shift.
- (2) Probationary Officers - Officers on probation may utilize 40 hours of AWS to take time off during any calendar quarter with no restriction on how many hours of AWS they can work during any calendar quarter. Probationary Officers needing to utilize more than 40 hours of AWS to take time off during a calendar quarter may do so with district commander approval.
- (3) Non-Probationary Officers - Non-probationary Officers may utilize 120 hours of AWS to take time off during any calendar quarter with no restriction on how many hours of AWS they can work during any calendar quarter. Non-probationary Officers needing to utilize more than 120 hours of AWS to take time off during a calendar quarter may do so with district commander approval.

- (3) AWS with Compensation - When one member substitutes for another, the member being substituted for will be credited as if he or she had worked his or her normal schedule for that shift. If the substituting member wishes to be compensated for the substitute shift worked at the base/straight time rate of pay, then the member being substituted for shall transfer the applicable number of holiday leave, vacation or CTO hours to the substituting member's "like" account. (Note: The member being substituted for may only select one account from which to take hours for transfer, and those hours shall only be transferred to the volunteer substitute's "like" account. If the substituting member's selected account is at the maximum allowable balance, the substituting member shall be compensated at the base/straight time rate of pay from the transferred hours. An internal processing form has been established to accomplish this transfer.)
- (4) AWS Notification to Department - Members wishing to provide a substitute must notify the department at least 24-hours in advance of the substitution on a form provided for that purpose. The substitute must be satisfactory to the department. If the substitute is determined to not be a satisfactory substitute, the commanding Officer shall provide the reason(s) in writing within a reasonable amount of time.

7.13.08 Proximity Detail:

- (1) The Proximity Detail may be created by the Chief at his discretion. Officers assigned to Proximity Detail may be scheduled to work a modified "3/12" schedule consisting of three (3) twelve (12) hour work shifts each week, followed by three (3) twelve (12) hour work shifts and one (1) eight (8) hour shift the next, or vice versa.
- (2) Work schedules will be modeled according to the below matrix, with specific hours and day off patterns established and/or modified by agreement of Police Department Management, acting on behalf of the City, and the FPOA, acting on behalf of the affected Officers.

- (3) Hours worked in excess of the scheduled eight (8), ten (10), twelve (12) hour work shift or in excess of the scheduled thirty-six (36), forty (40) or forty-four (44) hour work week shall be compensated as overtime.
- (4) Either the City or the FPOA may discontinue this agreement with thirty (30) days written notice to the other party and to the Labor Relations Division. The decision to discontinue this agreement is not grievable or appealable. Discontinuation of this agreement will result in the reinstatement of all schedule and overtime provisions existing in the current MOU.
- (5) The parties agree that the adoption of the above scheduling provisions for Proximity Officers does not imply acceptance by either party of similar schedule changes for any other unit or personnel within the Department, and agree that this Agreement will not be considered precedent setting in any regard.
- (6) Any Officer assigned to Proximity Detail shall be selected in accordance with Chapter 7, Section 15.

7.14 ASSIGNMENTS, COVERAGE & HOURS - EXCEPTIONAL PROVISIONS

7.14.01 Patrol Matrix (Supervision):

- (1) In the event a Sergeant assigned on the matrix is absent from duty, a position is vacant, or there is no Sergeant assigned to duty, and any commander assigned to the affected district, or the Duty Office determines that a replacement or additional personnel are required, **a Corporal may be assigned if the vacancy is for less than a full shift, otherwise**, a Sergeant shall be hired back on overtime to fill the vacancy, or, if no Sergeant is available, a **Corporal**, Police Specialist, **or** Police Officer, * * * may be assigned to an acting position to perform the Sergeant's duties. Any Specialist or Officer so assigned for the majority of a shift shall be compensated at the lowest step in the salary range of the

Police Sergeant class which is at least three and one-half percent higher than the rate received in the employee's current class. If such compensation requires a payment greater than highest Step, then highest Step shall be paid. **Corporals** assigned to be Acting Sergeants shall receive pay as provided in Section 7.04.03. This subsection shall be in lieu of the "acting pay" provisions of FMC Section 3-260.

- (2) No additional compensation shall be paid to Police Specialists, Police Officers or * * * **Corporals** who are assisting in the day to day administration performed by Sergeants nor for acting as a patrol supervisor (Senior Officer available) when the Sergeant is on-duty but unavailable.
- (3) **Signups for available overtime as a Sergeant shall be limited to Sergeants.**
- (4) **A Corporal shall not be assigned to a shift if such assignment would cause the number of Corporals to be greater than the number of Sergeants on that shift.**
- (5) **No Corporal shall be allowed to Act to an individual Sergeant's position for more than six months.**
- (6) This provision does not preclude the City/Department from designating provisional Sergeants in accordance with FMC Section 3-258.

