30. Waiver. The waiver by either Party of a breach by the other of any provision of this Agreement shall not constitute a continuing waiver or a waiver of any subsequent breach of either the same or a different provision of this Agreement. **Housing Opportunities for Persons With AIDS
(HOPWA) Program**

**Consolidated Annual Performance and
Evaluation Report (CAPER)
Measuring Performance Outcomes**

OMB Number 2506-0133 (Expiration Date: 01/31/2021)

The CAPER report for HOPWA formula grantees provides annual information on program accomplishments that supports program evaluation and the ability to measure program beneficiary outcomes as related to: maintain housing stability; prevent homelessness; and improve access to care and support. This information is also covered under the Consolidated Plan Management Process (CPMP) report and includes Narrative Responses and Performance Charts required under the Consolidated Planning regulations. Reporting is required for all HOPWA formula grantees. The public reporting burden for the collection of information is estimated to average 41 hours per manual response, or less if an automated data collection and retrieval system is in use, along with 60 hours for record keeping, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Grantees are required to report on the activities undertaken only, thus there may be components of these reporting requirements that may not be applicable. This agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless that collection displays a valid OMB control number.

Overview. The Consolidated Annual Performance and Evaluation Report (CAPER) provides annual performance reporting on client outputs and outcomes that enables an assessment of grantee performance in achieving the housing stability outcome measure. The CAPER fulfills statutory and regulatory program reporting requirements and provides the grantee and HUD with the necessary information to assess the overall program performance and accomplishments against planned goals and objectives.

HOPWA formula grantees are required to submit a CAPER demonstrating coordination with other Consolidated Plan resources. HUD uses the CAPER data to obtain essential information on grant activities, project sponsors, housing sites, units and households, and beneficiaries (which includes racial and ethnic data on program participants). The Consolidated Plan Management Process tool (CPMP) provides an optional tool to integrate the reporting of HOPWA specific activities with other planning and reporting on Consolidated Plan activities.

Continued Use Periods. Grantees that used HOPWA funding for new construction, acquisition, or substantial rehabilitation of a building or structure are required to operate the building or structure for HOPWA-eligible beneficiaries for a ten (10) years period. If no further HOPWA funds are used to support the facility, in place of completing Section 7B of the CAPER, the grantee must submit an Annual Report of Continued Project Operation throughout the required use periods. This report is included in Part 6 in CAPER. The required use period is three (3) years if the rehabilitation is non-substantial.

Record Keeping. Names and other individual information must be kept confidential, as required by 24 CFR 574.440. However, HUD reserves the right to review the information used to complete this report for grants management oversight purposes, except for recording any names and other identifying information. **In the case that HUD must review client-level data, no client names or identifying information will be retained or recorded. Information is reported in aggregate to HUD without personal identification. Do not submit client or personal information in data systems to HUD.**

In connection with the development of the Department's standards for Homeless Management Information Systems (HMIS), universal data elements are being collected for clients of HOPWA-funded homeless assistance projects. These project sponsor records would include: Name, Social Security Number, Date of Birth, Ethnicity and Race, Gender, Veteran Status, Disabling Conditions, Residence Prior to Program Entry, Zip Code of Last Permanent Address, Housing Status, Program Entry Date, Program Exit Date, Personal Identification Number, and Household

Identification Number. These are intended to match the elements under HMIS. The HOPWA program-level data elements include: Income and Sources, Non-Cash Benefits, HIV/AIDS Status, Services Provided, Housing Status or Destination at the end of the operating year, Physical Disability, Developmental Disability, Chronic Health Condition, Mental Health, Substance Abuse, Domestic Violence, Medical Assistance, and T-cell Count. Other HOPWA projects sponsors may also benefit from collecting these data elements. HMIS local data systems must maintain client confidentiality by using a closed system in which medical information and HIV status are only shared with providers that have a direct involvement in the client's case management, treatment and care, in line with the signed release of information from the client.

Operating Year. HOPWA formula grants are annually awarded for a three-year period of performance with three operating years. The information contained in this CAPER must represent a one-year period of HOPWA program operation that coincides with the grantee's program year; this is the operating year. More than one HOPWA formula grant awarded to the same grantee may be used during an operating year and the CAPER must capture all formula grant funding used during the operating year. Project sponsor accomplishment information must also coincide with the operating year this CAPER covers. Any change to the period of performance requires the approval of HUD by amendment, such as an extension for an additional operating year.

Final Assembly of Report. After the entire report is assembled, number each page sequentially.

Filing Requirements. Within 90 days of the completion of each program year, grantees must submit their completed CAPER to the CPD Director in the grantee's State or Local HUD Field Office, and to the HOPWA Program Office: at HOPWA@hud.gov. Electronic submission to HOPWA Program office is preferred; however, if electronic submission is not possible, hard copies can be mailed to: Office of HIV/AIDS Housing, Room 7248, U.S. Department of Housing and Urban Development, 451 Seventh Street, SW, Washington, D.C., 20410.

