New Small Business Development Center (SBDC) at Clovis Community College,
Partnership with UC Merced

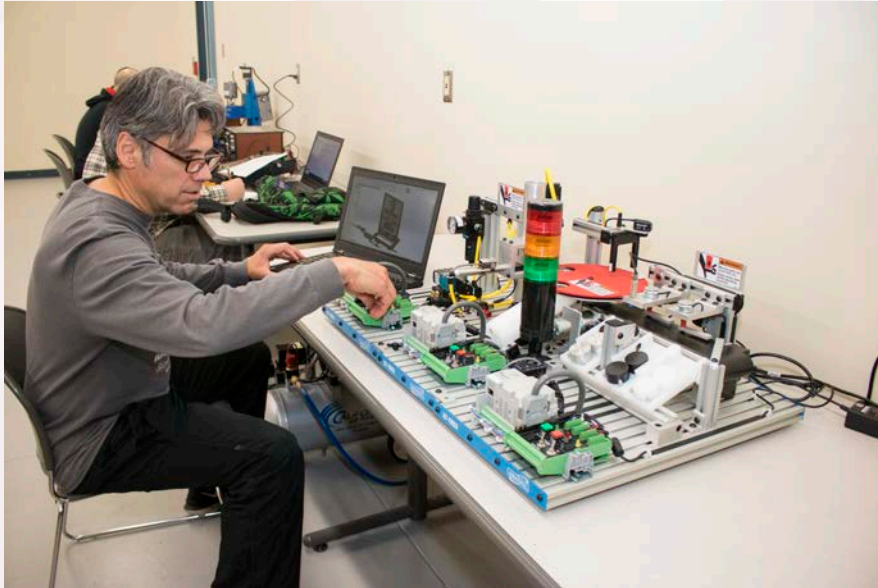

Demographics

Where do Clovis Community College students live?

Measure “C” Bond Update & Career Tech Education (CTE)

TRAINING FOR LOCAL JOBS:

New MECHATRONICS classes started February 2018:

Local manufacturing companies provided input on curriculum and they are ready to hire trained students.

- \$70M, awaiting \$20M from State funds
- Expand Career Technical Education programs, student services, and classrooms
- New CTE programs
 - Advanced Manufacturing
 - Healthcare
 - Technology (STEM)
 - Environmental Science

Partnering with our Community

- High schools to develop CTE pathways
- Universities to develop transfer pathways
- Businesses to provide job training
- Adult education schools to develop educational pathways
- Wonderful partnership with the City of Fresno.

Gregory Barfield secured shuttle that will transport students from River Park to CCC starting in August
THANK YOU City of Fresno & Gregory Barfield