7.14.02 Special Units - Flexing of Hours:

Sergeants, Specialists or Officers in non-patrol matrix assignments may be assigned flexible hours of work to meet the needs of the department. The Police Chief or designee may adjust hours of work under the following conditions, without payment at the overtime rate:

- (1) with the concurrence of the Sergeant, Specialist or Officer; or,
- (2) in the event of emergency, which is defined as circumstances beyond the control of the City and not having been known forty-eight (48) hours in advance of the circumstance creating the emergency; or,
- (3) with forty-eight (48) hours notice to the Sergeant, Specialist or Officer. Adjustments pursuant to this subsection may last no

longer than seven (7) consecutive calendar days, nor occur more than once during any thirty (30) day period; or,

- (4) where the adjustment has been made to cover a special event and the special event is canceled with less than forty-eight (48) hours notice to the department, and the department then promptly cancels the adjustment and returns the Specialist or Officer to the regular schedule.

Overtime worked past the scheduled end of a shift shall not be considered as a shift adjustment. An adjustment of hours prior to the shift shall be considered as an adjustment.

Officers assigned to special units receiving "Flexible Hours" premium pay are excluded from the forty-eight (48) hour notice requirement. However, when practical, they will be given as much advance notice as possible when hours are to be flexed. Flexing of these Officers is also not limited to seven (7) days in duration, nor as to frequency. However, when such adjustments exceed thirty (30) days, the Association shall be provided with a plan for a return to regular schedules.

The current practice of temporary weekend duty will cease. This does not prohibit the department from flexing Officers under other provisions of the MOU.

7.14.03 Traffic Bureau:

- (1) Traffic Enforcement Unit (TEU):

Hours of Work: * * * **Base work hours of the TEU shall be 0730 to 1730 and 1600 to 0200. TEU Officers may be assigned flexible hours of work subject to the needs of the department pursuant to the provisions of Section 7.14.02.**

* * *

Vacations: TEU vacation sign-ups shall be done by department seniority during assignment sign-ups. No more than fifteen percent (15%) of the entire unit may be allowed annual vacation at once, without prior approval of the division commander.

- (1) The City will install kennels at the home of the Officers assigned canines, pay for veterinary care, food, and miscellaneous supplies. Officers assigned canines will be allowed to drive their assigned City vehicle to their place of residence. Except as provided in Section 7.9, Canine Officers who reside farther than fifteen (15) miles from the City limits must leave their assigned vehicles at an approved City facility, and provide approved secure transportation for the canine from that point to their residences. Unless inconsistent with this section, Administrative Order 8-8 shall apply with reference to the purpose and benefit of City take-home vehicles.

Canine Officers will not be permitted to voluntarily transfer to other assignments during the service life of the Officer's canine. Canine Officers are not precluded from competing for promotional positions.

- (2) The canine and the kennel installed by the City at the Officers' home are the property of the City. In the event an Officer is no longer assigned to the canine unit, the City reserves the right to maintain ownership of the canine or return the canine to the original vendor or other designated party, as determined by the Chief of Police or designee.
- (3) Canine Officers are subject to flexible hours of work as described in Section 7.14.02. The base work schedule for Officers assigned to the Canine Unit will consist of a work week of five (5) ten-hour days followed by a work week of three (3) ten hour days, with a total of six (6) days off during the two work weeks, to include at least one weekend. - (4) Police Management reserves the right to determine the allocation of K-9 positions by shift, district and days off to ensure the optimal coverage of such units in the field. Canine units will not be counted to satisfy Watch III minimum staffing * * * **in the patrol matrix.**
- (5) Compensation paid pursuant to Section 7.14.04 is overtime, and is therefore not considered as compensation under the first or second tier of the City's Fire and Police Retirement System.
- (6) Time spent by the Officers for home care of the canine is considered hours worked pursuant to the Fair Labor Standards Act. The canine Officer will be compensated for one (1) hour each day in the care of the canine. Officers may spend more than one (1) hour a day with the canine, but any time over one (1) hour a day shall be considered as normal owner-related activities for the enjoyment of the individual and the canine. Officers that spend more than one (1) hour a day with the canine, and believe that this time is hours worked shall turn in a time sheet no later than

the next working day, after the time spent with the canine, to the canine supervisor.

- (7) Compensation under Section 7.14.04 is not for the performance of Police Officer duties and, therefore, compensation for the home care of the canine will be calculated at one-half the applicable overtime rate of pay for "A" step of the Recruit class.

Policy:

- 7.19.01** The City maintains two separate policies to distinguish those procedures required by the Federal Transit Administration and the Federal Motor Carrier Safety Administration, entitled:

City of Fresno Controlled Substances and Alcohol Testing * * * **Policy for "Safety-Sensitive" Employees/Applicants Subject to Federal Motor Carrier Safety Administration (FMCSA) Regulations,** which may be amended from time to time after compliance with applicable collective bargaining laws.

- 7.19.02** The parties agree that each policy sufficiently summarizes the current federal regulations required by the ACT. Both policies will be distributed to every affected member of the Fresno Police Officers Association Non-Supervisory Police Unit upon implementation or amendment of the policies, and at the time of training and orientation.