Definitions

Adjustment for Duplication: Enables the calculation of unduplicated output totals by accounting for the total number of households or units that received more than one type of HOPWA assistance in a given service category such as HOPWA Subsidy Assistance or Supportive Services. For example, if a client household received both TBRA and STRMU during the operating year, report that household in the category of HOPWA Housing Subsidy Assistance in Part 3, Chart 1, Column [1b] in the following manner:

HOPWA Housing Subsidy Assistance		[1] Outputs: Number of Households
1.	Tenant-Based Rental Assistance	1
2a.	Permanent Housing Facilities: Received Operating Subsidies/Leased units	
2b.	Transitional/Short-term Facilities: Received Operating Subsidies	
3a.	Permanent Housing Facilities: Capital Development Projects placed in service during the operating year	
3b.	Transitional/Short-term Facilities: Capital Development Projects placed in service during the operating year	
4.	Short-term Rent, Mortgage, and Utility Assistance	1
5.	Adjustment for duplication (subtract)	1
6.	TOTAL Housing Subsidy Assistance (Sum of Rows 1-4 minus Row 5)	1

Administrative Costs: Costs for general management, oversight, coordination, evaluation, and reporting. By statute, grantee administrative costs are limited to 3% of total grant award, to be expended over the life of the grant. Project sponsor administrative costs are limited to 7% of the portion of the grant amount they receive.

Additionally, the statutory definition includes as chronically homeless a person who currently lives or resides in an institutional care facility, including a jail, substance abuse or mental health treatment facility, hospital or other similar facility, and has resided there for fewer than 90 days if such person met the other criteria for homeless prior to entering that facility. (See 42 U.S.C. 11360(2)) This does not include doubled-up or overcrowding situations.

Disabling Condition: Evidencing a diagnosable substance use disorder, serious mental illness, developmental disability, chronic physical illness, or disability, including the co-occurrence of two or more of these conditions. In addition, a disabling condition may limit an individual's ability to work or perform one or more activities of daily living. An HIV/AIDS diagnosis is considered a disabling condition.

Grassroots Organization: An organization headquartered in the local community where it provides services; has a social services budget of \$300,000 or less annually, and six or fewer full-time equivalent employees. Local affiliates of national organizations are not considered "grassroots."

HOPWA Eligible Individual: The one (1) low-income person with HIV/AIDS who qualifies a household for HOPWA assistance. This person may be considered "Head of Household." When the CAPER asks for information on eligible individuals, report on this individual person only. Where there is more than one person with HIV/AIDS in the household, the additional PWH/A(s), would be considered a beneficiary(s).

HOPWA Housing Information Services: Services dedicated to helping persons living with HIV/AIDS and their families to identify, locate, and acquire housing. This may also include fair housing counseling for eligible persons who may encounter discrimination based on race, color, religion, sex, age, national origin, familial status, or handicap/disability.

HOPWA Housing Subsidy Assistance Total: The unduplicated number of households receiving housing subsidies (TBRA, STRMU, Permanent

Housing Placement services and Master Leasing) and/or residing in units of facilities dedicated to persons living with HIV/AIDS and their families and supported with HOPWA funds during the operating year.

Household: A single individual or a family composed of two or more persons for which household incomes are used to determine eligibility and for calculation of the resident rent payment. The term is used for collecting data on changes in income, changes in access to services, receipt of housing information services, and outcomes on achieving housing stability. Live-In Aides (see definition for Live-In Aide) and non-beneficiaries (e.g. a shared housing arrangement with a roommate) who resided in the unit are not reported on in the CAPER.

Housing Stability: The degree to which the HOPWA project assisted beneficiaries to remain in stable housing during the operating year. See *Part 5: Determining Housing Stability Outcomes* for definitions of stable and unstable housing situations.

In-kind Leveraged Resources: These are additional types of support provided to assist HOPWA beneficiaries such as volunteer services, materials, use of equipment and building space. The actual value of the support can be the contribution of professional services, based on customary rates for this specialized support, or actual costs contributed from other leveraged resources. In determining a rate for the contribution of volunteer time and services, use the criteria described in 2 CFR 200. The value of any donated material, equipment, building, or lease should be based on the fair market value at time of donation. Related documentation can be from recent bills of sales, advertised prices, appraisals, or other information for comparable property similarly situated.

Leveraged Funds: The amount of funds expended during the operating year from non-HOPWA federal, state, local, and private sources by grantees or sponsors in dedicating assistance to this client population. Leveraged funds or other assistance are used directly in or in support of HOPWA program delivery.

