TOTAL NET BID AMOUNT

1. JAM Services
958 East Airway Boulevard
Livermore CA 94551

\$237,361.44

BACKGROUND OF PROJECT

The Department of Public Works Street Maintenance/TSSL Division in conjunction with the Department of Development and Resource Management, applied for project funding through the HUD CDBG Program to retrofit 1600 Streetlights to LED throughout select CDBG project areas. This bid was for the procurement of LED fixtures that would have been installed by City crews in the project areas.

DEPARTMENT CONCLUSIONS AND RECOMMENDATION:

- ☐ Award a contract in the amount of \$ _____
to _____
as the lowest responsive and responsible bidder.

Remarks:

- ☒ Reject all bids. Reason:

This action is a result of challenges meeting federal procurement regulations given the lack of bids received for lighting materials. There was only one bidder, and this is viewed as an ineligible sole source bid under HUD procurement rules. The lights that were going to be replaced through this CDBG project are now included in the City-wide Pacific Gas & Electric on bill financed LED Retrofit Project that is currently underway.