7.19.03 The parties acknowledge that there currently exists a list of positions subject to the provisions of the two policies: “(a) Controlled Substances and Alcohol Testing Regulations, Fresno Area Express, (b) Controlled Substances and Alcohol Testing Regulations, Federal Motor Carrier Safety Administration”, and should these positions be changed or modified, the parties agree to establish a new list of positions which are subject to these two policies pursuant to the ACT and the Department of Transportation. As personnel changes within these positions, the parties agree that the Department will give notice to the Association and the Risk Management Division of such changes.

7.19.04 The Risk/Safety Manager will be responsible for receiving all information related to the implementation of this policy and directing the applicable disciplinary action in coordination with the Labor Relations Manager.

7.19.05 The parties agree to abide by the federal regulations set forth in each policy. Employees who are members of the Association will also be subject to the provisions of any applicable Department Standing Order, policy or procedure.

7.19.06 Last Chance Agreements do not apply to members of the Association. If a request for binding arbitration is submitted by a member or their representative, the member or their representative shall be required to provide a written waiver of their right to bring the matter through any other established means, including an appeal to the Civil Service Board. The arbitrator shall regulate the conduct of the hearing process. The arbitrator shall set the date,

time and place of the hearing, which place shall be on City premises, and shall, by certified United States mail, postage prepaid, give not less than ten (10) days notice of such date, time and place to the appellant, or the appellant's designed representative and the appointing authority. The arbitrator's decision shall be final and binding, and may be challenged only pursuant to the California Arbitration Act, Code of Civil Procedure Sections 1280 et seq.

The fees and expenses of the arbitrator shall be paid half by the City and half by the Association.

The parties shall endeavor to prepare a mutually agreed panel of seven (7) arbitrators to be utilized for the purposes of discipline arbitrations. In the event that the parties fail to identify a panel of agreed upon arbitrators, the arbitrator shall be selected from a list of seven (7) arbitrators provided by the California State Mediation and Conciliation Service. If the parties cannot agree on an arbitrator from the list of seven, the parties shall alternatively strike names until a single arbitrator's name remains.

7.23 IN LIEU OF SUSPENSION

By mutual agreement between the Chief or designee and the affected member, a member suspended from duty without pay may forfeit accumulated holiday, CTO, and/or vacation credits equal to the number of hours of suspension in lieu of the suspension. This provision is not subject to the grievance procedure.

7.24 USE OF A HEARING OFFICER IN DISCIPLINARY ACTION INITIATED BY CITY

Members may elect the alternate appeal procedure before a Hearing Officer instead of a hearing before the Civil Service Board, as provided in FMC Section 3-283.

7.25 ADMINISTRATIVE HEARING PROCEDURE

It is the purpose and intent of the City and the Association to provide for an administrative appeal procedure for a member to appeal "punitive action" which is proposed to be taken against him/her for which an appeal is not otherwise provided under the Charter or the Civil Service Rules. For purposes of this section "punitive actions" are defined as written reprimands, reduction or loss of base salary, and transfer/reassignment, when it results in a loss of base salary or is used as punishment. This section is not subject to the grievance procedure.

7.25.01 Where the department proposes "punitive action" (as defined above), the affected member shall be advised, in writing, of the department's proposed action no less than ten (10) calendar days before the proposed effective date of the action.

7.25.02 Any dispute between the parties as to whether the action is "punitive" shall be presented to the Chief of Police or designee. If the Chief is directly involved in the action it shall be presented to the Administrative Hearing Committee as defined in 7.25.04, below. The Chief or designee or the Committee shall rule on the dispute before proceeding with a hearing. If the Chief or designee or the Committee find no punitive action then the member shall not be entitled to a hearing.

7.25.03 The member shall have ten (10) calendar days after receipt of the notice to respond, either orally or in writing, to the appropriate division commander. An appeal from a member shall suspend the proposed punitive action until the conclusion of this procedure.

7.25.04 The division commander has ten (10) calendar days to respond. If he or she upholds the proposal or modifies it in a manner unacceptable to the member or fails to respond within the specified time period the member shall have ten (10) calendar days to appeal, either orally or in writing, to the Chief of Police or designee.

The Chief or designee is disqualified from hearing the appeal if the Chief or designee has been directly involved in the disputed action. If the Chief or designee is disqualified, it will be heard by an administrative Hearing Committee. The Committee will be comprised of one representative from the Association and one from the City. A third member from the department will be selected and mutually agreed upon by both parties and will act as Chairperson.

7.25.05 The Chief or designee (or the Administrative Hearing Committee) shall hear the appeal within ten (10) calendar days of receipt of the notice of appeal. When the action is heard by the Committee, the Committee will make a recommendation to the Chief or designee within three (3) calendar days. The Chief or designee shall render a written decision to affirm, reject, or modify the Committee's decision within ten (10) calendar days after the hearing. The written decision shall set forth the basis for the decision, the action to be imposed and the effective date thereof. The decision of the Chief or designee shall be final.