Live-In Aide: A person who resides with the HOPWA Eligible Individual and who meets the following criteria: (1) is essential to the care and well-being of the person; (2) is not obligated for the support of the person; and (3) would not be living in the unit except to provide the necessary supportive services. See *24 CFR 5.403 and the HOPWA Grantee Oversight Resource Guide* for additional reference.

Master Leasing: Applies to a nonprofit or public agency that leases units of housing (scattered-sites or entire buildings) from a landlord, and subleases the units to homeless or low-income tenants. By assuming the tenancy burden, the agency facilitates housing of clients who may not be able to maintain a lease on their own due to poor credit, evictions, or lack of sufficient income.

Operating Costs: Applies to facility-based housing only, for facilities that are currently open. Operating costs can include day-to-day housing function and operation costs like utilities, maintenance, equipment, insurance, security, furnishings, supplies and salary for staff costs directly related to the housing project but not staff costs for delivering services.

Outcome: The degree to which the HOPWA assisted household has been enabled to establish or maintain a stable living environment in housing that is safe, decent, and sanitary, (per the regulations at 24 CFR 574.310(b)) and to reduce the risks of homelessness, and improve access to HIV treatment and other health care and support.

Output: The number of units of housing or households that receive HOPWA assistance during the operating year.

Permanent Housing Placement: A supportive housing service that helps establish the household in the housing unit, including but not limited to reasonable costs for security deposits not to exceed two months of rent costs.

Program Income: Gross income directly generated from the use of HOPWA funds, including repayments. See grant administration

requirements on program income at 2 CFR 200.307.

Project-Based Rental Assistance (PBRA): A rental subsidy program that is tied to specific facilities or units owned or controlled by a project sponsor. Assistance is tied directly to the properties and is not portable or transferable.

Project Sponsor Organizations: Per HOPWA regulations at 24 CFR 574.3, any nonprofit organization or governmental housing agency that receives funds under a contract with the grantee to provide eligible housing and other support services or administrative services as defined in 24 CFR 574.300. Project Sponsor organizations are required to provide performance data on households served and funds expended.

SAM: All organizations applying for a Federal award must have a valid registration active at sam.gov. SAM (System for Award Management) registration includes maintaining current information and providing a valid DUNS number.

Short-Term Rent, Mortgage, and Utility (STRMU) Assistance: A time-limited, housing subsidy assistance designed to prevent homelessness and increase housing stability. Grantees may provide assistance for up to 21 weeks in any 52-week period. The amount of assistance varies per client depending on funds available, tenant need and program guidelines.

Stewardship Units: Units developed with HOPWA, where HOPWA funds were used for acquisition, new construction and rehabilitation that no longer receive operating subsidies from HOPWA. Report information for the units is subject to the three-year use agreement if rehabilitation is non-substantial and to the ten-year use agreement if rehabilitation is substantial.

Tenant-Based Rental Assistance (TBRA): TBRA is a rental subsidy program similar to the Housing Choice Voucher program that grantees can provide to help low-income households access affordable housing. The TBRA voucher is not tied to a specific unit, so tenants may move to a different unit without losing their assistance, subject to individual program rules. The subsidy amount is determined in part based on household income and rental costs associated with the tenant's lease.

Transgender: Transgender is defined as a person who identifies with, or presents as, a gender that is different from his/her gender at birth.

Veteran: A veteran is someone who has served on active duty in the Armed Forces of the United States. This does not include inactive military reserves or the National Guard unless the person was called up to active duty.

Section 3. HOPWA Outcomes on Access to Care and Support

1a. Total Number of Households

Line [1]: For project sponsors that provided HOPWA housing subsidy assistance during the operating year identify in the appropriate row the number of households that received HOPWA housing subsidy assistance (TBRA, STRMU, Facility-Based, PHP and Master Leasing) and HOPWA funded case management services. Use Row c to adjust for duplication among the service categories and Row d to provide an unduplicated household total.

Line [2]: For project sponsors that did NOT provide HOPWA housing subsidy assistance identify in the appropriate row the number of households that received HOPWA funded case management services.

Note: These numbers will help you to determine which clients to report Access to Care and Support Outcomes for and will be used by HUD as a basis for analyzing the percentage of households who demonstrated or maintained connections to care and support as identified in Chart 1b below.

PART 5: Worksheet - Determining Housing Stability Outcomes (optional)

1. This chart is designed to assess program results based on the information reported in Part 4 and to help Grantees determine overall program performance. Completion of this worksheet is optional.

