- b. Employees in Tier 2 hired on or after September 11, 2014, shall pay an additional contribution equal to three percent (3%) of their pensionable compensation to the Fire and Police Retirement System, reducing the City retirement contribution by a corresponding amount. In accordance with Internal Revenue Code Section 414(h)(2) and related guidance, the City shall pick-up and pay the contribution by salary reduction in accordance with this provision to the City of Fresno Fire and Police Retirement System. The employee shall have no option to receive the three percent (3%) contribution in cash. - c. Effective September 22, 2014, employees in Tier 2 who were hired before September 11, 2014, including those in DROP, who promote from the Basic Unit (Unit 4) into the Management Unit (Unit 9) will pay nine percent (9%) into the pension system.

These provisions in Article VII, Section B.3.c. will terminate on implementation of Article VII, Section B.3.d. below.

- d. With the support of the Association, the City will make efforts to amend the Municipal Code to allow the additional contribution amounts above in in Article VII, Section B.3.b. to become part of the Member Normal Contribution Rate. - iv. Members in the DROP program who entered DROP prior to March 7, 2011, are not required to make Member Normal Contributions in accordance with the Fresno Municipal Code.
- v. Members who entered DROP on or after March 7, 2011, are required to continue Member Normal Contributions and their Member Normal Contributions shall be deposited into the member's DROP account.
- e. - f. Tier 1 DROP participants and Tier 1 retirees were previously granted a total of four percent (4%) in cost of living increases based on the salary deferral language in the previous MOU only; deferrals included a one percent deferred pay increase in January 1, 2011, a two percent in July 1, 2011, and a one percent in January 1, 2012.

On July 1, 2014, active employees received a two percent (2%) salary increase which offset two percent (2%) of the four percent (4%) deferred salary increases that were credited previously as cost of living increases. The remaining two percent (2%) deferred cost of

living increase for Tier 1 DROP participants and retirees will be offset by the July 1, 2015 salary increase **they received** \* \* \*.

The cost of living calculation for FY 2017 for Tier 1 DROP participants and Tier 1 retirees will include the December 31, 2016 salary increase \* \* \* in accordance with the of cost of living calculation provisions in the Fresno Municipal Code.

**g. Actuarial Studies**

- i. (Tier I) – An actuarial study will be conducted on amending FMC Sections 3-302 (g) and 3-301 (a) (9) for Tier I members. Upon completion of the actuarial study, there will be a limited reopener of the MOU to negotiate solely on amending these provisions with respect to retirement calculations. The cost of the actuarial study will be shared equally by the City and the Association.**
- ii. An actuarial study will be conducted on amending provisions of the Fresno Municipal Code (FMC) regarding “Dissolution or Legal Separation” and the prospect of allowing City of Fresno Fire and Police Retirement System (Tiers 1 and 2) members to “buy back” a portion of a member’s retirement benefit that was awarded to a non-member ex-spouse in a Domestic Relations Order (DROP) and a cash distribution was taken by the non-member ex-spouse. Any change to the FMC in this regard would proceed only if there is no adverse impact to either the City of Fresno Fire and Police Retirement System (Tiers 1 and 2) or the City of Fresno’s employer contribution rates (e.g., it will be cost-neutral to Tiers 1 and 2 and the City of Fresno, and will not jeopardize in any way the Systems’ tax-qualified status under the Internal Revenue Code).**
- iii. An actuarial study will be conducted on amending provisions of the FMC regarding a new retirement formula of 3% at 57 for the City of Fresno Fire and Police Retirement System (Tiers 1 and 2). Any change to the FMC in this regard would proceed only if there is no adverse impact to either the City of Fresno Fire and Police Retirement System (Tiers 1 and 2) or the City of Fresno’s employer contribution rates (e.g., it will be cost-neutral to Tiers 1 and 2 and the City of Fresno, and will not**

**jeopardize in any way the Systems' tax-qualified status under the Internal Revenue Code).**

- iv. Any change to the FMC requires mutual agreement of all of the affected units in the City of Fresno Fire and Police Retirement System and the City.**
- v. The cost of the actuarial studies will be shared equally by the City and the Association.**

**4. Health Reimbursement Arrangement (HRA)**

At separation from permanent employment with the City of Fresno by service retirement or at disability retirement if the employee is otherwise eligible for service retirement, the value of the employee's accumulated sick leave and cashable vacation leave shall be credited to an account for the employee under the Health Reimbursement Arrangement (HRA) as follows:

