Ordinance No.

NOW, THEREFORE, THE COUNCIL OF THE CITY OF FRESNO DOES ORDAIN AS FOLLOWS:

SECTION 1. Based upon the testimony and information presented at the hearing and upon review and consideration of the environmental documentation provided, the adoption of the proposed pre-rezoning is in the best interest of the City of Fresno. The Council finds in accordance with its own independent judgment that there is no substantial evidence in the record that Rezone Application No. R-17-007 may have additional significant effects on the environment that were not identified in the Fresno General Plan Master Environmental Impact Report SCH No. 2012111015 (MEIR) and that no new or additional mitigation measures or alternatives may be required. In addition, pursuant to Public Resources Code, Section 21157.6(b)(1), Council finds that no substantial changes have occurred with respect to the circumstances under which the MEIR was certified; and, that no new information, which was not known and could not have been known at the time that the MEIR was certified as complete, has become available. Accordingly, the Council adopts the Finding of Conformity prepared for Environmental Assessment No. ANX-17-003/PM-2017-02/C-17-056/R-17-007 dated May 19, 2017.

SECTION 2. The Council finds the recommended RS-3 (*Residential Single Family*) zone district is consistent with the Low Density Residential planned land use designation of the Fresno General Plan and Bullard Community Plan as specified in Figure LU-1 of the Fresno General Plan.

SECTION 3. The Council finds that the zone district of the real property described hereinbelow, located in the County of Fresno, is pre-zoned from the Fresno

County RA (*Residential Agricultural*) zone district to the RS-3 (*Residential Single Family*) zone district, as depicted in the attached Exhibit A.

SECTION 4. This ordinance shall become effective and in full force and effect at 12:01 a.m. on the thirty-first day after its passage.