Permanent Housing Subsidy Assistance	Stable Housing (# of households remaining in program plus 3+4+5+6)	Temporary Housing (2)	Unstable Arrangements (1+7+8)	Life Event (9)
Tenant-Based Rental Assistance (TBRA)				
Permanent Facility-based Housing Assistance/Units

Total HOPWA Housing Subsidy Assistance				

Background on HOPWA Housing Stability Codes

Stable Permanent Housing/Ongoing Participation

3 = Private Housing in the private rental or home ownership market (without known subsidy, including permanent placement with families or other self-sufficient arrangements) with reasonable expectation that additional support is not needed.

4 = Other HOPWA-funded housing subsidy assistance (not STRMU), e.g. TBRA or Facility-Based Assistance.

5 = Other subsidized house or apartment (non-HOPWA sources, e.g., Section 8, HOME, public housing).

6 = Institutional setting with greater support and continued residence expected (e.g., residential or long-term care facility).

Temporary Housing

2 = Temporary housing - moved in with family/friends or other short-term arrangement, such as Ryan White subsidy, transitional housing for homeless, or temporary placement in institution (e.g., hospital, psychiatric hospital or other psychiatric facility, substance abuse treatment facility or detox center).

Unstable Arrangements

1 = Emergency shelter or no housing destination such as places not meant for habitation (e.g., a vehicle, an abandoned building, bus/train/subway station, or anywhere outside).

7 = Jail /prison.

8 = Disconnected or disappeared from project support, unknown destination or no assessments of housing needs were undertaken.

Life Event

9 = Death, i.e., remained in housing until death. This characteristic is not factored into the housing stability equation.

Tenant-based Rental Assistance: Stable Housing is the sum of the number of households that (i) remain in the housing and (ii) those that left the assistance as reported under: 3, 4, 5, and 6. Temporary Housing is the number of households that accessed assistance, and left their current housing for a non-permanent housing arrangement, as reported under item: 2. Unstable Situations is the sum of numbers reported under items: 1, 7, and 8.

Permanent Facility-Based Housing Assistance: Stable Housing is the sum of the number of households that (i) remain in the housing and (ii) those that left the assistance as shown as items: 3, 4, 5, and 6. Temporary Housing is the number of households that accessed assistance, and left their current housing for a non-permanent housing arrangement, as reported under item 2. Unstable Situations is the sum of numbers reported under items: 1, 7, and 8.

Transitional/Short-Term Facility-Based Housing Assistance: Stable Housing is the sum of the number of households that (i) continue in the residences (ii) those that left the assistance as shown as items: 3, 4, 5, and 6. Other Temporary Housing is the number of households that accessed assistance, and left their current housing for a non-permanent housing arrangement, as reported under item 2. Unstable Situations is the sum of numbers reported under items: 1, 7, and 8.

Tenure Assessment. A baseline of households in transitional/short-term facilities for assessment purposes, indicate the number of households whose tenure exceeded 24 months.

STRMU Assistance: Stable Housing is the sum of the number of households that accessed assistance for some portion of the permitted 21-week period and there is reasonable expectation that additional support is not needed in order to maintain permanent housing living situation (as this is a time-limited form of housing support) as reported under housing status: Maintain Private Housing with subsidy; Other Private with Subsidy; Other HOPWA support; Other Housing Subsidy; and Institution. Temporarily Stable, with Reduced Risk of Homelessness is the sum of the number of households that accessed assistance for some portion of the permitted 21-week period or left their current housing arrangement for a transitional facility or other temporary/non-permanent housing arrangement and there is reasonable expectation additional support will be needed to maintain housing arrangements in the next year, as reported under housing status: Likely to maintain current housing arrangements, with additional STRMU assistance; Transitional Facilities/Short-term; and Temporary/Non-Permanent Housing arrangements. Unstable Situation is the sum of number of households reported under housing status: Emergency Shelter; Jail/Prison; and Disconnected.

16. INDEPENDENT CONTRACTOR

In furnishing the services provided for herein, SUBRECIPIENT is acting solely as an independent contractor. Neither SUBRECIPIENT, nor any of its officers, agents or employees shall be deemed an officer, agent, employee, joint venturer, partner or associate of GRANTEE for any purpose. SUBRECIPIENT's obligations under the preceding sentence shall apply regardless of whether GRANTEE or any of its officers, officials, employees, agents or volunteers are passively negligent, but shall not apply to any loss, liability, fines, penalties, forfeitures, costs or damages caused by the active or sole negligence, or willful misconduct, of GRANTEE or any of its officers, officials, employees, agents or volunteers.

If SUBRECIPIENT should contract or subcontract all or any portion of the work to be performed under this Agreement, SUBRECIPIENT shall require each SUBRECIPIENT and/or subcontractor to indemnify, hold harmless and defend

No third party may enter any claim or bring any such action against GRANTEE under any circumstances. Except as provided by law, or as otherwise agreed to in writing between GRANTEE and such person, each such person shall be deemed to have waived in writing all right to seek redress from GRANTEE under any circumstances whatsoever. SUBRECIPIENT shall include this paragraph in all contracts/subcontracts.