7.25.06 The time limits above may be mutually waived by the parties.

7.26 GRIEVANCES

7.26.01 Grievance Procedure

A grievance is a dispute concerning the interpretation or application of any existing City policy, practice, written rule or regulation governing personnel practices or working conditions, including this MOU. The grievance procedure relates only to existing rights or duties, not to the establishment or abolition of a right or duty. This procedure shall not apply to any dispute for which there is another established resolution procedure, including but not limited to, appeal to the Civil Service Board, or Retirement Board. A grievance can be initiated by any grieved employee or group of grieved employees, or by the Association on behalf of a grieved employee or group of grieved employees. Grievances should be settled as near as possible to their source and in as informal a setting as possible.

7.26.02 Informal Process

The grievant (this term includes the Association) must first attempt to resolve the grievance on an informal basis through discussions with the immediate supervisor without undue delay. The informal process must be completed within twenty (20) calendar days after the occurrence of the alleged incident giving rise to the grievance, or when the grievant knew or should have reasonably become aware of the facts giving rise to the grievance.

If the grievance is not resolved at the immediate supervisor level, the grievant may attempt to resolve the grievance on an informal basis through discussions with the next levels of supervision, following the chain of command up to the Deputy Chief of Police.

Every effort shall be made to find an acceptable solution to the grievance through this informal process. Once the informal process has been exhausted, the grievant may invoke the formal process.

7.26.03 Formal Process

A written grievance must set forth the specific rule, regulation, policy, practice, or MOU provision claimed to have been violated, describe the specific incident or circumstances of the alleged violation, and specify the remedy sought.

7.26.04 Formal Filing Procedure

The procedure and sequence in filing and processing a grievance shall be as follows:

(1) Step One - Filing the Grievance:

The grievant or representative may file the formal grievance within ten (10) calendar days from the last day of the informal process through the grievant's immediate supervisor to the Chief of Police or designee. The grievance shall summarize the results of the informal process. If the Association has not previously been involved, a copy of the grievance shall be submitted to the Association. The grievant or the Association may request to have a meeting regarding the grievance with the Chief of Police or designee in an attempt to resolve the concerns at this level. If no request for a meeting is made, and upon receipt of the written grievance, the Chief of Police or designee shall give the grievant a written reply within fourteen (14) calendar days.

(2) Step Two - Request for Arbitration:

If the grievant is not satisfied with the decision of the Police Chief or designee, only the Association may within ten (10) calendar days after receipt of the written reply, file a request for arbitration utilizing the written grievance and submitting it to the Labor Relations Manager. The Association shall be limited to two (2) such requests for arbitration per fiscal year on a grievance that involves a dispute concerning the interpretation or application of an existing City policy, practice, written rule or regulation. There shall be no limitation on requests for arbitration dealing with MOU interpretation or application. Any request for arbitration that does not meet the requirements of this subsection shall not be processed, and such grievance concludes at Step One above.

(3) Step Three -Arbitration and Immediate Arbitration:

Within five (5) calendar days from the receipt of the arbitration request, either party may request the State Mediation and Conciliation Service to submit a list of five (5) neutrals. These neutrals will be statewide experts in the field of labor relations.

Within five (5) calendar days upon receiving the list, the Labor Relations Manager and the Association shall alternatively strike a

name from the list, and the last name remaining shall be designated as the neutral arbitrator.

The arbitrator selected shall submit the earliest date(s) in which the arbitrator can hold the hearing, of which the Association and the Labor Relations Manager can mutually select a date.

The arbitrator shall hold a hearing on the issue or issues submitted, or as determined by the arbitrator if the parties have not mutually agreed upon the issue, or issues, and render a written decision and reasons for the opinion within thirty (30) calendar days following the closing of the hearing, unless the period has been mutually extended in writing by all parties. The decision shall be sent to the City Labor Relations Manager and to the Association.

The arbitrator's decision shall be final and binding, and may be challenged only pursuant to the California Arbitration Act, C.C.P. Sections 1280, et sequentes.

Immediate Arbitration - Either party (City or the Association) may waive the grievance procedure time limits specified in this subsection (i.e., 7.26.04) and proceed to immediate arbitration in any case where the party alleges that the other is threatening to take an action in violation of the MOU in so short a period of time as to disallow the party from proceeding within the time limits of this subsection (i.e., 7.26.04). To put it another way, immediate arbitration may be sought by either party where there is "no adequate remedy at law," or where normally a party would be entitled to seek injunctive relief. However, the method of proceeding to immediate arbitration must be done consistent with the following provisions.

The arbitration shall take place no earlier than the fifteenth (15th) day following the request by the grieving party for such "immediate arbitration," unless otherwise mutually agreed. During the two-week period (14 calendar days) immediately following the request for immediate arbitration, the responding party shall have the opportunity to attempt to resolve the dispute.

