subsequent amendments or revisions.

APPEALS

Please be advised that this project may be subject to a variety of discretionary conditions of approval. These conditions based on adopted City plans, ordinances and policies; those determined to be required through the interdepartmental/interagency review process; and those determined through the environmental assessment process as necessary to mitigate adverse effects on the health, safety and welfare of the community. The conditions of approval may also include requirements for development and use that would, on the whole, enhance the project and its relationship to the neighborhood and environment.

All conditions of approval based on adopted plans, codes, and regulations are mandatory. Conditions based on the Fresno Municipal Code (FMC) may only be modified by variance, provided the findings required by FMC Section 15-5506 can be made. Discretionary conditions of approval may be appealed, but will ultimately be deemed mandatory unless appealed in writing to the Director within 15 days. In the event you wish to appeal the Director's decision, you may do so by filing a written appeal with the Director. The appeal shall include the appellant's interest in or relationship to the subject property, the decision or action appealed and specific reasons why the applicant believes the decision or action appealed should not be upheld.

The Development Permit Application No. D-16-088, Variance Application No. V-17-001, and the related environmental assessment will be heard by the Planning Commission on **October 4, 2017**. A Public Hearing Notice was sent to property owners within 1,000 feet of the subject property 10 days prior the Public Hearing meeting, pursuant to Section 15-5007 of the FMC.

BACKCHECK PROCESS

Please Note: To complete the back-check process for building permits relative to planning and zoning issues, submit four copies of this corrected, final site plan, together with three copies of the elevations, landscape, and irrigation plans, any fees and title reports for required covenants, and any required studies or analyses to Andreina Aguilar in the Development Services Division for final review and approval, at least 15 days before applying for building permits.

It may be necessary to resubmit these "corrected exhibits" a second time if not all the conditions have been complied with or are not shown on the exhibits. Once the "corrected exhibits" are approved by the Development Services Division, please place these exhibits in the plan check set and contact the Development Services Division, along with Traffic Planning, to set up an appointment to signoff and stamp these exhibits. Please bring one additional copy of the site plan exhibit(s) to this appointment so that the Development Services Division has a final signed-off copy of the site plan.

Copies of the final approved site plan, elevations, landscaping, and irrigation plans stamped by the Development Services Division must be submitted for unstamped copies of the same

in each of the sets of construction plans submitted for plan check prior to the issuance of building permits.

The exercise of rights granted by this special permit must be commenced by October 4, 2020 (three years from the date of approval), pursuant to Fresno Municipal Code Sections 15-5013-A, B, D and E. An extension of up to one additional year may be granted, provided that the findings required under FMC Section 15-5013-A.1 are made by the Director. All required improvements must be installed prior to the operation of the proposed use.

If you have any questions regarding this letter, feel free to give me a call at the number listed above.

Sincerely,

Andreina Aguilar, Planner