34. NO WAIVER

Neither failure nor delay on the part of the GRANTEE in exercising any right under this Agreement shall operate as a waiver of such right, nor shall any single or partial exercise of any such right preclude any further exercise thereof or the exercise of any other right. No waiver of any provision of this Agreement or consent to any departure by the SUBRECIPIENT therefrom shall be effective unless the same shall be in writing, signed on behalf of the GRANTEE by a duly authorized officer thereof, and the same shall be effective only in the specific instance for which it is given. RECIPIENT shall be solely liable and responsible for providing to, or on behalf of, its employees all legally required employee benefits. In addition, RECIPIENT shall be solely responsible and save CITY harmless from all matters relating to payment of RECIPIENT'S employees, including, without limitation, compliance with Social Security withholding, and all other regulations governing such matters. b. RECIPIENT hereby agrees not to assign the payment of any monies due RECIPIENT from CITY under the terms of this Agreement to any other individual(s), corporation(s) or entity(ies). CITY retains the right to pay any and all monies due RECIPIENT directly to RECIPIENT.

30. Compliance with Law. In providing the services required under this Agreement, RECIPIENT shall at all times comply with all applicable laws of the United States, the State of California and CITY, and with all applicable regulations promulgated by federal, state, regional or local administrative and regulatory agencies, now in force and as they may be enacted, issued, or amended during the life of this Agreement.

31. Waiver. The waiver by either Party of a breach by the other of any provision of this Agreement shall not constitute a continuing waiver or a waiver of any subsequent breach of either the same or a different provision of this Agreement. No provisions of this Agreement may be waived unless in writing and signed by all Parties to this Agreement. Waiver of any one provision herein shall not be deemed to be a

waiver of any other provision herein.

32. Governing Law and Venue. This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of California, excluding, however, any conflict of laws rule which would apply the law of another jurisdiction. 34. Severability. The provisions of this Agreement are severable. The invalidity or unenforceability of any one provision in this Agreement shall not affect the other provisions.

35. Interpretation. The Parties acknowledge that this Agreement in its final form is the result of the combined efforts of the parties and that, should any provision of this Agreement be found to be ambiguous in any way, such ambiguity shall not be resolved by construing this Agreement in favor of or against any Party, but rather by construing the terms in accordance with their generally accepted meaning.

36. Attorney's Fees. If either Party is required to commence any proceeding or legal action to enforce or interpret any term, covenant or condition of this Agreement, the prevailing party in such proceeding or action shall be entitled to recover from the other Party its reasonable attorney's fees and legal expenses.

37. Exhibits. Each exhibit and attachment referenced in this Agreement is, by the reference, incorporated into and made a part of this Agreement.

38. Precedence of Documents. Subrecipient's obligations under the preceding sentence shall apply regardless of whether Grantee or any of its officers, officials, employees, agents or volunteers are passively negligent, but shall not apply to any loss, liability, fines, penalties, forfeitures, costs or damages caused by the active or sole negligence, or willful misconduct, of Grantee or any of its officers, officials, employees, agents or volunteers.

If Subrecipient should contract or subcontract all or any portion of the work to be performed under this Agreement, Subrecipient shall require each Subrecipient and/or subcontractor to indemnify, hold harmless and defend Grantee and each of its officers, officials, employees, agents, and volunteers in accordance with the terms of the preceding paragraph.

This section shall survive termination or expiration of this Agreement.

In addition, the Subrecipient will include a reference to the support provided herein in all publications made possible with funds made available under this Agreement.

I. Sub-Contracts

Any work or services subcontracted by Subrecipient shall be specified by written contract or agreement, and such subcontracts shall be subject to each provision of the Agreement and applicable City, State and Federal guidelines and regulations. Prior to execution by the Subrecipient of any subcontract hereunder, such subcontracts must be submitted by the Subrecipient to the Grantee for its review and approval, which will specifically include a determination of compliance.

This review also includes ensuring that all consultant contracts and fee schedules meet the minimum standards established by the City, State and HUD. Reimbursements for such services will be made at the Subrecipient's cost. None of the work or services covered by this Agreement, including but not limited to consultant work or services, shall be subcontracted by the Subrecipient or reimbursed by the City without prior written approval.

Such amendments shall not invalidate this Agreement, nor relieve or release the Grantee or Subrecipient from its obligations under this Agreement.

The Grantee may, in its discretion, amend this Agreement to conform with Federal, state or local governmental guidelines, policies and available funding amounts, or for other reasons. If such amendments result in a change in the funding, the scope of services, or schedule of the activities to be undertaken as part of this Agreement, such modifications will be incorporated only by written amendment signed by both Grantee and Subrecipient.