If the City is the responding party, the Chief of Police and Director of Personnel Services, or their designated representatives, jointly, shall have the opportunity to meet with or otherwise communicate with appropriate Association representatives, in an attempt to resolve the dispute.

Once the request for immediate arbitration is filed, the parties shall (even though dispute resolution discussions are going on during the two-week period) attempt to agree upon a neutral arbitrator and to obtain a date for arbitration hearing as soon as possible immediately following the two-week period.

The parties will attempt to have a standing list of available "immediate arbitrators," but if no agreement on same is reached, the parties will obtain five arbitrators, by telephone, if possible, from the State Mediation and Conciliation Service. The first arbitrator available to hear the matter following the two-week period shall be selected as arbitrator. The order of contacting the potential arbitrators shall be determined by lot unless mutually agreed to otherwise. The parties are free to mutually agree upon an immediate arbitrator through any other process or agreement.

In any case, the arbitrator selected to decide the grievance shall have the full and equitable power to frame a decision, including an order to the party initiating the grievance to abide by the time limits provided in the grievance procedure, or a restraining order against the party threatening the action, or any other form of arbitration order that would resolve the matter in an equitable and just manner. However, the arbitrator may not add to, subtract from, change or modify any provision of this MOU and shall be authorized only to apply existing provisions of this MOU to the specific facts involved and to interpret only applicable provisions of this MOU.

Unless the parties agree otherwise, closing argument shall be presented orally and there shall be a "bench" decision.

The parties shall attempt to have the arbitration proceedings completed as quickly as possible, including by meeting nights and weekends, if at all feasible.

(4) General Arbitration/Immediate Arbitration Provisions:

An arbitrator shall have, in the arbitrator's discretion, the ability to hear evidence on both arbitrability and on the merits at the same hearing, holding for a later ruling on the issue of arbitrability.

Time limits set forth in the formal process may be modified by mutual agreement of the grievant or representative and the department or City. Failure of the grievant to file an appeal within

the specified time limit for any but the first step of the procedure shall constitute an abandonment of the grievance.

The cost of making a stenographic record of the arbitration hearing shall be borne by the party requesting such records. There shall be no post-hearing briefs, except by mutual agreement.

The fees and expenses of the arbitrator shall be paid half by the City and half by the grievant; however, the arbitrator may order that the City or the grievant pay the total of such fees and expenses should the arbitrator find that, but for the unreasonableness of a party's posture, the convening for arbitration would not have been necessary.

Witnesses who are employees and on duty at the time of the scheduled appearance shall be released from duty without loss of compensation for the time required to testify. No overtime payments shall be made because of scheduled appearances.

Individual grievants shall be released from duty without loss of pay for the time of the arbitration hearing. A representative shall be permitted to be present without loss of compensation on behalf of the grievant.

Arrangements for release time for grievant's witnesses shall be made with the Labor Relations Manager, who shall issue all appearance notices no later than 24 hours in advance of the scheduled hearing.

No employee shall be discriminated against, harassed, coerced, or suffer any reprisal because of filing or processing of a grievance or participating in a grievance procedure.

CHAPTER 8

POLICING SPECIAL EVENTS AND CONTRACT LAW ENFORCEMENT SERVICES

This MOU chapter sets forth the full and entire understanding of the parties regarding policing special events and contract law enforcement services.

8.1 GENERAL

The Fresno Police Department, at the sole discretion of the Chief of Police, may allow private parties and public agencies to contract with the City for additional police service, at a special detail assignment level pursuant to 29 U.S.C. 207 (p)(1), (p)(2) and (p)(3), and 29 C.F.R. 553.227 et sequentes. The special detail assignment(s) performed by Police Officer/Police Specialist/Police Sergeant classes (hereinafter member[s]), shall consist of, but not be limited to, providing uniformed foot/vehicle patrol to a special events/contract law enforcement services event at the discretion of the Chief of Police.

8.2 PROCEDURES

8.2.01 Members assigned to special events/contract law enforcement services shall be volunteers selected from a special events and contract law enforcement services assignment list ("**assignment list**"). The number and rank of the members assigned shall be determined by the Chief of Police, or designated representative. The Chief of Police may restrict a member from working extra duty for the good of the department.

