RE: Letter of Intent - Bulldog Lane Street Lighting Project

Dear Scott:

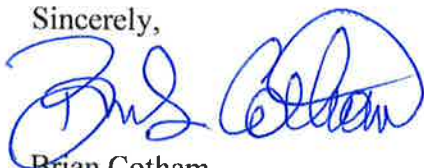

This letter serves as notice that Fresno State hereby agrees to pay to the City of Fresno a lump sum amount of \$125,000 for the design and installation of new street lighting along Bulldog Lane, Cedar and Millbrook Avenues. The scope of work includes replacing existing poles and underground infrastructure and the new LED street lights will have future capability to support video surveillance.

Please remit the invoice to the following address:

California State University, Fresno