However, if in the case of a partial termination, the Grantee determines that the remaining portion of the award will not accomplish the purpose for which the award was made, the Grantee may terminate the award in its entirety.

L. Fiscal Limitations

HUD may in the future place programmatic or fiscal limitation on HOME funds not presently anticipated. Accordingly, the Grantee reserves the right to revise this Agreement in order to take account of actions affecting HUD program funding. In the event of funding reduction, the Grantee may reduce the Allocated Funding of this Agreement, and may, at its sole discretion, limit the Subrecipient's authority to commit and spend funds. Where HUD has directed or requested the Grantee to implement a reduction in funding, with respect to funding for this Agreement, the City Manager, or his/her Designee, may act for the Grantee in implementing and effecting such a reduction in revising the Agreement for such purpose. The City Manager or his/her Designee may act for the Grantee in suspending the operation of this Agreement for up to sixty (60) days, upon three (3) days' prior written notice to the Subrecipient of his/her intention to so act. In no event, however, shall any revision made by the Grantee affect expenditures and legally binding commitments made by the Subrecipient before it received notice of such revision, provided that such amounts have been committed in good faith and are

otherwise allowable and that such commitments are consistent with HUD cash withdrawal guidelines.

PROJECT DESCRIPTION AND SCOPE OF SERVICES

PURPOSE

The purpose of the Tenant Based Rental Assistance (TBRA) Program is to provide rental housing assistance to extremely low and very low-income persons or households that are homeless, threatened with homelessness, those transitioning from a homeless housing assistance program or rapid rehousing for chronically homeless individuals.

PROGRAM OVERVIEW

TBRA provides rental housing assistance to low income households whose income levels limits access to market rent housing. The assistance is available to individuals and families and allows clients to select the housing unit that best provides acceptable space, quality of housing, and access to neighborhood services. TBRA assistance is limited to:

- Those who are homeless, transitioning from a homeless assistance program, or appropriate for rapid rehousing for chronically homeless individuals.
- Household incomes at or below 50% of the area median income (AMI);
- Only those persons listed on the application and lease;
- Up to two years of assistance;

A. Eligible Activities and Payment Standards

The following activities are eligible under TBRA:

- Rent of a residential dwelling that meets the Housing Quality Standards (HQS);
 - Minimum rent charged set at \$50.00
 - Maximum rent charged cannot exceed 30% of the client's adjusted income. TBRA will cover the gap between the client's minimum payment and the actual cost of rent plus utilities TBRA will cover the gap between a household's rent portion and actual cost of rent plus utilities.
 - Security deposits
 - Utility deposits
- Rent charges cannot exceed HUD's Fair Market Rent Limits.

B. Ineligible Activities

The following activities are ineligible to TBRA:

- Duplicate existing rental assistance programs that already reduce a client's rent payment;
- Assisting a resident owner;
- Preventing displacement or relocation as a result of activities other than the HOME Program;

- Provide overnight or temporary shelter to homeless persons;
- Used with existing HOME Investment Partnerships developments currently under a mandated affordability period.
- Commitments to specific owners for specific projects.
- Assistance to resident owners of cooperative housing that qualifies as home ownership housing;

C. Location

For TBRA assistance to be rendered, rental property must be located within the City of Fresno. The program allows for client choice and movement to a unit that best suits the needs of the household, as such the housing subsidy remains with the client as long as the chosen unit is located within the City of Fresno. Assistance cannot be transferred out of the City of Fresno limits.

D. Record Retention

All records must be retained for five years after final rental assistance is provided.

E. Marketing

Agency must establish how potential applicants will be notified and selected for the TBRA program. Description should include:

- Local preferences: utilization of the Coordinated Entry System and use of the VI-SPDAT (Vulnerability Index Services Prioritization Decision Assistance Tool) for homeless and chronically homeless individuals (as defined by CFR 578.3); preference for chronically homeless VI-SPDAT score of 10 or more; homeless individuals VI-SPDAT score of 1-5.
- Where applications are available and how they are submitted
- Agency steps to reach applicants who are least likely to apply
- Outreach to property owners

Marketing Description – Purpose of TBRA funding is to provide stable, permanent housing for a limited period (up to two years) for those individuals who are homeless, or transitioning from a homeless program or chronically homeless who are appropriate for rapid rehousing. Potential participants will be identified via Coordinated Entry System (CES) via street outreach and presentation at a MAP Point location. Potential participants will undergo the VI-SPDAT and be matched to most appropriate housing solution which will include HOME TBRA. Upon verification of CES housing solution, potential participant will be contacted via phone, street outreach or MAP Point contacts.

F. Fair Housing

The following information should be included in marketing and agreements with the landlords/owners.