(1) Members who desire to be placed on the assignment list must have completed their probation. **In the event that a member is on probation, that member may work special events and contract service assignments only when:**

- (a) After all non-probationary employees have been offered the opportunity; and**
- (b) Under the supervision of a Sergeant assigned to the specific special event or contract law enforcement service assignment.**

Members on sick leave, industrial injury leave, "temporary light duty," or leave of absence shall not be eligible **to be placed on the assignment list.**

- (2) The assignment list shall be the basis for all member assignments. Members who desire to be placed on the assignment list shall notify the Chief's designated representative. All Members on the assignment list shall be notified by City e-mail and may include one optional personal e-mail account when policing special events and/or contract law enforcement services positions are available. The member shall have seventy-two (72) hours to respond to the Chief's designated representative, via City e-mail only, listing desired assignment(s) in order of preference.
- (3) Positions shall be filled using the following process. The Chief's designated representative will sequentially number the e-mails, starting with the first member responding from the assignment list, and so on. The designated representative will then use computer spreadsheet software programmed to select a random number drawn from the sequential numbers assigned to the responding members. The random number selected will be the starting point for making assignments, and for filling the positions. If the positions are not filled after through the entire list of numbers, the designated representative will continue through the list again, and so on, until all positions are assigned or a subsequent notification is issued.
- (4) Members who receive an assignment for special events/contract law enforcement services shall receive an e-mail notification containing: the date of the contract, the hours, the location, and the unit detail for the special events/contract law enforcement services event, any additional Officer(s) assigned to the same event, contact information for the event, and vehicle information. Any member who submits a request to work a contract assignment and is subsequently awarded a contract assignment shall not cancel their contract assignment to voluntarily work a department overtime assignment or AWS assignment that is awarded after the contract assignment.

8.2.02 Any member who fails to appear for assignment or fails to notify the designated representative of his/her inability to work the assignment, 24-hours prior to the beginning of the assignment schedule, shall be removed from the assignment list. Any member who is removed from the assignment list shall not be eligible for reinstatement to the assignment list for a period of * * * **ninety (90) days**. Removal from the assignment list shall not be deemed a disciplinary action pursuant to Civil Service Board rules or a punitive action pursuant to Government Code Section 3303 (h), and is not appealable or grievable.

Members performing special events/contract law enforcement services assignments shall be subject to all rules, orders, and procedures of the Police Department.

In no event shall a member performing special events/contract law enforcement services work be assigned to a job site where a labor union picket line has been established.

- 8.2.03** Once a Contract for Law Enforcement Services has been formally executed, Reserve Officers shall not be used to replace sworn members for policing special events and contract law enforcement services. In the event a Fresno Municipal Code ordinance concerning policing special events/contract law enforcement services is amended by Council, the parties agree to reopen meet and confer on this subsection (8.2.03) at the request of either the City or the Association. Requests for special events policing and/or contract law enforcement services will first be filled by volunteer members available through the assignment list. If no volunteer members are available, the vacancies may be filled by Reserve Officers.
- 8.2.04** Generally, calls for service within the special events and contract law enforcement services policing areas may be handled by regularly assigned FOD area patrol units. However, members performing special events and contract law enforcement services may be assigned to handle calls for service that are consistent with the duties requested by the contracting party.
- 8.2.05** Officer working conditions for the Big Fresno Fair shall be established by mutual agreement between the Big Fresno Fair, City of Fresno and the Association, and shall be reflected in a corresponding agreement between the parties.

8.3 COMPENSATION

- 8.3.01** The rate of pay for members occupying Police Officer/Police Specialist classes who are working special events and contract law enforcement services assignments shall be at the time and one-half rate for "C" Step Police Officer. **When the Master Fee Schedule is amended as part of the annual update, the fee for special events and contract law enforcement will be amended to reflect reimbursement at time and one half for "D" Step Police Officer.** The rate of pay for members occupying the Police Sergeant class who are working special events and contract law enforcement services assignments shall be at the time and one-half rate for "C" Step Police Sergeant. **When the Master Fee Schedule is amended as part of the annual update, the fee for**

special events and contract law enforcement will be amended to reflect reimbursement at time and one half for “D” Sergeant. Compensation for Officers/Sergeants for all special events detail assignments worked at the Big Fresno Fair shall be by separate check no later than the last pay period in November of the year the Big Fresno Fair special events detail assignment is worked.

- 8.3.02** The hours worked, and pay received for special events and contract law enforcement services assignments, shall not be credited toward years of service for retirement benefits or regular overtime. Educational incentives shall not apply to the special events and contract law enforcement services assignment rate of pay. When a vehicle has been requested, one half (1/2) hour of time shall be added to the beginning time of the contract to allow for vehicle check out/in.
- 8.3.03** The parties agree that for the purpose of FLSA regulations, compensation paid for working special events and contract law enforcement assignments is at the applicable overtime rate, and shall not be considered compensation for pension plan benefits calculations.
- 8.3.04** A member reporting to an assignment site shall receive a minimum of four (4) hours pay regardless of actual time worked. Employment of more than four (4) hours shall be paid to the nearest tenth of an hour for the actual time worked.
- 8.3.05** Any accident, illness or injury which arises out of or occurs in the course of employment in a policing special events and contract law enforcement services assignment shall be covered under the city’s workers’ compensation plan pursuant to Section 7.7.

CHAPTER 9

HEADINGS

MOU chapter, provision, and paragraph headings (includes exhibits, addendums, attachments and side letters) contained herein are solely for the purpose of convenience, and shall not affect the construction or interpretation of any of the language of this MOU.