- For employees hired before September 11, 2014, and any employees who do not enter DROP, all accumulated sick leave hours multiplied by 50% of the employee's then current hourly base rate of pay at the time of retirement, except that an employee who retires within sixty (60) calendar days of receipt by the City of Fresno Fire & Police Retirement System of, an application for disability retirement, if otherwise eligible for a service retirement \* \* \*, or an application for service retirement (not having submitted an application for disability retirement), shall have all accumulated sick leave hours upon retirement multiplied by eighty (80%) of the employee's then hourly rate of pay.
- For employees in DROP hired on or after September 11, 2014, accumulated sick leave hours multiplied by 50% of the employee's then current hourly base rate of pay at the time of retirement, except that the accumulated sick leave hours shall not exceed the number of sick leave hours which the employee had at the time of entry into DROP.
- Employees in DROP hired on or after September 11, 2014, who retire within sixty (60) calendar days of receipt by the City of Fresno Fire & Police Retirement System of an application for disability retirement if otherwise eligible for a service retirement \* \* \*, or an application for service retirement (not having submitted an application for disability retirement), shall have all accumulated sick leave hours upon retirement multiplied by eighty (80%) of the employee's then hourly rate of pay, except that the accumulated sick leave hours shall not

exceed the number of sick leave hours which the employee had at the time of entry into DROP.

All payments noted above are **conditioned on** \* \* \* the employee's **satisfaction of the** eligibility requirement as set forth in the Retirement/Attendance Health Incentive provision in Section H.1, paragraph 2, below, and

- The total number of all accumulated holiday leave hours at the time of separation for retirement purposes paid at the member's then current hourly base rate of pay.
- The hourly base rate of pay shall be the equivalent of the monthly salary for an employee as reflected in Exhibit I, multiplied by twelve (12) months then divided by 2,080 hours.

At the City's option, HRA accounts may be book accounts only – no actual trust account shall be established for any employee. A book account means that no actual trust account shall be established for any member. Each HRA book account shall be credited on a monthly basis with a rate of earnings equal to the yield on the City's Investment Portfolio (provided that such yield is positive).

The HRA accounts shall be used solely to pay premiums for medical insurance (including COBRA premiums) covering the participant, the participant's spouse (or surviving spouse in the event of the death of the participant), and the participant's dependents. Once a participant's account under the HRA has been reduced to \$0, no further benefits shall be payable by the HRA. If the participant, the participant's spouse, and the participant's dependents die before the participant's account under the HRA has been reduced to \$0, no death benefit shall be payable to any person by the HRA.

## 5. Benefit Payoffs

Benefit payoffs (e.g. holiday, administrative leave) shall be at the employee's applicable base rate of pay, as reflected in Exhibit I, Tables I, II, and III at the time of payment. However, employees shall not be allowed to cash out any accumulated hours of sick and/or vacation leave pursuant to the HRA set forth in Section B., paragraph 4, above.

Any new side letter agreement entered into during the term of this MOU shall continue in force and effect subject to the terms and conditions described in the side letter. In the absence of any term in such new side letters, they, too, shall terminate upon the expiration of this MOU. This paragraph is not intended to prevent either party from relying on discussions which occurred during the meet and confer process for the purpose of clarifying the meaning of this MOU.

## ARTICLE X

### TERMINATION

The provisions in this Agreement/MOU shall be in full force and effect extended from **June 26, 2017** to June **23, 2019**, upon approval by the City, subject to Sections (A.B. and C.), below.

- A. This Agreement/MOU shall become effective only after ratification by the members of the Association followed by City approval and the expiration of the waiting period for the Mayor's action provided in Charter Sections 605 and 609, and shall remain in full force and effect through June **23, 2019**.

The City and the Association previously agreed that the Mayor shall appoint one (1) police officer, as defined in FMC Section 3-301 (p) (3) from a City management position and one (1) firefighter as defined in FMC Section 3-301 (f) from a City management position as voting members to the Fresno Fire and Police Retirement Board under the authority as described in Section 3-305 (a) (1) of the FMC. In the event any individual(s) so appointed fails to qualify, resigns, retires, or no longer qualifies to serve on the Board, the Mayor subject to the approval of the City Council shall appoint a replacement under the terms and provisions of this agreement within twenty (20) business days. If a decision is approved by the Fire and Police Retirement Board to separate the commingled investments of the Fresno Fire and Police Retirement System and the Fresno Employees Retirement System, this agreement on Mayoral appointments to the Fire and Police Retirement Board shall immediately become null and void and the appointment provisions contained in FMC Section 3-305 shall apply.