Non-Discrimination: The Agency or landlord shall not, in the provision of services or in any other manner, discriminate against any person on the grounds of age, race, color, creed, religion, sex, handicap, national origin, or familial status.

G. Tenant Selection

All applicants must be screened and selected through a fair, written and public process.

1. **Applications:** Obtain a written application to determine eligibility. Application will include the following information: income, household, program rules and policies, complaint and grievance procedures, rent standards, rent calculation form, income limits and adjustments, demographic, family composition, verification of homelessness, prior program participation and VI-SPDAT score.
2. **Residency Eligibility:** Tenants must be residents of the city of Fresno.
3. **Eligibility:** Eligibility will be determined upon admission to the program. Thereafter review of eligibility including, income verification, will occur at annual re-examinations. Where a family experiences a change in household composition and/or income between annual re-examination, the _____ will process an interim re-examination. The family is required to report all changes in household composition and/or income to the _____ within ten calendar days of the occurrence.

Should an applicant have income above 50% of AMI at annual re-examination, rental assistance will cease. However, the applicant will remain on the program for 180 days.

4. **Waiting list:** All clients will be complete an application including documentation of homelessness/chronic homelessness, if applicable, inclusion in homeless housing assistance program and VI-SPDAT score. Said applicants will be placed on a Preliminary Wait list. When openings in the program occur, applicants will be selected from the Preliminary Wait list: homeless individuals – VI-SPDAT score 1-5; chronically homeless – VI-SPDAT score of 10 or more; transitioning from a homeless program. All attempts will be made to reach individuals selected including street outreach, message boards dedicated to homeless individuals and communication with agency partners. Should a client not respond to all summonses, the name will be placed back on the Preliminary Wait list.

H. Notification

Prospective tenants must be notified in writing regarding the outcome of their application. Requirement extends to all unsuccessful applicants as well as selected tenants. It is noted that as some prospective tenants are homeless, there may be no

valid address with which to communicate. As such all attempts will be made to contact the client – street outreach conducted to last known place and places where homeless congregate and outreach to varying agency partners regarding whereabouts.

I. Rental Assistance Certificate

Upon admission into the TBRA program, prospective tenants are issued a Rental Assistance Certificate which authorizes households to begin the search for appropriate housing. At the time the coupon is issued a meeting explaining the responsibilities of each party and the impact of the housing choice upon the payment. The certificate should include:

- Agency name
- Household name
- Unit size
- Date issued
- Location restrictions
- Expiration date
- Estimated rent calculation based on tenant income
- Tenant requirements
- Agency processes and responsibilities
- Security Deposit Policy
- Owner/landlord requirements
- Length of assistance
- Equal housing opportunity statement

J. Income Eligibility and Subsidy Amount

A three step process is used to arrive at the maximum subsidy amount.

- Income Determination
- Calculating Adjusted Income
- Total Tenant Payment Calculation

K. Income Determination Process

Agencies will use the Annual Income as Defined in 24 CFR Part 5, to determine TBRA income eligibility. This is also referred to as Part 5 Annual Income; and was based on the Section 8 model. The income definition is defined as the gross amount of income of all adult household members that is anticipated to be received during the coming 12-month period.

Program participants will provide proof of income (such as wages or governmental benefits) at enrollment and each time household income changes. A copy of the proof of income or self-declaration of no income is stored in the program participant file.

L. Calculating Adjusted Income

After gross income is determined, calculation for the "adjusted income" as defined in 24 CFR 5.611 is used to determine total tenant payment (TTP), which is a measure of a household's ability to pay housing costs.

M. Total Tenant Payment Calculation

The TTP is the final calculation used to determine the Agency's subsidy and tenant's share of rent under a HOME-funded TBRA program. Resident rents are calculated by using annual incomes and applying standard allowances for dependents, childcare, disabilities and medical expenses and based upon established HUD guidelines, Notice CPD-96-03.

If all utilities are included in the rent, the tenant's entire share of housing costs goes directly to the landlord. If utilities are paid separately, the Agency must make utility reimbursements to the household whenever the household's share of housing costs is insufficient to cover expected utility costs. Agencies must use the utility allowance established by the local Housing Authority.

N. Maximum Income

Family income must not be above 50% adjusted median income (AMI) on admission and recertification. Income limits are established by household size and revised annually by the Department of Housing and Urban Development.

O. Unit Selection/Approval

Upon admission into the TBRA program, prospective tenants are issued a Coupon (described above) along with a Request for Unit approval. This document must be completed and forwarded to the Agency to trigger the housing quality inspection.

P. Unit Inspections

Prior to completing the lease or making any payments, a unit must be inspected to meet the housing quality standards (HUD-52580).

- Unit must meet housing quality standards (HQS) before tenancy and at least annually. Complete records of certification, inspections, and follow-up actions must be kept in the client's files.