CHAPTER 10

SAVING CLAUSE/FULL UNDERSTANDING

10.1 SAVING CLAUSE

In the event any chapter, section or portion of this MOU should be held invalid and unenforceable in any court of competent jurisdiction, such decision shall apply only to the specific chapter, section or portion thereof specified in the court's decision, and upon issuance of such a decision, the City and the Association agree to immediately meet and confer upon a substitute for the invalidated chapter, section, or portion thereof.

10.2 FULL UNDERSTANDING

It is intended that this MOU sets forth the full and entire understanding of the parties, and any previous understanding or agreement by the parties regarding all such matters are hereby superseded and terminated in their entirety.

With respect to side letter agreements, any not attached to this MOU are hereby terminated in their entirety. Those side letter agreements attached to this MOU shall continue in force subject to the terms and conditions set forth within each side letter. In the absence of any specified term in any such side letter, they shall terminate upon the expiration of this MOU. Any new side letter agreement entered into during the term of this MOU shall continue in force and effect subject to the terms and conditions described in the side letter. In the absence of any term in such new side letters, they, too, shall terminate upon the expiration of this MOU. This paragraph is not intended to prevent either party from relying on discussions which occurred during the meet and confer process for the purpose of clarifying the meaning of this MOU.

CHAPTER 11

TERMINATION

The provisions in this Agreement/MOU shall be in full force and effect from **June 26, 2017** through **June 23, 2019** upon approval by the City, subject to Section 11.1, below.

- 11.1** This Agreement/MOU shall become effective only after ratification by the members of the Association followed by City approval and the expiration of the waiting period for the Mayor's action provided in Charter Sections 605 and 609, and shall remain in full force and effect through **June 23, 2019**.

(Incorporated from 9/30/10 Side Letter Agreement Re: Compensation and Benefits Re-Opener.) The City and the Association previously agreed that the Mayor shall appoint one (1) Police Officer, as defined in Fresno Municipal Code ("FMC") Section 3-301 (p) (3) from a City management position and one (1) firefighter as defined in FMC Section 3-301 (f) from a City management position as voting members to the Fresno Fire and Police Retirement Board under the authority as described in Section 3-305 (a) (1) of the FMC. In the event any individual(s) so appointed fails to qualify, resigns, retires, or no longer qualifies to serve on the Board, the Mayor subject to the approval of the City Council shall appoint a replacement under the terms and provisions of this agreement within twenty (20) business days. If a decision is approved by the Fire and Police Retirement Board to separate the commingled investments of the Fresno Fire and Police Retirement System and the Fresno Employees Retirement System, this agreement on Mayoral appointments to the Fire and Police Retirement Board shall immediately become null and void and the appointment provisions contained in FMC Section 3-305 shall apply.

- 11.2** During the life of this Agreement/MOU should either party desire to modify its terms or to meet and confer with the other party as to matters within the scope of representation which are not addressed in this MOU, the party requesting any change shall request in writing to meet and confer on the item(s), which item(s) shall be specified in writing.
- 11.3** During the term of this Agreement/MOU, either party may refuse any request by the other to meet and confer without explanation if (1) the item is directly considered and specifically addressed herein; or (2) is directly considered and specifically addressed in any FMC section, charter section or provision, or resolution section, which section specifically establishes wages, hours, or other terms and conditions of

employment; or (3) the specific item was included in an initial written proposal from the party making the request during the meet and confer process which led to this agreement. No unilateral action on any such refused proposal may be taken by the requesting party after such a refusal by the other.

It is further agreed, however, that this section shall not prohibit the City from requesting to meet and confer on changes to federal or state statutes referred to or cited in this Agreement/MOU, and which impacts the implementation of this Agreement/MOU, in which case the request to meet and confer shall not be refused.

11.4 Reopeners/Meet and Confer

(1) **The parties agree to a limited reopener in January 2019 on economic provisions in the MOU. Upon mutual agreement the parties may begin discussions earlier but in any case no earlier than September 2018.**

Lateral Hire Incentives

The City of Fresno and the Fresno Police Officers Association (FPOA), representing Unit 4, Non-Management Police, have met and conferred, and have agreed to renew and amend the following incentive plan for Fiscal Year 2018.

