

Rezone Findings

Based upon analysis of the applications, staff concludes that the following required findings of Section 15-5812 of the Fresno Municipal Code can be made.

Findings Per Fresno Municipal Code Section 15-5812	
Finding A:	The change is consistent with the General Plan (GP) goals and policies, any operative plan, or adopted policy; and,
a. The applications are consistent with the Fresno General Plan and the Bullard	
Community Plan goals and policies, given that they support economic and infill	
development of property within the City of Fresno.	
Finding B:	The change is consistent with the purpose of the Development Code to
	promote the growth of the city in an orderly and sustainable manner,
	and to promote and protect the public health, safety, peace, comfort,
	and general welfare; and,
b. The proposed project is consistent with the purpose of the Development Code to	
promote growth in an orderly and sustainable manner, support infill development,	
and to pr	omote and protect the public health, safety, peace, comfort, and general
welfare.	
Finding C:	The change is necessary to achieve the balance of land uses desired
	by the City and to provide sites for needed housing or employment-
	generating uses, consistent with the GP, any applicable operative plan,
	or adopted policy, and to increase the inventory of land within a zoning
	district to meet market demand.
c. The rezone is consistent with the Fresno General Plan designation of Low	
Density Residential and will provide a site for housing and employment-	
generating uses and will increase the inventory of land within the zone district to	
meet market demand.