- B. During the life of this Agreement/MOU should either party desire to modify its terms or to meet and confer with the other party as to matters within the scope of representation not addressed in this MOU, the party requesting any change shall request in writing to meet and confer on the item(s), which item(s) shall be specified in writing.
- C. During the term of this Agreement/MOU, either party may refuse any request by the other to meet and confer without explanation if (1) the item is directly considered and specifically addressed herein; or (2) is directly considered and specifically addressed in any FMC section, charter section or provision, or resolution section, which section specifically establishes wages, hours, or other terms and conditions of employment; or (3) the specific item was included in an initial written proposal from the party making the request during the meet and confer process which led to this agreement. Either party shall also have the right to refuse a request on any matter falling within the scope of representation and which would be the basis of a proper refusal under (1) – (3) supra, if the proposal, if accepted or implemented, would only

become effective after the expiration of this MOU. No unilateral action on any such refused proposal may be taken by the requesting party after such a refusal by the other.

It is further agreed, however, that this section shall not prohibit the City from requesting to meet and confer on changes to federal or state statutes **or regulations.**

IN WITNESS WHEREOF, the parties hereto have set their hands this \_\_\_\_ day  
of \_\_\_\_\_, 2017.

**SIDE LETTER OF AGREEMENT**

City of Fresno Fire and Police Retirement System:

During the term of the current MOU which is scheduled to expire on June 30, 2017, the parties agree to meet to study provisions of the Fresno Municipal Code (FMC) regarding "Dissolution or Legal Separation" and the prospect of allowing City of Fresno Fire and Police Retirement System members to "buy back" a portion of a member's retirement which was awarded to an ex-spouse in a domestic relations order and a refund was taken by the ex-spouse.

Any change to the FMC in this regard would proceed only if there is no adverse impact to either the City of Fresno Fire and Police Retirement System or the City of Fresno's employer contribution rate, and requires mutual agreement of all of the affected units in the City of Fresno Fire and Police Retirement System.

Performance Evaluation Forms:

Upon mutual agreement, the City and the Association will meet for the express purpose of discussing changes to the performance evaluation form for Association members. Any changes to the employee evaluation form require mutual agreement.

EXHIBIT III

**Agreement between  
City of Fresno**

**and**

**Employee Organizations Representing City of Fresno Employees**

This agreement was reached in an effort to lower the current cost of the monthly health contribution rates between March 1, 2009 and June 30, 2010 as set by the Fresno City Employees Health and Welfare Trust (Trust) thereby assisting to ameliorate fiscal developments faced by the City of Fresno (City). The agreement also provides short term guarantees by the City for the unencumbered reserve of the Trust while setting a long term minimum of four (4) months for the Trust unencumbered reserve. This agreement sets forth the full and entire understanding of the City and Bargaining Units whose representatives have signed this agreement regarding these matters. This Agreement is effective March 1, 2009 and will remain in force so long as the Trust agrees to maintain a health contribution rate that is calculated to maintain a minimum of a four (4) month unencumbered reserve as calculated by the actuary selected by the Trust (actuary).

1. This agreement will be effective only if the provisions below affecting the Trust are approved by a majority of affected represented bargaining units and the City Council and if the Trust sets a monthly health contribution rate of seven hundred twenty-nine dollars (\$729) effective March 1, 2009 through June 30, 2010.
2. The parties agree that, for the period March 1, 2009 through June 30, 2010, if the Trust unencumbered reserve falls below a four (4) month unencumbered reserve as calculated by the actuary selected by the Trust for two (2) consecutive months, the City will pay to the Trust an amount sufficient to restore the level of the Trust unencumbered reserve to four (4) months.
3. The restoration to a four (4) month unencumbered reserve must occur within 30 days notice to the City by the Trust's third party administrator. This payment by the City shall not be utilized in the calculation of the amounts due by the City and employees for established Trust health contribution rates.
4. Effective June 30, 2010 if the Trust unencumbered reserve is calculated by the actuary selected by the Trust to be less than a four (4) month unencumbered reserve, the City will pay an amount to the Trust sufficient to restore the level of the unencumbered reserve to four (4) months. This payment by the City shall not be utilized in the calculation of the amounts due by the City and employees for established Trust health contribution rates.
5. The parties agree that, for the monthly health contribution rate effective July 1, 2010 and for all subsequent monthly health contribution rates, the Trust will set a monthly health contribution rate not less than the rate calculated by the actuary

selected by the Trust necessary to maintain a minimum unencumbered reserve of four (4) months.

6. The parties will support amendments to the Trust necessary to implement this agreement.
