Ordinance No.

NOW, THEREFORE, THE COUNCIL OF THE CITY OF FRESNO DOES
ORDAIN AS FOLLOWS:

SECTION 1. Based upon the testimony and information presented at the hearing and upon review and consideration of the environmental documentation provided, the adoption of the proposed modification of conditions of zoning is in the best interest of the City of Fresno. The Council finds in accordance with its own independent judgment that with all applicable project specific mitigation measures imposed, there is no substantial evidence in the record that Modification of Conditions of Zoning Application No. P18-03659 may have additional significant effects on the environment that were not identified in the Fresno General Plan Master Environmental Impact Report SCH No. 2012111015 ("MEIR"); and, that all applicable mitigation measures of the MEIR have been applied to the project, together with project specific mitigation measures necessary to assure that the project will not cause significant adverse cumulative impacts, growth inducing impacts, and irreversible significant effects beyond those identified by the MEIR as provided by CEQA Section 15178(a). Therefore, it has been determined based upon the evidence in the record that the project will not have a significant impact on the environment and that the filing of a mitigated negative declaration is appropriate in accordance with the provisions of CEQA Section 21157.5(a)(2) and CEQA Guidelines Section 15178(b)(1) and (2). Accordingly, the Council adopts the Mitigated Negative Declaration prepared for Environmental Assessment No. P18-03659 dated May 22, 2019.

SECTION 2. The Council finds the requested modification of conditions of zoning is consistent with the existing Regional Mixed-Use planned land use designation

of the Fresno General Plan and the Bullard Community Plan as specified in the Fresno General Plan and Municipal Code.

SECTION 3. The Council finds that the conditions of zoning on the real property described hereinbelow, located in the City of Fresno are modified as depicted in the attached Exhibit "A".

SECTION 4. This ordinance shall become effective and in full force and effect at 12:01 a.m. on the thirty-first day after its passage.