Q. Occupancy Standards

HUD has established occupancy standards that comply with the HQS requirements and how the number of bedrooms needed by the household will impact the unit size and subsidy. The following basic standards can be modified to take into consideration specific household composition and circumstances (i.e., pending child custody cases, chronic illnesses, family member who is absent most of the time, etc.). Occupancy standards are used to provide consistent criteria for determining the unit size for which

the household is eligible and thus, the amount of assistance to be provided. Fair housing rules permit a household to select smaller units that do not create seriously overcrowded conditions.

- No more than two persons are required to occupy a bedroom;
- Persons of different generations (i.e., grandparents, parents, children), persons of the opposite sex (other than spouses/couples) and unrelated adults are not required to share a bedroom;
- Children of the same sex (regardless of age) and couples cohabitating (whether or not legally married) must share the same bedroom for purpose of assigning the bedroom size on housing coupon;
- A live-in care attendant who is not a member of the family is not required to share a bedroom with another household member.
- Individual medical problems (i.e., chronic illness) sometimes require either separate bedrooms for household members who would otherwise be required to share a bedroom or an extra bedroom to store medical equipment;
- In most instances, a bedroom is not provided for a family member who will be absent most of the time, such as a member who is away in the military.

R. Ownership

Units may be privately or publicly owned.

S. Rent Reasonableness

Rent for each unit must be determined to be reasonable when compared to unassisted units.

T. Rent Increases

Any rent increase must be approved by the Housing Authority. Individuals will be asked to provide documentation from the landlord about rent adjustments. Adjustment of the subsidy may be recalculated providing rent amounts continue to maintain the Fair Market Rent standards for the area.

U. Landlord-Tenant Law

Tenants should receive a user-friendly copy of the Landlord-Tenant Law and be informed on how to use this law when problems arise. Copies of signed receipt of the landlord-Tenant Law should be included in the individual's file.

V. Lead Based Paint

Tenants will be notified of the potential presence and hazard of lead. All individuals receiving tenant-based rental subsidies will receive a copy of the Environmental Protection Agency brochure titled "Protect Your Family from Lead in Your Home". A signed receipt of the copy should be maintained in the individual's file. EPA Disclosure Requirements for All Leased Housing Built Before 1978.

W. Lease Addendum

Terms: Initially one year, with a month to month renewal at expiration, for a period no longer than two years of assistance. Throughout the assistance period, FH retains the right to terminate assistance as detailed below.

X. Un-allowable terms in lease

The lease between the owner and the tenant may not contain the following:

- Agreement by the tenant to be sued, to admit guilt, or to a judgment in favor of the owner in a lawsuit brought in connection with the lease;
- Agreement by the tenant that the owner may take, hold, or sell personal property of household members without notice to the tenant and a court decision on the rights of the parties. However, the owner may dispose of personal property left by a tenant in accordance with state law;
- Agreement by the tenant not to hold the owner or the owner's agents legally responsible for any action or failure to act, whether intentional or negligent;
- Agreement of the tenant that the owner may institute a lawsuit without notice to the tenant;
- Agreement by the tenant that the owner may evict the tenant or household members without instituting a civil court proceeding in which the tenant has the opportunity to present a defense, or before a court decision on the rights of the parties;
- Agreement by the tenant to waive any right to a trial by jury;
- Agreement by the tenant to waive the tenant's right to appeal, or to otherwise challenge in court, a court decision in connection with the lease; and
- Agreement by the tenant to pay attorney's fees or other legal costs even if the tenant wins in a court proceeding by the owner against the tenant. The tenant, however, may be obligated to pay costs if the tenant loses. See Attached Form 13 – Lease Addendum.

AGREEMENT WITH PROPERTY OWNER/LANDLORD

The Housing Authority should have an agreement with the property owner/landlord providing information regarding terms, amounts, security deposit fair housing and termination.

TERMINATION

Agency must notify tenant in writing when terminating tenant assistance. Agency must follow landlord tenant rules of the State of California:

1. **End of Assistance Time Period:** Provide notice in writing to tenant and landlord.
2. **Property Owner Termination:** If a property owner terminates the tenancy through no fault of the tenant, and the tenant is still eligible for assistance, the Agency will work to find another unit.

3. **Tenant Caused Eviction:** If tenant is evicted due to breaking the lease or participating in illegal activities, the agency is under no obligation to continue to provide rental assistance.
4. **Tenant Moves:** Tenant moves are accommodated only on rare instances such as family size or job change.

UTILITIES

1. **Utility Costs:** Utilities costs are included in the fair market rental calculation. Agencies must use the utility allowance established by the Housing Authority of the City of Fresno. The rents must be reduced for tenant paid utilities.
