

CITY OF FRESNO

Office of Mayor Lee Brand & The Fresno City Council

Is Hereby Presented To:

Angela Moreno

It is with great distinction and pride that we join in honoring and congratulating you on all of your hard work and dedicated service that you have provided over the years to women healing from breast cancer related issues. As a cancer survivor yourself, you recognize the importance of being there for your fellow community member during the recovery and healing process, by providing a way for them to feel good about themselves. A simple hair wash and blow-dry to make someone feel better about themselves can make a huge difference on their road to recovery. We truly appreciate your contributions to help create a better quality of life for people who are going through cancer treatment. Our city gratefully acknowledges your many accomplishments. Please accept a heartfelt thank you on behalf of the City of Fresno for all of your kind services that you provide to our community. It is individuals like yourself, that truly make Fresno an "All American City."

On behalf of the City of Fresno, we Mayor Lee Brand, and the Fresno City Council, do, hereby proclaim April 19th, 2018 to be:
