Active Transportation Plan

Environmental Assessment

Recommends that a Mitigated Negative Declaration be adopted for the entire project. Project specific mitigation measures include

- Indirect Source Review Application to SJVAPCD
- Phase I Environmental Site Assessment
- Drainage improvements
- Traffic improvements: California Ave at Walnut Ave, Church Ave at Walnut Ave, Church Ave at MLK Blvd Ave, Jensen Ave at Walnut Ave and Jensen Ave at Elm Ave

Public Comment / Planning Commission

- Hearing notice mailed to all owners of property located within 1,000 feet of project site
- Approximately 6 phone calls received; once project explained, all callers were in support
- At Planning Commission hearing, 4 members of the public spoke in support and 4 in opposition. Main concern: eminent domain for roadway construction.
- Planning Commission recommended approval by a 6-0-0 vote.

Findings

The proposed Plan Amendment, Annexation Application, Prezone and Tentative Parcel Map meet the following criteria:

- The project proposes changes to the General Plan Land Use Map and Official Zoning Map and those changes are **consistent with the General Plan goals** and policies, any operative plan, adopted policies and the Municipal Code;
- The change in land uses and zoning is **consistent with the purpose of the Development Code** to promote the growth of the city in an orderly and sustainable manner and to promote and protect the public health, safety, peace, comfort, and general welfare;
- The change is **necessary to achieve the balance of land uses desired by the City** and to provide sites for needed housing or employment-generating uses, consistent with the General Plan, any applicable operative plan, or adopted policy; and to increase the inventory of land within a given zoning district to meet market demand.

Findings

- The project was routed to the appropriate agencies and it was determined that there is **sufficient public services, facilities and utilities available serve the proposed project and the lands proposed to be annexed** for this project, subject to the conditions listed in the memoranda from DPU, FD, and FMFCD
- **This project will not negatively impact City finances.** No City revenue will be used to replace or provide developer funding, the development project will fully fund public facilities and infrastructure as necessary to mitigate any impacts, the development project will pay for public facilities and infrastructure improvements in proportion to the development's neighborhood and citywide impacts, and the development will fund its proportionate share of public facility infrastructure, maintenance and public service costs according to the City Council approved Development Impact Fee Schedule.
- The annexation of this property supports **orderly growth**. The property is bounded on three sides by City limits.
