WHEREAS, the Council of the City of Fresno, on the 25th day of July, 2019, received the recommendation of the Planning Commission.

NOW, THEREFORE, THE COUNCIL OF THE CITY OF FRESNO DOES ORDAIN AS FOLLOWS:

SECTION 1. Based upon the testimony and information presented at the hearing and upon review and consideration of the environmental documentation provided, the adoption of the proposed rezoning is in the best interest of the City of Fresno. The Council finds in accordance with its own independent judgment that with all applicable project specific mitigation measures imposed, there is no substantial evidence in the record that Rezone Application P18-03659 may have additional significant effects on the environment that were not identified in the Fresno General Plan Master Environmental Impact Report SCH No. 2012111015 ("MEIR"); and, that all applicable mitigation measures of the MEIR have been applied to the project, together with project specific mitigation measures necessary to assure that the project will not cause significant adverse cumulative impacts, growth inducing impacts, and irreversible significant effects beyond those identified by the MEIR as provided by CEQA Section 15178(a). Therefore, it has been determined based upon the evidence in the record that the project will not have a significant impact on the environment and that the filing of a mitigated negative declaration is appropriate in accordance with the provisions of CEQA Section 21157.5(a)(2) and CEQA Guidelines Section 15178(b)(1) and (2).

Accordingly, the Council adopts the Mitigated Negative Declaration prepared for Environmental Assessment No. P18-03659 dated May 22, 2019.

SECTION 2. The Council finds the requested RMX (*Regional Mixed-Use*) zone district and amendments to conditions of zoning are consistent with the proposed Regional Mixed-Use planned land use designation of the Fresno General Plan and the Bullard Community Plan as specified in the Fresno General Plan and Municipal Code and pursuant to Plan Amendment Application No. P18-03659.

SECTION 3. The Council finds that the zone district of the real property described hereinbelow, pertaining to 1.0 acres of subject property, located in the City of Fresno and shown on the Official Zone Map of the City of Fresno, is reclassified from the RS-5/EQ (Residential Single-Family/Equine Overlay) zone district to the RMX (*Regional Mixed Use*) zone district, as depicted in the attached Exhibit "B".