- To be eligible for the below hiring incentives, a qualified lateral police officer candidate ("Eligible Lateral Hire") must, at the time of filing the employment application: (1) be currently working for another California law enforcement agency, (2) have two years' experience as a full-time peace officer in California, and (3) possess a current California P.O.S.T certificate. Lateral officer hires with prior full-time Fresno Police Department experience are not eligible under the terms of this Agreement unless they have a minimum of two years separation from the Fresno Police Department as a full-time peace officer and have met the requirements of (1) and (3) described above for Eligible Lateral Hires, in which case they will be deemed an Eligible Lateral Hire for purposes of this hiring incentive plan.
- Upon hire, an Eligible Lateral Hire will be provided with forty (40) hours of vacation time into their vacation leave bank and forty (40) hours of sick leave time into their sick leave bank, to be used as outlined in the Basic Unit MOU and City policy.
- Effective July 1, 2017, any employee who served as a peace officer with another agency immediately prior to employment with the City of Fresno will be credited with years of sworn service in such previous employment solely for the purpose of determining vacation accruals on a prospective basis after certification of the prior years of sworn service.
- Upon hire and commencement of work as a Police Officer with the City of Fresno, an Eligible Lateral Hire from another law enforcement agency will receive a two thousand, five hundred dollars (\$2,500) hiring incentive payment. This incentive is not compensable for retirement purposes.
- Upon successful completion of the field training program, as determined by Police Administration, the Eligible Lateral Hire will receive two thousand, five hundred dollars (\$2,500) hiring incentive payment. This incentive is not compensable for retirement purposes.

Upon successful completion of the probationary period as a Police Officer, the Eligible Lateral Hire will receive a two thousand, five hundred dollars (\$2,500) hiring incentive payment.

- This incentive is not compensable for retirement purposes.
- Upon successful completion of an additional twelve months of City service following the successful completion of the probation period, the Eligible Lateral Hire will receive

a two thousand, five hundred dollars (\$2,500) hiring incentive payment. This incentive is not compensable for retirement purposes.

- Eligible Lateral Hires will be hired at no less than "C" Step of the Police Officer salary range.
- The City retains the right and exclusive authority to offer step placement above C Step of the Police Office salary range based on the Eligible Lateral Hire's qualifications and other factors such as current salary. The salary range placement shall be included in the conditional employment offer letter provided to the lateral officer.
- Current Fresno Police Officers who refer an Eligible Lateral Hire will receive an incentive of up to a total of one thousand dollars (\$1,000) for hired and retained in increments of two hundred fifty (\$250) at the time the Eligible Lateral Hire receives the particular hiring incentive(s) outlined above. The referral incentive for current Fresno Police Officers is not compensable for retirement purposes.
- Only one current Fresno Police Officer can be identified as the referring officer for each Eligible Lateral Hire for purposes of the referral incentive outlined above. The current Fresno Police Officer referring the Eligible Lateral Hire must be identified in writing by the Eligible Lateral Hire at the time the application for employment is submitted to obtain the referral incentive. Referring Fresno Police Officers may not receive more than five (5) referral incentives per fiscal year.

This Agreement will be effective July 1, 2017, and will expire June 30, 2018, unless the FPOA and City mutually agree to extend this Agreement in writing.

**Agreement between
City of Fresno**

and

Employee Organizations Representing City of Fresno Employees

This agreement was reached in an effort to lower the current cost of the monthly health contribution rates between March 1, 2009 and June 30, 2010 as set by the Fresno City Employees Health and Welfare Trust (Trust) thereby assisting to ameliorate fiscal developments faced by the City of Fresno (City). The agreement also provides short term guarantees by the City for the unencumbered reserve of the Trust while setting a long term minimum of four (4) months for the Trust unencumbered reserve. This agreement sets forth the full and entire understanding of the City and Bargaining Units whose representatives have signed this agreement regarding these matters. This Agreement is effective March 1, 2009 and will remain in force so long as the Trust agrees to maintain a health contribution rate that is calculated to maintain a minimum of a four (4) month unencumbered reserve as calculated by the actuary selected by the Trust (actuary).

1. This agreement will be effective only if the provisions below affecting the Trust are approved by a majority of affected represented bargaining units and the City Council and if the Trust sets a monthly health contribution rate of seven hundred twenty-nine dollars (\$729) effective March 1, 2009 through June 30, 2010.
2. The parties agree that, for the period March 1, 2009 through June 30, 2010, if the Trust unencumbered reserve falls below a four (4) month unencumbered reserve as calculated by the actuary selected by the Trust for two (2) consecutive months, the City will pay to the Trust an amount sufficient to restore the level of the Trust unencumbered reserve to four (4) months.
3. The restoration to a four (4) month unencumbered reserve must occur within 30 days notice to the City by the Trust's third party administrator. This payment by the City shall not be utilized in the calculation of the amounts due by the City and employees for established Trust health contribution rates.
4. Effective June 30, 2010 if the Trust unencumbered reserve is calculated by the actuary selected by the Trust to be less than a four (4) month unencumbered reserve, the City will pay an amount to the Trust sufficient to restore the level of the unencumbered reserve to four (4) months. This payment by the City shall not be utilized in the calculation of the amounts due by the City and employees for established Trust health contribution rates.
5. The parties agree that, for the monthly health contribution rate effective July 1, 2010 and for all subsequent monthly health contribution rates, the Trust will set a monthly health contribution rate not less than the rate calculated by the actuary

selected by the Trust necessary to maintain a minimum unencumbered reserve of four (4) months.

6. The parties will support amendments to the Trust necessary to implement this agreement.
